

What Requirements Are Set by TWDB Board Rules?

D – 9

Board Rules of the TWDB are reported in the Texas Administrative Code (TAC). In addition to requirements that may be established in either bond covenants, loan agreements, or a grant agreement, the TAC rules govern applicable funding programs for TWDB.

The following citations of Board Rules in the Texas Administrative Code provide additional guidance and requirements for Final Accountings, and Loan Closings.

Note that these rules typically are unique to the financing program that provided the funds.
