

DRAFT
Texas Instream Flow Program
Lower San Antonio River Study Design Workgroup
Floresville City Hall
1120 D Street
Floresville, TX 78114
9:00 a.m. – 4:00 p.m.

Desired outcomes:

- Participants develop a greater understanding of the characteristics of the river.
 - Agencies learn about the river from the local perspective.
 - Participants understand and help develop their role in workgroup meetings and how workgroup meetings will be conducted.
 - Participants develop a goal statement for the river, which will guide the next stages of the study design process.
 - Participants are able to ask questions and provide comments to agency personnel about the study.
-

8:30 **Registration and Refreshments**
