

Recommended new major water supply reservoirs

(As of March 2021)

- Recommended new major reservoirs
 - Urbanized areas
 - County boundaries
 - Major rivers
 - River basin boundaries
- 0 25 50 100 Miles

DWU = Dallas Water Utilities
GBRA = Guadalupe-Blanco River Authority
LCRA = Lower Colorado River Authority
OCR = Off-channel reservoir

Note: Major reservoirs are reservoirs with more than 5,000 acre-feet of storage.

These recommended reservoir footprints or representative locations may be hypothetical locations of facilities for regional water planning purposes only as it relates to planning-level cost estimates. The locations on this map may be conceptual in nature and may not represent actual locations of facilities. Siting of facilities are subject to studies, designs, engineering, and/or contract negotiations to be determined by the project's sponsor at a later date. Urbanized areas provided by the United States Census Bureau, 2020.
