	<p>description of the subdivided land with ties to permanent landmarks or monuments.</p> <p>(9) "Sell" includes an offer to sell.</p> <p>(10) "Sewer," "sewer services," or "sewer facilities" means treatment works as defined by Section 17.001, Water Code, or individual, on-site, or cluster treatment systems such as septic tanks and includes drainage facilities and other improvements for proper functioning of septic tank systems.</p> <p>(11) "Subdivide" means to divide the surface area of land into lots intended primarily for residential use.</p> <p>(12) "Subdivider" means an individual, firm, corporation, or other legal entity that directly or indirectly subdivides land into lots for sale or lease as part of a common promotional plan in the ordinary course of business.</p> <p>(13) "Subdivision" means an area of land that has been subdivided into lots for sale or lease.</p> <p>(14) "Utility" means a person, including a legal entity or political subdivision, that provides the services of:</p> <p>(A) an electric utility, as defined by Section 31.002, Utilities Code;</p> <p>(B) a gas utility, as defined by Section 101.003, Utilities Code; and</p> <p>(C) a water and sewer utility, as defined by Section 13.002, Water Code.</p>	
	<p>Sec. 232.022. APPLICABILITY.</p> <p>(a) This subchapter applies only to:</p> <p>(1) a county any part of which is located within 50 miles of an international border; or</p> <p>(2) a county:</p> <p>(A) any part of which is located within 100 miles of an international border;</p> <p>(B) that contains the majority of the area of a municipality with a population of more than 250,000; and</p> <p>(C) to which Subdivision (1) does not apply.</p> <p>(b) This subchapter applies only to land that is subdivided into two or more lots that are intended primarily for residential use in the jurisdiction of the county. A lot is presumed to be intended for residential use if the lot is five acres or less. This subchapter does not apply if the subdivision is incident to the conveyance of the land as a gift between persons related to each other within the third degree by affinity or consanguinity, as determined under Chapter 573, Government Code.</p> <p>(c) Except as provided by Subsection (c-1), for purposes of this section, land is considered to be in the jurisdiction of a county if the land is located in the county and outside the corporate limits of municipalities.</p>	<p>Sec. 232.071. APPLICABILITY. This subchapter applies only to the subdivision of land located:</p> <p>(1) outside the corporate limits of a municipality; and</p> <p>(2) in a county:</p> <p>(A) in which is located a political subdivision that is eligible for and has applied for financial assistance under Section 15.407, Water Code, or Subchapter K, Chapter 17, Water Code; and</p> <p>(B) to which Subchapter B does not apply.</p>

Subchapter A – General Provisions	Subchapter B – Counties Near Border	Subchapter C – Economically Distressed Counties
	<p>(c-1) Land in a municipality's extraterritorial jurisdiction is not considered to be in the jurisdiction of a county for purposes of this section if the municipality and the county have entered into a written agreement under Section 242.001 that authorizes the municipality to regulate subdivision plats and approve related permits in the municipality's extraterritorial jurisdiction.</p> <p>(d) This subchapter does not apply if each of the lots of the subdivision is 10 or more acres.</p>	
<p>Sec. 232.001. PLAT REQUIRED.</p> <p>(a) The owner of a tract of land located outside the limits of a municipality must have a plat of the subdivision prepared if the owner divides the tract into two or more parts to lay out:</p> <ol style="list-style-type: none"> (1) a subdivision of the tract, including an addition; (2) lots; or (3) streets, alleys, squares, parks, or other parts of the tract intended to be dedicated to public use or for the use of purchasers or owners of lots fronting on or adjacent to the streets, alleys, squares, parks, or other parts. <p>(a-1) A division of a tract under Subsection (a) includes a division regardless of whether it is made by using a metes and bounds description in a deed of conveyance or in a contract for a deed, by using a contract of sale or other executory contract to convey, or by using any other method.</p> <p>(b) To be recorded, the plat must:</p> <ol style="list-style-type: none"> (1) describe the subdivision by metes and bounds; (2) locate the subdivision with respect to an original corner of the original survey of which it is a part; and (3) state the dimensions of the subdivision and of each lot, street, alley, square, park, or other part of the tract intended to be dedicated to public use or for the use of purchasers or owners of lots fronting on or adjacent to the street, alley, square, park, or other part. <p>(c) The owner or proprietor of the tract or the owner's or proprietor's agent must acknowledge the plat in the manner required for the acknowledgment of deeds.</p> <p>(d) The plat must be filed and recorded with the county clerk of the county in which the tract is located.</p> <p>(e) The plat is subject to the filing and recording provisions of Section 12.002, Property Code.</p> <p>(f) Repealed by Acts 1995, 74th Leg., ch. 979, Sec. 29, eff. June 16, 1995.</p>	<p>Sec. 232.023. PLAT REQUIRED.</p> <p>(a) A subdivider of land must have a plat of the subdivision prepared. A subdivision of a tract under this subsection includes a subdivision of real property by any method of conveyance, including a contract for deed, oral contract, contract of sale, or other type of executory contract, regardless of whether the subdivision is made by using a metes and bounds description.</p> <p>(b) A plat required under this section must:</p> <ol style="list-style-type: none"> (1) be certified by a surveyor or engineer registered to practice in this state; (2) define the subdivision by metes and bounds; (3) locate the subdivision with respect to an original corner of the original survey of which it is a part; (4) describe each lot, number each lot in progression, and give the dimensions of each lot; (5) state the dimensions of and accurately describe each lot, street, alley, square, park, or other part of the tract intended to be dedicated to public use or for the use of purchasers or owners of lots fronting on or adjacent to the street, alley, square, park, or other part; (6) include or have attached a document containing a description in English and Spanish of the water and sewer facilities and roadways and easements dedicated for the provision of water and sewer facilities that will be constructed or installed to service the subdivision and a statement specifying the date by which the facilities will be fully operable; (7) have attached a document prepared by an engineer registered to practice in this state certifying that the water and sewer service facilities proposed under Subdivision (6) are in compliance with the model rules adopted under Section 16.343, Water Code, and a certified estimate of the cost to install water and sewer service facilities; (8) provide for drainage in the subdivision to: <ol style="list-style-type: none"> (A) avoid concentration of storm drainage water from each lot to adjacent lots; (B) provide positive drainage away from all buildings; 	<p>Sec. 232.072. PLAT REQUIRED.</p> <p>(a) The owner of a tract of land that divides the tract in any manner that creates lots of five acres or less intended for residential purposes must have a plat of the subdivision prepared. A subdivision of a tract under this section includes a subdivision of real property by any method of conveyance, including a contract for deed, oral contract, contract of sale, or other type of executory contract, regardless of whether the subdivision is made by using a metes and bounds description.</p> <p>(b) A plat required under this section must:</p> <ol style="list-style-type: none"> (1) include on the plat or have attached to the plat a document containing a description of the water and sewer service facilities that will be constructed or installed to service the subdivision and a statement of the date by which the facilities will be fully operable; and (2) have attached to the plat a document prepared by an engineer registered to practice in this state certifying that the water and sewer service facilities described by the plat or the document attached to the plat are in compliance with the model rules adopted under Section 16.343, Water Code. <p>(c) A plat required under this section must be filed and recorded with the county clerk of the county in which the tract is located. The plat is subject to the filing and recording provisions of Section 12.002, Property Code.</p>

	<p>and</p> <p>(C) coordinate individual lot drainage with the general storm drainage pattern for the area;</p> <p>(9) include a description of the drainage requirements as provided in Subdivision (8);</p> <p>(10) identify the topography of the area;</p> <p>(11) include a certification by a surveyor or engineer registered to practice in this state describing any area of the subdivision that is in a floodplain or stating that no area is in a floodplain; and</p> <p>(12) include certification that the subdivider has complied with the requirements of Section 232.032 and that:</p> <p>(A) the water quality and connections to the lots meet, or will meet, the minimum state standards;</p> <p>(B) sewer connections to the lots or septic tanks meet, or will meet, the minimum requirements of state standards;</p> <p>(C) electrical connections provided to the lot meet, or will meet, the minimum state standards; and</p> <p>(D) gas connections, if available, provided to the lot meet, or will meet, the minimum state standards.</p> <p>(c) A subdivider may meet the requirements of Subsection (b)(12)(B) through the use of a certificate issued by the appropriate county or state official having jurisdiction over the approval of septic systems stating that lots in the subdivision can be adequately and legally served by septic systems.</p> <p>(d) The subdivider of the tract must acknowledge the plat by signing the plat and attached documents and attest to the veracity and completeness of the matters asserted in the attached documents and in the plat.</p> <p>(e) The plat must be filed and recorded with the county clerk of the county in which the tract is located. The plat is subject to the filing and recording provisions of Section 12.002, Property Code.</p>	
<p>Sec. 232.0013. CHAPTER-WIDE PROVISION RELATING TO REGULATION OF PLATS AND SUBDIVISIONS IN EXTRATERRITORIAL JURISDICTION. The authority of a county under this chapter relating to the regulation of plats or subdivisions in the extraterritorial jurisdiction of a municipality is subject to any applicable limitation prescribed by an agreement under Section 242.001 or by Section 242.002.</p>		
<p>Sec. 232.0015. EXCEPTIONS TO PLAT REQUIREMENT. (a) To determine whether specific divisions of land are required to be platted, a county may define and classify the divisions. A county need not require platting for every division of land</p>

<p>otherwise within the scope of this subchapter.</p> <p>(b) Except as provided by Section 232.0013, this subchapter does not apply to a subdivision of land to which Subchapter B applies.</p> <p>(c) A county may not require the owner of a tract of land located outside the limits of a municipality who divides the tract into two or more parts to have a plat of the subdivision prepared if:</p> <p>(1) the owner does not lay out a part of the tract described by Section 232.001(a)(3); and</p> <p>(2) the land is to be used primarily for agricultural use, as defined by Section 1-d, Article VIII, Texas Constitution, or for farm, ranch, wildlife management, or timber production use within the meaning of Section 1-d-1, Article VIII, Texas Constitution.</p> <p>(d) If a tract described by Subsection (c) ceases to be used primarily for agricultural use or for farm, ranch, wildlife management, or timber production use, the platting requirements of this subchapter apply.</p> <p>(e) A county may not require the owner of a tract of land located outside the limits of a municipality who divides the tract into four or fewer parts and does not lay out a part of the tract described by Section 232.001(a)(3) to have a plat of the subdivision prepared if each of the lots is to be sold, given, or otherwise transferred to an individual who is related to the owner within the third degree by consanguinity or affinity, as determined under Chapter 573, Government Code. If any lot is sold, given, or otherwise transferred to an individual who is not related to the owner within the third degree by consanguinity or affinity, the platting requirements of this subchapter apply.</p> <p>(f) A county may not require the owner of a tract of land located outside the limits of a municipality who divides the tract into two or more parts to have a plat of the subdivision prepared if:</p> <p>(1) all of the lots of the subdivision are more than 10 acres in area; and</p> <p>(2) the owner does not lay out a part of the tract described by Section 232.001(a)(3).</p> <p>(g) A county may not require the owner of a tract of land located outside the limits of a municipality who divides the tract into two or more parts and does not lay out a part of the tract described by Section 232.001(a)(3) to have a plat of the subdivision prepared if all the lots are sold to veterans through the Veterans' Land Board program.</p> <p>(h) The provisions of this subchapter shall not apply to a subdivision of any tract of land belonging to the state or any state agency, board, or commission or owned by the permanent school fund or any other dedicated funds of the state unless the subdivision lays out a part of the tract</p>		

Subchapter A – General Provisions	Subchapter B – Counties Near Border	Subchapter C – Economically Distressed Counties
<p>described by Section 232.001(a)(3).</p> <p>(i) A county may not require the owner of a tract of land located outside the limits of a municipality who divides the tract into two or more parts to have a plat of the subdivision prepared if:</p> <p>(1) the owner of the land is a political subdivision of the state;</p> <p>(2) the land is situated in a floodplain; and</p> <p>(3) the lots are sold to adjoining landowners.</p> <p>(j) A county may not require the owner of a tract of land located outside the limits of a municipality who divides the tract into two parts to have a plat of the subdivision prepared if:</p> <p>(1) the owner does not lay out a part of the tract described by Section 232.001(a)(3); and</p> <p>(2) one new part is to be retained by the owner, and the other new part is to be transferred to another person who will further subdivide the tract subject to the plat approval requirements of this chapter.</p> <p>(k) A county may not require the owner of a tract of land located outside the limits of a municipality who divides the tract into two or more parts to have a plat of the subdivision prepared if:</p> <p>(1) the owner does not lay out a part of the tract described by Section 232.001(a)(3); and</p> <p>(2) all parts are transferred to persons who owned an undivided interest in the original tract and a plat is filed before any further development of any part of the tract.</p>		
<p>Sec. 232.002. APPROVAL BY COUNTY REQUIRED. (a) The commissioners court of the county in which the land is located must approve, by an order entered in the minutes of the court, a plat required by Section 232.001. The commissioners court may refuse to approve a plat if it does not meet the requirements prescribed by or under this chapter or if any bond required under this chapter is not filed with the county.</p> <p>(b) The commissioners court may not approve a plat unless the plat and other documents have been prepared as required by Section 232.0035, if applicable.</p> <p>(c) If no portion of the land subdivided under a plat approved under this section is sold or transferred before January 1 of the 51st year after the year in which the plat was approved, the approval of the plat expires, and the owner must resubmit a plat of the subdivision for approval. A plat resubmitted for approval under this subsection is subject to the requirements prescribed by this chapter at the time the plat is resubmitted.</p>	<p>Sec. 232.024. APPROVAL BY COUNTY REQUIRED. (a) A plat filed under Section 232.023 is not valid unless the commissioners court of the county in which the land is located approves the plat by an order entered in the minutes of the court. The commissioners court shall refuse to approve a plat if it does not meet the requirements prescribed by or under this subchapter or if any bond required under this subchapter is not filed with the county clerk.</p> <p>(b) If any part of a plat applies to land intended for residential housing and any part of that land lies in a floodplain, the commissioners court shall not approve the plat unless:</p> <p>(1) the subdivision is developed in compliance with the minimum requirements of the National Flood Insurance Program and local regulations or orders adopted under Section 16.315, Water Code; and</p> <p>(2) the plat evidences a restrictive covenant prohibiting the construction of residential housing in any area of the subdivision that is in a floodplain unless the housing is developed in compliance with the minimum requirements of the National Flood Insurance Program and local regulations or orders adopted</p>	<p>Sec. 232.073. APPROVAL BY COUNTY REQUIRED. (a) A plat filed under Section 232.072 is not valid unless the commissioners court of the county in which the land is located approves the plat by an order entered in the minutes of the court. The commissioners court shall refuse to approve a plat if it does not meet the requirements prescribed by or under this subchapter or if any bond required under this subchapter is not filed with the county clerk.</p> <p>(b) The commissioners court of the county in which the land is located may establish a planning commission as provided by Subchapter D. The planning commission, including its findings and decisions, is subject to the same provisions applicable to the commissioners court under this subchapter, including Section 232.078 relating to conflicts of interest.</p>

Subchapter A – General Provisions	Subchapter B – Counties Near Border	Subchapter C – Economically Distressed Counties
	<p>under Section 16.315, Water Code.</p> <p>(c) On request, the county clerk shall provide the attorney general or the Texas Water Development Board:</p> <p>(1) a copy of each plat that is approved under this subchapter; or</p> <p>(2) the reasons in writing and any documentation that support a variance granted under Section 232.042.</p> <p>(d) The commissioners court of the county in which the land is located may establish a planning commission as provided by Subchapter D. The planning commission, including its findings and decisions, is subject to the same provisions applicable to the commissioners court under this subchapter, including Section 232.034 relating to conflicts of interest.</p>	
<p>Sec. 232.0021. PLAT APPLICATION FEE. (a) The commissioners court may impose an application fee to cover the cost of the county's review of a subdivision plat and inspection of street, road, and drainage improvements described by the plat.</p> <p>(b) The fee may vary based on the number of proposed lots in the subdivision, the acreage described by the plat, the type or extent of proposed street and drainage improvements, or any other reasonable criteria as determined by the commissioners court.</p> <p>(c) The owner of the tract to be subdivided must pay the fee at the time directed by the county before the county conducts a review of the plat.</p> <p>(d) The fee is subject to refund under Section 232.0025(i).</p>		
<p>Sec. 232.0025. TIMELY APPROVAL OF PLATS. (a) The commissioners court of a county or a person designated by the commissioners court shall issue a written list of the documentation and other information that must be submitted with a plat application. The documentation or other information must relate to a requirement authorized under this section or other applicable law. An application submitted to the commissioners court or the person designated by the commissioners court that contains the documents and other information on the list is considered complete.</p> <p>(b) If a person submits a plat application to the commissioners court that does not include all of the documentation or other information required by Subsection (a), the commissioners court or the court's designee shall, not later than the 10th business day after the date the commissioners court receives the application, notify the applicant of the missing documents or other information. The commissioners court shall allow an applicant to timely submit the missing documents or other information.</p> <p>(c) An application is considered</p>

<p>Sec. 232.0031. STANDARD FOR ROADS IN SUBDIVISION. A county may not impose under Section 232.003 a higher standard for streets or roads in a subdivision than the county imposes on itself for the construction of streets or roads with a similar type and amount of traffic.</p>		
<p>Sec. 232.0032. ADDITIONAL REQUIREMENTS: USE OF GROUNDWATER. (a) If a person submits a plat for the subdivision of a tract of land for which the source of the water supply intended for the subdivision is groundwater under that land, the commissioners court of a county by order may require the plat application to have attached to it a statement that:</p> <p>(1) is prepared by an engineer licensed to practice in this state or a</p>

<p>geoscientist licensed to practice in this state; and</p> <p>(2) certifies that adequate groundwater is available for the subdivision.</p> <p>(b) The Texas Natural Resource Conservation Commission by rule shall establish the appropriate form and content of a certification to be attached to a plat application under this section.</p>		
	<p>Sec. 232.026. WATER AND SEWER SERVICE EXTENSION. (a) The commissioners court may extend, beyond the date specified on the plat or on the document attached to the plat, the date by which the water and sewer service facilities must be fully operable if the commissioners court finds the extension is reasonable and not contrary to the public interest.</p> <p>(b) The commissioners court may not grant an extension under Subsection (a) if it would allow an occupied residence to be without water or sewer services.</p> <p>(c) If the commissioners court provides an extension, the commissioners court shall notify the attorney general of the extension and the reason for the extension. The attorney general shall notify all other state agencies having enforcement power over subdivisions of the extension.</p>	<p>Sec. 232.075. WATER AND SEWER SERVICE EXTENSION. (a) The commissioners court may extend, beyond the date specified on the plat or on the document attached to the plat, the date by which the water and sewer service facilities must be fully operable if the commissioners court finds the extension is reasonable and not contrary to the public interest.</p> <p>(b) The commissioners court may not grant an extension under Subsection (a) if it would allow an occupied residence to be without water or sewer services.</p>
	<p>Sec. 232.027. BOND REQUIREMENTS. (a) Unless a person has completed the installation of all water and sewer service facilities required by this subchapter on the date that person applies for final approval of a plat under Section 232.024, the commissioners court shall require the subdivider of the tract to execute and maintain in effect a bond or, in the alternative, a person may make a cash deposit in an amount the commissioners court determines will ensure compliance with this subchapter. A person may not meet the requirements of this subsection through the use of a letter of credit unless that letter of credit is irrevocable and issued by an institution guaranteed by the FDIC. The subdivider must comply with the requirement before subdividing the tract.</p> <p>(b) The bond must be conditioned on the construction or installation of water and sewer service facilities that will be in compliance with the model rules adopted under Section 16.343, Water Code.</p>	<p>Sec. 232.074. 	<p>Sec. 232.036. CRIMINAL PENALTIES. (a) A subdivider commits an offense if the subdivider knowingly fails to file a plat required by this subchapter. An offense under this subsection is a Class A misdemeanor.</p> <p>(b) A subdivider who owns a subdivision commits an offense if the subdivider knowingly fails to timely provide for the construction or installation of water or sewer service as required by Section 232.032 or fails to make a reasonable effort to have electric utility service and gas utility service installed by a utility as required by Section 232.032. An offense under this subsection is a Class A misdemeanor.</p> <p>(c) If it is shown at the trial of an offense under Subsection (a) that the defendant caused five or more residences in the subdivision to be inhabited, the offense is a state jail felony.</p> <p>(d) A subdivider commits an offense if the subdivider allows the conveyance of a lot in the subdivision without the appropriate water and sewer utilities as required by Section 232.032 or without having made a reasonable effort to have electric utility service and gas utility service installed by a utility as required by Section 232.032. An offense under this section is a Class A misdemeanor. Each lot conveyed constitutes a separate offense.</p> <p>(e) Venue for prosecution for a violation under this section is in the county in which any element of the violation is alleged to have occurred or in Travis County.</p>	
	<p>Sec. 232.037. ENFORCEMENT.</p> <p>(a) The attorney general, or the district attorney, criminal district attorney, county attorney with felony responsibilities, or county attorney of the county may take any action necessary in a court of competent jurisdiction on behalf of the state or on behalf of residents to:</p> <p>(1) enjoin the violation or threatened violation of the model rules adopted under Section 16.343, Water Code;</p> <p>(2) enjoin the violation or threatened violation of a requirement of this subchapter or a rule adopted by the commissioners court under this subchapter;</p> <p>(3) recover civil or</p>	<p>Sec. 232.080. (b) The attorney general, at the request of the district or county attorney with jurisdiction, may conduct a criminal prosecution under Section 232.033(h) or 232.036. (c) During the pendency of any enforcement action brought, any resident of the affected subdivision, or the attorney general, district attorney, or county attorney on behalf of a resident, may file a motion against the provider of utilities to halt termination of pre-existing utility services. The services may not be terminated if the court makes an affirmative finding after hearing the motion that termination poses a threat to public health, safety, or welfare of the residents. (d) This subchapter is subject to the applicable enforcement provisions prescribed by Sections 16.352, 16.353, 16.354, and 16.3545, Water Code.</p>	<p>costs, and investigation costs; and (4) require platting as required by this subchapter. (b) During the pendency of any enforcement action brought, any resident of the affected subdivision, or the attorney general, district attorney, or county attorney on behalf of a resident, may file a motion against the provider of utilities to halt termination of preexisting utility services. The services may not be terminated if the court makes an affirmative finding after hearing the motion that termination poses a threat to public health or to the health, safety, or welfare of the residents. This subsection does not prohibit a provider of utilities from terminating services under other law to a resident who has failed to timely pay for services. (c) This subchapter is subject to the applicable enforcement provisions prescribed by Sections 16.352, 16.353, 16.354, and 16.3545, Water Code.</p>
	<p>Sec. 232.038. SUIT BY PRIVATE PERSON IN ECONOMICALLY DISTRESSED AREA. (a) Except as provided by Subsection (b), a person who has purchased or is purchasing a lot after July 1, 1995, in a subdivision for residential purposes that does not have water and sewer services as required by this subchapter and is located in an economically distressed area, as defined by Section 17.921, Water Code, from a subdivider, may bring suit in the district court in which the property is located or in a district court in Travis County to: (1) declare the sale of the property void and require the subdivider to return the purchase price of the property; and (2) recover from the subdivider: (A) the market value of any permanent improvements the person placed on the property; (B) actual expenses incurred as a direct result of the failure to provide adequate water and sewer facilities; (C) court costs; and (D) reasonable attorney’s fees. (b) If the lot is located in a county defined under Section 232.022(a)(2), a person may only bring suit under Subsection (a) if the person purchased or is purchasing the lot after September 1, 2005.</p>	
<p>Sec. 232.006. EXCEPTIONS FOR POPULOUS COUNTIES OR CONTIGUOUS COUNTIES. (a) This section applies to a county: (1) that has a population</p>		

Subchapter A – General Provisions	Subchapter B – Counties Near Border	Subchapter C – Economically Distressed Counties
<p>of more than 3.3 million or is contiguous with a county that has a population of more than 3.3 million; and</p> <p>(2) in which the commissioners court by order elects to operate under this section.</p> <p>(b) If a county elects to operate under this section, Section 232.005 does not apply to the county. The sections of this chapter preceding Section 232.005 do apply to the county in the same manner that they apply to other counties except that:</p> <p>(1) they apply only to tracts of land located outside municipalities and the extraterritorial jurisdiction of municipalities, as determined under Chapter 42;</p> <p>(2) the commissioners court of the county, instead of having the powers granted by Sections 232.003(2) and (3), may:</p> <p>(A) require a right-of-way on a street or road that does not function as a main artery in the subdivision of not less than 40 feet or more than 50 feet; and</p> <p>(B) require that the street cut on a main artery within the right-of-way be not less than 30 feet or more than 45 feet, and that the street cut on any other street or road within the right-of-way be not less than 25 feet or more than 35 feet; and</p> <p>(3) Section 232.004(5)(B) does not apply to the county.</p>		
<p>Sec. 232.007. MANUFACTURED HOME RENTAL COMMUNITIES. (a) In this section:</p> <p>(1) "Manufactured home rental community" means a plot or tract of land that is separated into two or more spaces or lots that are rented, leased, or offered for rent or lease, for a term of less than 60 months without a purchase option, for the installation of manufactured homes for use and occupancy as residences.</p> <p>(2) "Business day" means a day other than a Saturday, Sunday, or holiday recognized by this state.</p> <p>(b) A manufactured home rental community is not a subdivision, and Sections 232.001-232.006 do not apply to the community.</p> <p>(c) After a public hearing and after notice is published in a newspaper of general circulation in the county, the commissioners court of a county, by order adopted and entered in the minutes of the commissioners court, may establish minimum infrastructure standards for manufactured home rental communities located in the county outside the limits of a municipality. The minimum standards may include only:</p> <p>(1) reasonable specifications to provide adequate drainage in accordance with standard engineering practices, including specifying necessary drainage culverts and identifying areas included in the 100-year flood plain;</p>		

Subchapter A – General Provisions	Subchapter B – Counties Near Border	Subchapter C – Economically Distressed Counties
<p>(2) reasonable specifications for providing an adequate public or community water supply, including specifying the location of supply lines, in accordance with Subchapter C, Chapter 341, Health and Safety Code;</p> <p>(3) reasonable requirements for providing access to sanitary sewer lines, including specifying the location of sanitary sewer lines, or providing adequate on-site sewage facilities in accordance with Chapter 366, Health and Safety Code;</p> <p>(4) a requirement for the preparation of a survey identifying the proposed manufactured home rental community boundaries and any significant features of the community, including the proposed location of manufactured home rental community spaces, utility easements, and dedications of rights-of-way; and</p> <p>(5) reasonable specifications for streets or roads in the manufactured rental home community to provide ingress and egress access for fire and emergency vehicles.</p> <p>(d) The commissioners court may not adopt minimum infrastructure standards that are more stringent than requirements adopted by the commissioners court for subdivisions. The commissioners court may only adopt minimum infrastructure standards for ingress and egress access by fire and emergency vehicles that are reasonably necessary.</p> <p>(e) If the commissioners court adopts minimum infrastructure standards for manufactured home rental communities, the owner of land located outside the limits of a municipality who intends to use the land for a manufactured home rental community must have an infrastructure development plan prepared that complies with the minimum infrastructure standards adopted by the commissioners court under Subsection (c).</p> <p>(f) Not later than the 60th day after the date the owner of a proposed manufactured home rental community submits an infrastructure development plan for approval, the county engineer or another person designated by the commissioners court shall approve or reject the plan in writing. If the plan is rejected, the written rejection must specify the reasons for the rejection and the actions required for approval of the plan. The failure to reject a plan within the period prescribed by this subsection constitutes approval of the plan.</p> <p>(g) Construction of a proposed manufactured home rental community may not begin before the date the county engineer or another person designated by the commissioners court approves the infrastructure development plan. The commissioners court may require inspection of the infrastructure during or on completion of its construction. If a final inspection is required, the final inspection must be completed not later than the second business day after the date the commissioners court or the person</p>		

Subchapter A – General Provisions	Subchapter B – Counties Near Border	Subchapter C – Economically Distressed Counties
<p>designated by the commissioners court receives a written confirmation from the owner that the construction of the infrastructure is complete. If the inspector determines that the infrastructure complies with the infrastructure development plan, the commissioners court shall issue a certificate of compliance not later than the fifth business day after the date the final inspection is completed. If a final inspection is not required, the commissioners court shall issue a certificate of compliance not later than the fifth business day after the date the commissioners court or the person designated by the commissioners court receives written certification from the owner that construction of the infrastructure has been completed in compliance with the infrastructure development plan.</p> <p>(h) A utility may not provide utility services, including water, sewer, gas, and electric services, to a manufactured home rental community subject to an infrastructure development plan or to a manufactured home in the community unless the owner provides the utility with a copy of the certificate of compliance issued under Subsection (g). This subsection applies only to:</p> <ul style="list-style-type: none"> (1) a municipality that provides utility services; (2) a municipally owned or municipally operated utility that provides utility services; (3) a public utility that provides utility services; (4) a nonprofit water supply or sewer service corporation organized and operating under Chapter 67, Water Code, that provides utility services; (5) a county that provides utility services; and (6) a special district or authority created by state law that provides utility services. 		
<p>Sec. 232.008. CANCELLATION OF SUBDIVISION. (a) This section applies only to real property located outside municipalities and the extraterritorial jurisdiction of municipalities, as determined under Chapter 42.</p> <p>(b) A person owning real property in this state that has been subdivided into lots and blocks or into small subdivisions may apply to the commissioners court of the county in which the property is located for permission to cancel all or part of the subdivision, including a dedicated easement or roadway, to reestablish the property as acreage tracts as it existed before the subdivision. If, on the application, it is shown that the cancellation of all or part of the subdivision does not interfere with the established rights of any purchaser who owns any part of the subdivision, or it is shown that the purchaser agrees to the cancellation, the commissioners court by order shall authorize the owner of the subdivision to file an instrument canceling</p>	<p>Sec. 232.039. CANCELLATION OF SUBDIVISION. (a) A subdivider of land may apply to the commissioners court to cancel all or part of the subdivision in the manner provided by Section 232.008 after notice and hearing as provided by this section.</p> <p>(b) A resident of a subdivision for which the subdivider has applied for cancellation under Subsection (a) has the same rights as a purchaser of land under Section 232.008.</p> <p>(c) The notice required by Section 232.008(c) must also be published in Spanish in the newspaper of highest circulation and in a Spanish-language newspaper in the county if available.</p> <p>(d) Not later than the 14th day before the date of the hearing, the county chief appraiser shall by regular and certified mail provide notice containing the information described by Section 232.008(c) to:</p> <ul style="list-style-type: none"> (1) each person who pays property taxes in the subdivision, as

After the cancellation instrument is filed and recorded in the deed records of the county, the county tax assessor-collector shall assess the property as if it had never been subdivided.</p> <p>(c) The commissioners court shall publish notice of an application for cancellation. The notice must be published in a newspaper, published in the English language, in the county for at least three weeks before the date on which action is taken on the application. The court shall take action on an application at a regular term. The published notice must direct any person who is interested in the property and who wishes to protest the proposed cancellation to appear at the time specified in the notice.</p> <p>(d) If delinquent taxes are owed on the subdivided tract for any preceding year, and if the application to cancel the subdivision is granted as provided by this section, the owner of the tract may pay the delinquent taxes on an acreage basis as if the tract had not been subdivided. For the purpose of assessing the tract for a preceding year, the county tax assessor-collector shall back assess the tract on an acreage basis.</p> <p>(e) On application for cancellation of a subdivision or any phase or identifiable part of a subdivision, including a dedicated easement or roadway, by the owners of 75 percent of the property included in the subdivision, phase, or identifiable part, the commissioners court by order shall authorize the cancellation in the manner and after notice and a hearing as provided by Subsections (b) and (c). However, if the owners of at least 10 percent of the property affected by the proposed cancellation file written objections to the cancellation with the court, the grant of an order of cancellation is at the discretion of the court.</p> <p>(f) To maintain an action to enjoin the cancellation or closing of a roadway or easement in a subdivision, a person must own a lot or part of the subdivision that:</p> <p>(1) abuts directly on the part of the roadway or easement to be canceled or closed; or</p> <p>(2) is connected by the part of the roadway or easement to be canceled or closed, by the most direct feasible route, to:</p> <p>(A) the nearest remaining public highway, county road, or access road to the public highway or county road; or</p> <p>(B) any uncanceled common amenity of the subdivision.</p> <p>(g) A person who appears before the commissioners court to protest the cancellation of all or part of a subdivision may maintain an action for damages against the person applying for the cancellation and may recover as damages an amount not to</p>	<p>determined by the most recent tax roll; and</p> <p>(2) each person with an interest in the property.</p> <p>(e) The commissioners court may require a subdivider to provide the court with the name and last known address of each person with an interest in the property. For purposes of this subsection, a person residing on a lot purchased through an executory contract has an interest in the property.</p> <p>(f) A person who fails to provide information requested under Subsection (e) before the 31st day after the date the request is made is liable to the state for a penalty of \$500 for each week the person fails to provide the information.</p> <p>(g) The commissioners court may cancel a subdivision only after a public hearing. At the hearing, the commissioners court shall permit any interested person to be heard. At the conclusion of the hearing, the commissioners court shall adopt an order on whether to cancel the subdivision.</p>

<p>exceed the amount of the person's original purchase price for property in the canceled subdivision or part of the subdivision. The person must bring the action within one year after the date of the entry of the commissioners court's order granting the cancellation.</p> <p>(h) The commissioners court may deny a cancellation under this section if the commissioners court determines the cancellation will prevent the proposed interconnection of infrastructure to pending or existing development.</p>		
<p>Sec. 232.0085. CANCELLATION OF CERTAIN SUBDIVISIONS IF LAND REMAINS UNDEVELOPED. (a) This section applies only to real property located:</p> <p>(1) outside municipalities and the extraterritorial jurisdiction of municipalities, as determined under Chapter 42; and</p> <p>(2) in an affected county, as defined by Section 16.341, Water Code, that has adopted the model rules developed under Section 16.343, Water Code, and is located along an international border.</p> <p>(b) The commissioners court of a county may cancel, after notice and a hearing as required by this section, a subdivision for which the plat was filed and approved before September 1, 1989, if:</p> <p>(1) the development of or the making of improvements in the subdivision was not begun before the effective date of this section; and</p> <p>(2) the commissioners court by resolution has made a finding that the land in question is likely to be developed as a colonia.</p> <p>(c) The commissioners court must publish notice of a proposal to cancel a subdivision under this section and the time and place of the required hearing in a newspaper of general circulation in the county for at least 21 days immediately before the date a cancellation order is adopted under this section. The county tax assessor-collector shall, not later than the 14th day before the date of the hearing, deposit with the United States Postal Service a similar notice addressed to each owner of land in the subdivision, as determined by the most recent county tax roll.</p> <p>(d) At the hearing, the commissioners court shall permit any interested person to be heard. At the conclusion of the hearing, the court shall adopt an order on whether to cancel the subdivision. The commissioners court may adopt an order canceling a subdivision if the court determines the cancellation is in the best interest of the public. The court may not adopt an order canceling a subdivision if:</p> <p>(1) the cancellation interferes with the established rights of a person who is a nondeveloper owner and owns any part of the subdivision, unless the person agrees to the cancellation; or</p>

<p>(2) the owner of the entire subdivision is able to show that:</p> <p>(A) the owner of the subdivision is able to comply with the minimum state standards and model political subdivision rules developed under Section 16.343, Water Code, including any bonding requirements; or</p> <p>(B) the land was developed or improved within the period described by Subsection (b).</p> <p>(e) The commissioners court shall file the cancellation order for recording in the deed records of the county. After the cancellation order is filed and recorded, the property shall be treated as if it had never been subdivided, and the county chief appraiser shall assess the property accordingly. Any liens against the property shall remain against the property as it was previously subdivided.</p> <p>(f) In this section:</p> <p>(1) "Development" means the making, installing, or constructing of buildings and improvements.</p> <p>(2) "Improvements" means water supply, treatment, and distribution facilities; wastewater collection and treatment facilities; and other utility facilities. The term does not include roadway facilities.</p>		
	<p>Sec. 232.040. REPLATTING. (a) A subdivision plat must accurately reflect the subdivision as it develops. If there is any change, either by the intentional act of the subdivider or by the forces of nature, including changes in the size or dimension of lots or the direction or condition of the roads, a plat must be revised in accordance with Section 232.041.</p> <p>(b) Except as provided by Subsection (c), a lot in a subdivision may not be sold if the lot lacks water and sewer services as required by this subchapter unless the lot is platted or replatted as required by this subchapter. A subdivider or agent of a subdivider may not transfer a lot through an executory contract or other similar conveyance to evade the requirements of this subchapter. The prohibition in this subsection includes the sale of a lot:</p> <p>(1) by a subdivider who regains possession of a lot previously exempt under Subsection (c) through the exercise of a remedy described in Section 5.061, Property Code; or</p> <p>(2) for which it is shown at a proceeding brought in the district court in which the property is located that the sale of a lot otherwise exempt under Subsection (c) was made for the purpose of evading the requirements of this subchapter.</p> <p>(c) Subsection (b) does not apply if a seller other than a subdivider or agent of a subdivider resides on the lot.</p> <p>(d) The attorney general or a district or county attorney with jurisdiction may bring a proceeding under Subsection</p>

	<p>(b).</p> <p>(e) Existing utility services to a subdivision that must be platted or replatted under this section may not be terminated under Section 232.029 or 232.0291.</p>	
<p>Sec. 232.009. REVISION OF PLAT. (a) This section applies only to real property located outside municipalities and the extraterritorial jurisdiction of municipalities with a population of 1.5 million or more, as determined under Chapter 42.</p> <p>(b) A person who owns real property in a tract that has been subdivided and that is subject to the subdivision controls of the county in which the property is located may apply in writing to the commissioners court of the county for permission to revise the subdivision plat that applies to the property and that is filed for record with the county clerk.</p> <p>(c) After the application is filed with the commissioners court, the court shall publish a notice of the application in a newspaper of general circulation in the county. The notice must include a statement of the time and place at which the court will meet to consider the application and to hear protests to the revision of the plat. The notice must be published at least three times during the period that begins on the 30th day and ends on the seventh day before the date of the meeting. Except as provided by Subsection (f), if all or part of the subdivided tract has been sold to nondeveloper owners, the court shall also give notice to each of those owners by certified or registered mail, return receipt requested, at the owner's address in the subdivided tract.</p> <p>(d) During a regular term of the commissioners court, the court shall adopt an order to permit the revision of the subdivision plat if it is shown to the court that:</p> <p>(1) the revision will not interfere with the established rights of any owner of a part of the subdivided land; or</p> <p>(2) each owner whose rights may be interfered with has agreed to the revision.</p> <p>(e) If the commissioners court permits a person to revise a subdivision plat, the person may make the revision by filing for record with the county clerk a revised plat or part of a plat that indicates the changes made to the original plat.</p> <p>(f) The commissioners court is not required to give notice by mail under Subsection (c) if the plat revision only combines existing tracts.</p>	<p>Sec. 232.041. REVISION OF PLAT. (a) A person who has subdivided land that is subject to the subdivision controls of the county in which the land is located may apply in writing to the commissioners court of the county for permission to revise the subdivision plat filed for record with the county clerk.</p> <p>(b) After the application is filed with the commissioners court, the court shall publish a notice of the application in a newspaper of general circulation in the county. The notice must include a statement of the time and place at which the court will meet to consider the application and to hear protests to the revision of the plat. The notice must be published at least three times during the period that begins on the 30th day and ends on the seventh day before the date of the meeting. If all or part of the subdivided tract has been sold to nondeveloper owners, the court shall also give notice to each of those owners by certified or registered mail, return receipt requested, at the owner's address in the subdivided tract.</p> <p>(c) During a regular term of the commissioners court, the court shall adopt an order to permit the revision of the subdivision plat if it is shown to the court that:</p> <p>(1) the revision will not interfere with the established rights of any owner of a part of the subdivided land; or</p> <p>(2) each owner whose rights may be interfered with has agreed to the revision.</p> <p>(d) If the commissioners court permits a person to revise a subdivision plat, the person may make the revision by filing for record with the county clerk a revised plat or part of a plat that indicates the changes made to the original plat.</p>	
<p>Sec. 232.0095. ALTERNATIVE PROCEDURES FOR PLAT REVISION. (a) This section applies only to real property located outside municipalities and outside the extraterritorial jurisdiction, as determined under Chapter 42, of municipalities with a population of 1.5 million or more.</p> <p>(b) As an alternative to the provisions in Section 232.009 governing the</p>

<p>revision of plats, a county by order may adopt the provisions in Sections 212.013, 212.014, 212.015, and 212.016 governing plat vacations, replatting, and plat amendment within a municipality's jurisdiction. A county that adopts the provisions in those sections may approve a plat vacation, a replat, and an amending plat in the same manner and under the same conditions, including the notice and hearing requirements, as a municipal authority responsible for approving plats under those sections.</p>		
	<p>Sec. 232.042. VARIANCES FROM REPLATTING REQUIREMENTS. (a) On request of a subdivider or resident purchaser, the commissioners court may grant a delay or a variance from compliance with Section 232.040 as provided by this section.</p> <p>(b) The commissioners court may grant a delay of two years if the reason for the delay is to install utilities. A person may apply for one renewal of a delay under this subsection. To obtain an initial delay under this subsection, a subdivider must:</p> <ol style="list-style-type: none"> (1) identify the affected utility providers; (2) provide the terms and conditions on which service may be provided; and (3) provide a certified letter from each utility provider stating that it has the right to serve the area and it will serve the area. <p>(c) The commissioners court may grant a delay or a variance for a reason other than a reason described by Subsection (b) if it is shown that compliance would be impractical or would be contrary to the health and safety of residents of the subdivision. The commissioners court must issue written findings stating the reasons why compliance is impractical.</p> <p>(d) A delay or a variance granted by the commissioners court is valid only if the commissioners court notifies the attorney general of the delay or variance and the reasons for the delay or variance not later than the 30th day after the date the commissioners court grants the delay or variance.</p> <p>(e) Until approved water and sewer services are made available to the subdivision, the subdivider of land for which a delay is granted under this section must provide at no cost to residents:</p> <ol style="list-style-type: none"> (1) 25 gallons of potable water a day for each resident and a suitable container for storing the water; and (2) suitable temporary sanitary wastewater disposal facilities.
