TWDB Subcontracting Guidelines

Provisions required in all TWDB subcontracts

If you enter into a contract with the Texas Water Development Board (TWDB), please be advised that you are required to submit any and all subcontracts to the TWDB for review and inspection. This review is conducted to ensure that the subcontract is consistent with the terms and requirements included in the TWDB funding contract (prime agreement).

Items that should be included in each subcontract of a TWDB contract include:

1. **Contract Dates** – there should be a starting date and ending date for your agreement.
2. **Contract Amount** – your agreement should list the total value of the subcontract.
3. **Terms of Reimbursement** - Subcontracts must be cost reimbursable. Lump sum agreements are not permitted for services. Please also note that the TWDB does not reimburse “handling costs” (mark-ups) on any expenses. Any eligible travel expenses related to a subcontract may be reimbursed at the current rate for State of Texas employees which can be found at: https://fmx.cpa.state.tx.us/fmx/travel/textravel/trans/personal.php
4. **Scope of Work** – the terms of the scope of work must be consistent with the scope of the prime agreement.
5. **Task Budget** – as appropriate. The task budget must be consistent with the task budget specified in the TWDB prime agreement.
6. **Expense Budget** – as appropriate. The expense budget must be consistent with the expense budget specified in the TWDB prime agreement.
7. **Signatures** – each subcontract must be executed appropriately by signature, by each party to the agreement.

Specific Clause Requirements

The requirements listed in the next section of this guideline document must be included in your subcontract agreement in order for the agreement to be acceptable to TWDB. Please note that these requirements are provided to facilitate the contracting process and as such are not intended to be legal advice that would establish or create an attorney-client relationship. It is recommended that an attorney be consulted for any legal advice that you may require.
