

**Letter of Agreement and Statement of Work for
Enhancements of the Texas Water Information System Software**

SECTION I - OVERVIEW

1.1 Introduction

This Letter of Agreement (Agreement) will serve as the working document between the Texas Water Development Board (TWDB) and Northbridge Environmental (Contractor) to provide report services to TWDB's Texas Water Information System Software (TxWISE). This Letter Agreement is not valid without the proper signatures below.

1.2 Contract Term

The Services requested shall be provided upon execution of the Agreement from September 1, 2018 - August 31, 2019. We reserve the right to extend the term of this contract for an additional three (3) one-year terms with the same conditions as set forth in corresponding Agreement.

1.3 Option to Renew Services

There are three (3) one-year renewal options: September 1, 2019 – August 31, 2020, September 1, 2020 – August 31, 2021 and September 1, 2021 to August 31, 2022.

1.4 Stop Work Order

The TWDB may issue a Stop Work Order (SWO), in writing, to the Contractor at any time. The Stop Work Order (SWO) shall provide the Contractor with notice of the facts underlying the determination to issue the SWO. The SWO may require an immediate cessation of work or the cessation of work at a definite future date. The SWO shall provide the Contractor with a definite limited time to cure the conditions underlying the SWO. If the Contractor fails to cure within 10 business days, then the TWDB may terminate this Agreement.

SECTION II – STATEMENT OF WORK

2.1 Description

The Contractor will provide report Services, which shall include, but are not limited to, the requirements contained in the published RFO (attached). The Contractor will develop new and modify or enhance existing TxWISE reports as directed by the TWDB. Services set forth that contain the words "must" or "shall" are mandatory and must be provided as specified with no alterations, modifications, or exceptions. Services set forth that contain the words "may" or "can" allow Respondent to offer alternatives to the manner in which the Services are provided. The requested Services and corresponding deliverables are as follows when appropriate:

- A. Kick-Off Meeting. This deliverable will be the project kick-off with the Contractor for reports that require large-scale planning and coordinating. Expectations are to outline schedules and activities for the effort.

**Letter of Agreement and Statement of Work for
Enhancements of the Texas Water Information System Software**

- B. Project Schedule. This deliverable will include input and contribution of information from the Contractor so the TWDB Project Manager (PM) can develop the project schedule for reports that require large-scale planning and coordinating.
- C. Deliverable format. TWDB will negotiate format of deliverable(s) as needed.

2.2 Deliverables

The Contractor will provide:

- A. Status Reports. When needed for reports that require large-scale planning and coordinating, this deliverable will include regular status reports indicating milestone-based progress, planned progress, identified risks or issues, schedule status, potential schedule impacts, key achievements, and release information delivered to the Project Manager no later than the 10th of the following month.
- B. Requirements document(s). This deliverable will define business and system requirements from the Description of Services, as listed in this document, and must be approved by TWDB.
- C. Design specifications. Deliverables will be applicable Functional and Technical Design, including but not limited to:
 - 1. TxWISE Reports Impacted (Northbridge created) – If an impact to a report created by Northbridge is identified (i.e. a new item is added to the report, an existing item is deleted from the report, etc.), an updated report will be provided.
 - 2. TxWISE Reports Impacted (TWDB created) – If the impact on the report created by TWDB is identified, advanced technical support and guidance may be provided.
 - 3. Business Functions and Finance Processes Impacted – Flow charts will be provided for business processes that require large-scale planning and coordinating.
- D. System Test Results. This deliverable will be a matrix or similar artifact that illustrates the functionality tested and traceability to requirements as performed by the Contractor.
- E. User Test Plan, Scripts, and Results. The Contractor will create test plans, scripts, and support TWDB user testing activities. Completion will be based upon all user testing completed and final approval to implement as provided by the TWDB PM.

**Letter of Agreement and Statement of Work for
Enhancements of the Texas Water Information System Software**

- F. System Code. This deliverable will include an updated version of the TxWISE un-compiled system development code.
- G. System Documentation. This deliverable will be to update technical documentation of the application when appropriate, including but not limited to:
 - a. TxWISE Report Functional Requirements Documents
- H. Training. This deliverable will consist of knowledge transfer to TWDB staff and include separate activities for technical and functional. Basis of content should be the system documentation and User Guide. Training specifics will be dependent on the size of the reports and may be recorded for future training purposes, as determined by the TWDB PM.
- I. Close-Out. This deliverable will include completion of any known defects, transfer of all documentation, and full acceptance of report completion for reports that require large-scale planning and coordinating.

2.3 TWDB Responsibilities

- A. Provide a Contract Manager/Information Technology Project Manager point-of-contact.
- B. Provide access to appropriate data systems and information.
- C. Provide resources for oversight, implementation and deployment of releases.
- D. Provide resources to assist the contractor in configuring the software.
- E. Provide on-site space for Contractor personnel including office space with connectivity, meeting room, and testing areas as needed.
- F. Ensure Contractor provided equipment meets TWDB hardware and software standards prior to connecting to the TWDB Network.

2.4 Contractor Responsibilities

- A. Advanced Technical Services & Data Remediation: During the term of this Agreement, the Contractor shall provide advanced technical services and data remediation assistance, as requested by TWDB PM for services such as, but not limited to strategic enhancement planning, feasibility analysis, data remediation, and advanced system analysis.
- B. Contractors Personnel/Staff Requirements: Contractor Project Manager (PM) primary responsibilities shall be the day-to-day operation of service in accordance with this SOW.

**Letter of Agreement and Statement of Work for
Enhancements of the Texas Water Information System Software**

Contractor PM shall be a permanent Contractor staff employee and shall serve as a constant primary point-of-contact for the TWDB.

- C. The TWDB recognizes that events beyond the control of Contractor such as death, physical or mental incapacity, long-term illness, or the voluntary termination of employment of the Contractor PM will require that Contractor propose a replacement. In the event that such a replacement is necessary, Contractor agrees that no personnel shall begin work on the project without prior written approval from the TWDB.
- D. The use of subcontractors or contract employees is permitted with prior approval from TWDB.
- E. Proposed replacement personnel shall meet minimum qualifications and have experience comparable to the person(s) being replaced. Replacement personnel shall be provided at no additional cost with prior approval from TWDB.
- F. Contractor agrees that key personnel assigned to the TWDB shall remain available for the duration of the term of the purchase order, to the extent that this contract requires their services as long as that individual is employed by Contractor and until the contract end date is reached. TWDB understands that the contractor staff may have multiple project assignments outside this contract. Contractor shall work with TWDB to assign staff and schedule delivery of enhancement requests.
- G. Support Response Table: The contractor should be available via telephone, email, WebEx and/or onsite, to help troubleshoot problems, apply fixes, or perform the other important reporting tasks during off-hours as indicated in this contract (listed below).

Support Response	Severity	Criticality	Description
Response within 4 hours of notification during normal business hours	1	Critical	1. An incident that results in a critical business impact for the TWDB. 2. A complete or substantial loss of service. 3. Data loss or data corruption making an essential part of the system unusable. 4. Inability to use a mission critical function or workflow within the system.
Response within 24 hours of notification during normal business hours	2	Medium	1. An incident that results in significant business impact for the customer.

**Letter of Agreement and Statement of Work for
Enhancements of the Texas Water Information System Software**

			<p>2. The functionality of the software is adversely affected but can be circumvented (a work around exists).</p> <p>3. Certain functions within the software are disabled, but the system remains operable.</p>
Response within 72 hours of notification during normal business hours	3	Low	<p>1. An incident that results in a minimal business impact to the customer (i.e., customer experiences no loss of service and the incident has no significant effect on the usability of the software). Examples would be text formatting issues or misspelled words.</p>

3.0 Pricing and Payment

- A. The cost to provide new and existing updates to reports to the TxWISE system stated within the Agreement is not to exceed \$90,000 during the term of this contract.

- B. Invoices will be processed monthly. Payment shall be due within thirty (30) calendar days from receipt of each invoice. The invoice must include the purchase order number and be sent directly to the Texas Water Development Board, Accounts Payable at PO Box 13231, Austin, TX 78711-3231 or emailed to invoice@twdb.texas.gov.

- C. By executing this Letter of Agreement, the Contractor accepts the authority of the State Auditor's Office, under direction of the legislative audit committee, to conduct audits and investigations in connection with any and all state funds received pursuant to this Letter of Agreement. The Contractor shall comply with and cooperate in any such investigation or audit. The Contractor agrees to provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit. The Contractor also agrees to include a provision in any subcontract related to this contract that requires the subcontractor to submit to audits and investigation by the State Auditor's Office in connection with any and all state funds received pursuant to the Letter of Agreement.

SECTION I – OVERVIEW

1.1 INTRODUCTION

It is the intent of the Texas Water Development Board (TWDB) to solicit offers for reports to the Texas Water Information System Expansion (TxWISE) in accordance with all requirements stated herein. Contractor will be required to provide TWDB with the deliverables as specified in this RFO and as agreed upon under any contract resulting from this RFO.

1.2 BACKGROUND

The Texas Water Information System Expansion (TxWISE) is a comprehensive loan and grant management information software system and is a modified version of the Loan and Grant Tracking System (LGTS), as created by Northbridge Environmental Management Consultants.

TxWISE is designed to:

- Provide accurate and timely data and information collection, analysis, and accessibility;
- Maximize demand for the financial assistance programs, thereby increasing loan volume and related origination fee revenue;
- Improve financial and budgetary information and related decisions;
- Improve reporting capabilities (both internal and external, with the Environmental Protection Agency (EPA) and others); and
- Streamline the overall loan, grant, and contract project financing business processes.

Currently, the TWDB business areas are requesting enhancements that refine the existing LGTS system for improved usability and maintenance of data integrity, and to better match their business processes.

1.3 CONTRACT TERM

The Services requested shall be provided upon execution of the Contract through August 31, 2019. We reserve the right to extend this term of this contract for an additional three (3) years at the same terms as set forth in corresponding agreement.

1.4 BUDGET

The TWDB reserves the right to award to one or more Contractors as a result of this RFO. Offers must include a detailed budget in accordance with the requirements of Section II, Statement of Work. Compensation will be negotiated for each enhancement, once approved

by TWDB. The total cost of services provided must not exceed \$90,000.00 during the contract term.

1.5 DEFINITIONS

For purposes of this RFO, the following definitions apply:

“Contract” means the contract awarded as a result of this RFO and all attachments and exhibits thereto.

“Contractor” – means a Respondent who was evaluated and awarded a contract for this RFO

“EPA” – means the Environmental Protection Agency

“ESBD” means the Electronic State Business Daily, the electronic marketplace where state of Texas bid opportunities over \$25,000.00 are posted. The ESBD may be currently accessed at <http://www.txsmartbuy.com/sp>.

“LGTS” – means TWDB’s Loan and Grant Tracking System

“Respondent” – means the entity responding to this solicitation

“Solicitation” means this Request for Offers including exhibits and addenda, if any.

“RFO” – means Request for Offer

“TWDB” – means the Texas Water Development Board

“TxWISE” – means the Texas Water Information System Expansion

SECTION II – STATEMENT OF WORK

2.1 DESCRIPTION OF SERVICES

These specifications are being advertised under Section 2155.067 of the Texas Government Code. Only bids on items conforming exactly to these specifications, which include proposing only the brand name(s), make and model number(s) specified, will be considered in determining an award.

The selected Contractor will provide Services, which shall include, but are not limited to, the requirements contained in this RFP. Services set forth that contain the words "must" or "shall" are mandatory and must be provided as specified with no alterations, modifications, or exceptions. Services set forth that contain the words "may" or "can" allow Respondent to offer alternatives to the manner in which the Services are provided. The requested Services and corresponding deliverables are as follows when appropriate:

- A. Kick-Off Meeting. This deliverable will be the project kick-off with the vendor for reports that require large-scale planning and coordinating. Expectations are to outline schedules and activities for the effort.
- B. Project Schedule. This deliverable will include input and contribution of information from the vendor so the TWDB Project Manager (PM) can develop the project schedule for reports that require large-scale planning and coordinating.
- C. Deliverable format. TWDB will negotiate format of deliverable as needed.

2.2 MINIMUM REQUIREMENTS AND EXPERIENCE

Respondents must include the name of the project manager who will direct the overall project throughout the duration of the contract. Respondents must include the experience of the individuals who will be assigned to this project as well as that of the company. Résumés of all project staff members are required to be submitted as an appendix.

Respondents shall provide examples of the following experience:

- A. In-depth knowledge, and experience with TWDB's TxWISE Application.
- B. Demonstrated experience developing software applications using C# .NET, Sencha, NHibernate, Microsoft SQL Server, and Microsoft SQL Server Reporting Services;
- C. In-depth knowledge of the Environmental Protection Agency (EPA), TWDB State Revolving Fund (SRF) Programs, as well as all TWDB state-funded financial assistance programs;

- D. Experience with all TWDB financial processes and practices, including accounting, financial compliance, and debt and portfolio management.
- E. Successful upgrade of a statewide implementation enhancement to a new version

2.3 DELIVERABLES

Northbridge will provide:

- A. Status Reports. When needed for reports that require large-scale planning and coordinating, this deliverable will include regular status reports indicating milestone-based progress, planned progress, identified risks or issues, schedule status, potential schedule impacts, key achievements, and release information.
- B. Assessment of Current Reports. This deliverable will be a final report and presentation to TWDB containing a review of existing TxWISE Reports, included recommendations for streamlining the portfolio of existing reports and development of new reports.
- C. Requirements document(s). This deliverable will define business and system requirements from the Description of Services, as listed in this document, and must be approved by TWDB.
- D. Design specifications. Deliverables will be applicable Functional and Technical Design, including but not limited to:
 - 1. TxWISE Reports Impacted (Northbridge created) – If an impact to a report created by Northbridge is identified (i.e. a new item is added to the report, an existing item is deleted from the report, etc.), an updated report will be provided.
 - 2. TxWISE Reports Impacted (TWDB created) – If the impact on the report created by TWDB is identified, advanced technical support and guidance may be provided.
 - 3. Business Functions and Finance Processes Impacted – Flow charts will be provided for business processes that require large-scale planning and coordinating.
- E. System Test Results. This deliverable will be a matrix or similar artifact that illustrates the functionality tested and traceability to requirements as performed by the vendor.
- F. User Test Plan, Scripts, and Results. The vendor will create test plan, scripts, and support TWDB user testing activities. Completion will be based upon all user

testing completed and final approval to implement as provided by the TWDB project manager.

- G. System Code. This deliverable will include an updated version of the TxWISE un-compiled system development code.
- H. System Documentation. This deliverable will be to update technical documentation of the application when appropriate, including but not limited to:
 - 1. TxWISE Report Functional Requirements Documents
- I. Training. This deliverable will consist of knowledge transfer to TWDB staff and include separate activities for technical and functional. Basis of content should be the system documentation and User Guide. Training specifics will be dependent on the size of the reports and may be recorded for future training purposes, as determined by the TWDB project manager.
- J. Close-Out. This deliverable will include completion of any known defects, transfer of all documentation, and full acceptance of report completion for reports that require large-scale planning and coordinating.

SECTION III – GENERAL INFORMATION

3.1 Response Submission, Date and Time

WITHOUT EXCEPTION – RESPONSE MUST BE TIME AND DATE STAMPED BY TWDB PURCHASING OFFICE BEFORE:

3:00 P.M. CT, TUESDAY, DECEMBER 11, 2018

TWDB's Purchasing office is open Monday-Friday, 8:00 a.m. to 5:00 p.m. CT, excluding State of Texas-observed holidays. TWDB will not consider responses that the Purchasing office receives after the closing date. All TWDB visitors must register with the TWDB Receptionist Desk and receive a visitor badge to visit any area of the agency. Be sure to incorporate time for parking and the reception desk when delivering responses in person. The mailing address is:

Texas Water Development Board
Stephen F. Austin Building, Room 610B
1700 N. Congress Ave.
Austin, TX 78701

The Vendor must submit response in a sealed envelope/package with Vendor's name, RFO number, and closing date prominently visible on the envelope/package. TWDB will not accept facsimile transmissions of responses under any circumstances. Discovery of any false statement in the response is a material breach and shall void the submitted response or any resulting contracts, and Vendor may be removed from all vendor lists maintained by the State of Texas. Regardless of the method of submitting the response—United States Postal Service (USPS), United Parcel Service, Federal Express or other delivery service, response must be received in the TWDB's Purchasing office on or before the closing date in order to be considered.

Note: TWDB WILL NOT accept a USPS postmark and/or round validation stamp; mail receipt with the date of mailing stamped by the USPS; a dated shipping label, invoice or receipt from a commercial carrier; or any other documentation as proof of receipt of any response. Vendors are advised that TWDB assumes no responsibility, due to any circumstances, for the receipt of a response after the deadline time and date established in this RFO.

3.2 Schedule of Events/Critical Dates

EVENT	DATE/TIME
Solicitation Release Date	11/26/18
Deadline for Submitting Questions	11/30/18, 3:00 PM CT
Deadline for submission of Solicitation Responses [NOTE: Responses must be <u>RECEIVED</u> by TWDB by the deadline.]	12/11/18, 3:00 PM CT
Evaluation Period	12/12/18 through 12/28
Anticipated Contract Start Date	January 1, 2019
Contract End Date	August 31, 2019

Note: These dates are a tentative schedule of events. TWDB reserves the right to modify these dates at any time upon notice posted to the ESBD. Any dates listed after the Solicitation Response deadline will occur at the discretion of the TWDB and may occur earlier or later than scheduled without notification on the ESBD.

3.3 Number of Response Copies

Vendor must submit one hardcopy and two flash drives of the response by 3:00 p.m. on the deadline date. Failure to meet the condition shall result in disqualification of response. Photocopying is not available at TWDB. The Purchasing office will not accept additions/replacements to the response after the closing date.

3.4 Changes, Amendment or Modification to Solicitation

TWDB reserves the right to change, amend or modify any provision of this Solicitation, or to withdraw this Solicitation, at any time prior to award, if it is in the best interest of TWDB and will post such on the ESBD. It is the responsibility of Respondent to periodically check the ESBD to ensure full compliance with the requirements of this Solicitation

3.5 Point of Contact

All requests, questions or other communication about this Solicitation shall be made in writing to **TWDB's** Purchasing Department, addressed to the person listed below. All communications between Respondents and other TWDB staff members concerning the Solicitation are strictly prohibited. Failure to comply with these requirements may result in disqualification of Respondent's Solicitation Response.

Name: James Gonzalez, CTCM, CTCD
Title: Purchaser
Address: 1700 N. Congress Ave., Austin, TX 78701
Phone: 512-463-7979
Email: james.gonzalez@twdb.texas.gov

3.6 Solicitation Response Submission and Delivery

A. Deadline

Solicitation Responses must be received and time-stamped by TWDB at the address identified in section 3.1 no later than the date and time specified in section 3.1

B. Labeling

Solicitation Responses shall be placed in a sealed box and clearly labeled as follows:

SOLICITATION NO:	580-19-RFO0082
SOLICITATION NAME:	Texas Water Information System Expansion (TxWISE) Reports
SOLICITATION RESPONSE DEADLINE:	December 11, 2018 – 3:00 p.m.

TWDB will not be held responsible for any Solicitation Response that is mishandled prior to receipt by TWDB. It is Respondent's responsibility to mark appropriately and deliver the Solicitation Response to TWDB by the specified date and time.

C. Delivery

Respondent must deliver Solicitation Responses by hand delivery, overnight, or commercial mail to the following address:

Texas Water Development Board (TWDB)
Room 610B
Attn: James Gonzalez
Stephen F. Austin
1700 N. Congress Ave.
Austin, Texas 78701

Responses must be received no later than: **December 11, 2018 - 3:00 P.M., Central Time (CT)**

Fax (facsimile) and email are not acceptable methods of responding to this RFO. No materials submitted via fax or email will be accepted under any circumstances.

Responses, modifications or addenda/amendment to an original response received by TWDB after the specified time and date for closing will not be considered. The System Agency will not consider any late responses for any reason.

NOTE: All Solicitation Responses become the property of TWDB after submission and will not be returned to Respondent.

D. Vendor Alterations Modifications and Withdrawals of Response

Prior to the Solicitation Response submission deadline, a Vendor may: (1) withdraw its Solicitation Response by submitting a written request to the Point of Contact identified in Section 3.5; or (2) modify its Solicitation Response by submitting a written amendment to the Point of Contact identified in section 3.5. TWDB may request Solicitation Response modifications at any time.

SECTION IV – RESPONSE FORMAT AND CONTENT CRITERIA

4.1 Response Format and Content

Responses must be written entirely on 8 ½” X 11” white paper and must be limited to 30 pages not including appendices and attachments. Responses should be stapled in the top left corner or if bound may be bound in no more than a 3-ring binder. Responses must be submitted in a manner which does not carry any benefit, keepsake, or value for members of the review panel.

A. Response Cover Page

Responses should include a cover page, which clearly states the name of the firm or organization and the name, position, and telephone number of the Respondent's project administrator who may be contacted regarding the response.

B. Response Checklist

This checklist is to assist Respondents in ensuring that all information is included in their response. Respondents must refer to the appropriate section of the RFO for detailed information on the following.

<input type="checkbox"/>	RFO Cover Sheet	Sec. 4.1. A.
<input type="checkbox"/>	Understanding of the Project and Methodology	Sec. 4.2
<input type="checkbox"/>	Management Plan	Sec. 4.3
<input type="checkbox"/>	Task Activity Plan	Sec. 4.4/Exhibit C
<input type="checkbox"/>	Cost Response	Sec. 4.5
<input type="checkbox"/>	Respondent's Financial Responsibility	Sec. 4.6
<input type="checkbox"/>	Evaluation Criteria	Sec. 4.7
<input type="checkbox"/>	Affirmations and Solicitation Acceptance	Exhibit A

4.2 UNDERSTANDING OF THE PROJECT AND METHODOLOGY

The response must communicate an understanding of the project, describe the tasks to be performed, and identify potential problems in the conduct of the project and methods to identify and solve such problems.

The Respondent must describe clearly, specifically, and as completely as possible, the methodology for carrying out the objectives and requirements of the project as described in this RFO.

The response must describe the project activities, materials, and other products, services, and reports to be generated during the contract period and relate them to the stated purposes and

specifications described in the RFO. Technical evidence relating to the Respondent's ability to perform the proposed services must be appended to the response.

Failure to meet these conditions will result in disqualification of response and the response shall receive no further consideration.

4.3 MANAGEMENT PLAN FOR THE PROJECT

The Respondent must provide satisfactory evidence of capability to manage and coordinate the types of activities described in the RFO and to produce the specified product or service on time. To provide information on qualifications to accomplish the described tasks, Respondent must include in this section the following information:

- Structure of the organization
- Indications of the ability to perform the tasks described in Section II.
- Evidence that the Respondent has gained experience through working on similar projects. The name of the companies or agencies served must be cited, the kinds of activities that were performed by the Respondent must be described, and the name and phone number of a contact person must be provided;
- Names of staff member(s) who will direct the overall project throughout the duration of the contract as well as those of staff members who will coordinate major activities during each phase of the contract. An appendix to the response must contain resumes of project staff members. If the resumes include references, the references will not be considered in the review. Names given as references will not affect the scoring. In addition, no employees of TWDB can be listed in the response as references. If the Respondent plans to use external consultants or subcontractors, a staff organization and resumes of consultants and/or subcontractors must be included.

4.4 TASK ACTIVITY PLAN

Respondent must plan for a project starting date of no earlier than January 3, 2019, and an ending date of no later than August 31, 2019 if selected as the contractor. The Respondent must submit a task/activity plan specifying to the degree possible the tasks and activities which are to be undertaken. Timelines showing beginning and ending dates for each major task are to be included, as well as the name(s) of the person(s) responsible for each task. Activities must be sufficiently designed and outlined in the task/activity plan that will provide evidence of satisfactory delivery of services and products. Time frames must be logical and appropriate to complete all activities within the beginning and ending dates of the contract. Failure to meet this condition will result in disqualification of response and shall receive no further consideration.

4.5 COST

The Respondent must submit a budget detailing costs necessary to accomplish the project objectives and activities outlined in the task/activity plan. It is recommended that budget detail be submitted in Excel compatible or Excel format.

Objects of expenditure used in the budget summary may vary depending on the project. Costs must be justified in terms of activities and objects of expenditure and must be reasonable (i.e., consistent with current market price) and necessary to accomplish the objectives of the project. The budget must evidence that financial resources are adequately and appropriately allocated among cost categories in a cost-effective and prudent business manner to accomplish project objectives and activities. Services to be purchased from other agencies, subcontractors, including any amounts subcontracted to HUBs, consultants, and others must be specified.

This section of the response must also contain a proposed Schedule of Task Completion (Exhibit C) which ensures completion of tasks and the delivery of products by specified dates. Payment will be made upon satisfactory performance of services, receipt by the TWDB of specified deliverables, and receipt of properly prepared and certified invoices/expenditure reports.

Failure to meet these conditions shall result in disqualification of response and the response shall receive no further consideration.

4.6 Respondent's Financial Responsibility

All private sector companies, individuals, or non-profit organizations may be required to submit prior to award indicators of financial stability. For example:

- A. Private companies may be asked to submit their most recent audited financial statement or a certified public accountant-compiled financial report;
- B. Nonprofits may be asked to submit an audited financial statement, a certified public accountant-compiled financial report, or similar document; and
- C. Individuals may be asked to submit those documents which depict their financial stability, such as an audited proprietorship financial statement, statement from a certified public accountant or banker, or a statement from vendors or suppliers.

Nonprofit organizations may also be required to submit proof of nonprofit status. A Respondent may show that it is a nonprofit organization by any of the following means:

- A. A copy of a letter from the Internal Revenue Service recognizing that contributions to the organization are tax deductible under Section 501(c)(3) of the Internal Revenue Code;
- B. A statement from a state taxing body or the state attorney general certifying that the organization is a nonprofit organization operating within the state and that no part of its net earnings may lawfully benefit any private shareholder or individual;

- C. A certified copy of the Respondent's certificate of incorporation or similar document if it clearly establishes the nonprofit status of the Respondent; or
 - D. Any item described above if that item applies to a state or national parent organization, together with a statement by the parent organization that it is a local nonprofit affiliate.
- Failure to meet this condition, if requested, will result in a non-award. TWDB will commence negotiations with the next highest point Respondent.

SECTION V – EVALUATION CRITERIA

5.1 RFO EVALUATION AND AWARD

- A. TWDB shall award the contract to the vendor whose response is considered to provide the best value to the State of Texas, as defined by Texas Government Code, Title 10, Section 2155.074.
- B. A committee will be established by TWDB (including TWDB employees) to evaluate the Respondent’s responses.

The evaluation committee will determine best value by applying the following criteria:

Points Available	Criteria
30	Number of years and breadth of experience with TWDB’s TxWISE Application
25	Experience developing software applications using C# .NET, Sencha, NHibernate, Microsoft SQL Server, and Microsoft SQL Server Reporting Services Cost
25	Experience with the Environmental Protection Agency (EPA), TWDB State Revolving Fund (SRF) Programs, as well as all TWDB state-funded financial assistance programs.
20	Experience with TWDB financial processes and practices including accounting, financial compliance, and debt and portfolio management
100	Total Points Possible

- C. The evaluation committee will determine if a Best and Final Offer (BAFO) is necessary. Award of the contract may be made without a BAFO. TWDB may, at its discretion, elect to have Respondents provide oral presentations and respond to inquiries from the evaluation committee related to their RFQ. A request for a BAFO is at the sole discretion of TWDB and will be extended in writing.
- D. Past Performance: A Respondent’s past performance will be measured based upon pass/fail criteria, in compliance with applicable provisions of §2155.074, 2155.075, 2156.007, 2157.003, and 2157.125, Gov’t Code. Respondents may fail this selection criterion for any of the following conditions:
 - 1) A score of less than 90% in the Vendor Performance System;
 - 2) Currently under a Corrective Action Plan through the CPA;
 - 3) Having repeated negative Vendor Performance Reports for the same reason; or
 - 4) Having purchase orders that have been cancelled in the previous 12 months for non-performance (i.e. late delivery, etc.).

AFFIRMATIONS AND SOLICITATION ACCEPTANCE

Respondent affirms, without exception, as follows:

1. **Interested Parties:** Respondent represents and warrants that all certifications, representations, warranties, and other provisions in this Affirmations and Solicitation Acceptance apply to Respondent and all of Respondent's principals, officers, directors, shareholders, partners, owners, agents, employees, subcontractors, independent contractors, and any other representatives who may provide services under, who have a financial interest in, or otherwise are interested in this Solicitation or any contract resulting from this Solicitation.
2. **True and Correct Representations:** Respondent represents and warrants that all statements and information provided to TWDB are current, complete, and accurate. This includes all statements and information in this Solicitation Response.
3. **Open Records:** Respondent acknowledges that its Solicitation Response and subsequent documents submitted are subject to the Texas Public Information Act.
4. **Confidential Information:** Respondent acknowledges its obligation to specifically identify information it contends to be confidential or proprietary and, if Respondent designated substantial portions of its Solicitation Response or its entire Solicitation Response as confidential or proprietary, the Solicitation Response is subject to being disqualified.
5. **Response Validity Period:** Respondent's Solicitation Response will remain a firm and binding offer for 60 days from the date the Solicitation Response is due.
6. **Acceptance of Terms:** Respondent accepts the Solicitation terms and conditions unless specifically noted by exceptions advanced in the form and manner directed in the Solicitation. Respondent agrees that all exceptions to the Solicitation are rejected unless expressly accepted by TWDB.
7. **Right to Produce Copies:** Respondent agrees that TWDB has the right to use, produce, and distribute copies of and to disclose to TWDB employees, agents, and contractors and other governmental entities all or part of Respondent's Solicitation Response as TWDB deems necessary to complete the procurement process or comply with state or federal laws.
8. **Release from Liability:** Respondent generally releases from liability and waives all claims against any party providing information about the Respondent at the request of TWDB.
9. **Addenda/Amendments:** Respondent acknowledges all addenda and amendments to the Solicitation.
10. **Texas Bidder:** Respondent represents and warrants that if a Texas address is shown as the address of Respondent, Respondent qualifies as a Texas Bidder as defined by 34 Texas Administrative Code §20.32(68).

11. **Preferences:** Respondent represents and warrants that it qualifies for all preferences claimed under Chapter 2155, Subchapter H of the Texas Government Code as indicated below (check applicable boxes):

- Goods produced or offered by a Texas bidder that is owned by a Texas resident service- disabled veteran
- Goods produced in Texas or offered by a Texas bidder that is not owned by a Texas resident service-disabled veteran
- Agricultural products grown in Texas
- Agricultural products offered by a Texas bidder
- Services offered by a Texas bidder that is owned by a Texas resident service- disabled veteran
- Services offered by a Texas bidder that is not owned by a Texas resident service disabled veteran
- Texas Vegetation Native to the Region
- USA produced supplies, materials or equipment
- Products of persons with mental or physical disabilities
- Products made of recycled, remanufactured, or environmentally sensitive materials including recycled steel

- Commercial production company or advertising agency located in Texas

12. **Gratuities:** Respondent has not given, has not offered to give, and does not intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Solicitation Response, this Solicitation, or any contract resulting from this Solicitation.
13. **Certification Concerning Financial Participation:** Under Section 2155.004, Texas Government Code (relating to financial participation in preparing solicitations), the vendor certifies that the individual or business entity named in this bid or contract is not ineligible to receive the specified contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate.
14. **Certification Concerning Hurricane Relief:** Sections 2155.006 and 2261.053, Texas Government Code (relating to convictions and penalties regarding Hurricane Rita, Hurricane Katrina, and other disasters), prohibit TWDB from awarding a contract to any person who, in the past five years, has been convicted of violating a federal law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster as defined by Section 418.004 Texas Government Code, occurring after September 24, 2005. Under Section 2155.006, Texas Government Code, the vendor certifies that the individual or business entity named in this bid or contract is not ineligible to receive the specified contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate.
15. **Ownership Interest in Company:** Pursuant to Section 231.006(c), Texas Family Code (relating to delinquent child support), identify below the name and social security number (SSN) of each individual, sole proprietor, partner, shareholder, and owner with an ownership interest of at least 25 percent (25%) of the business entity submitting this Solicitation Response:

Name: _____ SSN: _____

Name: _____ SSN: _____

Name: _____ SSN: _____

Name: _____ SSN: _____

16. **Federal Privacy Act Notice:** Disclosure of requested Social Security Numbers (SSNs) is required under Section 231.006(c) and Section 231.302(c)(2), Texas Family Code. The SSNs will be used to identify persons that may owe child support. The SSNs will be kept confidential to the fullest extent permitted by law. Failure by a Respondent to provide the required SSNs may result in disqualification of the Respondent's Solicitation Response.
17. **Child Support Obligations:** Under Section 231.006, Texas Family Code, the vendor or applicant certifies that the individual or business entity named in the Contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that the Contract may be terminated and payment may be withheld if this certification is inaccurate.

18. **Debarment and Suspension:** Respondent certifies that: (a) the entity executing this Solicitation Response; (b) its principals; (c) its subcontractors; and (d) any personnel designated to perform services related to any contract resulting from this Solicitation are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal Department or Agency. This certification is made pursuant to the regulations implementing Executive Order 12549 and Executive Order 12689, Debarment and Suspension, 2 C.F.R. Part 376, and any relevant regulations promulgated by the Department or Agency funding this project. This provision shall be included in its entirety in Contractor's Subcontracts if payment in whole or in part is from federal funds.

19. **Excluded Parties List System** Respondent certifies it is in compliance with all State of Texas statutes and rules relating to procurement; and that (a) the entity executing this Solicitation Response; (b) its principals; (c) its subcontractors; and (d) any personnel designated to perform services related to any contract resulting from this Solicitation are not listed on the federal government's terrorism watch list described in Executive Order 13224. Entities ineligible for federal procurement are listed at <https://www.sam.gov/portal/public/SAM/>, which Respondent may review in making this certification.

Respondent certifies that it, its principals, its subcontractors, and any personnel designated to perform services related to any contract resulting from this Solicitation are eligible to participate in this transaction and have not been subjected to suspension, debarment, or similar ineligibility determined by any federal, state, or local governmental entity.

20. **Executive Head:** In accordance with Texas Government Code Section 669.003 (relating to contracting with the executive head of a state agency), Respondent certifies that it (1) is not the executive head any Texas State Agency; (2) was not at any time during the past four years the executive head of any Texas State Agency; and (3) does not employ a current or former executive head of a Texas State Agency.

21. **Texas Corporate Franchise Tax Certification:** Respondent represents and warrants that it is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171 of the Texas Tax Code.

22. **Employment of Lobbyist:** Respondent represents and warrants that payments to Respondent and Respondent's receipt of appropriated or other funds under any contract resulting from this Solicitation are not prohibited by Sections 556.005, 556.0055, or 556.008 of the Texas Government Code (relating to use of appropriated money or state funds to employ or pay lobbyists, lobbying expenses, or influence legislation).

23. **Preference under Service Contracts:** Respondent represents and warrants that it will comply with Texas Government Code Section 2155.4441, relating to the purchase of products produced in the State of Texas under service contracts.

24. **Contracts with Former or Retired Agency Employees:** Pursuant to Section 2252.901, Texas Government Code (relating to prohibitions regarding contracts with and involving former and retired state agency employees), Respondent will not allow any former employee of TWDB to perform services under any contract resulting from this Solicitation during the twelve (12) month period immediately

following the employee's last date of employment at TWDB.

25. **Employment Restrictions for Former Employees:** Respondent acknowledges that, pursuant to Section 572.069 of the Texas Government Code, a former state officer or employee of TWDB who during the period of state service or employment participated on behalf of TWDB in a procurement or contract negotiation involving Respondent may not accept employment from respondent before the second anniversary of the date the officer's or employee's service or employment with TWDB ceased.
26. **Conflicts of Interest:** Respondent represents and warrants that it has no actual or potential conflicts of interest in providing the requested goods or services to TWDB under this Solicitation and any resulting contract and that Respondent's provision of the requested goods and/or services under this Solicitation and any resulting contract would not reasonably create an appearance of impropriety.
27. **Fraud, Waste, or Abuse:** Respondent understands that TWDB does not tolerate any type of fraud. The agencies' policy is to promote consistent, legal, and ethical organizational behavior by assigning responsibilities and providing guidelines to enforce controls. Violations of law, agency policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. All employees or contractors who suspect fraud, waste or abuse (including employee misconduct that would constitute fraud, waste, or abuse) are required to immediately report the questionable activity to both the Health and Human Services Commission's Office of the Inspector General at 1-800-436-6184 and the State Auditor's Office. Respondent agrees to comply with all applicable laws, rules, regulations, and TWDB policies regarding fraud.
28. **Antitrust and Assignment of Claims:** Respondent represents and warrants that, in accordance with Section 2155.005 of the Texas Government Code, neither Respondent nor the firm, corporation, partnership or institution represented by Respondent, or anyone acting for such a firm, corporation or institution has: 1) violated any provision of the Texas Free Enterprise and Antitrust Act of 1983, Chapter 15 of the Texas Business and Commerce Code, or the federal antitrust laws; or 2) communicated directly or indirectly the contents of its response to any competitor or any other person engaged in the same line of business as Respondent.
29. **Respondent Representation Regarding Investigation of Litigation:** Respondent represents and warrants that it is not aware of and has received no notice of any court or governmental agency proceeding, investigation, or other action pending or threatened against Respondent or any of the individuals or entities included numbered paragraph 1 of this Affirmations and Solicitation Acceptance within the five (5) calendar years immediately preceding the submission of this Solicitation response that would or could impair Respondent's performance under any contract resulting from this Solicitation, relate to the contracted or similar goods or services, or otherwise be relevant to TWDBs consideration of entering into a contract. If Respondent is unable to make the preceding representation and warranty, then Respondent instead represents and warrants that it has provided to TWDB a complete, detailed disclosure of any such court or governmental agency proceeding, investigation, or other action that would or could impair Respondent's

performance under a contract awarded as a result of this solicitation, relate to the contracted or similar goods or services, or otherwise be relevant to the TWDBs consideration of entering into a contract. In addition, Respondent represents and warrants that, if awarded a contract as a result of this Solicitation, Respondent shall notify TWDB in writing within five (5) business days of any changes to the representations or warranties in this clause and understands that failure to so timely update TWDB shall constitute breach of contract and may result in immediate contract termination.

30. **False Representations:** Respondent understands, acknowledges, and agrees that any false representation or any failure to comply with a representation, warranty, or certification made by Respondent is subject to all civil and criminal consequences provided at law or in equity including, but not limited to, immediate termination of any contract resulting from this Solicitation.
31. **Permits and Licenses:** Respondent represents and warrants that it will comply with all applicable laws and maintain all permits and licenses required by applicable city, county, state, and federal rules, regulations, statutes, codes, and other laws that pertain to any contract resulting from this Solicitation.
32. **Certification Concerning Dealings with Public Servants:** Respondent has not given or offered to give and does not intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this transaction.
33. **Deceptive Trade Practices:** Unfair Business Practices: Contractor represents and warrants that it has not been the subject of allegations of Deceptive Trade Practices violations under Tex. Bus. & Com. Code, Chapter 17, or allegations of any unfair business practice in any administrative hearing or court suit and that Contractor has not been found to be liable for such practices in such proceedings. Contractor certifies that it has no officers who have served as officers of other entities who have been the subject of allegations of Deceptive Trade Practices violations or allegations of any unfair business practices in an administrative hearing or court suit and that such officers have not been found to be liable for such practices in such proceedings.
34. **Boycott of Israel:** Pursuant to Texas Government Code §2270.002, Respondent represents and warrants that it and any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate: (a) does not boycott Israel; and (b) will not boycott Israel during the term of any Contract awarded.
35. **Business with Terrorist Organizations:** Respondent affirms that neither it nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate (i) engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapters 806 or 807 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) is a company listed by the Texas Comptroller of Public Accounts under Sections 806.051, 807.051, or 2252.153 of the Texas Government Code.
36. **Signature Authority:** Respondent represents and warrants that the individual signing this Solicitation response is authorized to sign on behalf of Respondent and to bind

Respondent.

ARTICLE I. DEFINITIONS AND INTERPRETATIONS

1.1 DEFINITIONS

As used in the Contract, unless the context clearly indicates otherwise, the following terms and conditions have the meanings assigned below:

“Amendment” means a written agreement, signed by the parties hereto, which documents changes to the Contract other than those permitted by Work Orders or Technical Guidance Letters, as herein defined.

“Attachment” means documents, terms, conditions, or additional information physically added to the Contract following the Signature Document or included by reference, as if physically, within the body of the Contract.

“Contract” means the Signature Document, these Uniform Terms and Conditions, along with any Attachments, and any Amendments, purchase orders, Work Orders, or Technical Guidance Letters that may be issued by the TWDB, to be incorporated by reference herein for all purposes if issued.

“Contractor” means the Party selected to provide the goods or services under the Contract, if any.

“Deliverable” means a work product prepared, developed, or procured by Contractor as part of the Services under the Contract for the use or benefit of the TWDB or the State of Texas.

“Effective Date” means the date agreed to by the Parties as the date on which the Contract takes effect.

“Federal Fiscal Year” means the period beginning October 1 and ending September 30 each year, which is the annual accounting period for the United States government.

“GAAP” means Generally Accepted Accounting Principles. “GASB” means

the Governmental Accounting Standards Board.

“HUB” means Historically Underutilized Business, as defined by Chapter 2161 of the Texas Government Code.

“Intellectual Property” means patents, rights to apply for patents, trademarks, trade names, service marks, domain names, copyrights and all applications and worldwide registration of such, schematics, industrial models, inventions, know-how, trade secrets, computer software programs, and other intangible proprietary information.

“Mentor Protégé” means the Comptroller of Public Accounts’ leadership program found at: <http://www.window.state.tx.us/procurement/prog/hub/mentorprotege/>.

“Parties” means the TWDB and Contractor, collectively.

“Party” means either the TWDB or Contractor, individually.

“Project” means the goods or Services described in the Signature Document or a Work Order of the Contract.

“Public Information Act” or “PIA” means Chapter 552 of the Texas Government Code.

“Scope of Work” means the description of Services and Deliverables specified in the Contract as may be amended.

“Services” means the tasks, functions, and responsibilities assigned and delegated to Contractor under the Contract.

“Signature Document” means the document executed by both Parties that specifically sets forth all of the documents that constitute the Contract.

“Solicitation” means the document issued by the TWDB under which the goods or services provided under the Contract were initially requested, which is incorporated herein by reference for all purposes in its entirety, including all Amendments and Attachments.

“Solicitation Response” means Contractor’s full and complete response to the Solicitation, which is incorporated herein by reference for all purposes in its entirety, including any Attachments and addenda.

“State Fiscal Year” means the period beginning September 1 and ending August 31 each year, which is the annual accounting period for the State of Texas.

“State of Texas Textravel” means Texas Administrative Code, Title 34, Part 1, Chapter 5, Subchapter C, Section 5.22, relative to travel reimbursements under the Contract, if any.

“Subcontract” means any written agreement between Contractor and a third party to fulfill the requirements of the Contract. All Subcontracts are required to be in writing.

“Subcontractor” means any individual or entity that enters a contract with the Contractor to perform part or all of the obligations of Contractor under the Contract.

“Technical Guidance Letter” or “TGL” means an instruction, clarification, or interpretation of the requirements of the Contract, issued by the TWDB to the Contractor.

“TWDB” means the Texas Water Development Board

“Work” means all Services to be performed, goods to be delivered, and any appurtenant actions performed and items produced, conceived, or developed, including Deliverables.

“Work Order” means an individually negotiated document that is executed by both Parties and which authorizes a Project, if any, in an indefinite quantity Contract.

1.2 INTERPRETIVE PROVISIONS

- A. The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms.
- B. The words “hereof,” “herein,” “hereunder,” and similar words refer to the Contract as a whole and not to any particular provision, section, Attachment, or schedule of the Contract unless otherwise specified.
- C. The term “including” is not limiting and means “including without limitation” and, unless otherwise expressly provided in the Contract, (i) references to contracts (including the Contract) and other contractual instruments shall be deemed to include all subsequent Amendments and other modifications thereto, but only to the extent that such Amendments and other modifications are not prohibited by the terms of the Contract, and (ii) references to any statute

- or regulation are to be construed as including all statutory and regulatory provisions consolidating, amending, replacing, supplementing, or interpreting the statute or regulation.
- D. Any references to “sections,” “appendices,” or “attachments” are references to sections, appendices, or attachments of the Contract.
 - E. Any references to agreements, contracts, statutes, or administrative rules or regulations in the Contract are references to these documents as amended, modified, or supplemented from time to time during the term of the Contract.
 - F. The captions and headings of the Contract are for convenience of reference only and do not affect the interpretation of the Contract.
 - G. All Attachments within the Contract, including those incorporated by reference, and any Amendments are considered part of the terms of the Contract.
 - H. The Contract may use several different limitations, regulations, or policies to regulate the same or similar matters. All such limitations, regulations, and policies are cumulative and each will be performed in accordance with its terms.
 - I. Unless otherwise expressly provided, reference to any action of the TWDB or by the TWDB by way of consent, approval, or waiver will be deemed modified by the phrase “in its sole discretion.”
 - J. Time is of the essence in the Contract.

ARTICLE II. CONSIDERATION

2.1 PROMPT PAYMENT

The TWDB will pay Contractor in accordance with the Prompt Payment Act, Texas Government Code, Chapter 2251.

2.2 EXPENSES

Except as otherwise provided in the Contract, no ancillary expenses incurred by the Contractor in connection with its provision of the Services or Deliverables will be reimbursed by the TWDB. Ancillary expenses include, but are not limited to costs associated with transportation, delivery, and insurance for each Deliverable.

When the reimbursement of travel expenses is authorized by the Contract, all such expenses will be reimbursed in accordance with the rates set by the State of Texas Textravel.

ARTICLE III. STATE AND FEDERAL FUNDING

3.1 FUNDING

The Contract is contingent upon the availability of sufficient and adequate funds. If funds become unavailable through lack of appropriations, budget cuts, transfer of funds between programs or agencies, amendment of the Texas General Appropriations Act, agency consolidation, or any other disruptions of current funding for the Contract, the TWDB may restrict, reduce, or terminate funding under the Contract. The Contract is also subject to immediate cancellation or termination, without penalty to the TWDB, if sufficient and adequate funds are not available.

Contractor will have no right of action against the TWDB if the TWDB cannot perform its obligations under the Contract as a result of lack of funding for any activities or functions contained within the scope of the Contract. In the event of cancellation or termination under this Section, the TWDB will not be required to give notice and will not be liable for any damages or losses caused or associated with such termination or cancellation.

3.2 NO DEBT AGAINST THE STATE

The Contract will not be construed as creating any debt by or on behalf of the State of Texas.

3.3 DEBT TO STATE

If a payment law prohibits the Texas Comptroller of Public Accounts from making a payment, the Contractor acknowledges the TWDB's payments under the Contract will be applied toward eliminating any debt or delinquency that is owed to the State of Texas. This requirement specifically applies to any debt or delinquency, regardless of when it arises.

3.4 RECAPTURE OF FUNDS

The TWDB may withhold all or part of any payments to Contractor to offset overpayments made to the Contractor. Overpayments as used in this Section include payments (i) made by the TWDB that exceed the maximum allowable rates; (ii) that are not allowed under applicable laws, rules, or regulations; or (iii) that are otherwise inconsistent with the Contract, including any unapproved expenditures. Contractor understands and agrees that it will be liable to the TWDB for any costs disallowed pursuant to financial and compliance audit(s) of funds received under the Contract. Contractor further understands and agrees that reimbursement of such disallowed costs will be paid by Contractor from funds which were not provided or otherwise made available to Contractor under the Contract.

ARTICLE IV. WARRANTY, AFFIRMATIONS, ASSURANCES AND CERTIFICATIONS

4.1 WARRANTY

Contractor warrants that all Work under the Contract will be completed in a manner consistent with standards under the terms of the Contract, in the applicable trade, profession, or industry; will conform to or exceed the specifications set forth in the Contract; and will be fit for ordinary use, of good quality, and with no material defects. If Contractor fails to complete Work timely or to perform satisfactorily under conditions required by the Contract, the TWDB may require Contractor, at its sole expense, to:

- A. Repair or replace all defective or damaged Work;
- B. Refund any payment received for all defective or damaged Work and, in conjunction therewith, require Contractor to accept the return of such Work; and
- C. Take necessary action to ensure that future performance and Work conform to the Contract requirements.

4.2 GENERAL AFFIRMATIONS

Contractor further certifies that, to the extent General Affirmations are incorporated into the Contract under the Signature Document, the General Affirmations have been reviewed and that Contractor is in compliance with each of the requirements reflected therein.

4.3 FEDERAL ASSURANCES

Contractor further certifies that, to the extent Federal Assurances are incorporated into the Contract under the Signature Document, the Federal Assurances have been reviewed and that Contractor is in compliance with each of the requirements reflected therein.

4.4 FEDERAL CERTIFICATIONS

Contractor further certifies, to the extent Federal Certifications are incorporated into the Contract under the Signature Document, that the Federal Certifications have been reviewed, and that Contractor is in compliance with each of the requirements reflected therein. **In addition, Contractor certifies that it is in compliance with all applicable federal laws, rules, or regulations, as they may pertain to the Contract.**

ARTICLE V. OWNERSHIP, TECHNOLOGY ACCESS AND INTELLECTUAL PROPERTY

51 OWNERSHIP

The TWDB will own, and Contractor hereby assigns to the TWDB, all right, title, and interest in all Work.

52 TECHNOLOGY ACCESS CLAUSE

The Respondent expressly acknowledges that state funds may not be expended in connection with the purchase of an automated information system unless that system meets certain statutory requirements relating to accessibility by persons with visual impairments. Accordingly, the Respondent represents and warrants to the qualified ordering entity that the technology provided to the qualified ordering entity for purchase is capable, either by virtue of features included within the technology or because it is readily adaptable by use with other technology, of:

- A. Providing equivalent access for effective use by both visual and non-visual means;
- B. Presenting information, including prompts used for interactive communications, in formats intended for both visual and non-visual use; and
- C. Being integrated into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired.

For purposes of this clause, the phrase "equivalent access" means a substantially similar ability to communicate with or make use of the technology, either directly by features incorporated within the technology or by other reasonable means such as assistive devices or services that would constitute reasonable accommodations under the Federal Americans with Disabilities Act or similar state or federal laws. Examples of methods by which equivalent access may be provided

include, but are not limited to, keyboard alternatives to mouse commands and other means of navigating graphical displays and customizable display appearance.

53 INTELLECTUAL PROPERTY

- A. To the extent any Work results in the creation of Intellectual Property, all right, title, and interest in and to such Intellectual Property will vest in the TWDB upon creation and will be deemed to be a “work made for hire” and made in the course of the services rendered pursuant to the Contract.
- B. To the extent that title to any such Intellectual Property may not by law vest in the TWDB, or such Intellectual Property may not be considered a “work made for hire,” all rights, title, and interest therein are hereby irrevocably assigned to the TWDB. The TWDB will have the right to obtain and to hold in its name any and all patents, copyrights, trademarks, service marks, registrations, or such other protection as may be appropriate to the subject matter, including extensions and renewals thereof.
- C. Contractor must give the TWDB and the State of Texas, as well as any person designated by the TWDB or the State of Texas, all assistance required to perfect the rights defined herein without any charge or expense beyond the stated amount payable to Contractor for the services authorized under the Contract.

ARTICLE VI. RECORDS, AUDIT, AND DISCLOSURE

61 BOOKS AND RECORDS

Contractor will keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary to fully disclose to the TWDB, the Texas State Auditor’s Office, the United States Government, and their authorized representatives, sufficient information to determine compliance with the terms and conditions of the Contract and all state and federal rules, regulations, and statutes. Unless otherwise specified in the Contract, Contractor will maintain legible copies of the Contract and all related documents for a minimum of seven (7) years after the termination of the contract period or seven (7) years after the completion of any litigation or dispute involving the Contract, whichever is later.

62 ACCESS TO RECORDS, BOOKS, AND DOCUMENTS

In addition to any right of access arising by operation of law, Contractor and any of Contractor’s affiliate or subsidiary organizations, or Subcontractors will permit the TWDB or any of its duly authorized representatives, as well as duly authorized federal, state or local authorities, unrestricted access to and the right to examine any site where business is conducted or Services are performed, and all records, which includes but is not limited to financial, client and patient records, books, papers or documents related to the Contract. If the Contract includes federal funds, federal agencies that will have a right of access to records as described in this section include: the federal agency providing the funds, the Comptroller General of the United States, the General Accounting Office, the Office of the Inspector General, and any of their authorized representatives. In addition, agencies of the State of Texas that will have a right of access to records as described in this section include: TWDB, TWDB’s contracted examiners, the State

Auditor's Office, the Texas Attorney General's Office, and any successor agencies. Each of these entities may be a duly authorized authority. If deemed necessary by the TWDB or any duly authorized authority, for the purpose of investigation or hearing, Contractor will produce original documents related to the Contract. The TWDB and any duly authorized authority will have the right to audit billings both before and after payment, and all documentation that substantiates the billings. Contractor will include this provision concerning the right of access to, and examination of, sites and information related to the Contract in any Subcontract it awards.

63 RESPONSE/COMPLIANCE WITH AUDIT OR INSPECTION FINDINGS

- A. Contractor must act to ensure its and its Subcontractor's compliance with all corrections necessary to address any finding of noncompliance with any law, regulation, audit requirement, or generally accepted accounting principle, or any other deficiency identified in any audit, review, or inspection of the Contract and the goods or services provided hereunder. Any such correction will be at Contractor or its Subcontractor's sole expense. Whether Contractor's action corrects the noncompliance will be solely the decision of the TWDB.
- B. As part of the Services, Contractor must provide to TWDB upon request a copy of those portions of Contractor's and its Subcontractors' internal audit reports relating to the Services and Deliverables provided to the State under the Contract.

64 SAO AUDIT

Contractor understands that acceptance of funds directly under the Contract or indirectly through a Subcontract under the Contract acts as acceptance of the authority of the State Auditor's Office (SAO), or any successor agency, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the SAO must provide the SAO with access to any information the SAO considers relevant to the investigation or audit. Contractor agrees to cooperate fully with the SAO or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by Subcontractors through Contractor and the requirement to cooperate is included in any Subcontract it awards.

65 CONFIDENTIALITY

Any specific confidentiality agreement between the Parties takes precedent over the terms of this section. To the extent permitted by law, Contractor agrees to keep all information confidential, in whatever form produced, prepared, observed, or received by Contractor. The provisions of this section remain in full force and effect following termination or cessation of the services performed under the Contract.

66 PUBLIC INFORMATION ACT

Information related to the performance of the Contract may be subject to the PIA and will be withheld from public disclosure or released only in accordance therewith. Contractor must make

all information not otherwise excepted from disclosure under the PIA available in portable document file (".pdf") format or any other format agreed between the Parties.

ARTICLE VII. CONTRACT MANAGEMENT AND EARLY TERMINATION

71 CONTRACT MANAGEMENT

To ensure full performance of the Contract and compliance with applicable law, the TWDB may take actions including:

- A. Suspending all or part of the Contract;
- B. Requiring the Contractor to take specific corrective actions in order to remain in compliance with term of the Contract;
- C. Recouping payments made to the Contractor found to be in error;
- D. Suspending, limiting, or placing conditions on the continued performance of Work;
- E. Imposing any other remedies authorized under the Contract; and
- F. Imposing any other remedies, sanctions or penalties permitted by federal or state statute, law, regulation, or rule.

72 TERMINATION FOR CONVENIENCE

The TWDB may terminate the Contract, in whole or in part, at any time when, in its sole discretion, the TWDB determines that termination is in the best interests of the State of Texas. The termination will be effective on the date specified in TWDB's notice of termination.

73 TERMINATION FOR CAUSE

Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, the TWDB may terminate the Contract, in whole or in part, upon either of the following conditions:

A. Material Breach

The TWDB will have the right to terminate the Contract in whole or in part if the TWDB determines, at its sole discretion, that Contractor has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Contractor's duties under the Contract. Contractor's misrepresentation in any aspect of Contractor's Solicitation Response, if any, or Contractor's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

B. Failure to Maintain Financial Viability

The TWDB may terminate the Contract if, in its sole discretion, the TWDB has a good faith belief that Contractor no longer maintains the financial viability required to complete the Services and Deliverables, or otherwise fully perform its responsibilities under the Contract.

74 CONTRACTOR RESPONSIBILITY FOR ASSOCIATED COSTS.

If the TWDB terminates the Contract for Cause, the Contractor will be responsible to the TWDB for all costs incurred by the TWDB and the State of Texas to replace the Contractor. These costs include, but are not limited to, the costs of procuring a substitute vendor and the cost of any claim or litigation that is reasonably attributable to Contractor's failure to perform any Work in accordance with the terms of the Contract.

75 EQUITABLE SETTLEMENT

Any early termination under this Article will be subject to the equitable settlement of the respective interests of the Parties up to the date of termination.

ARTICLE VIII. MISCELLANEOUS PROVISIONS

8.1 AMENDMENT

The Contract may only be amended by an Amendment executed by both Parties.

8.2 INSURANCE

Unless otherwise specified in the Contract, Contractor will acquire and maintain, for the duration of the Contract, insurance coverage necessary to ensure proper fulfillment of the Contract and potential liabilities thereunder with financially sound and reputable insurers licensed by the Texas Department of Insurance, in the type and amount customarily carried within the industry as determined by the TWDB. Contractor will provide evidence of insurance as required under the Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the TWDB the nature and extent of coverage granted by each such policy, upon request by the TWDB. In the event that any policy is determined by the TWDB to be deficient to comply with the terms of the Contract, Contractor will secure such additional policies or coverage as the TWDB may reasonably request or that are required by law or regulation. If coverage expires during the term of the Contract, Contractor must produce renewal certificates for each type of coverage.

These and all other insurance requirements under the Contract apply to both Contractor and its Subcontractors, if any. Contractor is responsible for ensuring its Subcontractors' compliance with all requirements.

8.3 DELEGATION OF AUTHORITY

Whenever, by any provision of the Contract, any right, power or duty is imposed or conferred on TWDB, the right power or duty so imposed or conferred is possessed and exercised by the System Agencies Executive Commissioner unless such is delegated to duly appointed agents or employees. The Executive Commissioner of the TWDB will reduce any delegation of authority to

writing and provide a copy to Contractor on request. The authority delegated to Contractor by the TWDB is limited to the terms of the Contract. Contractor may not rely upon implied authority and is not delegated authority under the Contract to:

- A. Make public policy;
- B. Promulgate, amend, or disregard administrative regulations or program policy decisions made by State and federal agencies responsible for administration of TWDB program; or
- C. Unilaterally communicate or negotiate with any federal or state agency or the Texas Legislature on behalf of the TWDB regarding the TWDB programs or the Contract. However, upon request and reasonable notice to the Contractor, Contractor will assist the TWDB in communications and negotiations regarding the Work under the Contract with state and federal governments.

8.4 LEGAL OBLIGATIONS

Contractor must comply with all applicable federal, state, and local laws, ordinances, and regulations, including all federal and state accessibility laws relating to direct and indirect use of information and communication technology. Contractor will be deemed to have knowledge of all applicable laws and regulations and be deemed to understand them. In addition to any other act or omission that may constitute a material breach of the Contract, failure to comply with this Section may also be a material breach of the Contract.

8.5 E-VERIFY

By entering into a Contract, Contractor certifies and ensures that it utilizes and will continue to utilize, for the term of the Contract, the U.S. Department of Homeland Security's E-Verify system to determine the eligibility of:

- A. All persons employed during the contract term to perform duties within Texas; and
- B. All persons (including subcontractors) assigned by the contractor to perform Work pursuant to the Contract.

8.6 PERMITTING AND LICENSURE

At Contractor's sole expense, Contractor will procure and maintain for the duration of the Contract any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or Services required by the Contract. Contractor will be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Contractor agrees to be responsible for payment of any such government obligations not paid by its Subcontractors during performance of the Contract.

8.7 INDEMNITY

CONTRACTOR SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE STATE OF TEXAS AND ITS OFFICERS AND EMPLOYEES, AND THE TWDB AND ITS

OFFICERS AND EMPLOYEES, FROM AND AGAINST ALL CLAIMS, ACTIONS, SUITS, DEMANDS, PROCEEDINGS, COSTS, DAMAGES, AND LIABILITIES, INCLUDING ATTORNEYS' FEES AND COURT COSTS ARISING OUT OF, OR CONNECTED WITH, OR RESULTING FROM:

- **CONTRACTOR'S PERFORMANCE OF THE CONTRACT, INCLUDING ANY NEGLIGENT ACTS OR OMISSIONS OF CONTRACTOR, OR ANY AGENT, EMPLOYEE, SUBCONTRACTOR, OR SUPPLIER OF CONTRACTOR, OR ANY THIRD PARTY UNDER THE CONTROL OR SUPERVISION OF CONTRACTOR, IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT; OR**
- **ANY BREACH OR VIOLATION OF A STATUTE, ORDINANCE, GOVERNMENTAL REGULATION, STANDARD, RULE, OR BREACH OF CONTRACT BY CONTRACTOR, ANY AGENT, EMPLOYEE, SUBCONTRACTOR, OR SUPPLIER OF CONTRACTOR, OR ANY THIRD PARTY UNDER THE CONTROL OR SUPERVISION OF CONTRACTOR, IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT;**

OR

- **EMPLOYMENT OR ALLEGED EMPLOYMENT, INCLUDING CLAIMS OF DISCRIMINATION AGAINST CONTRACTOR, ITS OFFICERS, OR ITS AGENTS; OR**
- **WORK UNDER THE CONTRACT THAT INFRINGES OR MISAPPROPRIATES ANY RIGHT OF ANY THIRD PERSON OR ENTITY BASED ON COPYRIGHT, PATENT, TRADE SECRET, OR OTHER INTELLECTUAL PROPERTY RIGHTS.**

THE DEFENSE SHALL BE COORDINATED BY CONTRACTOR WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT, AND RESPONDENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. CONTRACTOR AND THE TWDB AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. THIS PARAGRAPH IS NOT INTENDED TO AND WILL NOT BE CONSTRUED TO REQUIRE CONTRACTOR TO INDEMNIFY OR HOLD HARMLESS THE STATE OR THE TWDB FOR ANY CLAIMS OR LIABILITIES RESULTING SOLELY FROM THE GROSS NEGLIGENCE OF THE TWDB OR ITS EMPLOYEES. THE PROVISIONS OF THIS SECTION WILL SURVIVE TERMINATION OF THE CONTRACT.

8.8 PATENTS OR COPYRIGHTS

The Contractor agrees to protect the State and TWDB from claims involving infringement of patents or copyrights. TWDB will not consider any Response that bears a copyright. Responses and any resulting Contract will be subject to the Texas Public Information Act, Texas Government Code, Chapter 552, and may be disclosed to the public upon request. Subject to the Act, Respondents may protect trade and confidential information from public release. Trade secrets or other confidential information, submitted as part of a Response, shall be clearly marked on each page they appear. Such marking shall be in **boldface type at least 14-point font**.

8.9 ASSIGNMENTS

Contractor may not assign all or any portion of its rights under, interests in, or duties required under the Contract without prior written consent of the TWDB, which may be withheld or granted at the sole discretion of the TWDB. Except where otherwise agreed in writing by the TWDB, assignment will not release Contractor from its obligations under the Contract.

Contractor understands and agrees the TWDB may in one or more transactions assign, pledge, or transfer the Contract. This assignment will only be made to another State agency or a non-state agency that is contracted to perform agency support.

8.10 SUBCONTRACTS

Contractor will be responsible to the TWDB for any Subcontractor's performance under the Contract. Nothing in the Contract will be construed to relieve Contractor of the responsibility for ensuring that the goods delivered or services rendered by Contractor or any of its Subcontractors comply with all the terms and provisions of the Contract. Contractor must provide written notification to the TWDB of any Subcontractor receiving compensation of One hundred thousand dollars (\$100,000.00) or more of the Work under the Contract, including the name and taxpayer identification number of Subcontractor, the task(s) being performed, and the number of Subcontractor employees expected to perform Services. TWDB reserves the right to:

- A. Reject the Subcontract or require changes to any provisions that do not comply with the requirements, duties, or responsibilities of the Contract or that create significant barriers for the TWDB to monitor compliance with the Contract;
- B. Object to the selection of the Subcontractor; or
- C. Object to the subcontracting of the Work proposed to be Subcontracted.

8.11 HUB/MENTOR PROTÉGÉ

In accordance with State law, it is the TWDB's policy to assist HUBs whenever possible in providing goods and services to the TWDB. The TWDB encourages those parties with whom it contracts for the provision of goods and services to adhere to this same philosophy in selecting Subcontractors to assist in fulfilling their obligations with the TWDB. In addition to information required by the Contract, the contracting Party will provide the procurement department of the TWDB with pertinent details of any participation by a HUB in fulfilling the duties and obligations arising hereunder.

The TWDB encourages the Parties it contracts with to partner with certified HUBs that participate in the Texas Comptroller of Public Accounts' Mentor Protégé Program.

8.12 RELATIONSHIP OF THE PARTIES

Contractor is, and will be, an independent contractor and, subject only to the terms of the Contract, will have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under the Contract. Nothing contained in the Contract will be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create for the TWDB any liability

whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor or any other Party.

Contractor will be solely responsible for, and the TWDB will have no obligation with respect to:

- A. Payment of Contractor's employees for all Services performed;
- B. Ensuring each of its employees, agents, or Subcontractors who provide Services or Deliverables under the Contract are properly licensed, certified, or have proper permits to perform any activity related to the Work;
- C. Withholding of income taxes, FICA, or any other taxes or fees;
- D. Industrial or workers' compensation insurance coverage;
- E. Participation in any group insurance plans available to employees of the State of Texas;
- F. Participation or contributions by the State to the State Employees Retirement System;
- G. Accumulation of vacation leave or sick leave; or
- H. Unemployment compensation coverage provided by the State.

8.13 TECHNICAL GUIDANCE LETTERS

In the sole discretion of the TWDB, and in conformance with federal and state law, the TWDB may issue instructions, clarifications, or interpretations as may be required during Work performance in the form of a Technical Guidance Letter. A TGL must be in writing, and may be delivered by regular mail, electronic mail, or facsimile transmission. Any TGL issued by the TWDB will be incorporated into the Contract by reference herein for all purposes when it is issued.

8.14 GOVERNING LAW AND VENUE

The Contract and the rights and obligations of the Parties hereto will be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under the Contract will be in a court of competent jurisdiction in Travis County, Texas unless otherwise elected by the TWDB. Contractor irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of the Contract or any document related hereto.

8.15 SEVERABILITY

If any provision contained in the Contract is held to be unenforceable by a court of law or equity, the Contract will be construed as if such provision did not exist and the non-enforceability of such provision will not be held to render any other provision or provisions of the Contract unenforceable.

8.16 SURVIVABILITY

Termination or expiration of the Contract or a Contract for any reason will not release either party from any liabilities or obligations in the Contract that the parties have expressly agreed will survive any such termination or expiration, remain to be performed, or by their nature would be intended to be applicable following any such termination or expiration, including maintaining confidentiality of information and records retention.

8.17 FORCE MAJEURE

Except with respect to the obligation of payments under the Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of the Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as a "Force Majeure"), then, while so prevented, the affected Party's obligation to comply with such covenant will be suspended, and the affected Party will not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure will promptly notify the other Party of the Force Majeure event in writing and, if possible, such notice will set forth the extent and duration thereof.

8.18 DISPUTE RESOLUTION

If a contract dispute arises that cannot be resolved to the satisfaction of the Parties, either Party may notify the other Party in writing of the dispute. If the Parties are unable to satisfactorily resolve the dispute within fourteen (14) days of the written notification, the Parties must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve the dispute. This provision will not apply to any matter with respect to which either Party may make a decision within its respective sole discretion.

8.19. NO WAIVER OF PROVISIONS

Neither failure to enforce any provision of the Contract nor payment for services provided under it constitute waiver of any provision of the Contract.

8.20 PUBLICITY

Except as provided in the paragraph below, Contractor must not use the name of, or directly or indirectly refer to, the TWDB, the State of Texas, or any other State agency in any media release, public announcement, or public disclosure relating to the Contract or its subject matter, including in any promotional or marketing materials, customer lists, or business presentations.

Contractor may publish, at its sole expense, results of Contractor performance under the Contract with the TWDB's prior review and approval, which the TWDB may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the TWDB and any Federal agency, as appropriate.

8.21 PROHIBITION ON NON-COMPETE RESTRICTIONS

Contractor will not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements, that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

8.22 NO WAIVER OF SOVEREIGN IMMUNITY

Nothing in the Contract will be construed as a waiver of sovereign immunity by the TWDB.

8.23 ENTIRE CONTRACT AND MODIFICATION

The Contract constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Contract will be harmonized with the Contract to the extent possible by the TWDB.

8.24 COUNTERPARTS

The Contract may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Contract.

8.25 PROPER AUTHORITY

Each Party hereto represents and warrants that the person executing the Contract on its behalf has full power and authority to enter into the Contract. Any Services or Work performed by Contractor before the Contract is effective or after it ceases to be effective are performed at the sole risk of Contractor with respect to compensation.

8.26 CIVIL RIGHTS

- A. Contractor agrees to comply with state and federal anti-discrimination laws, including:
- (1) Title VI of the Civil Rights Act of 1964 (42 U.S.C. §2000d *et seq.*);
 - (2) Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794);
 - (3) Americans with Disabilities Act of 1990 (42 U.S.C. §12101 *et seq.*);
 - (4) Age Discrimination Act of 1975 (42 U.S.C. §§6101-6107);
 - (5) Title IX of the Education Amendments of 1972 (20 U.S.C. §§1681-1688);
 - (6) Food and Nutrition Act of 2008 (7 U.S.C. §2011 *et seq.*); and
 - (7) The TWDB's administrative rules, as set forth in the Texas Administrative Code, to the extent applicable to this Agreement.

Contractor agrees to comply with all amendments to these laws, and all requirements imposed by the regulations issued pursuant to these laws. These laws provide in part that no persons in

the United States may, on the grounds of race, color, national origin, sex, age, disability, political beliefs, or religion, be excluded from participation in or denied any service or other benefit provided by Federal or State funding, or otherwise be subjected to discrimination.

- B. Contractor agrees to comply with Title VI of the Civil Rights Act of 1964, and its implementing regulations at 45 C.F.R. Part 80 or 7 C.F.R. Part 15, prohibiting a contractor from adopting and implementing policies and procedures that exclude or have the effect of excluding or limiting the participation of clients in its programs, benefits, or activities on the basis of national origin. Civil rights laws require contractors to provide alternative methods for ensuring access to services for applicants and recipients who cannot express themselves fluently in English. Contractor agrees to take reasonable steps to provide services and information, both orally and in writing and electronically, in appropriate languages other than English, to ensure that persons with limited English proficiency are effectively informed and can have meaningful access to programs, benefits, and activities.
- C. Contractor agrees to comply with Executive Orders 13279 and 13559, and their implementing regulations at 45 C.F.R. Part 87 or 7 C.F.R. Part 16. These provide in part that any organization that participates in programs funded by direct financial assistance from the United States Department of Agriculture or the United States Department of Health and Human Services shall not discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief. Contractor must provide written notice to beneficiaries of their rights.

8.27 NOTICE OF LEGAL MATTER OR LITIGATION

Contractor shall notify the contract manager assigned to the Contract of any litigation or legal matter related to or affecting the Contract within seven calendar days of becoming aware of the litigation or legal matter.

8.28 ORDER PRECEDENCE

In the event of conflicts or inconsistencies between the contract and its exhibits or attachments, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order of priority: Signed Contract (or Notice of Award), Attachments to the Contract (or Notice of Award), Request for Qualifications, and Respondent's Response to Request for Qualifications.

2. UNDERSTANDING OF THE PROJECT AND METHODOLOGY

Northbridge Environmental Management Consultants (Northbridge) is a "C" corporation, headquartered at 319 Littleton Road, Suite 208, Westford, Massachusetts 01886. Northbridge can be reached at (978) 392-9665.

Northbridge began supporting SRF programs in 1988 as EPA's prime contractor to support the implementation of the Clean Water SRF program. Through a series of subsequent contract competitions, Northbridge has continuously held the prime contract for supporting the SRF program, which was expanded to include the Drinking Water SRF when that program was conceived.

As the lead consultant for EPA, supporting EPA Headquarters, Regional Offices, and States with the implementation of these programs, Northbridge immediately became immersed in the complexity of a program that has both programmatic and financial requirements that each result in very detailed data management requirements. Initially, Northbridge created computerized financial planning tools to evaluate the financial position and capability of an SRF program. Later, Northbridge developed and continues to this day to provide all of the support for the required SRF data reporting by states to EPA for both SRF programs, including Clean Water and Drinking Water Project and Benefits Reporting applications (CBR and PBR) and the Clean Water and Drinking Water National Information Management Systems (CWNIMS and DWNIMS).

In the late 90's a need emerged for the development of comprehensive data systems to support states with the day-to-day management and reporting requirements for SRF programs and related state funding loan and grant programs. Initially working with the State of Nevada, Northbridge developed a data management system (LGTS) to accomplish this goal. This system has evolved greatly over the years as more states began using the system and as the reporting needs of the programs grew.

Northbridge's approach to creating and managing SRF data systems is based on over 20 years of experience working with SRF and related loan and grant programs as well as our management consultant understanding of the way these programs are run and the ability to convert that perspective into workable software solutions. We are not just software developers; we are financial consultants who possess software development capabilities.

Northbridge implemented TxWISE System and has been supporting TxWISE since 2009. Northbridge Web enabled TxWISE in 2014 and continued maintenance enhancement of the system. TxWISE Reports are essential to the accurate reporting of project and loan information.

Northbridge will assist TWDB business team with identifying and prioritizing the report changes and new reports.

Northbridge will analyze new report requirements and provide cost and time estimates for report changes identified by the business team.

Northbridge will utilize the rapid application development methodology to prototype the report changes and conduct JAD sessions to iteratively develop and implement the reports.

3. MANAGEMENT PLAN FOR THE PROJECT

The Northbridge team proposed will consist of Rao Mulpuri as the Project Manager and Technical Lead (primary contact), Jayanthi Kapistalam as the Lead Developer and Sujatha Mulpuri as the Database Analyst and Documentation Specialist. They will be supported by our existing team of developers and report writers all actively supporting the LGTS/TxWISE installations.

Northbridge will provide Weekly Status updates in mutually agreed upon format.

Northbridge will assist TWDB project manager in creating and maintain the project Schedules.

Please see attached Resumes for the relevant TWDB/TXWISE experience since 2007.

(TWDB-RFO-580-19-RFO0082-Resumes.pdf)

In Addition to TWDB, Northbridge has been supporting 18 states and EPA on the SRF work. Variation of TxWISE (LGTS) has been in Production for Alaska, California, Hawaii and New Mexico. LGTS Web system for Illinois and Louisiana in TEST mode.

As the lead consultant for EPA supporting SRF programs since 1988, Northbridge developed Clean Water and Drinking Water Project and Benefits Reporting applications (CBR and PBR) and the Clean Water and Drinking Water National Information Management Systems (CWNIMS and DWNIMS). These applications were developed using Microsoft .Net, VB, AJAX, and SQL Server.

LGTS/ TxWISE is a comprehensive software application developed by Northbridge that is designed for State SRF managers and staff to track and manage all aspects of their Clean and/or Drinking Water SRF programs from project loan application to final repayment, as well as tracking all capital contributions, set-aside spending, and bond issuance and repayment. While the software was designed specifically for the SRF programs, it also allows for parallel tracking and management of related other state funding programs that may be used to fund similar projects or provide joint funding with the SRF program.

The software was developed to address the data management needs for all of the steps in SRF management process including priority list development, facility location and identification, engineering review and milestone tracking, inspections, contacts, contract approvals and change orders, detailed payment request processing, project spending forecasts, encumbrances, funding draws and transfers,

disbursements, amortization schedule creation and management, billing, repayment processing, fund deposits, and tracking of repaid funds by their original source. The software is designed to allow for automated interfaces with other financial systems, but requires customization to create individual interfaces.

The Texas Water Development Board (TWDB) has responsibility for administering a wide variety of financial assistance programs for water related projects and activities.

Over the years, various systems have been built by TWDB at different times for different purposes. These systems have served a purpose and addressed key components of the various loan and grant programs at the TWDB; TxWISE project integrates data from existing systems and sources into one central system. Additionally, TxWISE replaces the agency's legacy systems currently residing on unsupportable server platforms with newer, state-of-the-art technology solutions.

In March of 2008, Northbridge was awarded a contract to develop an integrated information system built on the Northbridge's existing Loans and Grants Tracking System (LGTS). TxWISE has been implemented in three phases. Phase 1 and 2 of the TxWISE project replaced all but FIS and utilized MS Access user interface connected to SQL Server database. Phase 3 of the TxWISE project replaced FIS and web enabled most of the user interface and functionality.

Phase 3 of the TxWISE application was web-enabled by Northbridge using the Sencha Ext JS, C#, MVC, .Net, NHibernate, MS SQL Server, and MS SQL Server Reporting Services. Northbridge developers have extensive web development experience using these technologies.

Since 2008, as part of the TxWISE project Northbridge staff conducted numerous JAD sessions, analyzed data and processes and gained in depth understanding of the TWDB business processes including: Entity management, Project management and reviews, Payments and Outlays, Disbursements, Loan Origination, Loan Schedule, Debt origination, Loan and Debt repayments, Financial monitoring and compliance, and MIP Interfaces.

Over the last 8 years Northbridge has been responsible for maintaining and enhancing the TxWISE application, providing training to staff, assisting with streamlining business processes, data reconciliation and reporting.

RAO S. MULPURI

Project Manager/Technical Lead

NORTHBRIDGE

EDUCATION

M.S., Computer Aided Engineering Design, Guindy Engineering College, Madras, India.

B.S., Mechanical Engineering, Mangalore University, Manipal, India.

PROJECT EXPERIENCE

Mr. Mulpuri has over 26 years of experience in information systems analysis and application software development, including involvement in building and managing state and federal data systems for the State Revolving Fund programs and other water infrastructure programs. He has also used his extensive experience in program management and data systems to advise state agencies on how to improve program administration.

Mr. Mulpuri led the design of the Web-based reporting systems for the CWSRF Benefits (CBR), DWSRF Project and Benefits Reporting (PBR), developing, testing, and implementing improvements on a demanding project schedule. He is responsible for trouble shooting issues related to user access, usage and data. He also assisted in coordinating and training state and EPA users in utilizing the web systems to report SRF Project and ARRA information.

Mr. Mulpuri worked with Alaska, Arizona, California, Connecticut, Georgia, Hawaii, Illinois, Louisiana, Nevada, Nebraska, New Mexico, Texas and other states to develop, customize, and support the Loans and Grants Tracking System. Most recently customized and implemented TxWISE (Loans and Grants Tracking System) for Texas Water Development Board. He was responsible for migrating and consolidating SRF and state program data from several systems into one integrated database. He also trained users and management to utilize the new system to better manage data and meet the EPA requirements for SRF administration and reporting.

Mr. Mulpuri lends his technical expertise in maintaining the Web-based systems for collecting DWSRF NIMS, CWSRF NIMS, and State and Tribal Assistance Grants information. He provides ongoing operations support to maintain the systems, helps make improvements, and adds additional data collection and reporting capabilities.

Mr. Mulpuri is responsible for configuring and maintaining the Web Server hosted at Peer1 data center. This dedicated server hosts all the EPA web applications in a secure, power and data redundant environment to ensure maximum availability of the web applications.

Mr. Mulpuri led the design, development and implementation of the Web-based common login system (User Login), to consolidate user access and provide a gateway for all the EPA applications. This application improved the management of user access and passwords.

Mr. Mulpuri is also responsible for re-designing and supporting the Electronic Sanitary

Survey software (ESS) for EPA's Office of Ground Water and Drinking Water. He conducted analysis, participated in data model design, and developed forms and reports. Then he developed code to retrieve the latest water system information from the state SDWIS Web database and to format and submit survey updates to SDWIS State via the migration to an Oracle/SQL Server databases. In this ongoing project, Mr. Mulpuri is responsible for testing, implementing, and supporting the desktop, PDA and Tablet versions of the sanitary survey application.
