Subject: Regional Water Plan Accessibility Requirements
Date: Monday, October 28, 2024 2:59:10 PM

Good afternoon,

As a reminder, per the TWDB regional water planning grant contracts, the final regional water plans must be compliant with “1 Texas Administrative Code Chapters 206 and 213 (related to Accessibility and Usability of State Web Sites, Web Content Accessibility Guidelines (WCAG) 2.1 Level AA Standard – WCAG 2.1 [Quick Reference](#)”

To meet minimum accessibility requirements, TWDB will check the initially prepared plans and final 2026 Regional Water Plans for the following four (4) items:

1. Is the primary language set to English?
2. Does the PDF have a good document title?
3. Is the primary view set to the document title?
4. Is the PDF a tagged document?

The accessibility checklist provided via [email on May 30, 2023](#) provides guidance on how to check the items above. The accessibility checklist is not required to be used or returned with the 2026 Regional Water Plans, but contractors should be aware that the checklist will be required in future regional water planning grant contracts.

This email has been sent to RWPG sponsors and technical consultants.

Best,

Sarah Lee
Manager, Regional Water Planning
