Hello RWPG political subdivision representatives:

It is anticipated that TWDB staff will be taking the RWPG financial applications to our Board at their June meeting for authorization to negotiate and execute contracts for the initial steps of the 4th round of planning. We will then need to have these contracts executed (first by the political subdivisions and then returned to TWDB for our Executive Administrator's signature) **BEFORE** August 31, 2011.

Some political subdivisions have required their Board's authorization to execute contracts on behalf of the RWPGs. This email is just a reminder of the time line under which we will be operating so that the necessary authorization's on the political subdivision's end can be arranged in time to meet the August deadline (agenda items at Board meetings, etc.).

Please contact your TWDB project manager if you have any questions or need any assistance.

Thank you.
