

**EXPLANATION**

- <sup>-295</sup>  
Well used for control
- Number indicates altitude of top of Carrizo Sand
- 400—  
Structure contour  
Shows approximate altitude of top of Carrizo Sand  
Dashed where control is less accurate
- Contour interval 200 feet  
Datum is mean sea level
- Tc  
Outcrop of Carrizo Sand
- · · · —  
Contact  
Dotted where concealed
- U —  
D —  
Fault  
U, upthrown side; D, downthrown side  
Longdashed where approximately located;  
short dashed where inferred;  
dotted where concealed

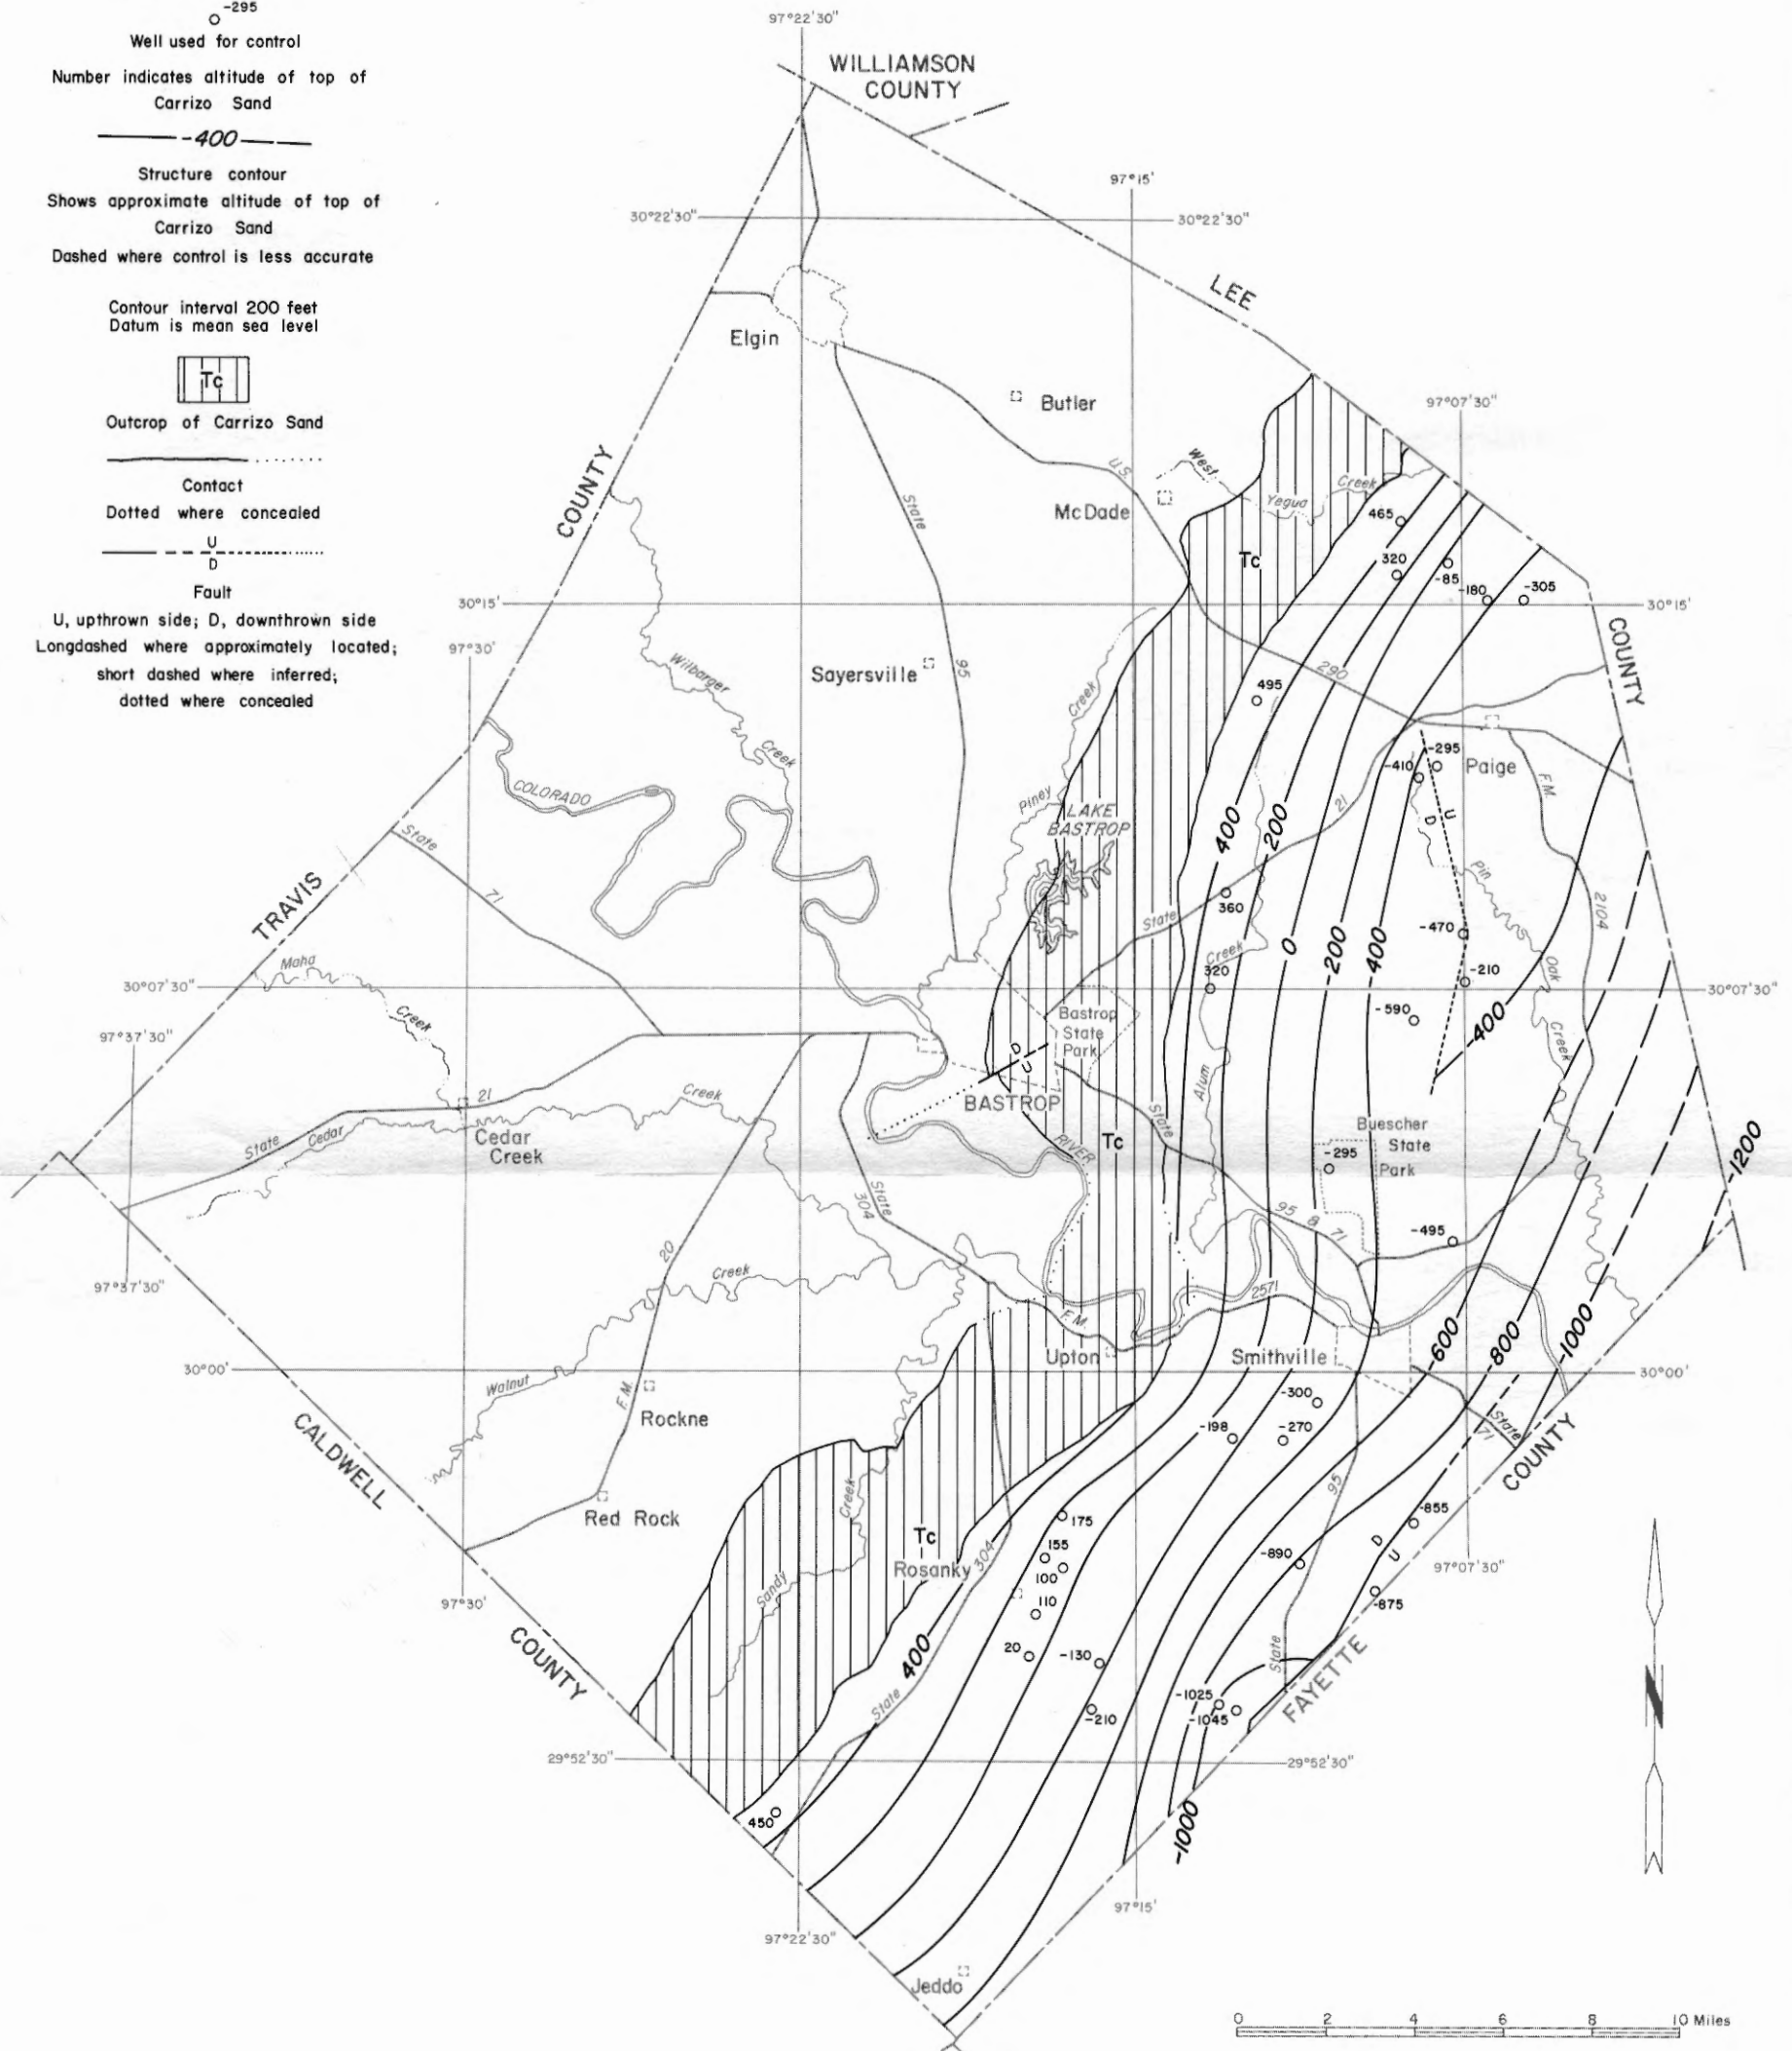

Figure 10  
APPROXIMATE ALTITUDE OF THE TOP  
OF CARRIZO SAND
