

**Drinking Water State Revolving Fund (DWSRF) financing is available year round.** In order to be invited to apply for funding, entities must submit a completed Project Information Form (PIF) using one of the two methods: using the Online Application (<https://ola.twdb.texas.gov/>) or filling out the appropriate Microsoft Word version below.

- **Year-Round Invitation to Submit a PIF** – to proceed in the current year.

- **To Submit a PIF for Inclusion in Next Year’s Initial Intended Use Plan** -

Annually, the TWDB requests entities to submit new PIFs and updates to previously submitted projects to be included in the initial Project Priority List for the upcoming Intended Use Plan. The deadline to be included in the initial SFY 2017 Intended Use Plan ended on March 3, 2016. At this time, please submit your PIF using the Year-Round invitation discussed above.
