State Revolving Funds: Rating and Scoring Criteria Overview

Tuesday, November 28, 2023

10 a.m. - 11 a.m.

The Texas Water Development Board (TWDB) invites you to an online webinar about the rating and scoring criteria of the Drinking Water State Revolving Fund and the Clean Water State Revolving Fund.

The State Revolving Funds are federal programs administered by the Texas Water Development Board, which provide low-cost financing for water, wastewater, stormwater, and reuse infrastructure projects. Rating and scoring criteria are part of the program requirements and are essential for the prioritization process.
