**WHY:** The Upper Colorado Flood Planning Region is one of 15 flood planning groups formed in 2020 by the Texas Water Development Board under the direction of the 2019 Texas Legislature and Governor Abbott. These planning groups are responsible for developing Texas regional flood plans by January 10, 2028, which will culminate in the state flood plan (September 1, 2029). Stakeholder input is essential to this process. Learn more at [planning group website, if applicable].

**WHO:** The Upper Colorado Flood Planning Region represents the following counties:

Andrews, Borden, Cochran, Coke, Coleman, Concho, Crockett, Dawson, Ector, Gaines, Garza, Glasscock, Hockley, Howard, Irion, Lynn, Martin, Menard, Midland, Mitchell, Nolan, Reagan, Runnels, Schleicher, Scurry, Sterling, Taylor, Terry, Tom Green, Upton, Winkler, and Yoakum.
