Dear Texas Water Development Board:

Please find enclosed the Proposed DFC Explanatory Report for GMA 16. This version is final and addresses all comments communicated to GMA 16 with regard to the draft report submitted in January 2017. All electronic appendices were previously submitted with the draft report in January and are not re-submitted at this time.

If you would like additional information about this report, you can telephone me any time at the number listed below.

Sincerely,

David O'Rourke, PG, PE
GMA 16 Groundwater Consultant
