Good afternoon,

This morning the TWDB Board approved publishing proposed rule amendments to Regional Water Planning (31 Texas Administrative Code Chapter 357) and State Water Planning Guidelines (31 Texas Administrative Code Chapter 358).

We anticipate the proposed rules being published in the December 31<sup>st</sup> version of the Texas Register, however you can view the proposed rules prior to that date in the following Board memo: <https://www.twdb.texas.gov/board/2021/12/Board/Brd03.pdf>. The board memo includes a summary of the key proposed changes and the proposed revisions are included as attachments. Following publication in the Texas Register, the TWDB will also post the proposed rules on the following webpage: <https://www.twdb.texas.gov/about/rules/index.asp>.

Public comment on the proposed rules will be accepted until **January 31, 2022** and may be submitted electronically to [rulescomments@twdb.texas.gov](mailto:rulescomments@twdb.texas.gov). Please include reference to Chapter 357 or Chapter 358 in the subject line of any comments submitted.

Best,
