AGENDA ITEM MEMO

BOARD MEETING DATE: July 22, 2021

TO: Board Members

THROUGH: Jeff Walker, Executive Administrator
          Ashley Harden, General Counsel
          Rebecca Trevino, Chief Financial Officer

FROM: Georgia Sanchez, Development Fund Manager

SUBJECT: General Obligation new money and refunding Series 2021 Bond Sale

ACTION REQUESTED

Consider approving by resolution: (a) the issuance, sale and delivery of State of Texas, General Obligation Water Financial Assistance and Refunding Bonds, Series 2021A, Series 2021B, and Series 2021C (Economically Distressed Areas Program); (b) a Preliminary Official Statement; and (c) authorization for the Executive Administrator, General Counsel, Chief Financial Officer, and Development Fund Manager, or any other authorized representative to act on behalf of the Texas Water Development Board in the sale and delivery of such bonds.

BACKGROUND

On May 20, 2021, approval was received to initiate the process for the issuance of General Obligation bonds to refund currently callable Texas Water Development Board Water Financial Assistance Bonds, to provide additional funding for the Financial Assistance Account of the Water Development Fund (DFund) program, and pay costs of issuance.

Hilltop Securities Inc. was selected to serve as financial advisor, Orrick, Herrington & Sutcliffe LLP as bond counsel, and Bracewell LLP as disclosure counsel. The selection of an underwriting syndicate, led by senior manager Raymond James & Associates, Inc., included Robert W. Baird & Co. LLC, FHN Financial Capital Markets, Piper Sandler & Co., and Stifel, Nicolaus & Company, Inc.

The required documents, including the Bond Resolutions and Preliminary Official Statement have been drafted and are included as attachments. Upon approval by the Board, a formal Notice of Intent to issue debt will be provided to the Bond Review Board (BRB),
and approval is expected from the BRB in advance of posting the Preliminary Official Statement. Staff anticipates non-substantive edits to update the bond documents prior to publication.

**KEY ISSUES**

While the par and premium amounts will be adjusted at the time of pricing due to market considerations, total par for the new money and both refunding series combined will not exceed $250,600,000. Final bond sizing will also be influenced by the amount and terms of financial assistance formally requested by the entities participating in the DFund program.

The costs of issuance for the transaction have been estimated at a not-to-exceed of $4.25 per bond for the underwriter’s discount, and $730,000 for all other transaction-related fees and expenses. The estimated costs of issuance are appropriate and may be negotiated further based on market conditions at the time of pricing.

Below is a short summary of the preliminary schedule of events currently anticipated for this transaction:

- **July 22**  TWDB considers approval of the issuance/documents
- **September 15**  Bond pricing initiation
- **September 16**  Bond pricing
- **September 23**  TWDB adopts lending rate scales
- **September 28**  Closing and delivery of the bonds

**RECOMMENDATION**

In order to realize savings in the DFund and Economically Distressed Areas programs, and to provide additional funding for the DFund program, the Executive Administrator recommends approving by resolution: (a) the issuance, sale and delivery of State of Texas, General Obligation Water Financial Assistance and Refunding Bonds, Series 2021A, Series 2021B, and Series 2021C (Economically Distressed Areas Program); (b) a Preliminary Official Statement; and (c) authorization for the Executive Administrator, General Counsel, Chief Financial Officer, and Development Fund Manager to act on behalf of the Texas Water Development Board in the sale and delivery of such bonds.

(ix) whether to acquire a Bond Enhancement Agreement in support of all or any portion of the Series 2021A Bonds; and

(x) any other matters relating to the issuance, sale and delivery of the Series 2021A Bonds; all of which shall be specified in one or more Approval Certificates executed in accordance with the terms hereof and within the parameters set forth in Section 2.01(c) below.

(c) Parameters. The Authorized Representative may exercise any authority granted under Chapter 1371 so long as on the date the Purchase Agreement is executed:

(i) the maximum maturity date of any Series 2021A Bonds issued hereunder shall not exceed [thirty (30) years from the issue date of such bonds];

(ii) the true interest cost rate applicable to the Series 2021B Bonds shall not exceed 6.0%; and

(iii) the final series or subseries of Series 2021A Bonds issued hereunder must be sold no later than the first anniversary of the date of adoption of this Resolution (though the closing of a particular series of Series 2021A Bonds sold in accordance with this provision may occur after such date as long as such closing period is determined by an Authorized Representative to be of reasonable duration).
Section 2.02 Denominations, Date and Interest Rates. The Series 2021A Bonds shall be in any Authorized Denomination, shall be numbered consecutively from R-1 upward, shall be dated the date described in the Approval Certificate, and shall be in substantially the form attached hereto as Exhibit A with such changes and modifications as are set forth in the Approval Certificate. Interest on the Series 2021A Bonds shall be payable on the Interest Payment Dates. The Series 2021A Bonds shall bear interest at rates as specified in the Approval Certificate. Interest shall be payable in the manner and on the terms provided in this Resolution and the Approval Certificate. The FORM OF BOND shall be completed in accordance with the terms of the Approval Certificate to reflect the aggregate principal amount of the Series 2021A Bonds sold to the Underwriters.

Section 2.03 Maturities and Amounts. The Series 2021A Bonds shall mature on the dates and in the amounts as set forth in the principal amortization schedule contained in the applicable Approval Certificate.

Section 2.04 Execution of Bonds. Each Series 2021A Bond shall be executed for and on behalf of the State as a general obligation of the State by having placed thereon the lithographed or printed facsimile or the manual signatures of the Chair of the Board and the Executive Administrator, and the manually impressed or lithographed or printed facsimile seal of the Board. Lithographed or printed facsimile signatures and seal shall have the same effect as if each Series 2021A Bond had been manually signed by such officers, and the seal had been manually impressed on each Series 2021A Bond.

In case any officer whose signature is on a Series 2021A Bond no longer holds such office at the time of authentication, or was the proper officer on the date of execution but not on the nominal date of action, the Series 2021A Bond shall nevertheless be valid.

Section 2.05 Temporary Bonds. Pending the preparation of definitive Series 2021A Bonds, the Board may execute and, upon the Board’s request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Series 2021A Bonds substantially of the tenor of the definitive Series 2021A Bonds in lieu of which they are delivered, with such appropriate insertions, omissions, substitutions and other variations, as evidenced by the execution of such temporary Series 2021A Bonds, as such officers executing such temporary Series 2021A Bonds may determine.

Until exchanged for Series 2021A Bonds in definitive form, such Series 2021A Bonds in temporary form shall be entitled to the benefit and security of this Resolution. The Board, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar, and upon the presentation and surrender of the temporary Series 2021A Bonds to the Paying Agent/Registrar, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor, definitive Series 2021A Bonds of the same maturity, aggregate principal amount or maturity amount, as the case may be, and bearing or accruing interest at the same rate as the temporary Series 2021A Bonds surrendered. The exchange shall be made without any charge to any owner of Series 2021A Bonds.

Section 2.06 Appointment and Duties of Paying Agent/Registrar.

(a) Appointment. The Board hereby appoints The Bank of New York Mellon Trust Company, N.A., as the initial Paying Agent/Registrar for the Series 2021A Bonds. The Board shall keep or cause to be kept at the Designated Payment/Transfer Office of the Paying Agent/Registrar books or records of the registration and transfer of the Series 2021A Bonds (the “Registration Books”), and the Board hereby
appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such transfers and registrations under such reasonable regulations as the Board and the Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such transfers and registrations as herein provided. It shall be the duty of the Paying Agent/Registrar to obtain from the registered owner and record in the Registration Books the address of such registered owner of each Series 2021A Bond to which payments with respect to the Series 2021A Bonds shall be mailed, as herein provided. The Board or its designee shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Board hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Series 2021A Bonds, and to act as its agent to convert and exchange or replace Series 2021A Bonds, all as provided in this Resolution. The Paying Agent/Registrar shall keep proper records of all payments made by the Board and the Paying Agent/Registrar with respect to the Series 2021A Bonds, and of all conversions and exchanges of such Series 2021A Bonds, and all replacements of such Series 2021A Bonds, as provided in this Resolution.

(b) Duties. The Paying Agent/Registrar shall perform such duties as are required of the Paying Agent/Registrar hereunder and under the Paying Agent/Registrar Agreement. The Executive Administrator or the designee thereof is hereby authorized to execute and deliver for and on behalf of the Board the Paying Agent/Registrar Agreement, which shall be in substantially the form utilized in connection with Financial Assistance Bonds previously issued by the Board, with such changes as the Executive Administrator may approve, such approval to be conclusively evidenced by the execution and delivery of such agreement by the Executive Administrator or the designee thereof.

Section 2.07 Registration, Transfer and Exchange of Bonds.

(a) Transfer. Registration of each Series 2021A Bond may be transferred on the Registration Books only upon presentation and surrender of such Series 2021A Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing the assignment of the Series 2021A Bond, or any portion thereof in any Authorized Denomination, to the assignee or assignees thereof, and the right of such assignee or assignees to have the Series 2021A Bond or any such portion thereof registered in the name of such assignee or assignees. Upon the assignment and transfer of any Series 2021A Bond or any portion thereof, a new substitute Series 2021A Bond or Series 2021A Bonds shall be issued in conversion and exchange therefor in the manner provided in this Section.

(b) Duty of Conversion, Exchange or Replacement. Pursuant to Chapter 1206, and particularly Subchapter B thereof, the duty of conversion and exchange or replacement of Series 2021A Bonds in the manner prescribed herein is hereby imposed upon the Paying Agent/Registrar. Each Series 2021A Bond may be converted into and exchanged for fully registered Series 2021A Bonds in the manner set forth herein. Each Series 2021A Bond issued and delivered pursuant to this Resolution, to the extent of the unpaid or unredeemed principal amount or maturity amount thereof, as the case may be, upon surrender of such Series 2021A Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar, together with a written request therefor duly executed by the registered owner or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, at the option of the registered owner or such
assignee or assignees, as appropriate, shall be converted into and exchanged for fully registered Series 2021A Bonds in the form prescribed in the FORM OF BOND of like series or subseries, in any Authorized Denomination (subject to the requirement hereinafter stated that each substitute Series 2021A Bond shall have a single stated maturity date), as requested in writing by such registered owner or such assignee or assignees, in an aggregate principal amount or maturity amount, as the case may be, equal to the unpaid or unredeemed principal amount or maturity amount of any Series 2021A Bond or Series 2021A Bonds, as the case may be, so surrendered, and payable to the appropriate registered owner, assignee, or assignees, as the case may be. If a portion of any Series 2021A Bond shall be redeemed prior to its scheduled maturity as provided herein, a substitute Series 2021A Bond or Series 2021A Bonds having the same maturity date, of like series or subseries and bearing or accruing interest at the same rate, in any Authorized Denomination at the written request of the registered owner, and in an aggregate principal amount or maturity amount, as the case may be, equal to the unredeemed portion thereof, will be issued to the registered owner upon surrender thereof for cancellation. The Paying Agent/Registrar promptly shall cancel all Series 2021A Bonds surrendered for conversion and exchange or replacement. If any Series 2021A Bond or portion thereof is assigned and transferred or converted, each Series 2021A Bond issued in exchange therefor shall have the same principal maturity date, be of like series or subseries and bear or accrue interest at the same rate, as the Series 2021A Bond for which it is being exchanged.

(c) No Additional Actions Necessary. No additional ordinances, orders, or resolutions need be passed or adopted by the Board or any other Person so as to accomplish the foregoing conversion and exchange or replacement of any Series 2021A Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution and delivery of the substitute Series 2021A Bonds in the manner prescribed herein. All Series 2021A Bonds issued in conversion and exchange or replacement of any other Series 2021A Bond or portion thereof (i) shall be issued in fully registered form with the principal of and interest on such Series 2021A Bonds to be payable only to the registered owners thereof, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Series 2021A Bonds, shall have the characteristics, (vi) shall be signed and sealed, and (vii) the principal of and interest thereon shall be payable, all if and as provided with respect to the Series 2021A Bonds, and in the manner required or indicated, in ARTICLE II of this Resolution. Each substitute Series 2021A Bond shall bear a letter and/or number to distinguish it from each other Series 2021A Bond. Each fully registered Series 2021A Bond delivered in conversion of and exchange for or replacement of any Series 2021A Bond or portion thereof as permitted or required by any provision of this Resolution shall constitute one of the Series 2021A Bonds for all purposes of this Resolution, and may again be converted and exchanged or replaced.

(d) Authentication Certificate. On each substitute Series 2021A Bond issued in conversion of and exchange for or replacement of any Series 2021A Bond or Series 2021A Bonds issued under this Resolution there shall be printed thereon a Paying Agent/Registrar’s Authentication Certificate (the “Authentication Certificate”), in the form set forth in the FORM OF BOND. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Series 2021A Bond, date and manually sign the Authentication Certificate, and no such Series 2021A Bond shall be deemed to be issued or outstanding unless the Authentication Certificate is so executed. Upon the execution of the Authentication Certificate, the converted and exchanged or replaced Series 2021A Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Initial Bonds which originally were delivered pursuant to this Resolution, approved by the Attorney General, and registered by the Comptroller.
(e) Restrictions on Transfer or Exchange. Neither the Board, the State nor the Paying Agent/Registrar shall be required (i) to issue, transfer, or exchange any Series 2021A Bond subject to redemption during a period beginning at the opening of business thirty (30) days before the day of the first mailing of a notice of redemption of Series 2021A Bonds and ending at the close of business on the day of such mailing or (ii) to transfer or exchange any Series 2021A Bond after it is selected for redemption, in whole or in part, prior to the redemption date; except that at the option of the registered owner of at least $1,000,000 in principal amount of Series 2012B Bonds, the Paying Agent/Registrar shall be required to transfer or exchange any such Series 2021A Bond which has been selected in whole or in part for redemption upon surrender thereof. In which event, the Paying Agent/Registrar may make such arrangements as it deems appropriate for notation on each new Series 2021A Bond issued in exchange for or upon transfer of the Series 2021A Bond so selected for redemption of an appropriate legend to the effect that such new Series 2021A Bond has been so selected for redemption.

(f) Payment of Fees. The registered owner of any Series 2021A Bond requesting any conversion and exchange shall pay the Paying Agent/Registrar's reasonable and standard or customary fees and charges for converting and exchanging any such Series 2021A Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except that in the case of the conversion and exchange of an assigned and transferred Series 2021A Bond or any portion or portions thereof in any Authorized Denomination, and in the case of the conversion and exchange of the unredeemed portion of a Series 2021A Bond which has been redeemed in part prior to maturity, as provided in this Resolution, such fees and charges will be paid by the Board. In addition, the Board hereby covenants with the registered owners of the Series 2021A Bonds that it will pay the (i) reasonable and standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of and interest on the Series 2021A Bonds, when due, and (ii) fees and charges of the Paying Agent/Registrar for services with respect to the transfer or registration of Series 2021A Bonds, and with respect to the conversion and exchange of Series 2021A Bonds solely to the extent above provided.

Section 2.08 Owners of Bonds. The Person in whose name any Series 2021A Bond shall be registered in the Registration Books at any time shall be treated as the absolute owner thereof for all purposes of this Resolution, whether such Series 2021A Bond shall be overdue, and the Board and the Paying Agent/Registrar shall not be affected by any notice to the contrary unless otherwise required by law; and payment of, or on account of, the principal of and premium, if any, and interest on any such Series 2021A Bond shall be made only to such registered owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2021A Bond to the extent of the sum or sums so paid.

Section 2.09 Damaged, Mutilated, Lost, Stolen or Destroyed Bonds.

(a) Replacement. In the event any outstanding Series 2021A Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new Series 2021A Bond of the same principal amount or maturity amount, as the case may be, maturity date, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Series 2021A Bond, in replacement for such Series 2021A Bond in the manner hereinafter provided.

(b) Application for Replacement. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Series 2021A Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Series 2021A Bond, the applicant for a replacement Series 2021A Bond shall
furnish to the Board and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft or destruction of a Series 2021A Bond, the applicant shall furnish to the Board and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Series 2021A Bond, as the case may be. In every case of damage or mutilation of a Series 2021A Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Series 2021A Bond so damaged or mutilated.

(c) Payment in Lieu of Replacement. Notwithstanding the foregoing provisions of this Section, in the event any such Series 2021A Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, premium, if any, or interest on the Series 2021A Bond, the Board may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Series 2021A Bond) instead of issuing a replacement Series 2021A Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Payment of Costs. Prior to the issuance of any replacement Series 2021A Bond, the Paying Agent/Registrar shall charge the owner of such Series 2021A Bond with all legal, printing, and other expenses in connection therewith. Every replacement Series 2021A Bond issued pursuant to the provisions of this Section by virtue of the fact that any Series 2021A Bond is lost, stolen or destroyed shall constitute a contractual obligation of the Board whether the lost, stolen, or destroyed Series 2021A Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Series 2021A Bonds duly issued under this Resolution.

(e) Legal Authority. In accordance with Chapter 1206, this Section shall constitute authority for the issuance of any such replacement Series 2021A Bond without necessity of further action by the Board of any other Person, and the duty of the replacement of such Series 2021A Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Series 2021A Bonds in the form and manner and with the effect, as provided in Section 2.07 for Series 2021A Bonds issued in conversion and exchange for other Series 2021A Bonds.

Section 2.10 Successor Paying Agent/Registrars. The Board covenants with the registered owners of the Series 2021A Bonds that at all times while the Series 2021A Bonds are outstanding the Board will provide a competent and legally qualified bank or trust company to act as and perform the services of Paying Agent/Registrar for the Series 2021A Bonds under this Resolution, and that the Paying Agent/Registrar will be one entity. The Board reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than sixty (60) days’ written notice to the Paying Agent/Registrar. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Board covenants that promptly it will appoint a competent and legally qualified bank or trust company which shall be a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, subject to supervision or examination by federal or state authority, to act as Paying Agent/Registrar under this Resolution. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Series 2021A Bonds, to the new Paying Agent/Registrar designated and appointed by the Board. Upon any change in the Paying Agent/Registrar, the Board promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Series 2021A Bonds, by United States mail, first-class, postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar and the
Designated Payment/Transfer Office. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be delivered to each Paying Agent/Registrar.

**Section 2.11 Book-Entry Only System.** The Initial Bonds shall be delivered to the Underwriters against payment received therefrom on the Date of Delivery. The senior managing underwriter named in Section 11.01 hereof, acting as the representative for the Underwriters, shall be required to promptly surrender the Initial Bonds to the Paying Agent/Registrar for exchange. Series 2021A Bonds issued in exchange therefor shall be registered in the name of Cede & Co., as nominee of DTC, as registered owner of the Series 2021A Bonds, and held in the custody of DTC. Unless otherwise requested by DTC, a single certificate will be issued and delivered to DTC for each maturity of the Series 2021A Bonds. Beneficial owners of Series 2021A Bonds will not receive physical delivery of Series 2021A Bond certificates except as provided hereinafter. For so long as DTC shall continue to serve as securities depository for the Series 2021A Bonds as provided herein, all transfers of beneficial ownership interests will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2021A Bonds is to receive, hold or deliver any Series 2021A Bond certificate.

With respect to Series 2021A Bonds registered in the name of Cede & Co., as nominee of DTC, the Board and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on whose behalf a DTC Participant holds an interest in the Series 2021A Bonds. Without limiting the immediately preceding sentence, the Board and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Series 2021A Bonds, (ii) the delivery to any DTC Participant or any other Person, other than a registered owner of the Series 2021A Bonds, as shown on the Registration Books, of any notice with respect to the Series 2021A Bonds, including any notice of redemption, and (iii) the payment to any DTC Participant or any other Person, other than a registered owner of the Series 2021A Bonds, as shown in the Registration Books, of any amount with respect to principal of or premium, if any, or interest on the Series 2021A Bonds.

Replacement Series 2021A Bonds may be issued directly to beneficial owners of Series 2021A Bonds other than DTC, or its nominee, but only in the event that: (i) DTC determines not to continue to act as securities depository for the Series 2021A Bonds (which determination shall become effective no less than ninety (90) days after written notice to such effect to the Board and the Paying Agent/Registrar); (ii) the Board has advised DTC of its determination (which determination is conclusive as to DTC and beneficial owners of the Series 2021A Bonds) that DTC is incapable of discharging its duties as securities depository for the Series 2021A Bonds; or (iii) the Board has determined (which determination is conclusive as to DTC and the beneficial owners of the Series 2021A Bonds) that the interests of the beneficial owners of the Series 2021A Bonds might be adversely affected if such book-entry only system of transfer is continued. Upon occurrence of any of the foregoing events, the Board shall use its best efforts to attempt to locate another qualified securities depository to replace DTC. If the Board fails to locate another qualified securities depository to replace DTC, the Board shall cause to be authenticated and delivered replacement Series 2021A Bonds, in certificate form, to the beneficial owners of the Series 2021A Bonds. In the event that the Board makes the determination noted in (ii) or (iii) above (provided that the Board undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the Board to make any such determination), and has made provisions to notify the beneficial owners of Series 2021A Bonds of such determination by mailing an appropriate notice to DTC, it shall cause to be issued
replacement Series 2021A Bonds in certificate form to beneficial owners of the Series 2021A Bonds as shown on the records of DTC provided to the Board.

Whenever, during the term of the Series 2021A Bonds, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in this Resolution of holding, delivering or transferring Series 2021A Bonds shall be deemed modified to require the appropriate Person or entity to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

If at any time, DTC ceases to hold the Series 2021A Bonds as securities depository, all references herein to DTC shall be of no further force or effect.

Section 2.12 All Bonds On Parity. No Financial Assistance Bond shall be entitled to priority of payment over any other Financial Assistance Bond in the application of any moneys made available by law for the payment thereof, irrespective of the fact that some of the Financial Assistance Bonds may have been or may be delivered prior to the delivery of other Financial Assistance Bonds, it being the intent of this Resolution that all Financial Assistance Bonds shall rank equally on parity with each other.

ARTICLE III

REDEMPTION OF BONDS BEFORE MATURITY

Section 3.01 Limitation on Redemption. Unless otherwise provided in the Approval Certificate, the Series 2021A Bonds shall be subject to redemption before scheduled maturity only as provided in this Article. Any provision of this Article, including, without limitation, any provisions relating to the method or selection of Series 2021A Bonds for redemption may be modified in an Approval Certificate.

Section 3.02 Optional and Mandatory Redemption of Bonds. The Series 2021A Bonds shall be subject to optional redemption and mandatory redemption by the Board on behalf of the State prior to maturity in the manner and at the redemption price as described in the Approval Certificate. The FORM OF BOND shall be completed upon the execution of the Approval Certificate to reflect the redemption provisions, if any, applicable to Bonds as provided for in the Approval Certificate.

Section 3.03 Partial Redemption.

(a) The Series 2021A Bonds redeemed in part shall be selected for redemption as described in the FORM OF BOND.

(b) A portion of a single Bond of a denomination greater than an Authorized Denomination may be redeemed but only in a principal amount equal to a minimum Authorized Denomination or any integral multiple thereof. The Paying Agent/Registrar shall treat each minimum Authorized Denomination of such Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar shall authenticate and deliver an exchange Bond in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

Section 3.04 Notice of Redemption.
(a) The Paying Agent/Registrar shall record in the Registration Books all such redemptions of principal of the Series 2021A Bonds or any portion thereof. Notice of any redemption of the Series 2021A Bonds shall be given to the registered owners thereof by the Paying Agent/Registrar in the manner provided in the FORM OF BOND.

(b) In addition to the manner of providing notice of redemption of the Series 2021A Bonds as set forth in the FORM OF BOND, the Paying Agent/Registrar shall give notice of redemption of the Series 2021A Bonds by United States mail, first-class postage prepaid, at least thirty (30) days prior to a redemption date to each registered securities depository and to the MSRB. In addition, in the event of a redemption caused by an advance refunding of the Series 2021A Bonds, the Paying Agent/Registrar shall send a second notice of redemption to the Persons specified in the immediately preceding sentence at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice sent to the registered securities depositories or the MSRB shall be sent so that they are received at least two (2) days prior to the general mailing, publication or electronic posting date of such notice. The Paying Agent/Registrar shall also send a notice of redemption to the registered owner of any Series 2021A Bonds who has not sent the Series 2021A Bonds in for redemption sixty (60) days after the redemption date. The failure to send, mail or receive any such notice described in this clause (i), or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Series 2021A Bond.

(c) The Board reserves the right to give notice of its election to optionally redeem Series 2021A Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of monies and/or Defeasance Securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the Board retains the right to rescind such notice at any time prior to the scheduled redemption date if the Board delivers a certificate or other direction to the Paying/Agent Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice of redemption shall be of no effect if such monies and/or Defeasance Securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission to the affected Owners. Any Series 2021A Bonds subject to conditional redemption where redemption has been rescinded shall not constitute an event of default and shall remain outstanding.

(d) Each redemption notice, whether required in the FORM OF BOND or otherwise by this Resolution, shall contain a description of the Series 2021A Bonds to be redeemed, including the complete name of the Series 2021A Bonds, the series, the date of issue, the interest rate, the maturity date, the CUSIP number, if any, the amounts called of each Series 2021A Bond, the publication and mailing date for the notice, the date of redemption, the redemption price, the name of the Paying Agent/Registrar and the address at which the Series 2021A Bond may be redeemed including a contact person and telephone number.

(e) All redemption payments made by the Paying Agent/Registrar to the registered owners of the Series 2021A Bonds shall include a CUSIP number relating to each amount paid to such registered owner.

(f) Should notice to call Series 2021A Bonds for redemption at the option of the Board be given in the manner provided above, but the Board shall not be able to provide the Paying Agent/Registrar with amounts sufficient to effect on the date fixed for redemption the payment of the entire redemption price
of the Series 2021A Bonds so called for redemption, no Series 2021A Bond shall be redeemed on the date fixed for redemption, and the notice of redemption for such Series 2021A Bonds shall be null and void. Such occurrence shall not result in default of the Board’s payment obligations on the Series 2021A Bonds as provided herein or in the Series 2021A Bonds.

Section 3.05  Payment Upon Redemption.

(a) By each redemption date, the Board shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date.

(b) Upon presentation and surrender of any Bond called for redemption at the designated office of the Paying Agent/Registrar on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of and accrued interest on such Bond to the date of redemption from the money provided for that purpose.

Section 3.06  Effect of Redemption.

(a) Notice of redemption having been given, and due provision having been made for payment, Series 2021A Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption; thereafter, such Series 2021A Bonds or portions thereof shall cease to bear interest from the date fixed for redemption, whether or not such Series 2021A are presented and surrendered for payment on such date.

(b) If the Board shall fail to make provision for the payment of all sums due on a redemption date, then any Series 2021A Bond or portion thereof called for redemption shall continue to bear interest until due provision is made for the payment of same by the Board.

ARTICLE IV

FORM OF BONDS AND CERTIFICATES

Section 4.01  Form of Bond and Certificates. The form of all Series 2021A Bonds, including the form of the Authentication Certificate and the form of Assignment to be printed on each of the Series 2021A Bonds, and the form of registration certificate of the Comptroller that shall accompany the Initial Bonds, shall be substantially in the form as set forth in the FORM OF BOND, with such appropriate variations, omissions or insertions as are permitted or required by this Resolution or the applicable Approval Certificate. The Series 2021A Bonds may have such letters, numbers or other identifying marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements thereon as may, consistent herewith, be approved by the Chair of the Board or the Authorized Representative.

Section 4.02  Opinion of Bond Counsel. A copy of the approving opinion of Orrick, Herrington & Sutcliffe LLP, bond counsel to the Board in connection with the issuance of the Series 2021A Bonds, in the form in which it is to be delivered upon payment for the Series 2021A Bonds, either will be printed on the reverse side of or otherwise attached to the Series 2021A Bonds or will be delivered to DTC if the Series 2021A Bonds are held in book-entry only form; and the use of the lithographed or printed facsimile signature of the Executive Administrator to certify to the correctness of such copy is hereby authorized.

**SECURITY AND PAYMENT OF BONDS; ESTABLISHMENT AND FLOW OF FUNDS**

Section 5.01  **General Obligations.** The Financial Assistance Bonds, including the Previously Issued Financial Assistance Bonds, the Series 2021A Bonds, and the Series 2021B Bonds, constitute general obligations of the State pursuant to Section 49-d-8, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and premium, if any, and interest on each of the Financial Assistance Bonds when due, the full faith and credit of the State and, in the manner herein provided, the resources of the Board are hereby pledged.

Section 5.02  **Confirmation of Texas Water Development Fund II.** It is found, determined and confirmed that Development Fund II has been established in the State Treasury. Pursuant to the Act, Development Fund II shall contain the State Participation Account, the Economically Distressed Areas Program Account and the Financial Assistance Account. In addition, Development Fund II may contain such additional accounts as the Board determines are necessary and convenient for the administration of Development Fund II.

Section 5.03  **Confirmation of Constitutional and Statutory Funds.**

(a)  **Section 49-d-8 and Legislative Powers.** All Bond proceeds (other than proceeds to be used to refund outstanding bonds or other obligations) shall be deposited in the State Treasury to the credit of the Financial Assistance Account. Section 49-d-8 provides that accounts within Development Fund II shall consist of certain identified items, and Subsection (g) of Section 49-d-8 further states that:

"[Section 49-d-8] being intended only to establish a basic framework and not to be a comprehensive treatment of the Texas Water Development Fund II, there is hereby reposed in the legislature full power to implement and effectuate the design and objects of [Section 49-d-8], including the power to delegate such duties, responsibilities, functions, and authority to the Texas Water Development Board as it believes necessary."

(b)  **Financial Assistance Account.** Consistent with the Act and Section 49-d-8, the “Texas Water Development Fund II Water Financial Assistance Account” shall receive such moneys as described below, and the moneys therein shall be used as described below:

(i)  Money and Assets Attributable to Bonds designated by the Board as issued for Water Assistance Projects;

(ii) payments received under a Bond Enhancement Agreement with respect to Financial Assistance Bonds designated by the Board as issued for Water Assistance Projects;
(iii) investment income earned on money on deposit in the Financial Assistance Account; and

(iv) any other funds, regardless of their source, that the Board directs be deposited to the credit of the Financial Assistance Account.

Except for those moneys that the Board determines are unavailable for such purpose, moneys on deposit in the Financial Assistance Account shall be used to pay principal and interest on the Financial Assistance Bonds. The Board may use moneys on deposit in the Financial Assistance Account for Water Assistance Projects in any manner that the Board determines necessary for the administration of the Financial Assistance Account, consistent with the provisions of Section 49-d-8 and the laws of the State, including specifically the Act, and this Resolution. Moneys on deposit in the Financial Assistance Account may also be used for payment of the expenses of the Board incurred in connection with the issuance of the Financial Assistance Bonds and the administration of Development Fund II.

(c) **Bond Payment Account.** The Board has established in the State Treasury the “Texas Water Development Fund II Water Financial Assistance Bond Payment Account (the “Bond Payment Account”), as a special account into which shall be deposited in the manner, within the time limits, and from sources as prescribed in Sections 5.04 and 5.05, amounts sufficient to pay when due the principal of and premium, if any, and interest payable on the Financial Assistance Bonds, including, to the extent determined by the Board, amounts sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds.

**Section 5.04 Flow of Funds For Debt Service.**

(a) **Transfers for Payments of Bonds.** While and so long as any Financial Assistance Bond is outstanding, on or before the date interest or interest and principal on the Bonds is scheduled to become due and payable, the Board shall cause to be transferred, from the moneys available for such purpose in the Financial Assistance Account, to the Bond Payment Account an amount which shall be sufficient to pay the principal of and premium, if any, and interest on the Financial Assistance Bonds, including, to the extent determined by the Board, amounts sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds, when such interest or principal and interest, and premium, if any, or such payments, if any, become due and payable, with allowance being made for moneys currently on deposit in the Bond Payment Account and available to make such payments.

(b) **Notice to Comptroller of Insufficient Funds.** If the Executive Administrator or the designee thereof determines within fifteen (15) days of an interest or principal payment date that the money available in the Financial Assistance Account for transfer to the Bond Payment Account, as described in subsection (a) of this Section, is not sufficient to pay the principal of, premium, if any, and interest on the Financial Assistance Bonds which then are outstanding and are scheduled to become due and payable on such interest or principal payment date, including, to the extent determined by the Board, an amount which shall be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds, it is hereby made the duty of the Executive Administrator or the designee thereof to request the Comptroller to deposit in the Bond Payment Account out of the first moneys coming into the State Treasury, not later than three (3) days prior to such interest or principal payment date, or as soon thereafter as sufficient money shall have been received in
the State Treasury, an amount sufficient so that the total amount in the Bond Payment Account will be sufficient to pay the principal, premium, if any, and interest to mature and come due on such interest or principal payment date, or to make any payments by the Board, to the extent determined by the Board, under any Bond Enhancement Agreement with respect to principal or interest on such Financial Assistance Bonds, and to pay all collection and exchange charges in connection therewith.

(c) **Use of Remaining Moneys.** After making the transfers for the benefit of the Bond Payment Account as provided above in this Section, other available moneys remaining in the Financial Assistance Account may, at the direction of the Board, be used for all of the purposes for which the Board may expend moneys in the Financial Assistance Account under Section 49d-8.

(d) **Bond Enhancement Agreement.** Payments to be made by the Board under the terms of a Bond Enhancement Agreement shall be governed by the resolution adopted by the Board authorizing the execution and delivery of such Bond Enhancement Agreement.

(e) **Transfers Upon Board Resolution.** Anything contained in this Section to the contrary notwithstanding, money in the Financial Assistance Account representing proceeds from a series of Financial Assistance Bonds, prepayments of financial assistance provided from the Financial Assistance Account, or proceeds from the sale or other disposition of the Board’s rights to receive repayment of such financial assistance shall not be available for transfer to the Bond Payment Account unless by resolution the Board specifically authorizes the transfer of any such proceeds or prepayments so identified in said resolution to the Bond Payment Account. Proceeds from the Series 2021A Bonds shall be deposited to the Bond Payment Account to the extent specified in the applicable Approval Certificate.

**Section 5.05 Constitutional Provisions for Debt Payment.** The Board recognizes the absolute and ultimate obligation of the State to provide during each Fiscal Year all money necessary for the payment of the principal of and premium, if any, and interest on the Financial Assistance Bonds, including payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds, when such interest or principal and interest become due, out of the first moneys coming into the State Treasury, in such Fiscal Year, not otherwise appropriated by the State Constitution, as set forth in Subsection (e) of Section 49-d-8, as follows:

"... If there is not enough money in any account available to pay the principal of and interest on the general obligation bonds issued for such account, including money to make payments by the Texas Water Development Board under a bond enhancement agreement as authorized by law with respect to principal of or interest on such bonds, there is appropriated out of the first money coming into the state treasury in each fiscal year not otherwise appropriated by this constitution an amount that is sufficient to pay the principal of and interest on such general obligation bonds that mature or become due during that fiscal year or to make bond enhancement payments with respect to those bonds."

**Section 5.06 Deposit and Transfer of Funds - Duties of Comptroller.** The Comptroller is hereby authorized and directed to make the deposits and transfers required under all provisions of the resolutions authorizing the Financial Assistance Bonds, including this Resolution. The Comptroller is hereby authorized and directed to do all things necessary or convenient to make current funds available at the place of payment for the Financial Assistance Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021A Bonds) to pay principal of and interest on all Financial Assistance Bonds.
Assistance Bonds as they mature and come due and to provide such current funds as are required for the redemption thereof prior to maturity, or to make any payments under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds, all in accordance with their respective authorizing resolutions. It is made the duty of the Comptroller to make such deposits and transfers as are required in instances wherein the Board exercises its option to call Financial Assistance Bonds for payment prior to maturity. Remittances to the place of payment for the Financial Assistance Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021A Bonds) of money for payment of principal and interest or for redemption of Financial Assistance Bonds must be made in accordance with the provisions hereof.

Section 5.07 Payment of Bonds. The Board hereby covenants that it shall establish procedures with the Comptroller whereby sufficient moneys shall be withdrawn from the Bond Payment Account and forwarded to the place of payment for the Financial Assistance Bonds (including the Paying Agent/Registrar for the Series 2021A Bonds) for the payment of interest on and principal of the Financial Assistance Bonds, and any premium thereon, becoming due on each interest or principal payment date. The Board further covenants that it shall establish procedures with the Comptroller whereby sufficient moneys shall be withdrawn from the Bond Payment Account and forwarded to the place of payment for the payments, if any, to be made under one or more Bond Enhancement Agreements with respect to the principal or interest on such Financial Assistance Bonds. In addition, the Board covenants that such moneys shall be forwarded to the place of payment for the Financial Assistance Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021A Bonds), or the place of payment for such payments, if any, to be made under any such Bond Enhancement Agreement, no later than each such interest or principal payment date.

Section 5.08 Cooperation with State Officers. It is the duty of the Board, its officers, employees and agents (who are hereby so authorized and directed) to cooperate with and aid the Comptroller in calculating the amounts to be deposited in, or transferred to, the appropriate accounts and in ascertaining the amounts to be remitted to the place of payment for the Financial Assistance Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021A Bonds), or the place of payment for such payments, if any, to be made under any such Bond Enhancement Agreement.

Section 5.09 Investment of Funds. All money in Development Fund II and the accounts created therein that is not immediately committed to the purposes thereof or the payment of the Financial Assistance Bonds issued for any such account may be invested by the Board in Eligible Investments, and the Board may sell any Eligible Investment at the governing market rate.

ARTICLE VI

COVENANTS AND REMEDIES

Section 6.01 Special Covenant. The Board covenants that it will faithfully and promptly deposit into the Financial Assistance Account all money received from the sale of obligations acquired from Political Subdivisions with moneys from the Financial Assistance Account.

Section 6.02 Covenants to Maintain Tax-Exempt Status.
(a) **Definitions.** When used in this Section, the following terms have the following meanings:

"**Closing Date**" means the date on which the Common Issue Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

"**Code**" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"**Computation Date**" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"**Gross Proceeds**" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Common Issue Bonds.

"**Investment**" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"**Nonpurpose Investment**" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Common Issue Bonds are invested and which is not acquired to carry out the governmental purposes of the Common Issue Bonds.

"**Rebate Amount**" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"**Regulations**" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Common Issue Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"**Yield**" of

(i) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(ii) the Common Issue Bonds has the meaning set forth in Section 1.1484 of the Regulations.

(b) **Not to Cause Interest to Become Taxable.** The Board shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Common Issue Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Board receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Common Issue Bond, the Board shall comply with each of the specific covenants in this Section.
(c) **No Private Use or Private Payments.** Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the Board shall at all times prior to the last stated maturity of the Common Issue Bonds:

1. take any action necessary to assure that state or local governments exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Common Issue Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

2. take any action necessary to assure that state or local governments do not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Common Issue Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the Board or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) **No Private Loan.** Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the Board shall not use Gross Proceeds of the Common Issue Bonds and shall take any action necessary to assure that Gross Proceeds of the Common Issue Bonds are not used to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if:

1. property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) **Allocation of, and Limitation on, Expenditures for Loans to Political Subdivisions.** The Board shall account for the expenditure of the proceeds from the sale of the Common Issue Bonds and any investment earnings thereon to be used for the purposes described in Section 2.01 on its books and records in accordance with the requirements of the Code. The Board agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Common Issue Bonds.

(f) **Disposition of Loans to Political Subdivisions.** Loans to Political Subdivisions will not be sold or otherwise disposed in a transaction resulting in the receipt by the Board of cash or other compensation, unless the Board obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Common Issue Bonds, the proceeds of which were used to make or refinance the making of such loans. The Board shall assure that Political Subdivisions, or any related persons thereto, will be prohibited from purchasing the Common Issue
Bonds or a portion thereof in an amount related to the amount of the loan to be acquired by the Board from any such Political Subdivision.

(g) **Not to Invest at Higher Yield.** Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the Board shall not at any time prior to the final stated maturity of the Common Issue Bonds directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, exceeds the Yield of the Common Issue Bonds.

(h) **Not Federally Guaranteed.** Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the Board shall not take or omit to take any action which would cause the Common Issue Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(i) **Information Report.** The Board shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(j) **Rebate of Arbitrage Profits.** Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

1. The Board shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Common Issue Bond is discharged. However, to the extent permitted by law, the Board may commingle Gross Proceeds of the Common Issue Bonds with other money of the Board, provided that the Board separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

2. Not less frequently than each Computation Date, the Board shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The Board shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Common Issue Bonds until six years after the final Computation Date.

3. As additional consideration for the purchase of the Common Issue Bonds by the purchasers thereof and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the Board shall pay to the United States the amount that when added to the future value of previous rebate payments made for the Common Issue Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such
other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder. In order to facilitate compliance with this covenant, a “Rebate Fund” is hereby established by the Board for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other Person, including, without limitation, any bondholder. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(4) The Board shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(k) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the Board shall not, at any time prior to the earlier of the stated maturity or final payment of the Common Issue Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (j) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm’s length and had the Yield of the Common Issue Bonds not been relevant to either party.

(l) Elections. The Board hereby directs and authorizes the Executive Administrator and the Chief Financial Officer of the Board, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Common Issue Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(m) Common Issue Bonds Not Hedge Bonds.

(1) At the time the original bonds refunded by the Common Issue Bonds were issued, the Board reasonably expected that at least 85% of the spendable proceeds of such bonds would be spent within three years after such bonds were issued.

(2) Not more than 50% of the proceeds of the original bonds refunded by the Common Issue Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

Section 6.03 Creation of Accounts and Subaccounts. The Board covenants that it will maintain within the funds and accounts described in Section 5.03 such accounts and subaccounts as the Board, in cooperation with the Comptroller, determines necessary for the convenient and efficient administration of such funds and accounts so as not to commingle moneys derived from the issuance of or dedicated to the payment of bonds or other obligations issued by the Board, the interest on which is exempt from federal income taxation under the applicable provisions of the Code.

Section 6.04 Remedies of Bondholders. All rights available to the owners of the Financial Assistance Bonds under the Constitution and the laws of the State, including, without limitation, Section 17.970, Texas Water Code, to compel the performance of their official duties by the Board, its
Section 6.05 Bond Enhancement Agreements. Pursuant to authority granted to the Board by Section 17.954, Texas Water Code, the Board reserves the right at any time and from time to time to enter into one or more Bond Enhancement Agreements that the Board hereafter determines to be necessary or appropriate to place the obligation of the Board, as represented by the Series 2021A Bonds, in whole or in part, on the interest rate, currency, cash flow, or other basis desired by the Board.

ARTICLE VII

(a) Approval Certificate. Each Authorized Representative, acting for and on behalf of the Board, shall approve, execute and deliver one or more Approval Certificates, which completed and executed Approval Certificates shall evidence the sale (including the date of such sale) of a series or subseries of Series 2021A Bonds by the Board to the Underwriters. The Approval Certificate shall contain a finding substantially to the effect that based on recommendations made to the Authorized Representative by the financial advisor to the Board, the terms of the sale of the Series 2021A Bonds were the most advantageous to the Board reasonably obtained, and the sale of the Series 2021A Bonds is in the best interests of the Board.

(b) Underwriters. Raymond James & Associates, Inc. is hereby designated as the senior managing underwriter for the Underwriters. The Authorized Representative, acting for and on behalf of the Board, shall select such additional investment banking firms as deemed appropriate to assure that the Series 2021A Bonds are sold on terms advantageous to the Board.

(c) Purchase Agreement. The Purchase Agreement shall be in substantially the form utilized in connection with the sale of Financial Assistance Bonds previously issued by the Board to finance Water Assistance Projects. A Purchase Agreement shall contain the terms of the sale of the Series 2021A Bonds, as negotiated by the Authorized Representative in accordance with the terms hereof. At the direction of an
Authorized Representative, Series 2012A Bonds, Series 2021B Bonds, and Series 2021C Bonds may be
sold, but are not required to be sold, pursuant to the terms of a common Purchase Agreement. Each
Authorized Representative is hereby authorized and directed to execute the Purchase Agreement for and
on behalf of the Board. An Authorized Representative’s approval of a Purchase Agreement shall be
conclusively evidenced by the execution thereof. It is hereby officially found, determined, and declared that
the terms of this sale were and are to be negotiated under authority granted by Section 17.955, Texas
Water Code.

(d) **Ratings.** No Series 2021A Bonds shall be delivered unless prior to delivery, the particular
series or subseries of Series 2021A Bonds shall have been rated by a nationally recognized rating agency
for municipal securities in one of the four highest rating categories for long term obligations, as required by
Chapter 1371.

(e) **Payment of Attorney General Fee.** The Board hereby authorizes the payment of the fee of
the Attorney General for the examination of the proceedings relating to the issuance of the Series 2021A
Bonds, in the amount determined in accordance with the provisions of Section 1202.004, Texas
Government Code.

(f) **Effect of Determination Made by Authorized Representative.** A finding or determination
made by an Authorized Representative acting under the authority delegated thereto by this Resolution with
respect to all matters relating to the issuance and sale of the Series 2021A Bonds shall have the same
force and effect as a finding or determination made by the Board.

Section 8.02 **Official Statement.** Prior to execution of a Purchase Agreement, the Authorized
Representative, acting for and on behalf of the Board, shall cause a preliminary Official Statement to be
prepared for distribution by the Underwriters to prospective purchasers of the Series 2021A Bonds sold
under the terms of such Purchase Agreement, such document to be in substantially the form utilized in
connection with the sale of Financial Assistance Bonds previously issued by the Board to finance Water
Assistance Projects, with such changes and completions as the Authorized Representative may deem
necessary or appropriate to enable the Authorized Representative, acting for and on behalf of the Board,
to deem the preliminary Official Statement to be final as of its date, except for such omissions as are
permitted by the Rule. Within seven (7) business days after the execution of a Purchase Agreement, the
Authorized Representative, acting for and on behalf of the Board, shall cause a final Official Statement to
be provided to the Underwriters in compliance with the Rule and the rules of the MSRB.

Section 8.03 **Custody of Bonds.** After the Initial Bonds have been executed, it shall be the
duty of the Chair of the Board, or some officer, employee or attorney of the Board acting through authority
therefrom, to deliver the Initial Bonds to the Attorney General for examination and approval. After the Initial
Bonds shall have been approved by the Attorney General they shall be delivered to the Comptroller for
registration. The Initial Bonds thus registered shall remain in the custody of the Chair of the Board, or some
officer, employee or attorney of the Board acting through authority therefrom, or subject to the order of the
Chair, until the sale of the Series 2021A Bonds to the Underwriters on the Date of Delivery.

Section 8.04 **Use of Bond Proceeds.** Proceeds from the sale of Series 2021A Bonds shall,
promptly upon receipt by the Board, be deposited to the credit of the funds and accounts described in this
Resolution and applied in the manner specified in the applicable Approval Certificate signed by an
Authorized Representative.

CONTINUING DISCLOSURE UNDERTAKING

Section 9.01 Continuing Disclosure Undertaking of the Comptroller.

(a) General. The Board and the legal and beneficial owners of the Series 2021A Bonds are third-party beneficiaries of the Continuing Disclosure Agreement. The Comptroller is required to observe the Continuing Disclosure Agreement in respect of any issue of “Securities,” as defined in the Continuing Disclosure Agreement (which include the Series 2021A Bonds), for so long as the State remains an “obligated person” as defined in the Rule. Under the Continuing Disclosure Agreement, the Comptroller will be obligated to provide certain updated financial information and operating data annually, and timely notice of specified events, to the MSRB as described below.

(b) Annual Reports of the State. Pursuant to the Continuing Disclosure Agreement, the Comptroller will provide certain updated financial information and operating data to the MSRB annually. The information to be updated includes all quantitative financial information and operating data with respect to the State of the general type included in the Bond Appendix. The Comptroller will update and provide this information within 195 days after the end of each fiscal year of the State. The updated information provided by the Comptroller need not be audited, but the Comptroller will provide audited financial statements of the State prepared in accordance with generally accepted accounting principles for governmental entities when the State Auditor completes its statutorily required audit of such financial statements. The accounting principles pursuant to which such financial statements must be prepared may be changed from time to time to comply with State law.

(c) Event Notices of the Comptroller. Under the Continuing Disclosure Agreement, the Comptroller has also agreed to provide notice to the MSRB of any of the following events, with respect to the Series 2021A Bonds, in a timely manner and not more than ten (10) business days after occurrence of the event:

(i) incurrence of a Financial Obligation of the State, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the State, any of which affect security holders, if material; and

(ii) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the State, any of which reflect financial difficulties.

(d) Change in State Fiscal Year. The State’s current fiscal year end is August 31. If the State changes its fiscal year, the Comptroller will notify the MSRB of the change prior to the next date by which the Comptroller otherwise would be required to provide financial information and operating data as described above.

Section 9.02 Continuing Disclosure Undertaking of the Board.

(a) Annual Reports of the Board. The Board shall provide annually to the MSRB, within 195 days after the end of each Fiscal Year ending in or after 2021, financial information and operating data.
with respect to the Board and the State of the general type included in Tables 1 and 2 and Appendix B of the final Official Statement authorized by Section 8.02 hereof, being the information described in Exhibit B hereto. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in Exhibit B hereto and (2) audited, if the Board or the State, as appropriate, commissions an audit of such statements and the audit is completed within the period during which they must be provided. If audited financial statements are not so provided, then the Board shall provide unaudited financial statements within the required time for the applicable Fiscal Year to the MSRB, and audited financial statements when and if audited financial statements become available.

(b) Event Notices of the Board. The Board shall notify the MSRB, in a timely manner not in excess of ten (10) Business Days after the occurrence of any of the following events with respect to the Series 2021A Bonds:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Series 2021A Bonds, or other material events affecting the tax status of the Series 2021A Bonds;
7. Modifications to rights of holders of the Series 2021A Bonds, if material;
8. Series 2021A Bond calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Series 2021A Bonds, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the Board;
13. The consummation of a merger, consolidation, or acquisition involving the Board or the sale of all or substantially all of the assets or business of the Board, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
(14) Appointment of a successor or additional Paying Agent/Registrar or change in the name of the Paying Agent/Registrar, if material.

As used in clause 12 above, the phrase “bankruptcy, insolvency, receivership or similar event” means the appointment of a receiver, fiscal agent or similar officer for the Board in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Board, or if jurisdiction has been assumed by leaving the Board and officials or officers of the Board in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Board. The Board shall notify the MSRB, in a timely manner, of any failure by the Board to provide financial information or operating data in accordance with Section 9.02(a) by the time required by such Section.

(c) Change in Board Fiscal Year. If the Board changes its Fiscal Year, it will notify the MSRB of the change (and of the date of the new Fiscal Year end) prior to the next date by which the Board otherwise would be required to provide financial information and operating data pursuant to this Section.

Section 9.03 Incorporation by Reference. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to the MSRB or filed with the SEC. All filings shall be made electronically, in the format specified by the MSRB.

Section 9.04 Limitations, Disclaimers, and Amendments. The Board shall be obligated to observe and perform the covenants specified in this this Article for so long as, but only for so long as, the Board or the State remains an “obligated person” with respect to the Series 2021A Bonds within the meaning of the Rule, except that the Board in any event will give the notice required by Section 9.02(b) of any Series 2021A Bond calls and defeasance that cause the Board and the State to be no longer “obligated persons”.

The provisions of this Article are for the sole benefit of the holders and beneficial owners of the Series 2021A Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other Person. The Board undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Board’s or the State’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The Board does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Series 2021A Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE BOARD BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY SERIES 2021A BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE BOARD, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR
OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

All documents provided to the MSRB shall be accompanied by identifying information, as prescribed by the MSRB.

No default by the Board in observing or performing its obligations under this Article shall constitute a breach of or default under this Resolution for purposes of any other provision of this Resolution.

Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the Board or the State under federal and State securities laws.

Should the Rule be amended to obligate the Board to make filings with or provide notices to entities other than the MSRB, the Board agrees to undertake such obligation in accordance with the Rule as amended.

The provisions of this Article may be amended by the Board from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Board or the State, but only if (1) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Series 2021A Bonds in the primary offering of the Series 2021A Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate principal amount or maturity amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the outstanding Series 2021A Bonds consent to such amendment or (b) a Person that is unaffiliated with the Board and the State (such as nationally-recognized bond counsel) determines that such amendment will not materially impair the interests of the holders and beneficial owners of the Series 2021A Bonds. If the Board so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 9.02(a) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Board may also amend or repeal the provisions of this continuing disclosure requirement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Series 2021A Bonds in the primary offering of the Series 2021A Bonds.

ARTICLE X

DEFEASANCE

Section 10.01 Series 2021A Bonds Deemed Paid. Any Series 2021A Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a “Defeased Bond”), except to the extent hereinafter provided in this Article, when payment of the principal of such Series 2021A Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other similar instrument (the “Future Escrow Agreement”) for such payment (1) lawful money of the United States of America sufficient to make such
payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such
times as will insure the availability, without reinvestment, of sufficient money to provide for such payment,
and when proper arrangements have been made by the Board with the Paying Agent/Registrar for the
payment of its services until all Defeased Bonds shall have become due and payable. At such time as a
Series 2021A Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Series 2021A
Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of,
the Financial Assistance Account, and such principal and interest shall be payable solely from such money
or Defeasance Securities. Notwithstanding any other provision of this Resolution to the contrary, it is hereby
provided that any determination not to redeem Defeased Bonds that is made in conjunction with the
payment arrangements specified in clauses (i) or (ii) above shall not be irrevocable; provided, that in the
proceedings providing for such payment arrangements, the Board (1) expressly reserves the right to call
the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the
Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice
of the reservation be included in any redemption notices that it authorizes.

Section 10.02 Investment in Defeasance Securities. Any moneys so deposited with the Paying
Agent/Registrar may at the written direction of the Board be invested in Defeasance Securities, maturing in
the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received
by the Paying Agent/Registrar that is not required for the payment of the Series 2021A Bonds and interest
thereon, with respect to which such money has been so deposited, shall be turned over to the Board, or
deposited as directed in writing by the Board. Any Future Escrow Agreement pursuant to which the money
and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions
permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of
other Defeasance Securities upon the satisfaction of the requirements specified in clauses (i) or (ii) of
Section 10.01. All income from such Defeasance Securities received by the Paying Agent/Registrar which
is not required for the payment of the Defeased Bonds, with respect to which such money has been so
deposited, shall be remitted to the Board or deposited as directed in writing by the Board.

Section 10.03 Paying Agent/Registrar Services. Until all Defeased Bonds shall have become
due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such
Defeased Bonds the same as if they had not been defeased, and the Board shall make proper
arrangements to provide and pay for such services as required by this Resolution.

Section 10.04 Selection of Series 2021A Bonds for Defeasance. In the event that the Board
elects to defease less than all of the principal amount of Series 2021A Bonds of a maturity, the Paying
Agent/Registrar shall select, or cause to be selected, such amount of Series 2021A Bonds by such random
method as it deems fair and appropriate and consistent with the terms of this Resolution.

ARTICLE XI

MISCELLANEOUS PROVISIONS

Section 11.01 Further Procedures. The Chair of the Board, the Executive Administrator, the
Development Fund Manager, the General Counsel, the Chief Financial Officer, and/or any other officers of
the Board and each of them, shall be and they are hereby expressly authorized, empowered and directed
from time to time and at any time to do and perform all such acts and things and to execute, acknowledge
and deliver in the name and under the seal of the Board and on behalf of the Board all agreements,
instruments, or such other documents, whether mentioned herein or not, as may be necessary or desirable in order to carry out the terms and provisions of this Resolution, and the initial sale and delivery of the Series 2021A Bonds. In addition, prior to the initial delivery of the Series 2021A Bonds, the Chair of the Board, the Executive Administrator, the Development Fund Manager, the Chief Financial Officer, and/or the General Counsel of the Board and the Board’s Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Resolution or to any of the instruments authorized and approved by this Resolution: (i) in order to cure any technical ambiguity, formal defect, or omission in the Resolution or such other document; or (ii) as requested by the Attorney General or his representative to obtain the approval of the Series 2021A Bonds by the Attorney General and if such officer or counsel determines that such ministerial changes are consistent with the intent and purpose of the Resolution, which determination shall be final. In the event that any officer of the Board whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

Section 11.02 Open Meeting; Notice. It is hereby officially found and determined that the meeting at which this Resolution is adopted is open to the public as required by law at all times during which this Resolution and the subject matter thereof are discussed, considered and formally acted upon; and reasonable notice of this meeting was delivered to the Secretary of State of the State, as required by Chapter 551.

Section 11.03 Prior Actions. All actions taken by the Board authorizing the issuance of the Series 2021A Bonds are in all things approved, ratified and confirmed, except that to the extent such actions conflict with any provision of this Resolution, the terms and provisions of this Resolution shall control and prevail.

Section 11.04 Perfection of Security Interest in Pledge. Chapter 1208 applies to the issuance of the Series 2021A Bonds and the pledge of the credit of the State made pursuant to Section 49-d-8, and such pledge is therefore valid, effective, and perfected. If State law is amended at any time while the Series 2021A Bonds are outstanding and unpaid such that such pledge is to be subject to the filing requirements of Chapter 9, then in order to preserve to the registered owners of the Series 2021A Bonds the perfection of the security interest in said pledge, the Board agrees to take such measures as it determines are reasonable and necessary under State law to comply with the applicable provisions of Chapter 9 and enable a filing to perfect the security interest in said pledge to occur.

Notwithstanding the foregoing, during any period in which ownership of the Series 2021A Bonds is determined only by a book entry at a securities depository for the Series 2021A Bonds, any payment to the securities depository, or its nominee or registered assigns, shall be made in accordance with existing arrangements between the Board and the securities depository.

THIS BOND is one of a series of Bonds of like tenor and effect except as to number, maturity, interest rate and right of prior redemption, dated as of the dated date of this Bond specified above, aggregating ___________________ ($________________) (the “Series 2021A Bonds”)1, issued pursuant to authority granted to the Board by Section 49-d-8 of Article III of the Texas Constitution (“Section 49-d-8”), Section 49-d-11 of Article III of the Texas Constitution (“Section 49-d-11”) and Subchapter L, Chapter 17, Texas Water Code (“Subchapter L”), and a resolution authorizing the issuance of the series of Bonds of which this is one, adopted by the Board and duly of record in the minutes of the Board (hereinafter called the “Bond Resolution”), to provide funds for the Financial Assistance Account for Water Assistance Projects assistance project and to pay expenses arising in connection with the issuance of the Series 2021A Bonds. In the Bond Resolution, the Board delegated to certain designated officials the authority to establish and approve the final terms of sale of the Series 2021A Bonds through the execution of one or more Approval Certificates (the Bond Resolution and applicable Approval Certificate are collectively referred to herein as the “Resolution”). Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Resolution.

† Final Maturity

1 Designation of subseries, if any, to be provided in an Approval Certificate.
THE PRINCIPAL AMOUNT of Term Bonds required to be redeemed shall be reduced, at the option
of the Board, by the principal amount of Term Bonds which, at least 50 days prior to the mandatory sinking
fund redemption date (1) shall have been defeased or acquired by the Board and delivered to the Paying
Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying
Agent/Registrar at the request of the Board with money in the Bond Fund, or (3) shall have been redeemed
pursuant to the optional redemption provisions set forth above and not theretofor credited against a
mandatory sinking fund redemption requirement. On or before August 1 of every year in which there are
mandatory redemption requirements as defined above for the Term Bonds, the Paying Agent/Registrar
shall determine the principal amount of Term Bonds that must be mandatorily redeemed on August 1 of
such year, after taking into account deliveries for cancellation and prior redemption of Term Bonds as
provided above.

THE SERIES 2021A BONDS shall be subject to extraordinary mandatory redemption prior to their
scheduled maturities, on ____________ (the "One-Year Extraordinary Mandatory Redemption"), in an
amount equal to the Computation Amount applicable to the One Year Computation Period (as each term is
defined in the Resolution), plus accrued interest to the date of such extraordinary mandatory redemption,
at the redemption prices set forth below, expressed as percentages of the principal amount of each maturity
of the Series 2021A Bonds so redeemed:

<table>
<thead>
<tr>

<th>Redemption (%)</th>
</tr>
</thead>
</table>

THE FOREGOING NOTWITHSTANDING, the Series 2021A Bonds shall not be subject to such
extraordinary mandatory redemption if the Board obtains an opinion of nationally-recognized bond counsel
acceptable to the Board to the effect that the failure by the Board to cause such extraordinary mandatory
redemption to occur will not adversely affect the excludability of interest on the Series 2021A Bonds from
gross income for federal income tax purposes.

THE SERIES 2021A BONDS shall be subject to extraordinary mandatory redemption prior to their
scheduled maturities, on ____________ (the "Three-Year Extraordinary Mandatory Redemption"), in an
amount equal to the Computation Amount applicable to the Three-Year Computation Period (as defined in
the Resolution), plus accrued interest to the date of such extraordinary mandatory redemption, at the
redemption prices set forth below, expressed as percentages of the principal amount of each maturity
of the Series 2021A Bonds so redeemed:

</table>

THE FOREGOING NOTWITHSTANDING, the Series 2021A Bonds shall not be subject to such
extraordinary mandatory redemption if the Board obtains an opinion of nationally recognized bond counsel
acceptable to the Board to the effect that the failure by the Board to cause such extraordinary mandatory
redemption to occur will not adversely affect the excludability of interest on the Series 2021A Bonds from
gross income for federal income tax purposes.

For Purposes of the One-Year Extraordinary Mandatory Redemption and the Three-Year
Extraordinary Mandatory Redemption of Bonds, as the case may be, the Series 2021A Bonds subject to
such redemption shall be selected on a “Pro-Rata Basis”; provided, that if any amount required to be
redeemed remains after such selection, such remaining amount shall be applied to the redemption of
$5,000 principal amount of each maturity of Series 2021A Bonds in inverse order of maturity. The term
"Pro-Rata Basis" means that the principal amount of Series 2021A Bonds of a particular maturity shall be
determined by multiplying the Computation Amount by the ratio which the principal amount of Series 2021A Bonds of such maturity then Outstanding bears to the aggregate principal amount of Series 2021A Bonds then Outstanding and subject to redemption.

IF FEWER THAN ALL OF THE SERIES 2021A BONDS are called for redemption, the maturities to be redeemed will be selected by the Board, and the Series 2021A Bonds to be redeemed within any one maturity will be selected by the Paying Agent/Registrar by lot (or in such other manner as the Paying Agent/Registrar may determine) in integral multiples of $5,000; provided, however, that during any period in which ownership of such Series 2021A Bonds to be redeemed is determined only by a book-entry at DTC, or a successor securities depository, if fewer than all of such Series 2021A Bonds of the same maturity and bearing the same interest rate are to be redeemed, the particular Series 2021A Bonds of such maturity and bearing such interest rate will be selected in accordance with the arrangements between the Board and DTC or successor securities depository.

IF THE SERIES 2021A BONDS are no longer registered to DTC or its nominee, any redemption of less than all of a maturity of such Series 2021A Bonds shall be effected by the Paying Agent/Registrar among owners on a pro-rata basis subject to minimum Authorized Denominations. The Series 2021A Bonds or portions thereof to be redeemed shall be determined by the Paying Agent/Registrar, using such method as it shall deem fair and appropriate.

AT LEAST thirty (30) days prior to the date fixed for any redemption, (a) a written notice of such redemption shall be given to the registered owner of each Bond or a portion thereof being called for redemption by depositing such notice in the United States mail, first-class postage prepaid, addressed to each such registered owner at his address shown on the registration books of the Paying Agent/Registrar, and (b) notice of such redemption either shall be published one (1) time in or posted electronically on the website of a financial journal or publication of general circulation in the United States of America or the State of Texas carrying as a regular feature notices of municipal bonds called for redemption; provided, however, that the failure to send, mail, or receive such notice described in clause (a) above, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Bond, and the Resolution provides that the provision of notice as described in clause (a) above shall be the only notice actually required in connection with or as a prerequisite to the redemption of any Bonds. By the date fixed for any such redemption due provision shall be made by the Board with the Paying Agent/Registrar for the payment of the required redemption price for this Bond or the portion hereof which is to be so redeemed, plus accrued interest thereon to the date fixed for redemption. Should notice to call Bonds for redemption at the option of the Board be given in the manner provided above, but the Board shall not be able to provide the Paying Agent/Registrar with amounts sufficient to effect on the date fixed for redemption the payment of the entire redemption price of the Series 2021A Bonds so called for redemption, no Bonds shall be redeemed on the date fixed for redemption, and the notice of redemption for such Bonds shall be null and void. Such occurrence shall not result in default of the Board’s payment obligations on the Series 2021A Bonds as provided herein or in the Resolution. By each redemption date, the Board shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date.

THE BOARD RESERVES the right to give notice of its election to optionally redeem Series 2021A Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or_defeasance Securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as
may be authorized by law, no later than the redemption date or (ii) that the Board retains the right to rescind such notice at any time prior to the scheduled redemption date if the Board delivers a certificate or other direction to the Paying Agent/Registrar instruction the Paying Agent/Registrar to rescind the redemption notice, and such notice of redemption shall be of no effect if such moneys and/or Defeasance Securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall not constitute an event of default and shall remain outstanding.

IF SUCH NOTICE of redemption is given, and if due provision for such payment is made, all as provided in the paragraph above, this Bond, or the portion thereof which is to be so redeemed, thereby automatically shall be redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being Outstanding except for the right of the registered owner to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent/Registrar out of the funds provided for such payment. The Paying Agent/Registrar shall record in the Registration Books all such redemptions of principal of this Bond or any portion hereof. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any Authorized Denomination, at the written request of the registered owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Resolution.

THIS BOND OR ANY PORTION OR PORTIONS HEREOF IN ANY AUTHORIZED DENOMINATION may be assigned and shall be transferred only in the registration books of the Board kept by the Paying Agent/Registrar acting in the capacity of registrar for the Series 2021A Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar at the Designated Payment/Transfer Office, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any Authorized Denomination to the assignee or assignees. A new Bond or Bonds payable to such assignee, or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, shall be delivered by the Paying Agent/Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds.

AS PROVIDED in the Resolution, this Bond, or any unredeemed portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date and interest rate, in any Authorized Denomination, as requested in writing by the appropriate registered owner or assignee, upon surrender of this Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office for cancellation.

NEITHER THE BOARD, the State of Texas, nor the Paying Agent/Registrar shall be required (a) to issue, transfer, exchange or make any conversion of any Bond subject to redemption during a period beginning at the opening of business thirty (30) days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (b) to transfer or exchange any Bond after it is selected for redemption, in whole or in part, prior to the redemption date; provided, however, that at the option of the registered owner of at least $1,000,000 in principal amount of the Series 2021A Bonds, the Paying Agent/Registrar shall be required to transfer or exchange any Bonds...
which have been selected in whole or in part for redemption upon the surrender thereof. The registered owner requesting conversion and exchange of any Bond or portion thereof shall pay the Paying Agent/Registrar’s customary fees and charges, together with any taxes or governmental charges required to be paid with respect thereto, as a condition precedent to the exercise of such privilege of conversion and exchange, except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or portion thereof, and in the case of the conversion and exchange of a portion of a Bond which has been redeemed prior to maturity, as provided herein, the fees and charges of the Paying Agent/Registrar will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Series 2021A Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Series 2021A Bonds is changed by the Board, resigns or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, and promptly will cause written notice thereof to be mailed to the registered owners of the Series 2021A Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE ISSUE of Bonds of which this is one shall be and is hereby made a general obligation of the State of Texas, pursuant to Section 49-d-8 and Subchapter L, and for the faithful performance of all covenants, recitals and stipulations herein contained, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on this Bond when due, the resources of the Board and the full faith and credit of the State of Texas are hereby pledged.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond shall be made primarily from the “Texas Water Development Fund II Water Financial Assistance Account” (the “Financial Assistance Account”) within the Texas Water Development Fund II (“Development Fund II”) created by Section 49-d-8. The Financial Assistance Account shall be comprised of (1) the Board’s rights to receive repayment of financial assistance provided from such account, together with any evidence of such rights; (2) money received from the sale or other disposition of the Board’s rights to receive repayment of such financial assistance; (3) money received as repayment of such financial assistance; (4) money and assets attributable to bonds issued and sold by the Board for such account, including money and assets transferred from the Texas Water Development Fund pursuant to Section 49-d-8; (5) money deposited to such account from the sale, transfer, or lease, in whole or in part, of facilities held for such account; (6) payments received by the Board under a bond enhancement agreement as authorized by law with respect to bonds issued for such account; (7) interest and other income received from investment of money in such account; and (8) any other funds, regardless of their source, that the Board directs be deposited to the Financial Assistance Account. Proceeds from the sale of the bonds on deposit in the Financial Assistance Account shall not be available to pay the principal of and premium, if any, and interest on this Bond and the series
of which it is a part unless specifically authorized by the Board. The Bonds and all other bonds or other obligations issued or incurred by the Board pursuant to Section 49-d-8, Section 49-d-9, or Section 49-d-11 to augment Development Fund II or to refund any such bonds or obligations are referred to herein as “Water Financial Assistance Bonds”. Section 49-d-8 provides that to the extent there is not money in any account available for payment of principal of and interest on the Water Financial Assistance Bonds issued for such account, there is appropriated out of the first money coming into the State Treasury (as defined in the Resolution) in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such Water Financial Assistance Bonds that mature or become due during that fiscal year.

IT IS HEREBY certified and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, and that the series of Bonds of which this is a part does not exceed any constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part as such principal and interest become due by a continuing appropriation heretofore made by Section 49-d-8 and by a pledge of the credit of the State of Texas.
IN TESTIMONY WHEREOF, this Bond is executed with the lithographed or printed facsimile or manual signatures of the Chair of the Texas Water Development Board and the Executive Administrator, and the seal of said Board is lithographed, printed or manually impressed hereon.

RESOLUTION

OF THE TEXAS WATER DEVELOPMENT BOARD AUTHORIZING THE ISSUANCE OF STATE OF TEXAS WATER FINANCIAL ASSISTANCE REFUNDING BONDS, SERIES 2021B, AND RESOLVING OTHER MATTERS RELATED THERETO

WHEREAS, the Texas Water Development Board (the “Board”) has previously issued, sold, and delivered general obligation bonds of the State of Texas (the “State”), to fund one or more accounts of the Texas Water Development Fund II (referred to herein as “Development Fund II”) established pursuant to the provisions of Section 49-d-8 of Article III of the Constitution of the State (the “State Constitution”), approved by the voters on November 4, 1997 (“Section 49-d-8”); and

WHEREAS, in furtherance of the purposes set forth in Section 49-d-8, Section 49-d-9 of Article III of the State Constitution (“Section 49-d-9”), and Subchapter L, Chapter 17 of the Texas Water Code (the “Act”), the Board has heretofore issued and there are currently outstanding obligations of the State as described in “SCHEDULE I” attached to this Resolution and incorporated herein by reference (collectively referred to as the “Refundable Bonds”); and

WHEREAS, in addition to bonds authorized by other provisions of the State Constitution, Section 49-d-11 of Article III of the State Constitution (“Section 49-d-11”) authorizes the Board to issue additional general obligation bonds of the State, at its determination and on a continuing basis, for one or more accounts of Development Fund II, in amounts such that the aggregate principal amount of the bonds issued under Section 49-d-11 that are outstanding at any time does not exceed $6,000,000,000; and

WHEREAS, Section 49-d-11 states that (i) Section 49-d-8 applies to the bonds authorized by Section 49-d-11, (ii) the limitation in Section 49-d-8 that the Board may not issue bonds in excess of the aggregate principal amount of previously authorized bonds does not apply to the bonds authorized by and issued under Section 49-d-11, and (iii) a limitation on the percentage of state participation in any single project imposed by Article III of the State Constitution does not apply to a project funded with the proceeds of bonds issued under authority of Section 49-d-8 or Section 49-d-11; and

WHEREAS, since the Refundable Bonds were not originally authorized by Section 49-d-11, bonds issued to refund the Refundable Bonds would not count against the authorization established by Section 49-d-11; and

WHEREAS, current market conditions are favorable to achieve some level of debt service savings if the Board were to refund some or all of the Refundable Bonds; and

WHEREAS, the Board finds it advisable and determines that it is a public purpose and in the best interests of the State, in accordance with authority granted by Section 49-d-8, Section 49-d-9, and the Act, to authorize issuance of the 2021B Bonds (as defined herein) to refund all or a portion of the Refundable Bonds in accordance with Chapter 1207 and Chapter 1371 (hereinafter defined), subject to the parameters set forth in this Resolution, as hereinafter provided; and

WHEREAS, bonds authorized to be issued pursuant to this Resolution are reasonably expected by the Board to be paid from revenue sources other than the general revenues of the State;

NOW, THEREFORE, BE IT RESOLVED BY THE TEXAS WATER DEVELOPMENT BOARD:

(d) Payment of Costs. Prior to the issuance of any replacement Series 2021B Bond, the Paying Agent/Registrar shall charge the owner of such Series 2021B Bond with all legal, printing, and other expenses in connection therewith. Every replacement Series 2021B Bond issued pursuant to the provisions of this Section by virtue of the fact that any Series 2021B Bond is lost, stolen or destroyed shall constitute a contractual obligation of the Board whether the lost, stolen, or destroyed Series 2021B Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Series 2021B Bonds duly issued under this Resolution.

(e) Legal Authority. In accordance with Chapter 1206, this Section shall constitute authority for the issuance of any such replacement Series 2021B Bond without necessity of further action by the Board of any other Person, and the duty of the replacement of such Series 2021B Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Series 2021B Bonds in the form and manner and with the effect, as provided in Section 2.07 for Series 2021B Bonds issued in conversion and exchange for other Series 2021B Bonds.

Section 2.10 Successor Paying Agent/Registrars. The Board covenants with the registered owners of the Series 2021B Bonds that at all times while the Series 2021B Bonds are outstanding the Board will provide a competent and legally qualified bank or trust company to act as and perform the services of Paying Agent/Registrar for the Series 2021B Bonds under this Resolution, and that the Paying Agent/Registrar will be one entity. The Board reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than sixty (60) days' written notice to the Paying Agent/Registrar. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger,
acquisition, or other method) should resign or otherwise cease to act as such, the Board covenants that promptly it will appoint a competent and legally qualified bank or trust company which shall be a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, subject to supervision or examination by federal or state authority, to act as Paying Agent/Registrar under this Resolution. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Series 2021B Bonds, to the new Paying Agent/Registrar designated and appointed by the Board. Upon any change in the Paying Agent/Registrar, the Board promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Series 2021B Bonds, by United States mail, first-class, postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar and the Designated Payment/Transfer Office. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be delivered to each Paying Agent/Registrar.

Section 2.11 Book-Entry Only System. The Initial Bonds shall be delivered to the Underwriters against payment received therefrom on the Date of Delivery. The senior managing underwriter named in Section 11.01 hereof, acting as the representative for the Underwriters, shall be required to promptly surrender the Initial Bonds to the Paying Agent/Registrar for exchange. Series 2021B Bonds issued in exchange therefor shall be registered in the name of Cede & Co., as nominee of DTC, as registered owner of the Series 2021B Bonds, and held in the custody of DTC. Unless otherwise requested by DTC, a single certificate will be issued and delivered to DTC for each maturity of the Series 2021B Bonds. Beneficial owners of Series 2021B Bonds will not receive physical delivery of Series 2021B Bond certificates except as provided hereinafter. For so long as DTC shall continue to serve as securities depository for the Series 2021B Bonds as provided herein, all transfers of beneficial ownership interests will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2021B Bonds is to receive, hold or deliver any Series 2021B Bond certificate.

With respect to Series 2021B Bonds registered in the name of Cede & Co., as nominee of DTC, the Board and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on whose behalf a DTC Participant holds an interest in the Series 2021B Bonds. Without limiting the immediately preceding sentence, the Board and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Series 2021B Bonds, (ii) the delivery to any DTC Participant or any other Person, other than a registered owner of the Series 2021B Bonds, as shown on the Registration Books, of any notice with respect to the Series 2021B Bonds, including any notice of redemption, and (iii) the payment to any DTC Participant or any other Person, other than a registered owner of the Series 2021B Bonds, as shown in the Registration Books, of any amount with respect to principal of or premium, if any, or interest on the Series 2021B Bonds.

Replacement Series 2021B Bonds may be issued directly to beneficial owners of Series 2021B Bonds other than DTC, or its nominee, but only in the event that: (i) DTC determines not to continue to act as securities depository for the Series 2021B Bonds (which determination shall become effective no less than ninety (90) days after written notice to such effect to the Board and the Paying Agent/Registrar); (ii) the Board has advised DTC of its determination (which determination is conclusive as to DTC and beneficial owners of the Series 2021B Bonds) that DTC is incapable of discharging its duties as securities depository for the Series 2021B Bonds; or (iii) the Board has determined (which determination is conclusive as to DTC
and the beneficial owners of the Series 2021B Bonds) that the interests of the beneficial owners of the Series 2021B Bonds might be adversely affected if such book-entry only system of transfer is continued. Upon occurrence of any of the foregoing events, the Board shall use its best efforts to attempt to locate another qualified securities depository to replace DTC. If the Board fails to locate another qualified securities depository to replace DTC, the Board shall cause to be authenticated and delivered replacement Series 2021B Bonds, in certificate form, to the beneficial owners of the Series 2021B Bonds. In the event that the Board makes the determination noted in (ii) or (iii) above (provided that the Board undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the Board to make any such determination), and has made provisions to notify the beneficial owners of Series 2021B Bonds of such determination by mailing an appropriate notice to DTC, it shall cause to be issued replacement Series 2021B Bonds in certificate form to beneficial owners of the Series 2021B Bonds as shown on the records of DTC provided to the Board.

Whenever, during the term of the Series 2021B Bonds, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in this Resolution of holding, delivering or transferring Series 2021B Bonds shall be deemed modified to require the appropriate Person or entity to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

If at any time, DTC ceases to hold the Series 2021B Bonds as securities depository, all references herein to DTC shall be of no further force or effect.

Section 2.12 All Bonds On Parity. No Financial Assistance Bond shall be entitled to priority of payment over any other Financial Assistance Bond in the application of any moneys made available by law for the payment thereof, irrespective of the fact that some of the Financial Assistance Bonds may have been or may be delivered prior to the delivery of other Financial Assistance Bonds, it being the intent of this Resolution that all Financial Assistance Bonds shall rank equally on parity with each other.

ARTICLE III

REDEMPTION OF BONDS BEFORE MATURITY

Section 3.01 Limitation on Redemption. Unless otherwise provided in the Approval Certificate, the Series 2021B Bonds shall be subject to redemption before scheduled maturity only as provided in this Article. Any provision of this Article, including, without limitation, any provisions relating to the method or selection of Series 2021B Bonds for redemption may be modified in an Approval Certificate.

Section 3.02 Optional and Mandatory Redemption of Bonds. The Series 2021B Bonds shall be subject to optional redemption and mandatory redemption by the Board on behalf of the State prior to maturity in the manner and at the redemption price as described in the Approval Certificate. The FORM OF BOND shall be completed upon the execution of the Approval Certificate to reflect the redemption provisions, if any, applicable to Bonds as provided for in the Approval Certificate.

Section 3.03 Partial Redemption.

(a) The Series 2021B Bonds redeemed in part shall be selected for redemption as described in the FORM OF BOND.
(b) A portion of a single Bond of a denomination greater than an Authorized Denomination may be redeemed but only in a principal amount equal to a minimum Authorized Denomination or any integral multiple thereof. The Paying Agent/Registrar shall treat each minimum Authorized Denomination of such Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar shall authenticate and deliver an exchange Bond in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

Section 3.04 Notice of Redemption

(a) The Paying Agent/Registrar shall record in the Registration Books all such redemptions of principal of the Series 2021B Bonds or any portion thereof. Notice of any redemption of the Series 2021B Bonds shall be given to the registered owners thereof by the Paying Agent/Registrar in the manner provided in the FORM OF BOND.

(b) In addition to the manner of providing notice of redemption of the Series 2021B Bonds as set forth in the FORM OF BOND, the Paying Agent/Registrar shall give notice of redemption of the Series 2021B Bonds by United States mail, first-class postage prepaid, at least thirty (30) days prior to a redemption date to each registered securities depository and to the MSRB. In addition, in the event of a redemption caused by an advance refunding of the Series 2021B Bonds, the Paying Agent/Registrar shall send a second notice of redemption to the Persons specified in the immediately preceding sentence at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice sent to the registered securities depositories or the MSRB shall be sent so that they are received at least two (2) days prior to the general mailing, publication or electronic posting date of such notice. The Paying Agent/Registrar shall also send a notice of redemption to the registered owner of any Series 2021B Bonds who has not sent the Series 2021B Bonds in for redemption sixty (60) days after the redemption date. The failure to send, mail or receive any such notice described in this clause (i), or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Series 2021B Bond.

(c) The Board reserves the right to give notice of its election to optionally redeem Series 2021B Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of monies and/or Defeasance Securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the Board retains the right to rescind such notice at any time prior to the scheduled redemption date if the Board delivers a certificate or other direction to the Paying/Agent Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice of redemption shall be of no effect if such monies and/or Defeasance Securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission to the affected Owners. Any Series 2021B Bonds subject to conditional redemption where redemption has been rescinded shall not constitute an event of default and shall remain outstanding.

(d) Each redemption notice, whether required in the FORM OF BOND or otherwise by this Resolution, shall contain a description of the Series 2021B Bonds to be redeemed, including the complete name of the Series 2021B Bonds, the series, the date of issue, the interest rate, the maturity date, the CUSIP number, if any, the amounts called of each Series 2021B Bond, the publication and mailing date for
the notice, the date of redemption, the redemption price, the name of the Paying Agent/Registrar and the address at which the Series 2021B Bond may be redeemed including a contact person and telephone number.

(e) All redemption payments made by the Paying Agent/Registrar to the registered owners of the Series 2021B Bonds shall include a CUSIP number relating to each amount paid to such registered owner.

(f) Should notice to call Series 2021B Bonds for redemption at the option of the Board be given in the manner provided above, but the Board shall not be able to provide the Paying Agent/Registrar with amounts sufficient to effect on the date fixed for redemption the payment of the entire redemption price of the Series 2021B Bonds so called for redemption, no Series 2021B Bond shall be redeemed on the date fixed for redemption, and the notice of redemption for such Series 2021B Bonds shall be null and void. Such occurrence shall not result in default of the Board’s payment obligations on the Series 2021B Bonds as provided herein or in the Series 2021B Bonds.

Section 3.05 Payment Upon Redemption.

(a) By each redemption date, the Board shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date.

(b) Upon presentation and surrender of any Bond called for redemption at the designated office of the Paying Agent/Registrar on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of and accrued interest on such Bond to the date of redemption from the money provided for that purpose.

Section 3.06 Effect of Redemption.

(a) Notice of redemption having been given, and due provision having been made for payment, Series 2021B Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption; thereafter, such Series 2021B Bonds or portions thereof shall cease to bear interest from the date fixed for redemption, whether or not such Series 2021B are presented and surrendered for payment on such date.

(b) If the Board shall fail to make provision for the payment of all sums due on a redemption date, then any Series 2021B Bond or portion thereof called for redemption shall continue to bear interest until due provision is made for the payment of same by the Board.

ARTICLE IV

The form of all Series 2021B Bonds, including the form of the Authentication Certificate and the form of Assignment to be printed on each of the Series 2021B Bonds, and the form of registration certificate of the Comptroller that shall accompany the Initial Bonds, shall be substantially in the form as set forth in the FORM OF BOND, with such appropriate variations, omissions or insertions as are permitted or required by this Resolution or the applicable Approval Certificate. The Series 2021B Bonds may have such letters, numbers or other identifying marks of

Section 4.03 Printing of Statement of Insurance. The Board hereby authorizes the printer of the Series 2021B Bonds to print thereon any statement of insurance with respect to the Series 2021B Bonds furnished by any municipal bond insurance company insuring the Series 2021B Bonds.

ARTICLE V
SECURITY AND PAYMENT OF BONDS; ESTABLISHMENT AND FLOW OF FUNDS

Section 5.01 General Obligations. The Financial Assistance Bonds, including the Previously Issued Financial Assistance Bonds, the Series 2021B Bonds, and the Series 2021A Bonds, constitute general obligations of the State pursuant to Section 49-d-8, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and premium, if any, and interest on each of the Financial Assistance Bonds when due, the full faith and credit of the State and, in the manner herein provided, the resources of the Board are hereby pledged.

Section 5.02 Confirmation of Texas Water Development Fund II. It is found, determined and confirmed that Development Fund II has been established in the State Treasury. Pursuant to the Act, Development Fund II shall contain the State Participation Account, the Economically Distressed Areas Program Account and the Financial Assistance Account. In addition, Development Fund II may contain such additional accounts as the Board determines are necessary and convenient for the administration of Development Fund II.

Section 5.03 Confirmation of Constitutional and Statutory Funds.
(a) Section 49-d-8 and Legislative Powers. All Bond proceeds (other than proceeds to be used to refund outstanding bonds or other obligations) shall be deposited in the State Treasury to the credit of the Financial Assistance Account. Section 49-d-8 provides that accounts within Development Fund II shall consist of certain identified items, and Subsection (g) of Section 49-d-8 further states that:

"[Section 49-d-8] being intended only to establish a basic framework and not to be a comprehensive treatment of the Texas Water Development Fund II, there is hereby reposed in the legislature full power to implement and effectuate the design and objects of [Section 49-d-8], including the power to delegate such duties, responsibilities, functions, and authority to the Texas Water Development Board as it believes necessary."

4157-6402-0784.1
(b) **Financial Assistance Account.** Consistent with the Act and Section 49-d-8, the “Texas Water Development Fund II Water Financial Assistance Account (the "**Financial Assistance Account**") shall receive such moneys as described below, and the moneys therein shall be used as described below:

(i) Money and Assets Attributable to Bonds designated by the Board as issued for Water Assistance Projects;

(ii) payments received under a Bond Enhancement Agreement with respect to Financial Assistance Bonds designated by the Board as issued for Water Assistance Projects;

(iii) investment income earned on money on deposit in the Financial Assistance Account; and

(iv) any other funds, regardless of their source, that the Board directs be deposited to the credit of the Financial Assistance Account.

Except for those moneys that the Board determines are unavailable for such purpose, moneys on deposit in the Financial Assistance Account shall be used to pay principal and interest on the Financial Assistance Bonds. The Board may use moneys on deposit in the Financial Assistance Account for Water Assistance Projects in any manner that the Board determines necessary for the administration of the Financial Assistance Account, consistent with the provisions of Section 49-d-8 and the laws of the State, including specifically the Act, and this Resolution. Moneys on deposit in the Financial Assistance Account may also be used for payment of the expenses of the Board incurred in connection with the issuance of the Financial Assistance Bonds and the administration of Development Fund II.

(c) **Bond Payment Account.** The Board has established in the State Treasury the “Texas Water Development Fund II Water Financial Assistance Bond Payment Account (the "**Bond Payment Account**"), as a special account into which shall be deposited in the manner, within the time limits, and from sources as prescribed in Sections 5.04 and 5.05, amounts sufficient to pay when due the principal of and premium, if any, and interest payable on the Financial Assistance Bonds, including, to the extent determined by the Board, amounts sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds.

**Section 5.04 Flow of Funds For Debt Service.**

(a) **Transfers for Payments of Bonds.** While and so long as any Financial Assistance Bond is outstanding, on or before the date interest or interest and principal on the Bonds is scheduled to become due and payable, the Board shall cause to be transferred, from the moneys available for such purpose in the Financial Assistance Account, to the Bond Payment Account an amount which shall be sufficient to pay the principal of and premium, if any, and interest on the Financial Assistance Bonds, including, to the extent determined by the Board, an amount which shall be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds, when such interest or principal and interest, and premium, if any, or such payments, if any, become due and payable, with allowance being made for moneys currently on deposit in the Bond Payment Account and available to make such payments.

(b) **Notice to Comptroller of Insufficient Funds.** If the Executive Administrator or the designee thereof determines within fifteen (15) days of an interest or principal payment date that the money available
in the Financial Assistance Account for transfer to the Bond Payment Account, as described in subsection (a) of this Section, is not sufficient to pay the principal of, premium, if any, and interest on the Financial Assistance Bonds which then are outstanding and are scheduled to be due and payable on such interest or principal payment date, including, to the extent determined by the Board, an amount which shall be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds, it is hereby made the duty of the Executive Administrator or the designee thereof to request the Comptroller to deposit in the Bond Payment Account out of the first moneys coming into the State Treasury, not later than three (3) days prior to such interest or principal payment date, or as soon thereafter as sufficient money shall have been received in the State Treasury, an amount sufficient so that the total amount in the Bond Payment Account will be sufficient to pay the principal, premium, if any, and interest to mature and come due on such interest or principal payment date, or to make any payments by the Board, to the extent determined by the Board, under any Bond Enhancement Agreement with respect to principal or interest on such Financial Assistance Bonds, and to pay all collection and exchange charges in connection therewith.

(c) **Use of Remaining Moneys.** After making the transfers for the benefit of the Bond Payment Account as provided above in this Section, other available moneys remaining in the Financial Assistance Account may, at the direction of the Board, be used for all of the purposes for which the Board may expend moneys in the Financial Assistance Account under Section 49d-8.

(d) **Bond Enhancement Agreement.** Payments to be made by the Board under the terms of a Bond Enhancement Agreement shall be governed by the resolution adopted by the Board authorizing the execution and delivery of such Bond Enhancement Agreement.

(e) **Transfers Upon Board Resolution.** Anything contained in this Section to the contrary notwithstanding, money in the Financial Assistance Account representing proceeds from a series of Financial Assistance Bonds, prepayments of financial assistance provided from the Financial Assistance Account, or proceeds from the sale or other disposition of the Board’s rights to receive repayment of such financial assistance shall not be available for transfer to the Bond Payment Account unless by resolution the Board specifically authorizes the transfer of any such proceeds or prepayments so identified in said resolution to the Bond Payment Account. Proceeds from the Series 2021B Bonds shall be deposited to the Bond Payment Account to the extent specified in the applicable Approval Certificate.

Section 5.05 **Constitutional Provisions for Debt Payment.** The Board recognizes the absolute and ultimate obligation of the State to provide during each Fiscal Year all money necessary for the payment of the principal of and premium, if any, and interest on the Financial Assistance Bonds, including payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds, when such interest or principal and interest become due, out of the first moneys coming into the State Treasury, in such Fiscal Year, not otherwise appropriated by the State Constitution, as set forth in Subsection (e) of Section 49-d-8, as follows:

"... If there is not enough money in any account available to pay the principal of and interest on the general obligation bonds issued for such account, including money to make payments by the Texas Water Development Board under a bond enhancement agreement as authorized by law with respect to principal of or interest on such bonds, there is appropriated out of the first money coming into the state treasury in each fiscal year not otherwise appropriated by this constitution an amount that is sufficient to pay the principal
of and interest on such general obligation bonds that mature or become due during that fiscal year or to make bond enhancement payments with respect to those bonds.”

Section 5.06 Deposit and Transfer of Funds - Duties of Comptroller. The Comptroller is hereby authorized and directed to make the deposits and transfers required under all provisions of the resolutions authorizing the Financial Assistance Bonds, including this Resolution. The Comptroller is hereby authorized and directed to do all things necessary or convenient to make current funds available at the place of payment for the Financial Assistance Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021B Bonds) to pay principal of and interest on all Financial Assistance Bonds as they mature and come due and to provide such current funds as are required for the redemption thereof prior to maturity, or to make any payments under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds, all in accordance with their respective authorizing resolutions. It is made the duty of the Comptroller to make such deposits and transfers as are required in instances wherein the Board exercises its option to call Financial Assistance Bonds for payment prior to maturity. Remittances to the place of payment for the Financial Assistance Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021B Bonds) of money for payment of principal and interest or for redemption of Financial Assistance Bonds must be made in accordance with the provisions hereof.

Section 5.07 Payment of Bonds. The Board hereby covenants that it shall establish procedures with the Comptroller whereby sufficient moneys shall be withdrawn from the Bond Payment Account and forwarded to the place of payment for the Financial Assistance Bonds (including the Paying Agent/Registrar for the Series 2021B Bonds) for the payment of interest on and principal of the Financial Assistance Bonds, and any premium thereon, becoming due on each interest or principal payment date. The Board further covenants that it shall establish procedures with the Comptroller whereby sufficient moneys shall be withdrawn from the Bond Payment Account and forwarded to the place of payment for the payments, if any, to be made under one or more Bond Enhancement Agreements with respect to the principal or interest on such Financial Assistance Bonds. In addition, the Board covenants that such moneys shall be forwarded to the place of payment for the Financial Assistance Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021B Bonds), or the place of payment for such payments, if any, to be made under any such Bond Enhancement Agreement, no later than each such interest or principal payment date.

Section 5.08 Cooperation with State Officers. It is the duty of the Board, its officers, employees and agents (who are hereby so authorized and directed) to cooperate with and aid the Comptroller in calculating the amounts to be deposited in, or transferred to, the appropriate accounts and in ascertaining the amounts to be remitted to the place of payment for the Financial Assistance Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021B Bonds), or the place of payment for such payments, if any, to be made under any such Bond Enhancement Agreement.

Section 5.09 Investment of Funds. All money in Development Fund II and the accounts created therein that is not immediately committed to the purposes thereof or the payment of the Financial Assistance Bonds issued for any such account may be invested by the Board in Eligible Investments, and the Board may sell any Eligible Investment at the governing market rate.
ARTICLE VI

COVENANTS AND REMEDIES

Section 6.01 Special Covenant. The Board covenants that it will faithfully and promptly deposit into the Financial Assistance Account all money received from the sale of obligations acquired from Political Subdivisions with moneys from the Financial Assistance Account.

Section 6.02 Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms have the following meanings:

“Closing Date” means the date on which the Common Issue Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

“Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Common Issue Bonds.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Common Issue Bonds are invested and which is not acquired to carry out the governmental purposes of the Common Issue Bonds.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Common Issue Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of

(i) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(ii) the Common Issue Bonds has the meaning set forth in Section 1.1484 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The Board shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or
improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Common Issue Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Board receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Common Issue Bond, the Board shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the Board shall at all times prior to the last stated maturity of the Common Issue Bonds:

(1) take any action necessary to assure that state or local governments exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Common Issue Bonds (including property financed or refinanced with Gross Proceeds of the Refunded Bonds), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) take any action necessary to assure that state or local governments do not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Common Issue Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed or refinanced with Gross Proceeds of the Refunded Bonds), other than taxes of general application within the Board or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the Board shall not use Gross Proceeds of the Common Issue Bonds and shall take any action necessary to assure that Gross Proceeds of the Common Issue Bonds are not used to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Allocation of, and Limitation on, Expenditures for Loans to Political Subdivisions. The Board shall account for the expenditure of the proceeds from the sale of the Common Issue Bonds and any investment earnings thereon to be used for the purposes described in Section 2.01 on its books and records.
in accordance with the requirements of the Code. The Board agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Common Issue Bonds.

(f) Disposition of Loans to Political Subdivisions. Loans to Political Subdivisions will not be sold or otherwise disposed in a transaction resulting in the receipt by the Board of cash or other compensation, unless the Board obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Common Issue Bonds, the proceeds of which were used to make or refinance the making of such loans. The Board shall assure that Political Subdivisions, or any related persons thereto, will be prohibited from purchasing the Common Issue Bonds or a portion thereof in an amount related to the amount of the loan to be acquired by the Board from any such Political Subdivision.

(g) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the Board shall not at any time prior to the final stated maturity of the Common Issue Bonds directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, exceeds the Yield of the Common Issue Bonds.

(h) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the Board shall not take or omit to take any action which would cause the Common Issue Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(i) Information Report. The Board shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(j) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

1. The Board shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Common Issue Bond is discharged. However, to the extent permitted by law, the Board may commingle Gross Proceeds of the Common Issue Bonds with other money of the Board, provided that the Board separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

2. Not less frequently than each Computation Date, the Board shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The Board shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Common Issue Bonds until six years after the final Computation Date.

3. As additional consideration for the purchase of the Common Issue Bonds by the purchasers thereof and the loan of the money represented thereby and in order to
induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the Board shall pay to the United States the amount that when added to the future value of previous rebate payments made for the Common Issue Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder. In order to facilitate compliance with this covenant, a “Rebate Fund” is hereby established by the Board for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other Person, including, without limitation, any bondholder. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(4) The Board shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(k) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the Board shall not, at any time prior to the earlier of the stated maturity or final payment of the Common Issue Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (j) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm’s length and had the Yield of the Common Issue Bonds not been relevant to either party.

(l) Elections. The Board hereby directs and authorizes the Executive Administrator and the Chief Financial Officer of the Board, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Common Issue Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(m) Common Issue Bonds Not Hedge Bonds.

(1) At the time the original bonds refunded by the Common Issue Bonds were issued, the Board reasonably expected that at least 85% of the spendable proceeds of such bonds would be spent within three years after such bonds were issued.

(2) Not more than 50% of the proceeds of the original bonds refunded by the Common Issue Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.
(n) **Current Refunding.** The Series 2021B Bonds are being issued exclusively to pay and discharge in full the Refunded Bonds and such payment of the Refunded Bonds will occur within ninety (90) days after the issuance of the Series 2021B Bonds.

**Section 6.03 Creation of Accounts and Subaccounts.** The Board covenants that it will maintain within the funds and accounts described in Section 5.03 such accounts and subaccounts as the Board, in cooperation with the Comptroller, determines necessary for the convenient and efficient administration of such funds and accounts so as not to commingle moneys derived from the issuance of or dedicated to the payment of bonds or other obligations issued by the Board, the interest on which is exempt from federal income taxation under the applicable provisions of the Code.

**Section 6.04 Remedies of Bondholders.** All rights available to the owners of the Financial Assistance Bonds under the Constitution and the laws of the State, including, without limitation, Section 17.970, Texas Water Code, to compel the performance of their official duties by the Board, its officers and employees, and by other officers of the State to the end that the principal of and interest on the Financial Assistance Bonds may be paid promptly, are hereby recognized.

**Section 6.05 Bond Enhancement Agreements.** Pursuant to authority granted to the Board by Section 17.954, Texas Water Code, the Board reserves the right at any time and from time to time to enter into one or more Bond Enhancement Agreements that the Board hereafter determines to be necessary or appropriate to place the obligation of the Board, as represented by the Series 2021B Bonds, in whole or in part, on the interest rate, currency, cash flow, or other basis desired by the Board.
ARTICLE VII

SUPPLEMENTS AND AMENDMENTS

Section 7.01 Amendment of Resolution with Consent of Registered Owners.

(a) Amendments Requiring Consent. The registered owners of Series 2021B Bonds aggregating in principal amount 51% of the aggregate principal amount or maturity amount, as the case may be, of the Series 2021B Bonds at the time outstanding (but not including in any case Series 2021B Bonds which may then be held or owned by or for the account of the Board) shall have the right from time to time to approve an amendment of this Resolution which may be deemed necessary or desirable by the Board; provided, however, that nothing herein contained shall permit or be construed to permit the amendment of the terms and conditions contained in this Resolution or in the Series 2021B Bonds so as to:

(i) make any change in the maturity of any of the Series 2021B Bonds;

(ii) reduce the rate of interest borne by any of the Series 2021B Bonds;

(iii) reduce the principal amount or maturity amount, as applicable, payable on any of the Series 2021B Bonds;

(iv) modify the terms of payment of principal of or interest on or maturity amount of, as the case may be, any Series 2021B Bond, or impose any conditions with respect to such payment;

(v) change the minimum percentage of the principal amount or maturity amount of the Series 2021B Bonds necessary for consent to such amendment; or

(vi) affect the rights of the registered owners of less than all of the Series 2021B Bonds then outstanding;

unless such amendment or amendments be approved by the registered owners of all of the Series 2021B Bonds at the time outstanding.

(b) Notice. If at any time the Board shall desire to amend this Resolution under this Section, the Board shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in The City of New York, New York, or the City of Austin, Texas, once during each calendar week for at least four (4) successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Board and the designated office of the Paying Agent/Registrar for inspection by all registered owners of Series 2021B Bonds. Such publication is not required, however, if notice in writing is given to each registered owner.

(c) Adoption of Amendatory Resolution. Whenever at any time, within one (1) year from the date of this publication of said notice or other service of written notice, the Board shall receive an instrument or instruments executed by the registered owners of at least 51% in aggregate principal amount or maturity amount, as the case may be, of Series 2021B Bonds then outstanding, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and
approve such amendment in substantially the form of the copy thereof on file with the Paying Agent/Registrar, the Board may adopt the amendatory resolution in substantially the same form.

(d) **Effectiveness of Consents.** Any consent given by the registered owner of a Series 2021B Bond pursuant to the provisions of this Resolution shall be irrevocable for a period of six (6) months from the date of the first publication or mailing of the notice provided for in this Resolution, and shall be conclusive and binding upon all future registered owners of the same Series 2021B Bond during such period. Such consent may be revoked at any time after six (6) months from the date of the first publication or mailing of such notice by the registered owner who gave such consent, or by a successor in title, by filing notice of such revocation with the Paying Agent/Registrar and the Board, but such revocation shall not be effective if the registered owners of 51% in aggregate principal amount and maturity amount, as applicable, of the Series 2021B Bonds outstanding as in this Section defined have, prior to the attempted revocation, consented to and approved the amendment.

(e) **Proof of Ownership.** For the purposes of this Section, proof of ownership of any Series 2021B Bond shall be established by the registration of any such Series 2021B Bond on the Registration Books kept and maintained by the Paying Agent/Registrar.

**Section 7.02 Amendment of Resolution Without Consent of Registered Owners.**

(a) **Amendments Not Requiring Consent.** The foregoing provisions of this Article notwithstanding, the Board may, without prior notice to or the consent of the registered owners, pursuant to an amendatory resolution, from time to time:

(i) impose conditions or restrictions additional to, but not in diminution of, those contained in this Resolution, respecting the issuance of Financial Assistance Bonds;

(ii) undertake covenants additional to but not inconsistent with those contained in this Resolution;

(iii) correct any ambiguity or correct or supplement any inconsistent or defective provision contained in this Resolution or any amendatory resolution;

(iv) adopt amendments to this Resolution that provide for the payment of principal of and interest on the Financial Assistance Bonds or the payment of administrative expenses of the Board from Bond proceeds; or

(v) adopt amendments to this Resolution (including specifically, without limitation, amendments under authority of Section 7.02 and 9.04) that, in the opinion of nationally-recognized bond counsel acceptable to the Board, do not adversely affect the registered owners.

(b) **Specific Amendments not Requiring Consent.** In addition to the foregoing, the Board expressly reserves the right, without prior notice to or consent from the registered owners of the Financial Assistance Bonds, to amend the provisions of ARTICLE VII of this Resolution to reflect subsequent amendments to the State Constitution and the Act, including, without limitation, amendments altering:

(i) the administration of Development Fund II; or
(ii) the accounts within Development Fund II; or

(iii) the deposit or application of moneys received by the Board as repayments of loans to Political Subdivisions and interest on those loans, or proceeds from the sale, transfer or lease of facilities held for any account within Development Fund II; or

(iv) the use of the proceeds of the Financial Assistance Bonds; or

(v) the rights, duties and obligations of the Comptroller as specified in ARTICLE VII; or

(vi) the procedure for payment of the Financial Assistance Bonds; or

(vii) the payment of expenses of administering Development Fund II and other authorized expenses of the Board; or

(viii) the administration of the Water Infrastructure Fund;

provided, however, that such amendments to this Resolution can be made only if:

(1) the Board receives an opinion of nationally-recognized bond counsel acceptable to the Board to the effect that such amendments comply with the Act, that the Financial Assistance Bonds continue to be general obligations of the State and the State Constitution provides for appropriation out of the first money coming into the State Treasury in each Fiscal Year, not otherwise appropriated by the State Constitution, of an amount sufficient to pay the principal of or interest on the Financial Assistance Bonds that mature or become payable during that Fiscal Year, to the extent the same are not otherwise paid from funds pledged to their payment;

(2) bond counsel acceptable to the Board renders an opinion substantially to the effect that any such amendment will not adversely affect the excludability of interest on any tax-exempt Financial Assistance Bonds from gross income for federal income tax purposes; and

(3) each nationally-recognized securities rating agency that issued a rating at the time the Financial Assistance Bonds were initially delivered to the underwriters thereof and that has a then existing rating thereon confirms in writing that subsequent to any such amendment, the Financial Assistance Bonds will continue to be rated as general obligation bonds of the State.

(c) Notice. If the Board so amends this Resolution as provided in subsection (b) above, it shall cause notice of such amendment to be published one (1) time in a financial newspaper or journal of general circulation in the City of New York, New York, or the City of Austin, Texas. Such notice shall contain a summary of the amendatory language, recite that the conditions set forth in clauses (A), (B) and (C) of subsection (b) have been satisfied, and recite the effective date of such amendment. Such notice shall be published within thirty (30) days of the effective date of such amendment as set forth in such notice. Such notice shall state that a copy thereof is on file at the principal office of the Board for inspection. Such
publication is not required, however, if written notice is given to each registered owner of the Financial Assistance Bonds.

**Section 7.03  Effect of Amendatory Resolutions.** Upon the adoption of any amendatory resolution pursuant to the provisions of this Section, this Resolution shall be deemed to be amended in accordance with such amendatory resolution, and the respective rights, duties and obligations of the Board under this Resolution and all the registered owners of outstanding Series 2021B Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendments.

**Section 7.04  Bonds May Bear Notation.** Series 2021B Bonds authenticated and delivered after the execution of any amendatory resolution pursuant to this Article may bear a notation in form approved by the Paying Agent/Registrar as to any matter provided for in such amendatory resolution. If the Board or the Paying Agent/Registrar shall so determine, new Series 2021B Bonds so modified as to conform, in the opinion of the Board and the Paying Agent/Registrar, to any such amendatory resolution may be prepared and executed by the Board and authenticated and delivered by the Paying Agent/Registrar in exchange for the Series 2021B Bonds then outstanding.

**ARTICLE VIII**

**PROVISIONS CONCERNING SALE OF BONDS**

**Section 8.01  Issuance and Sale of Bonds.**

(a) **Approval Certificate.** Each Authorized Representative, acting for and on behalf of the Board, shall approve, execute and deliver one or more Approval Certificates, which completed and executed Approval Certificates shall evidence the sale (including the date of such sale) of a series or subseries of Series 2021B Bonds by the Board to the Underwriters. The Approval Certificate shall contain a finding substantially to the effect that based on recommendations made to the Authorized Representative by the financial advisor to the Board, the terms of the sale of the Series 2021B Bonds were the most advantageous to the Board reasonably obtained, and the sale of the Series 2021B Bonds is in the best interests of the Board.

(b) **Underwriters.** Raymond James & Associates, Inc. is hereby designated as the senior managing underwriter for the Underwriters. The Authorized Representative, acting for and on behalf of the Board, shall select such additional investment banking firms as deemed appropriate to assure that the Series 2021B Bonds are sold on terms advantageous to the Board.

(c) **Purchase Agreement.** The Purchase Agreement shall be in substantially the form utilized in connection with the sale of Financial Assistance Bonds previously issued by the Board to finance Water Assistance Projects. A Purchase Agreement shall contain the terms of the sale of the Series 2021B Bonds, as negotiated by the Authorized Representative in accordance with the terms hereof. At the direction of an Authorized Representative, Series 2012B Bonds, Series 2021A Bonds, and Series 2021C Bonds may be sold, but are not required to be sold, pursuant to the terms of a common Purchase Agreement. Each Authorized Representative is hereby authorized and directed to execute the Purchase Agreement for and on behalf of the Board. An Authorized Representative’s approval of a Purchase Agreement shall be conclusively evidenced by the execution thereof. It is hereby officially found, determined, and declared that the terms of this sale were and are to be negotiated under authority granted by Section 17.955, Texas Water Code.
(d) **Ratings.** No Series 2021B Bonds shall be delivered unless prior to delivery, the particular series or subseries of Series 2021B Bonds shall have been rated by a nationally recognized rating agency for municipal securities in one of the four highest rating categories for long term obligations, as required by Chapter 1371.

(e) **Payment of Attorney General Fee.** The Board hereby authorizes the payment of the fee of the Attorney General for the examination of the proceedings relating to the issuance of the Series 2021B Bonds, in the amount determined in accordance with the provisions of Section 1202.004, Texas Government Code.

(f) **Effect of Determination Made by Authorized Representative.** A finding or determination made by an Authorized Representative acting under the authority delegated thereto by this Resolution with respect to all matters relating to the issuance and sale of the Series 2021B Bonds shall have the same force and effect as a finding or determination made by the Board.

**Section 8.02 Official Statement.** Prior to execution of a Purchase Agreement, the Authorized Representative, acting for and on behalf of the Board, shall cause a preliminary Official Statement to be prepared for distribution by the Underwriters to prospective purchasers of the Series 2021B Bonds sold under the terms of such Purchase Agreement, such document to be in substantially the form utilized in connection with the sale of Financial Assistance Bonds previously issued by the Board to finance Water Assistance Projects, with such changes and completions as the Authorized Representative may deem necessary or appropriate to enable the Authorized Representative, acting for and on behalf of the Board, to deem the preliminary Official Statement to be final as of its date, except for such omissions as are permitted by the Rule. Within seven (7) business days after the execution of a Purchase Agreement, the Authorized Representative, acting for and on behalf of the Board, shall cause a final Official Statement to be provided to the Underwriters in compliance with the Rule and the rules of the MSRB.

**Section 8.03 Custody of Bonds.** After the Initial Bonds have been executed, it shall be the duty of the Chair of the Board, or some officer, employee or attorney of the Board acting through authority therefrom, to deliver the Initial Bonds to the Attorney General for examination and approval. After the Initial Bonds shall have been approved by the Attorney General they shall be delivered to the Comptroller for registration. The Initial Bonds thus registered shall remain in the custody of the Chair of the Board, or some officer, employee or attorney of the Board acting through authority therefrom, or subject to the order of the Chair, until the sale of the Series 2021B Bonds to the Underwriters on the Date of Delivery.

**Section 8.04 Use of Bond Proceeds.** Proceeds from the sale of Series 2021B Bonds shall, promptly upon receipt by the Board, be deposited to the credit of the funds and accounts described in this Resolution and applied in the manner specified in the applicable Approval Certificate signed by an Authorized Representative.

**ARTICLE IX**

**CONTINUING DISCLOSURE UNDERTAKING**

**Section 9.01 Continuing Disclosure Undertaking of the Comptroller.**

(a) **General.** The Board and the legal and beneficial owners of the Series 2021B Bonds are third-party beneficiaries of the Continuing Disclosure Agreement. The Comptroller is required to observe
the Continuing Disclosure Agreement in respect of any issue of “Securities,” as defined in the Continuing Disclosure Agreement (which include the Series 2021B Bonds), for so long as the State remains an “obligated person” as defined in the Rule. Under the Continuing Disclosure Agreement, the Comptroller will be obligated to provide certain updated financial information and operating data annually, and timely notice of specified events, to the MSRB as described below.

(b) **Annual Reports of the State.** Pursuant to the Continuing Disclosure Agreement, the Comptroller will provide certain updated financial information and operating data to the MSRB annually. The Comptroller is not obligated to provide such financial and operating data more frequently than on an annual basis. The information to be updated includes all quantitative financial information and operating data with respect to the State of the general type included in the Bond Appendix. The Comptroller will update and provide this information within 195 days after the end of each fiscal year of the State. The updated information provided by the Comptroller need not be audited, but the Comptroller will provide audited financial statements of the State prepared in accordance with generally accepted accounting principles for governmental entities when the State Auditor completes its statutorily required audit of such financial statements. The accounting principles pursuant to which such financial statements must be prepared may be changed from time to time to comply with State law.

(c) **Event Notices of the Comptroller.** Under the Continuing Disclosure Agreement, the Comptroller has also agreed to provide notice to the MSRB of any of the following events, with respect to the Series 2021B Bonds, in a timely manner and not more than ten (10) business days after occurrence of the event:

(i) incurrence of a Financial Obligation of the State, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the State, any of which affect security holders, if material; and

(ii) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the State, any of which reflect financial difficulties.

(d) **Change in State Fiscal Year.** The State's current fiscal year end is August 31. If the State changes its fiscal year, the Comptroller will notify the MSRB of the change prior to the next date by which the Comptroller otherwise would be required to provide financial information and operating data as described above.

**Section 9.02 Continuing Disclosure Undertaking of the Board.**

(a) **Annual Reports of the Board.** The Board shall provide annually to the MSRB, within 195 days after the end of each Fiscal Year ending in or after 2021, financial information and operating data with respect to the Board and the State of the general type included in Tables 1 and 2 and Appendix B of the final Official Statement authorized by **Section 8.02** hereof, being the information described in **Exhibit B** hereto. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in **Exhibit B** hereto and (2) audited, if the Board or the State, as appropriate, commissions an audit of such statements and the audit is completed within the period during which they must be provided. If audited financial statements are not so provided, then the Board shall provide unaudited financial statements within the required time for the applicable Fiscal Year to the MSRB, and audited financial statements when and if audited financial statements become available.
(b) **Event Notices of the Board.** The Board shall notify the MSRB, in a timely manner not in excess of ten (10) Business Days after the occurrence of any of the following events with respect to the Series 2021B Bonds:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Series 2021B Bonds, or other material events affecting the tax status of the Series 2021B Bonds;
7. Modifications to rights of holders of the Series 2021B Bonds, if material;
8. Series 2021B Bond calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Series 2021B Bonds, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the Board;
13. The consummation of a merger, consolidation, or acquisition involving the Board or the sale of all or substantially all of the assets or business of the Board, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
14. Appointment of a successor or additional Paying Agent/Registrar or change in the name of the Paying Agent/Registrar, if material.

As used in clause 12 above, the phrase “bankruptcy, insolvency, receivership or similar event” means the appointment of a receiver, fiscal agent or similar officer for the Board in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Board, or if jurisdiction has been assumed by leaving the Board and officials or officers of the Board in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming
a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Board. The Board shall notify the MSRB, in a timely manner, of any failure by the Board to provide financial information or operating data in accordance with Section 9.02(a) by the time required by such Section.

(c) Change in Board Fiscal Year. If the Board changes its Fiscal Year, it will notify the MSRB of the change (and of the date of the new Fiscal Year end) prior to the next date by which the Board otherwise would be required to provide financial information and operating data pursuant to this Section.

Section 9.03 Incorporation by Reference. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to the MSRB or filed with the SEC. All filings shall be made electronically, in the format specified by the MSRB.

Section 9.04 Limitations, Disclaimers, and Amendments. The Board shall be obligated to observe and perform the covenants specified in this this Article for so long as, but only for so long as, the Board or the State remains an “obligated person” with respect to the Series 2021B Bonds within the meaning of the Rule, except that the Board in any event will give the notice required by Section 9.02(b) of any Series 2021B Bond calls and defeasance that cause the Board and the State to be no longer “obligated persons”.

The provisions of this Article are for the sole benefit of the holders and beneficial owners of the Series 2021B Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other Person. The Board undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Board’s or the State’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The Board does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Series 2021B Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE BOARD BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY SERIES 2021B BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE BOARD, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

All documents provided to the MSRB shall be accompanied by identifying information, as prescribed by the MSRB.

No default by the Board in observing or performing its obligations under this Article shall constitute a breach of or default under this Resolution for purposes of any other provision of this Resolution.
Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the Board or the State under federal and State securities laws.

Should the Rule be amended to obligate the Board to make filings with or provide notices to entities other than the MSRB, the Board agrees to undertake such obligation in accordance with the Rule as amended.

The provisions of this Article may be amended by the Board from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Board or the State, but only if (1) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Series 2021B Bonds in the primary offering of the Series 2021B Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate principal amount or maturity amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the outstanding Series 2021B Bonds consent to such amendment or (b) a Person that is unaffiliated with the Board and the State (such as nationally-recognized bond counsel) determines that such amendment will not materially impair the interests of the holders and beneficial owners of the Series 2021B Bonds. If the Board so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 9.02(a) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Board may also amend or repeal the provisions of this continuing disclosure requirement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Series 2021B Bonds in the primary offering of the Series 2021B Bonds.

ARTICLE X

DEFEASANCE

Section 10.01 Series 2021B Bonds Deemed Paid. Any Series 2021B Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a “Defeased Bond”), except to the extent hereinafter provided in this Article, when payment of the principal of such Series 2021B Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other similar instrument (the “Future Escrow Agreement”) for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Board with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Series 2021B Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Series 2021B Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the Financial Assistance Account, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Resolution to the contrary, it is hereby
provided that any determination not to redeem Defeased Bonds that is made in conjunction with the
payment arrangements specified in clauses (i) or (ii) above shall not be irrevocable; provided, that in the
proceedings providing for such payment arrangements, the Board (1) expressly reserves the right to call
the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the
Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice
of the reservation be included in any redemption notices that it authorizes.

Section 10.02 Investment in Defeasance Securities. Any moneys so deposited with the Paying
Agent/Registrar may at the written direction of the Board be invested in Defeasance Securities, maturing in
the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received
by the Paying Agent/Registrar that is not required for the payment of the Series 2021B Bonds and interest

arrangements to provide and pay for such services as required by this Resolution.

Section 10.04 Selection of Series 2021B Bonds for Defeasance. In the event that the Board
elects to defease less than all of the principal amount of Series 2021B Bonds of a maturity, the Paying

method as it deems fair and appropriate and consistent with the terms of this Resolution.

ARTICLE XII

MISCELLANEOUS PROVISIONS

Section 12.01 Further Procedures. The Chair of the Board, the Executive Administrator, the Development Fund Manager, the General Counsel, the Chief Financial Officer, and/or any other officers of the Board and each of them, shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the seal of the Board and on behalf of the Board all agreements, instruments, or such other documents, whether mentioned herein or not, as may be necessary or desirable in order to carry out the terms and provisions of this Resolution, and the initial sale and delivery of the Series 2021B Bonds. In addition, prior to the initial delivery of the Series 2021B Bonds, the Chair of the Board, the Executive Administrator, the Development Fund Manager, the Chief Financial Officer, and/or the General Counsel of the Board and the Board’s Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Resolution or to any of the instruments authorized and approved by this Resolution: (i) in order to cure any technical ambiguity, formal defect, or omission in the Resolution or such other document; or (ii) as requested by the Attorney General or his representative to obtain the approval of the Series 2021B Bonds by the Attorney General and if such officer or counsel determines that such ministerial changes are consistent with the intent and purpose of the Resolution, which determination shall be final. In the event that any officer of the Board whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

Section 12.02 Open Meeting; Notice. 1 Designation of subseries, if any, to be provided in an Approval Certificate.
INTEREST ON the Series 2021B Bonds shall be computed on the basis of a 360-day year of twelve 30-day months.

ANY PAYMENTS required to be made hereunder on any day which is not a Business Day (as defined below) shall be made instead on the next succeeding Business Day and no interest shall accrue on such payments in the interim. “Business Day” means a day other than a Saturday, Sunday, a legal holiday or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close. Notwithstanding the foregoing, during any period in which ownership of the Series 2021B Bonds is determined only by a book entry at a securities depository for the Series 2021B Bonds, any payment to the securities depository, or its nominee or registered assigns, shall be made in accordance with existing arrangements between the Board and the securities depository.

THIS BOND is one of a series of Bonds of like tenor and effect except as to number, maturity, interest rate and right of prior redemption, dated as of the dated date of this Bond specified above, aggregating ___________________ ($________________) (the “Series 2021B Bonds”)¹, issued pursuant to authority granted to the Board by Section 49-d-8 of Article III of the Texas Constitution (“Section 49-d-8”), Section 49-d-9 of Article III of the Texas Constitution (“Section 49-d-9”) and Subchapter L, Chapter 17, Texas Water Code (“Subchapter L”), and a resolution authorizing the issuance of the series of Bonds of which this is one, adopted by the Board and duly of record in the minutes of the Board (hereinafter called the “Bond Resolution”), for the purpose of refunding the Refunded Bonds, and to pay expenses arising in connection with the issuance of the Series 2021B Bonds. In the Bond Resolution, the Board delegated to certain designated officials the authority to establish and approve the final terms of sale of the Series 2021B Bonds through the execution of one or more Approval Certificates (the Bond Resolution and applicable Approval Certificate are collectively referred to herein as the “Resolution”). Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Resolution.

THE SERIES 2021B BONDS having stated maturities on and after ________, 20__ shall be subject to redemption prior to maturity, at the option of the Board, in whole or in part, in Authorized Denominations, on ________, 20__, or on any date thereafter, at the redemption price of par plus accrued interest to the date of redemption.

THE SERIES 2021B BONDS maturing on August 1, in the years ____________ (the “Term Bonds”) are subject to mandatory sinking fund redemption annually, on August 1 of the years and in the principal amounts set forth below, plus accrued interest from the most recent interest payment date on which interest has been paid or fully provided for, to the redemption date:

† Final Maturity

¹ Designation of subseries, if any, to be provided in an Approval Certificate.
THE PRINCIPAL AMOUNT of Term Bonds required to be redeemed shall be reduced, at the option of the Board, by the principal amount of Term Bonds which, at least 50 days prior to the mandatory sinking fund redemption date (1) shall have been defeased or acquired by the Board and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the Board with money in the Bond Fund, or (3) shall have been redeemed pursuant to the optional redemption provisions set forth above and not theretofor credited against a mandatory sinking fund redemption requirement. On or before August 1 of every year in which there are mandatory redemption requirements as defined above for the Term Bonds, the Paying Agent/Registrar shall determine the principal amount of Term Bonds that must be mandatorily redeemed on August 1 of such year, after taking into account deliveries for cancellation and prior redemption of Term Bonds as provided above.

IF FEWER THAN ALL OF THE SERIES 2021B BONDS are called for redemption, the maturities to be redeemed will be selected by the Board, and the Series 2021B Bonds to be redeemed within any one maturity will be selected by the Paying Agent/Registrar by lot (or in such other manner as the Paying Agent/Registrar may determine) in integral multiples of $5,000; provided, however, that during any period in which ownership of such Series 2021B Bonds to be redeemed is determined only by a book-entry at DTC, or a successor securities depository, if fewer than all of such Series 2021B Bonds of the same maturity and bearing the same interest rate are to be redeemed, the particular Series 2021B Bonds of such maturity and bearing such interest rate will be selected in accordance with the arrangements between the Board and DTC or successor securities depository.

IF THE SERIES 2021B BONDS are no longer registered to DTC or its nominee, any redemption of less than all of a maturity of such Series 2021B Bonds shall be effected by the Paying Agent/Registrar among owners on a pro-rata basis subject to minimum Authorized Denominations. The Series 2021B Bonds or portions thereof to be redeemed shall be determined by the Paying Agent/Registrar, using such method as it shall deem fair and appropriate.

AT LEAST thirty (30) days prior to the date fixed for any redemption, (a) a written notice of such redemption shall be given to the registered owner of each Bond or a portion thereof being called for redemption by depositing such notice in the United States mail, first-class postage prepaid, addressed to each such registered owner at his address shown on the registration books of the Paying Agent/Registrar, and (b) notice of such redemption either shall be published one (1) time in or posted electronically on the website of a financial journal or publication of general circulation in the United States of America or the State of Texas carrying as a regular feature notices of municipal bonds called for redemption; provided, however, that the failure to send, mail, or receive such notice described in clause (a) above, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Bond, and the Resolution provides that the provision of notice as described in clause (a) above shall be the only notice actually required in connection with or as a prerequisite to the redemption of any Bonds. By the date fixed for any such redemption due provision shall be made by the Board with the Paying Agent/Registrar for the payment of the required redemption price for this Bond or the portion hereof which is to be so redeemed, plus accrued interest thereon to the date fixed for redemption. Should notice to call Bonds for redemption at the option of the Board be given in the manner provided above, but the Board shall not be able to provide the Paying Agent/Registrar with amounts sufficient to effect on the date fixed for redemption the payment of the entire redemption price of the Series 2021B Bonds so called for redemption, no Bonds shall be redeemed on the date fixed for redemption, and the notice of redemption for such Bonds shall be null and void. Such occurrence shall not result in default of
the Board’s payment obligations on the Series 2021B Bonds as provided herein or in the Resolution. By each redemption date, the Board shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date.

THE BOARD RESERVES the right to give notice of its election to optionally redeem Series 2021B Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or Defeasance Securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the Board retains the right to rescind such notice at any time prior to the scheduled redemption date if the Board delivers a certificate or other direction to the Paying Agent/Registrar instruction the Paying Agent/Registrar to rescind the redemption notice, and such notice of redemption shall be of no effect if such moneys and/or Defeasance Securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall not constitute an event of default and shall remain outstanding.

IF SUCH NOTICE of redemption is given, and if due provision for such payment is made, all as provided in the paragraph above, this Bond, or the portion thereof which is to be so redeemed, thereby automatically shall be redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being Outstanding except for the right of the registered owner to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent/Registrar out of the funds provided for such payment. The Paying Agent/Registrar shall record in the Registration Books all such redemptions of principal of this Bond or any portion hereof. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any Authorized Denomination, at the written request of the registered owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Resolution

THIS BOND OR ANY PORTION OR PORTIONS HEREOF IN ANY AUTHORIZED DENOMINATION may be assigned and shall be transferred only in the registration books of the Board kept by the Paying Agent/Registrar acting in the capacity of registrar for the Series 2021B Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar at the Designated Payment/Transfer Office, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any Authorized Denomination to the assignee or assignees. A new Bond or Bonds payable to such assignee, or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, shall be delivered by the Paying Agent/Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds.

AS PROVIDED in the Resolution, this Bond, or any unredeemed portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date and interest rate, in any Authorized Denomination, as requested in writing by the appropriate registered owner or assignee, upon surrender of this Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office for cancellation.
NEITHER THE BOARD, the State of Texas, nor the Paying Agent/Registrar shall be required (a) to issue, transfer, exchange or make any conversion of any Bond subject to redemption during a period beginning at the opening of business thirty (30) days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (b) to transfer or exchange any Bond after it is selected for redemption, in whole or in part, prior to the redemption date; provided, however, that at the option of the registered owner of at least $1,000,000 in principal amount of the Series 2021B Bonds, the Paying Agent/Registrar shall be required to transfer or exchange any Bonds which have been selected in whole or in part for redemption upon the surrender thereof. The registered owner requesting conversion and exchange of any Bond or portion thereof shall pay the Paying Agent/Registrar’s customary fees and charges, together with any taxes or governmental charges required to be paid with respect thereto, as a condition precedent to the exercise of such privilege of conversion and exchange, except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or portion thereof, and in the case of the conversion and exchange of a portion of a Bond which has been redeemed prior to maturity, as provided herein, the fees and charges of the Paying Agent/Registrar will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Series 2021B Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Series 2021B Bonds is changed by the Board, resigns or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, and promptly will cause written notice thereof to be mailed to the registered owners of the Series 2021B Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE ISSUE of Bonds of which this is one shall be and is hereby made a general obligation of the State of Texas, pursuant to Section 49-d-8 and Subchapter L, and for the faithful performance of all covenants, recitals and stipulations herein contained, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on this Bond when due, the resources of the Board and the full faith and credit of the State of Texas are hereby pledged.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond shall be made primarily from the “Texas Water Development Fund II Water Financial Assistance Account” (the “Financial Assistance Account”) within the Texas Water Development Fund II (“Development Fund II”) created by Section 49-d-8. The Financial Assistance Account shall be comprised of (1) the Board’s rights to receive repayment of financial assistance provided from such account, together with any evidence of such rights; (2) money received from the sale or other disposition of the Board’s rights to receive repayment of such financial assistance; (3) money received as repayment of such financial assistance; (4) money and assets attributable to bonds issued and sold by the Board for such account, including money and assets transferred...
from the Texas Water Development Fund pursuant to Section 49-d-8; (5) money deposited to such account from the sale, transfer, or lease, in whole or in part, of facilities held for such account; (6) payments received by the Board under a bond enhancement agreement as authorized by law with respect to bonds issued for such account; (7) interest and other income received from investment of money in such account; and (8) any other funds, regardless of their source, that the Board directs be deposited to the Financial Assistance Account. Proceeds from the sale of the bonds on deposit in the Financial Assistance Account shall not be available to pay the principal of and premium, if any, and interest on this Bond and the series of which it is a part unless specifically authorized by the Board. The Bonds and all other bonds or other obligations issued or incurred by the Board pursuant to Section 49-d-8, Section 49-d-9, or Section 49-d-11 to augment Development Fund II or to refund any such bonds or obligations are referred to herein as “Water Financial Assistance Bonds”. Section 49-d-8 provides that to the extent there is not money in any account available for payment of principal of and interest on the Water Financial Assistance Bonds issued for such account, there is appropriated out of the first money coming into the State Treasury (as defined in the Resolution) in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such Water Financial Assistance Bonds that mature or become due during that fiscal year.

IT IS HEREBY certified and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, and that the series of Bonds of which this is a part does not exceed any constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part as such principal and interest become due by a continuing appropriation heretofore made by Section 49-d-8 and by a pledge of the credit of the State of Texas.
IN TESTIMONY WHEREOF, this Bond is executed with the lithographed or printed facsimile or manual signatures of the Chair of the Texas Water Development Board and the Executive Administrator, and the seal of said Board is lithographed, printed or manually impressed hereon.

facsimile or the manual signatures of the Chair of the Board and the Executive Administrator, and the manually impressed or lithographed or printed facsimile seal of the Board. Lithographed or printed facsimile signatures and seal shall have the same effect as if each Series 2021C Bond had been manually signed by such officers, and the seal had been manually impressed on each Series 2021C Bond.

In case any officer whose signature is on a Series 2021C Bond no longer holds such office at the time of authentication, or was the proper officer on the date of execution but not on the nominal date of action, the Series 2021C Bond shall nevertheless be valid.

Section 2.05 Temporary Bonds. Pending the preparation of definitive Series 2021C Bonds, the Board may execute and, upon the Board’s request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Series 2021C Bonds substantially of the tenor of the definitive Series 2021C Bonds in lieu of which they are delivered, with such appropriate insertions, omissions, substitutions and other variations, as evidenced by the execution of such temporary Series 2021C Bonds, as such officers executing such temporary Series 2021C Bonds may determine.

Until exchanged for Series 2021C Bonds in definitive form, such Series 2021C Bonds in temporary form shall be entitled to the benefit and security of this Resolution. The Board, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar, and upon the presentation and surrender of the temporary Series 2021C Bonds to the Paying Agent/Registrar, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor, definitive Series 2021C Bonds of the same maturity, aggregate principal amount or maturity amount, as the case may be, and bearing or accruing interest at the same rate as the temporary Series 2021C Bonds surrendered. The exchange shall be made without any charge to any owner of Series 2021C Bonds.

Section 2.06 Appointment and Duties of Paying Agent/Registrar.

(a) Appointment. The Board hereby appoints The Bank of New York Mellon Trust Company, N.A., as the initial Paying Agent/Registrar for the Series 2021C Bonds. The Board shall keep or cause to be kept at the Designated Payment/Transfer Office of the Paying Agent/Registrar books or records of the registration and transfer of the Series 2021C Bonds (the “Registration Books”), and the Board hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such transfers and registrations under such reasonable regulations as the Board and the Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such transfers and registrations as herein provided. It shall be the duty of the Paying Agent/Registrar to obtain from the registered owner and record in the Registration Books the address of such registered owner of each Series 2021C Bond to which payments with respect to the Series 2021C Bonds shall be mailed, as herein provided. The Board or its designee shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Board hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Series 2021C Bonds, and to act as its agent to convert and exchange or replace Series 2021C Bonds, all as provided in this Resolution. The Paying Agent/Registrar shall keep proper records of all payments made by the Board and the Paying Agent/Registrar with respect to the Series 2021C Bonds, and of all conversions and exchanges of such Series 2021C Bonds, and all replacements of such Series 2021C Bonds, as provided in this Resolution.
(b) **Duties.** The Paying Agent/Registrar shall perform such duties as are required of the Paying Agent/Registrar hereunder and under the Paying Agent/Registrar Agreement. The Executive Administrator or the designee thereof is hereby authorized to execute and deliver for and on behalf of the Board the Paying Agent/Registrar Agreement, which shall be in substantially the form utilized in connection with EDAP Bonds previously issued by the Board, with such changes as the Executive Administrator may approve, such approval to be conclusively evidenced by the execution and delivery of such agreement by the Executive Administrator or the designee thereof.

**Section 2.07 Registration, Transfer and Exchange of Bonds.**

(a) **Transfer.** Registration of each Series 2021C Bond may be transferred on the Registration Books only upon presentation and surrender of such Series 2021C Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing the assignment of the Series 2021C Bond, or any portion thereof in any Authorized Denomination, to the assignee or assignees thereof, and the right of such assignee or assignees to have the Series 2021C Bond or any such portion thereof registered in the name of such assignee or assignees. Upon the assignment and transfer of any Series 2021C Bond or any portion thereof, a new substitute Series 2021C Bond or Series 2021C Bonds shall be issued in conversion and exchange therefor in the manner provided in this Section.

(b) **Duty of Conversion, Exchange or Replacement.** Pursuant to Chapter 1206, and particularly Subchapter B thereof, the duty of conversion and exchange or replacement of Series 2021C Bonds in the manner prescribed herein is hereby imposed upon the Paying Agent/Registrar. Each Series 2021C Bond may be converted into and exchanged for fully registered Series 2021C Bonds in the manner set forth herein. Each Series 2021C Bond issued and delivered pursuant to this Resolution, to the extent of the unpaid or unredeemed principal amount or maturity amount thereof, as the case may be, upon surrender of such Series 2021C Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar, together with a written request therefor duly executed by the registered owner or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, at the option of the registered owner or such assignee or assignees, as appropriate, shall be converted into and exchanged for fully registered Series 2021C Bonds in the form prescribed in the FORM OF BOND of like series or subseries, in any Authorized Denomination (subject to the requirement hereinafter stated that each substitute Series 2021C Bond shall have a single stated maturity date), as requested in writing by such registered owner or such assignee or assignees, in an aggregate principal amount or maturity amount, as the case may be, equal to the unpaid or unredeemed principal amount or maturity amount of any Series 2021C Bond or Series 2021C Bonds, as the case may be, so surrendered, and payable to the appropriate registered owner, assignee, or assignees, as the case may be. If a portion of any Series 2021C Bond shall be redeemed prior to its scheduled maturity as provided herein, a substitute Series 2021C Bond or Series 2021C Bonds having the same maturity date, of like series or subseries and bearing or accruing interest at the same rate, in any Authorized Denomination at the written request of the registered owner, and in an aggregate principal amount or maturity amount, as the case may be, equal to the unredeemed portion thereof, will be issued to the registered owner upon surrender thereof for cancellation. The Paying Agent/Registrar promptly shall cancel all Series 2021C Bonds surrendered for conversion and exchange or replacement. If any Series 2021C Bond or portion thereof is assigned and transferred or converted, each Series 2021C Bond issued in exchange therefor
shall have the same principal maturity date, be of like series or subseries and bear or accrue interest at the same rate, as the Series 2021C Bond for which it is being exchanged.

(c) **No Additional Actions Necessary.** No additional ordinances, orders, or resolutions need be passed or adopted by the Board or any other Person so as to accomplish the foregoing conversion and exchange or replacement of any Series 2021C Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution and delivery of the substitute Series 2021C Bonds in the manner prescribed herein. All Series 2021C Bonds issued in conversion and exchange or replacement of any other Series 2021C Bond or portion thereof (i) shall be issued in fully registered form with the principal of and interest on such Series 2021C Bonds to be payable only to the registered owners thereof, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Series 2021C Bonds, shall have the characteristics, (vi) shall be signed and sealed, and (vii) the principal of and interest thereon shall be payable, all if and as provided with respect to the Series 2021C Bonds, and in the manner required or indicated, in ARTICLE II of this Resolution. Each substitute Series 2021C Bond shall bear a letter and/or number to distinguish it from each other Series 2021C Bond. Each fully registered Series 2021C Bond delivered in conversion and exchange for or replacement of any Series 2021C Bond or portion thereof as permitted or required by any provision of this Resolution shall constitute one of the Series 2021C Bonds for all purposes of this Resolution, and may again be converted and exchanged or replaced.

(d) **Authentication Certificate.** On each substitute Series 2021C Bond issued in conversion of and exchange for or replacement of any Series 2021C Bond or Series 2021C Bonds issued under this Resolution there shall be printed thereon a Paying Agent/Registrar's Authentication Certificate (the "Authentication Certificate"), in the form set forth in the FORM OF BOND. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Series 2021C Bond, date and manually sign the Authentication Certificate, and no such Series 2021C Bond shall be deemed to be issued or outstanding unless the Authentication Certificate is so executed. Upon the execution of the Authentication Certificate, the converted and exchanged or replaced Series 2021C Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Initial Bonds which originally were delivered pursuant to this Resolution, approved by the Attorney General, and registered by the Comptroller.

(e) **Restrictions on Transfer or Exchange.** Neither the Board, the State nor the Paying Agent/Registrar shall be required (i) to issue, transfer, or exchange any Series 2021C Bond subject to redemption during a period beginning at the opening of business thirty (30) days before the day of the first mailing of a notice of redemption of Series 2021C Bonds and ending at the close of business on the day of such mailing or (ii) to transfer or exchange any Series 2021C Bond after it is selected for redemption, in whole or in part, prior to the redemption date; except that at the option of the registered owner of at least $1,000,000 in principal amount of Series 2012B Bonds, the Paying Agent/Registrar shall be required to transfer or exchange any such Series 2021C Bond which has been selected in whole or in part for redemption upon surrender thereof. In which event, the Paying Agent/Registrar may make such arrangements as it deems appropriate for notation on each new Series 2021C Bond issued in exchange for or upon transfer of the Series 2021C Bond so selected for redemption of an appropriate legend to the effect that such new Series 2021C Bond has been so selected for redemption.

(f) **Payment of Fees.** The registered owner of any Series 2021C Bond requesting any conversion and exchange shall pay the Paying Agent/Registrar's reasonable and standard or customary fees and charges for converting and exchanging any such Series 2021C Bond or portion thereof, together
with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except that in the case of the conversion and exchange of an assigned and transferred Series 2021C Bond or any portion or portions thereof in any Authorized Denomination, and in the case of the conversion and exchange of the unredeemed portion of a Series 2021C Bond which has been redeemed in part prior to maturity, as provided in this Resolution, such fees and charges will be paid by the Board. In addition, the Board hereby covenants with the registered owners of the Series 2021C Bonds that it will pay the (i) reasonable and standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of and interest on the Series 2021C Bonds, when due, and (ii) fees and charges of the Paying Agent/Registrar for services with respect to the transfer or registration of Series 2021C Bonds, and with respect to the conversion and exchange of Series 2021C Bonds solely to the extent above provided.

Section 2.08 Owners of Bonds. The Person in whose name any Series 2021C Bond shall be registered in the Registration Books at any time shall be treated as the absolute owner thereof for all purposes of this Resolution, whether such Series 2021C Bond shall be overdue, and the Board and the Paying Agent/Registrar shall not be affected by any notice to the contrary unless otherwise required by law; and payment of, or on account of, the principal of and premium, if any, and interest on any such Series 2021C Bond shall be made only to such registered owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2021C Bond to the extent of the sum or sums so paid.

Section 2.09 Damaged, Mutilated, Lost, Stolen or Destroyed Bonds.

(a) Replacement. In the event any outstanding Series 2021C Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new Series 2021C Bond of the same principal amount or maturity amount, as the case may be, maturity date, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Series 2021C Bond, in replacement for such Series 2021C Bond in the manner hereinafter provided.

(b) Application for Replacement. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Series 2021C Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Series 2021C Bond, the applicant for a replacement Series 2021C Bond shall furnish to the Board and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft or destruction of a Series 2021C Bond, the applicant shall furnish to the Board and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Series 2021C Bond, as the case may be. In every case of damage or mutilation of a Series 2021C Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Series 2021C Bond so damaged or mutilated.

(c) Payment in Lieu of Replacement. Notwithstanding the foregoing provisions of this Section, in the event any such Series 2021C Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, premium, if any, or interest on the Series 2021C Bond, the Board may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Series 2021C Bond) instead of issuing a replacement Series 2021C Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Payment of Costs. Prior to the issuance of any replacement Series 2021C Bond, the Paying Agent/Registrar shall charge the owner of such Series 2021C Bond with all legal, printing, and other
expenses in connection therewith. Every replacement Series 2021C Bond issued pursuant to the
provisions of this Section by virtue of the fact that any Series 2021C Bond is lost, stolen or destroyed shall
constitute a contractual obligation of the Board whether the lost, stolen, or destroyed Series 2021C Bond
shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this
Resolution equally and proportionately with any and all other Series 2021C Bonds duly issued under this
Resolution.

(e) Legal Authority. In accordance with Chapter 1206, this Section shall constitute authority
for the issuance of any such replacement Series 2021C Bond without necessity of further action by the
Board of any other Person, and the duty of the replacement of such Series 2021C Bonds is hereby
authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall
authenticate and deliver such Series 2021C Bonds in the form and manner and with the effect, as provided
in Section 2.07 for Series 2021C Bonds issued in conversion and exchange for other Series 2021C Bonds.

Section 2.10 Successor Paying Agent/Registrars. The Board covenants with the registered
owners of the Series 2021C Bonds that at all times while the Series 2021C Bonds are outstanding the
Board will provide a competent and legally qualified bank or trust company to act as and perform the
services of Paying Agent/Registrar for the Series 2021C Bonds under this Resolution, and that the Paying
Agent/Registrar will be one entity. The Board reserves the right to, and may, at its option, change the
Paying Agent/Registrar upon not less than sixty (60) days’ written notice to the Paying Agent/Registrar. In
the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger,
acquisition, or other method) should resign or otherwise cease to act as such, the Board covenants that
promptly it will appoint a competent and legally qualified bank or trust company which shall be a corporation
organized and doing business under the laws of the United States of America or of any state, authorized
under such laws to exercise trust powers, subject to supervision or examination by federal or state authority,
to act as Paying Agent/Registrar under this Resolution. Upon any change in the Paying Agent/Registrar,
the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy
thereof), along with all other pertinent books and records relating to the Series 2021C Bonds, to the new
Paying Agent/Registrar designated and appointed by the Board. Upon any change in the Paying
Agent/Registrar, the Board promptly will cause a written notice thereof to be sent by the new Paying
Agent/Registrar to each registered owner of the Series 2021C Bonds, by United States mail, first-class,
postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar and the
Designated Payment/Transfer Office. By accepting the position and performing as such, each Paying
Agent/Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy
of this Resolution shall be delivered to each Paying Agent/Registrar.

Section 2.11 Book-Entry Only System. The Initial Bonds shall be delivered to the Underwriters
against payment received therefrom on the Date of Delivery. The senior managing underwriter named in
Section 11.01 hereof, acting as the representative for the Underwriters, shall be required to promptly
surrender the Initial Bonds to the Paying Agent/Registrar for exchange. Series 2021C Bonds issued in
exchange therefor shall be registered in the name of Cede & Co., as nominee of DTC, as registered owner
of the Series 2021C Bonds, and held in the custody of DTC. Unless otherwise requested by DTC, a single
certificate will be issued and delivered to DTC for each maturity of the Series 2021C Bonds. Beneficial
owners of Series 2021C Bonds will not receive physical delivery of Series 2021C Bond certificates except
as provided hereinafter. For so long as DTC shall continue to serve as securities depository for the Series
2021C Bonds as provided herein, all transfers of beneficial ownership interests will be made by book-entry
only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2021C Bonds is to receive, hold or deliver any Series 2021C Bond certificate.

With respect to Series 2021C Bonds registered in the name of Cede & Co., as nominee of DTC, the Board and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on whose behalf a DTC Participant holds an interest in the Series 2021C Bonds. Without limiting the immediately preceding sentence, the Board and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Series 2021C Bonds, (ii) the delivery to any DTC Participant or any other Person, other than a registered owner of the Series 2021C Bonds, as shown on the Registration Books, of any notice with respect to the Series 2021C Bonds, including any notice of redemption, and (iii) the payment to any DTC Participant or any other Person, other than a registered owner of the Series 2021C Bonds, as shown in the Registration Books, of any amount with respect to principal of or premium, if any, or interest on the Series 2021C Bonds.

Replacement Series 2021C Bonds may be issued directly to beneficial owners of Series 2021C Bonds other than DTC, or its nominee, but only in the event that: (i) DTC determines not to continue to act as securities depository for the Series 2021C Bonds (which determination shall become effective no less than ninety (90) days after written notice to such effect to the Board and the Paying Agent/Registrar); (ii) the Board has advised DTC of its determination (which determination is conclusive as to DTC and beneficial owners of the Series 2021C Bonds) that DTC is incapable of discharging its duties as securities depository for the Series 2021C Bonds; or (iii) the Board has determined (which determination is conclusive as to DTC and the beneficial owners of the Series 2021C Bonds) that the interests of the beneficial owners of the Series 2021C Bonds might be adversely affected if such book-entry only system of transfer is continued. Upon occurrence of any of the foregoing events, the Board shall use its best efforts to attempt to locate another qualified securities depository to replace DTC. If the Board fails to locate another qualified securities depository to replace DTC, the Board shall cause to be authenticated and delivered replacement Series 2021C Bonds, in certificate form, to the beneficial owners of the Series 2021C Bonds. In the event that the Board makes the determination noted in (ii) or (iii) above (provided that the Board undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the Board to make any such determination), and has made provisions to notify the beneficial owners of Series 2021C Bonds of such determination by mailing an appropriate notice to DTC, it shall cause to be issued replacement Series 2021C Bonds in certificate form to beneficial owners of the Series 2021C Bonds as shown on the records of DTC provided to the Board.

Whenever, during the term of the Series 2021C Bonds, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in this Resolution of holding, delivering or transferring Series 2021C Bonds shall be deemed modified to require the appropriate Person or entity to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

If at any time, DTC ceases to hold the Series 2021C Bonds as securities depository, all references herein to DTC shall be of no further force or effect.

Section 2.12 All Bonds On Parity. No EDAP Bond shall be entitled to priority of payment over any other EDAP Bond in the application of any moneys made available by law for the payment thereof, irrespective of the fact that some of the EDAP Bonds may have been or may be delivered prior to the
delivery of other EDAP Bonds, it being the intent of this Resolution that all EDAP Bonds shall rank equally on parity with each other.

ARTICLE III

REDEMPTION OF BONDS BEFORE MATURITY

Section 3.01 Limitation on Redemption. Unless otherwise provided in the Approval Certificate, the Series 2021C Bonds shall be subject to redemption before scheduled maturity only as provided in this Article. Any provision of this Article, including, without limitation, any provisions relating to the method or selection of Series 2021C Bonds for redemption may be modified in an Approval Certificate.

Section 3.02 Optional and Mandatory Redemption of Bonds. The Series 2021C Bonds shall be subject to optional redemption and mandatory redemption by the Board on behalf of the State prior to maturity in the manner and at the redemption price as described in the Approval Certificate. The FORM OF BOND shall be completed upon the execution of the Approval Certificate to reflect the redemption provisions, if any, applicable to Bonds as provided for in the Approval Certificate.

Section 3.03 Partial Redemption.

(a) The Series 2021C Bonds redeemed in part shall be selected for redemption as described in the FORM OF BOND.

(b) A portion of a single Bond of a denomination greater than an Authorized Denomination may be redeemed but only in a principal amount equal to a minimum Authorized Denomination or any integral multiple thereof. The Paying Agent/Registrar shall treat each minimum Authorized Denomination of such Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar shall authenticate and deliver an exchange Bond in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

Section 3.04 Notice of Redemption.

(a) The Paying Agent/Registrar shall record in the Registration Books all such redemptions of principal of the Series 2021C Bonds or any portion thereof. Notice of any redemption of the Series 2021C Bonds shall be given to the registered owners thereof by the Paying Agent/Registrar in the manner provided in the FORM OF BOND.

(b) In addition to the manner of providing notice of redemption of the Series 2021C Bonds as set forth in the FORM OF BOND, the Paying Agent/Registrar shall give notice of redemption of the Series 2021C Bonds by United States mail, first-class postage prepaid, at least thirty (30) days prior to a redemption date to each registered securities depository and to the MSRB. In addition, in the event of a redemption caused by an advance refunding of the Series 2021C Bonds, the Paying Agent/Registrar shall send a second notice of redemption to the Persons specified in the immediately preceding sentence at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice sent to the registered securities depositories or the MSRB shall be sent so that they are received at least two (2) days prior to the general mailing, publication or electronic posting date of such notice. The Paying
Agent/Registrar shall also send a notice of redemption to the registered owner of any Series 2021C Bonds who has not sent the Series 2021C Bonds in for redemption sixty (60) days after the redemption date. The failure to send, mail or receive any such notice described in this clause (i), or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Series 2021C Bond.

(c) The Board reserves the right to give notice of its election to optionally redeem Series 2021C Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of monies and/or Defeasance Securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the Board retains the right to rescind such notice at any time prior to the scheduled redemption date if the Board delivers a certificate or other direction to the Paying/Agent Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice of redemption shall be of no effect if such monies and/or Defeasance Securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission to the affected Owners. Any Series 2021C Bonds subject to conditional redemption where redemption has been rescinded shall not constitute an event of default and shall remain outstanding.

(d) Each redemption notice, whether required in the FORM OF BOND or otherwise by this Resolution, shall contain a description of the Series 2021C Bonds to be redeemed, including the complete name of the Series 2021C Bonds, the series, the date of issue, the interest rate, the maturity date, the CUSIP number, if any, the amounts called of each Series 2021C Bond, the publication and mailing date for the notice, the date of redemption, the redemption price, the name of the Paying Agent/Registrar and the address at which the Series 2021C Bond may be redeemed including a contact person and telephone number.

(e) All redemption payments made by the Paying Agent/Registrar to the registered owners of the Series 2021C Bonds shall include a CUSIP number relating to each amount paid to such registered owner.

(f) Should notice to call Series 2021C Bonds for redemption at the option of the Board be given in the manner provided above, but the Board shall not be able to provide the Paying Agent/Registrar with amounts sufficient to effect on the date fixed for redemption the payment of the entire redemption price of the Series 2021C Bonds so called for redemption, no Series 2021C Bond shall be redeemed on the date fixed for redemption, and the notice of redemption for such Series 2021C Bonds shall be null and void. Such occurrence shall not result in default of the Board’s payment obligations on the Series 2021C Bonds as provided herein or in the Series 2021C Bonds.

Section 3.05 Payment Upon Redemption.

(a) By each redemption date, the Board shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date.

(b) Upon presentation and surrender of any Bond called for redemption at the designated office of the Paying Agent/Registrar on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of and accrued interest on such Bond to the date of redemption from the money provided for that purpose.
Section 3.06 Effect of Redemption.

SECURITY AND PAYMENT OF BONDS; ESTABLISHMENT AND FLOW OF FUNDS

Section 5.01 General Obligations. The EDAP Bonds, including the Previously Issued EDAP Bonds and the Series 2021C Bonds, constitute general obligations of the State pursuant to Section 49-d-8, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and premium, if any, and interest on each of
the EDAP Bonds when due, the full faith and credit of the State and, in the manner herein provided, the resources of the Board are hereby pledged.

Pursuant to the Act, Development Fund II shall contain the State Participation Account, the Economically Distressed Areas Program Account and the Financial Assistance Account. In addition, Development Fund II may contain such additional accounts as the Board determines are necessary and convenient for the administration of Development Fund II.

Section 5.03 Confirmation of Constitutional and Statutory Funds.

(a) Section 49-d-8 and Legislative Powers. All Bond proceeds (other than proceeds to be used to refund outstanding bonds or other obligations) shall be deposited in the State Treasury to the credit of the Economically Distressed Areas Program Account. Section 49-d-8 provides that accounts within Development Fund II shall consist of certain identified items, and Subsection (g) of Section 49-d-8 further states that:

"[Section 49-d-8] being intended only to establish a basic framework and not to be a comprehensive treatment of the Texas Water Development Fund II, there is hereby reposed in the legislature full power to implement and effectuate the design and objects of [Section 49-d-8], including the power to delegate such duties, responsibilities, functions, and authority to the Texas Water Development Board as it believes necessary."

(b) Economically Distressed Areas Program Account. Consistent with the Act and Section 49-d-8, the "Texas Water Development Fund II Economically Distressed Areas Program Account (the "Economically Distressed Areas Program Account") shall receive such moneys as described below, and the moneys therein shall be used as described below:

(i) Money and Assets Attributable to Bonds designated by the Board as issued for EDAP Projects;

(iii) payments received under a Bond Enhancement Agreement with respect to EDAP Bonds designated by the Board as issued for EDAP Projects;

(iv) investment income earned on money on deposit in the Economically Distressed Areas Program Account; and

(v) any other funds, regardless of their source, that the Board directs be deposited to the credit of the Economically Distressed Areas Program Account.

Except for those moneys that the Board determines are unavailable for such purpose, moneys on deposit in the Economically Distressed Areas Program Account shall be used to pay principal and interest on the EDAP Bonds. The Board may use moneys on deposit in the Economically Distressed Areas Program Account...
Account for EDAP Projects in any manner that the Board determines necessary for the administration of the Economically Distressed Areas Program Account, consistent with the provisions of Section 49-d-8 and the laws of the State, including specifically the Act, and this Resolution. Moneys on deposit in the Economically Distressed Areas Program Account also be used for payment of the expenses of the Board incurred in connection with the issuance of the EDAP Bonds and the administration of Development Fund II.

(c) **Bond Payment Account.** The Board has established in the State Treasury the “Texas Water Development Fund II Economically Distressed Areas Program Bond Payment Account (the “Bond Payment Account”), as a special account into which shall be deposited in the manner, within the time limits, and from sources as prescribed in Sections 5.04 and 5.05, amounts sufficient to pay when due the principal of and premium, if any, and interest payable on the EDAP Bonds, including, to the extent determined by the Board, amounts sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such EDAP Bonds.

**Section 5.04 Flow of Funds For Debt Service.**

(a) **Transfers for Payments of Bonds.** While and so long as any EDAP Bond is outstanding, on or before the date interest or interest and principal on the Bonds is scheduled to become due and payable, the Board shall cause to be transferred, from the moneys available for such purpose in the Economically Distressed Areas Program Account, to the Bond Payment Account an amount which shall be sufficient to pay the principal of and premium, if any, and interest on the EDAP Bonds, including, to the extent determined by the Board, an amount which shall be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such EDAP Bonds, when such interest or principal and interest, and premium, if any, or such payments, if any, become due and payable, with allowance being made for moneys currently on deposit in the Bond Payment Account and available to make such payments.

(b) **Notice to Comptroller of Insufficient Funds.** If the Executive Administrator or the designee thereof determines within fifteen (15) days of an interest or principal payment date that the money available in the Economically Distressed Areas Program Account for transfer to the Bond Payment Account, as described in subsection (a) of this Section, is not sufficient to pay the principal of, premium, if any, and interest on the EDAP Bonds which then are outstanding and are scheduled to be due and payable on such interest or principal payment date, including, to the extent determined by the Board, an amount which shall be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such EDAP Bonds, it is hereby made the duty of the Executive Administrator or the designee thereof to request the Comptroller to deposit in the Bond Payment Account out of the first moneys coming into the State Treasury, not later than three (3) days prior to such interest or principal payment date, or as soon thereafter as sufficient money shall have been received in the State Treasury, an amount sufficient so that the total amount in the Bond Payment Account will be sufficient to pay the principal, premium, if any, and interest to mature and come due on such interest or principal payment date, or to make any payments by the Board, to the extent determined by the Board, under any Bond Enhancement Agreement with respect to principal or interest on such EDAP Bonds, and to pay all collection and exchange charges in connection therewith.

(c) **Use of Remaining Moneys.** After making the transfers for the benefit of the Bond Payment Account as provided above in this Section, other available moneys remaining in the Economically Distressed Areas Program Account may, at the direction of the Board, be used for all of the purposes for
which the Board may expend moneys in the Economically Distressed Areas Program Account under Section 49d-8.

(d) **Bond Enhancement Agreement.** Payments to be made by the Board under the terms of a Bond Enhancement Agreement shall be governed by the resolution adopted by the Board authorizing the execution and delivery of such Bond Enhancement Agreement.

(e) **Transfers Upon Board Resolution.** Anything contained in this Section to the contrary notwithstanding, money in the Economically Distressed Areas Program Account representing proceeds from a series of EDAP Bonds, prepayments of financial assistance provided from the Economically Distressed Areas Program Account or proceeds from the sale or other disposition of the Board’s rights to receive repayment of such financial assistance shall not be available for transfer to the Bond Payment Account unless by resolution the Board specifically authorizes the transfer of any such proceeds or prepayments so identified in said resolution to the Bond Payment Account. Proceeds from the Series 2021B Bonds shall be deposited to the Bond Payment Account to the extent specified in the applicable Approval Certificate.

**Section 5.05 Constitutional Provisions for Debt Payment.** The Board recognizes the absolute and ultimate obligation of the State to provide during each Fiscal Year all money necessary for the payment of the principal of and premium, if any, and interest on the EDAP Bonds, including payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such EDAP Bonds, when such interest or principal and interest become due, out of the first moneys coming into the State Treasury, in such Fiscal Year, not otherwise appropriated by the State Constitution, as set forth in Subsection (e) of Section 49-d-8, as follows:

“... If there is not enough money in any account available to pay the principal of and interest on the general obligation bonds issued for such account, including money to make payments by the Texas Water Development Board under a bond enhancement agreement as authorized by law with respect to principal of or interest on such bonds, there is appropriated out of the first money coming into the state treasury in each fiscal year not otherwise appropriated by this constitution an amount that is sufficient to pay the principal of and interest on such general obligation bonds that mature or become due during that fiscal year or to make bond enhancement payments with respect to those bonds.”

**Section 5.06 Deposit and Transfer of Funds - Duties of Comptroller.** The Comptroller is hereby authorized and directed to make the deposits and transfers required under all provisions of the resolutions authorizing the EDAP Bonds, including this Resolution. The Comptroller is hereby authorized and directed to do all things necessary or convenient to make current funds available at the place of payment for the EDAP Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021B Bonds) to pay principal of and interest on all EDAP Bonds as they mature and come due and to provide such current funds as are required for the redemption thereof prior to maturity, or to make any payments under one or more Bond Enhancement Agreements with respect to principal or interest on such EDAP Bonds, all in accordance with their respective authorizing resolutions. It is made the duty of the Comptroller to make such deposits and transfers as are required in instances wherein the Board exercises its option to call EDAP Bonds for payment prior to maturity. Remittances to the place of payment for the EDAP Bonds (including the Designated Payment/Transfer Office of the Paying...
Agent/Registrar for the Series 2021B Bonds) of money for payment of principal and interest or for redemption of EDAP Bonds must be made in accordance with the provisions hereof.

Section 5.07 Payment of Bonds. The Board hereby covenants that it shall establish procedures with the Comptroller whereby sufficient moneys shall be withdrawn from the Bond Payment Account and forwarded to the place of payment for the EDAP Bonds (including the Paying Agent/Registrar for the Series 2021C Bonds) for the payment of interest on and principal of the EDAP Bonds, and any premium thereon, becoming due on each interest or principal payment date. The Board further covenants that it shall establish procedures with the Comptroller whereby sufficient moneys shall be withdrawn from the Bond Payment Account and forwarded to the place of payment for the payments, if any, to be made under one or more Bond Enhancement Agreements with respect to the principal or interest on such EDAP Bonds. In addition, the Board covenants that such moneys shall be forwarded to the place of payment for the EDAP Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021C Bonds), or the place of payment for such payments, if any, to be made under any such Bond Enhancement Agreement, no later than each such interest or principal payment date.

Section 5.08 Cooperation with State Officers. It is the duty of the Board, its officers, employees and agents (who are hereby so authorized and directed) to cooperate with and aid the Comptroller in calculating the amounts to be deposited in, or transferred to, the appropriate accounts and in ascertaining the amounts to be remitted to the place of payment for the EDAP Bonds (including the Designated Payment/Transfer Office of the Paying Agent/Registrar for the Series 2021C Bonds), or the place of payment for such payments, if any, to be made under any such Bond Enhancement Agreement.

Section 5.09 Investment of Funds. All money in Development Fund II and the accounts created therein that is not immediately committed to the purposes thereof or the payment of the EDAP Bonds issued for any such account may be invested by the Board in Eligible Investments, and the Board may sell any Eligible Investment at the governing market rate.

ARTICLE VI

COVENANTS AND REMEDIES

Section 6.01 Special Covenant. The Board covenants that it will faithfully and promptly deposit into the Economically Distressed Areas Program Account all money received from the sale of obligations acquired from Political Subdivisions with moneys from the Economically Distressed Areas Program Account.

Section 6.02 Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms have the following meanings:

“Closing Date” means the date on which the Common Issue Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

“Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.
“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Common Issue Bonds.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Common Issue Bonds are invested and which is not acquired to carry out the governmental purposes of the Common Issue Bonds.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Common Issue Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of

(i) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(ii) the Common Issue Bonds has the meaning set forth in Section 1.1484 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The Board shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Common Issue Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Board receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Common Issue Bond, the Board shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the Board shall at all times prior to the last stated maturity of the Common Issue Bonds:

(1) take any action necessary to assure that state or local governments exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Common Issue Bonds (including property financed or refinanced with Gross Proceeds of the Refunded Bonds), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable
to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) take any action necessary to assure that state or local governments do not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Common Issue Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed or refinanced with Gross Proceeds of the Refunded Bonds), other than taxes of general application within the Board or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the Board shall not use Gross Proceeds of the Common Issue Bonds and shall take any action necessary to assure that Gross Proceeds of the Common Issue Bonds are not used to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if:

(1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Allocation of, and Limitation on, Expenditures for Loans to Political Subdivisions. The Board shall account for the expenditure of the proceeds from the sale of the Common Issue Bonds and any investment earnings thereon to be used for the purposes described in Section 2.01 on its books and records in accordance with the requirements of the Code. The Board agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Common Issue Bonds.

(f) Disposition of Loans to Political Subdivisions. Loans to Political Subdivisions will not be sold or otherwise disposed in a transaction resulting in the receipt by the Board of cash or other compensation, unless the Board obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Common Issue Bonds, the proceeds of which were used to make or refinance the making of such loans. The Board shall assure that Political Subdivisions, or any related persons thereto, will be prohibited from purchasing the Common Issue Bonds or a portion thereof in an amount related to the amount of the loan to be acquired by the Board from any such Political Subdivision.

(g) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the Board shall not at any time prior to the final stated maturity of the Common Issue Bonds directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, exceeds the Yield of the Common Issue Bonds.
(h) **Not Federally Guaranteed.** Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the Board shall not take or omit to take any action which would cause the Common Issue Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(i) **Information Report.** The Board shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(j) **Rebate of Arbitrage Profits.** Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The Board shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Common Issue Bond is discharged. However, to the extent permitted by law, the Board may commingle Gross Proceeds of the Common Issue Bonds with other money of the Board, provided that the Board separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the Board shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The Board shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Common Issue Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Common Issue Bonds by the purchasers thereof and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the Board shall pay to the United States the amount that when added to the future value of previous rebate payments made for the Common Issue Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder. In order to facilitate compliance with this covenant, a “Rebate Fund” is hereby established by the Board for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other Person, including, without limitation, any bondholder. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.
(4) The Board shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(k) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the Board shall not, at any time prior to the earlier of the stated maturity or final payment of the Common Issue Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (j) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm’s length and had the Yield of the Common Issue Bonds not been relevant to either party.

(l) Elections. The Board hereby directs and authorizes the Executive Administrator and the Chief Financial Officer of the Board, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Common Issue Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(m) Common Issue Bonds Not Hedge Bonds.

(1) At the time the original bonds refunded by the Common Issue Bonds were issued, the Board reasonably expected that at least 85% of the spendable proceeds of such bonds would be spent within three years after such bonds were issued.

(2) Not more than 50% of the proceeds of the original bonds refunded by the Common Issue Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(n) Current Refunding. The Series 2021C Bonds are being issued exclusively to pay and discharge in full the Refunded Bonds and such payment of the Refunded Bonds will occur within ninety (90) days after the issuance of the Series 2021C Bonds.

Section 6.03 Creation of Accounts and Subaccounts. The Board covenants that it will maintain within the funds and accounts described in Section 5.03 such accounts and subaccounts as the Board, in cooperation with the Comptroller, determines necessary for the convenient and efficient administration of such funds and accounts so as not to commingle moneys derived from the issuance of or dedicated to the payment of bonds or other obligations issued by the Board, the interest on which is exempt from federal income taxation under the applicable provisions of the Code.

Section 6.04 Remedies of Bondholders. All rights available to the owners of the EDAP Bonds under the Constitution and the laws of the State, including, without limitation, Section 17.970, Texas Water Code, to compel the performance of their official duties by the Board, its officers and employees, and by other officers of the State to the end that the principal of and interest on the EDAP Bonds may be paid promptly, are hereby recognized.
Section 6.05  **Bond Enhancement Agreements.** Pursuant to authority granted to the Board by Section 17.954, Texas Water Code, the Board reserves the right at any time and from time to time to enter into one or more Bond Enhancement Agreements that the Board hereafter determines to be necessary or appropriate to place the obligation of the Board, as represented by the Series 2021C Bonds, in whole or in part, on the interest rate, currency, cash flow, or other basis desired by the Board.
ARTICLE VII

SUPPLMENTS AND AMENDMENTS

Section 7.01 Amendment of Resolution with Consent of Registered Owners.

(a) Amendments Requiring Consent. The registered owners of Series 2021C Bonds aggregating in principal amount 51% of the aggregate principal amount or maturity amount, as the case may be, of the Series 2021C Bonds at the time outstanding (but not including in any case Series 2021C Bonds which may then be held or owned by or for the account of the Board) shall have the right from time to time to approve an amendment of this Resolution which may be deemed necessary or desirable by the Board; provided, however, that nothing herein contained shall permit or be construed to permit the amendment of the terms and conditions contained in this Resolution or in the Series 2021C Bonds so as to:

(i) make any change in the maturity of any of the Series 2021C Bonds;

(ii) reduce the rate of interest borne by any of the Series 2021C Bonds;

(iii) reduce the principal amount or maturity amount, as applicable, payable on any of the Series 2021C Bonds;

(iv) modify the terms of payment of principal of or interest on or maturity amount of, as the case may be, any Series 2021C Bond, or impose any conditions with respect to such payment;

(v) change the minimum percentage of the principal amount or maturity amount of the Series 2021C Bonds necessary for consent to such amendment; or

(vi) affect the rights of the registered owners of less than all of the Series 2021C Bonds then outstanding;

unless such amendment or amendments be approved by the registered owners of all of the Series 2021C Bonds at the time outstanding.

(b) Notice. If at any time the Board shall desire to amend this Resolution under this Section, the Board shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in The City of New York, New York, or the City of Austin, Texas, once during each calendar week for at least four (4) successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Board and the designated office of the Paying Agent/Registrar for inspection by all registered owners of Series 2021C Bonds. Such publication is not required, however, if notice in writing is given to each registered owner.

(c) Adoption of Amendatory Resolution. Whenever at any time, within one (1) year from the date of this publication of said notice or other service of written notice, the Board shall receive an instrument or instruments executed by the registered owners of at least 51% in aggregate principal amount or maturity amount, as the case may be, of Series 2021C Bonds then outstanding, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and
approve such amendment in substantially the form of the copy thereof on file with the Paying Agent/Registrar, the Board may adopt the amendatory resolution in substantially the same form.

(d) **Effectiveness of Consents.** Any consent given by the registered owner of a Series 2021C Bond pursuant to the provisions of this Resolution shall be irrevocable for a period of six (6) months from the date of the first publication or mailing of the notice provided for in this Resolution, and shall be conclusive and binding upon all future registered owners of the same Series 2021C Bond during such period. Such consent may be revoked at any time after six (6) months from the date of the first publication or mailing of such notice by the registered owner who gave such consent, or by a successor in title, by filing notice of such revocation with the Paying Agent/Registrar and the Board, but such revocation shall not be effective if the registered owners of 51% in aggregate principal amount and maturity amount, as applicable, of the Series 2021C Bonds outstanding as in this Section defined have, prior to the attempted revocation, consented to and approved the amendment.

(e) **Proof of Ownership.** For the purposes of this Section, proof of ownership of any Series 2021C Bond shall be established by the registration of any such Series 2021C Bond on the Registration Books kept and maintained by the Paying Agent/Registrar.

**Section 7.02 Amendment of Resolution Without Consent of Registered Owners.**

(a) **Amendments Not Requiring Consent.** The foregoing provisions of this Article notwithstanding, the Board may, without prior notice to or the consent of the registered owners, pursuant to an amendatory resolution, from time to time:

(i) impose conditions or restrictions additional to, but not in diminution of, those contained in this Resolution, respecting the issuance of EDAP Bonds;

(ii) undertake covenants additional to but not inconsistent with those contained in this Resolution;

(iii) correct any ambiguity or correct or supplement any inconsistent or defective provision contained in this Resolution or any amendatory resolution;

(iv) adopt amendments to this Resolution that provide for the payment of principal of and interest on the EDAP Bonds or the payment of administrative expenses of the Board from Bond proceeds; or

(v) adopt amendments to this Resolution (including specifically, without limitation, amendments under authority of Section 7.02 and 9.04) that, in the opinion of nationally-recognized bond counsel acceptable to the Board, do not adversely affect the registered owners.

(b) **Specific Amendments not Requiring Consent.** In addition to the foregoing, the Board expressly reserves the right, without prior notice to or consent from the registered owners of the EDAP Bonds, to amend the provisions of ARTICLE VII of this Resolution to reflect subsequent amendments to the State Constitution and the Act, including, without limitation, amendments altering:

(i) the administration of Development Fund II; or
(ii) the accounts within Development Fund II; or

(iii) the deposit or application of moneys received by the Board as repayments of loans to Political Subdivisions and interest on those loans, or proceeds from the sale, transfer or lease of facilities held for any account within Development Fund II; or

(iv) the use of the proceeds of the EDAP Bonds; or

(v) the rights, duties and obligations of the Comptroller as specified in ARTICLE VII; or

(vi) the procedure for payment of the EDAP Bonds; or

(vii) the payment of expenses of administering Development Fund II and other authorized expenses of the Board; or

(viii) the administration of the Water Infrastructure Fund;

provided, however, that such amendments to this Resolution can be made only if:

(1) the Board receives an opinion of nationally-recognized bond counsel acceptable to the Board to the effect that such amendments comply with the Act, that the EDAP Bonds continue to be general obligations of the State and the State Constitution provides for appropriation out of the first money coming into the State Treasury in each Fiscal Year, not otherwise appropriated by the State Constitution, of an amount sufficient to pay the principal of or interest on the EDAP Bonds that mature or become payable during that Fiscal Year, to the extent the same are not otherwise paid from funds pledged to their payment;

(2) bond counsel acceptable to the Board renders an opinion substantially to the effect that any such amendment will not adversely affect the excludability of interest on any tax-exempt EDAP Bonds from gross income for federal income tax purposes; and

(3) each nationally-recognized securities rating agency that issued a rating at the time the EDAP Bonds were initially delivered to the underwriters thereof and that has a then existing rating thereon confirms in writing that subsequent to any such amendment, the EDAP Bonds will continue to be rated as general obligation bonds of the State.

(c) Notice. If the Board so amends this Resolution as provided in subsection (b) above, it shall cause notice of such amendment to be published one (1) time in a financial newspaper or journal of general circulation in the City of New York, New York, or the City of Austin, Texas. Such notice shall contain a summary of the amendatory language, recite that the conditions set forth in clauses (A), (B) and (C) of subsection (b) have been satisfied, and recite the effective date of such amendment. Such notice shall be published within thirty (30) days of the effective date of such amendment as set forth in such notice. Such notice shall state that a copy thereof is on file at the principal office of the Board for inspection. Such publication is not required, however, if written notice is given to each registered owner of the EDAP Assistance Bonds.
Section 7.03  **Effect of Amendatory Resolutions.** Upon the adoption of any amendatory resolution pursuant to the provisions of this Section, this Resolution shall be deemed to be amended in accordance with such amendatory resolution, and the respective rights, duties and obligations of the Board under this Resolution and all the registered owners of outstanding Series 2021C Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendments.

Section 7.04  **Bonds May Bear Notation.** Series 2021C Bonds authenticated and delivered after the execution of any amendatory resolution pursuant to this Article may bear a notation in form approved by the Paying Agent/Registrar as to any matter provided for in such amendatory resolution. If the Board or the Paying Agent/Registrar shall so determine, new Series 2021C Bonds so modified as to conform, in the opinion of the Board and the Paying Agent/Registrar, to any such amendatory resolution may be prepared and executed by the Board and authenticated and delivered by the Paying Agent/Registrar in exchange for the Series 2021C Bonds then outstanding.

Within seven (7) business days after the execution of a Purchase Agreement, the Authorized Representative, acting for and on behalf of the Board, shall cause a final Official Statement to be provided to the Underwriters in compliance with the Rule and the rules of the MSRB.

The accounting principles pursuant to which such financial statements must be prepared may be changed from time to time to comply with State law.

Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in Exhibit B hereto and (2) audited, if the Board or the State, as appropriate, commissions an audit of such statements and the audit is completed within the period during which they must be provided. If audited financial statements are not so provided, then the Board shall provide unaudited financial statements within the required time for the applicable Fiscal Year to the MSRB, and audited financial statements when and if audited financial statements become available.
(b) **Event Notices of the Board.** The Board shall notify the MSRB, in a timely manner not in excess of ten (10) Business Days after the occurrence of any of the following events with respect to the Series 2021C Bonds:

7. Modifications to rights of holders of the Series 2021C Bonds, if material;
8. Series 2021C Bond calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Series 2021C Bonds, if material;

12. Bankruptcy, insolvency, receivership or similar event of the Board;
13. The consummation of a merger, consolidation, or acquisition involving the Board or the sale of all or substantially all of the assets or business of the Board, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
14. Appointment of a successor or additional Paying Agent/Registrar or change in the name of the Paying Agent/Registrar, if material.

As used in clause 12 above, the phrase “bankruptcy, insolvency, receivership or similar event” means the appointment of a receiver, fiscal agent or similar officer for the Board in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Board, or if jurisdiction has been assumed by leaving the Board and officials or officers of the Board in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming
a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Board. (c) Change in Board Fiscal Year. If the Board changes its Fiscal Year, it will notify the MSRB of the change (and of the date of the new Fiscal Year end) prior to the next date by which the Board otherwise would be required to provide financial information and operating data pursuant to this Section.

Section 9.03 Incorporation by Reference. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to the MSRB or filed with the SEC. All filings shall be made electronically, in the format specified by the MSRB.

Section 9.04 Limitations, Disclaimers, and Amendments. The Board shall be obligated to observe and perform the covenants specified in this this Article for so long as, but only for so long as, the Board or the State remains an “obligated person” with respect to the Series 2021C Bonds within the meaning of the Rule, except that the Board in any event will give the notice required by Section 9.02(b) of any Series 2021C Bond calls and defeasance that cause the Board and the State to be no longer “obligated persons”.

The provisions of this Article are for the sole benefit of the holders and beneficial owners of the Series 2021C Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other Person. The Board undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Board’s or the State’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The Board does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Series 2021C Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE BOARD BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY SERIES 2021C BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE BOARD, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

All documents provided to the MSRB shall be accompanied by identifying information, as prescribed by the MSRB.

No default by the Board in observing or performing its obligations under this Article shall constitute a breach of or default under this Resolution for purposes of any other provision of this Resolution.
Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the Board or the State under federal and State securities laws.

Should the Rule be amended to obligate the Board to make filings with or provide notices to entities other than the MSRB, the Board agrees to undertake such obligation in accordance with the Rule as amended.

The provisions of this Article may be amended by the Board from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Board or the State, but only if (1) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Series 2021C Bonds in the primary offering of the Series 2021C Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate principal amount or maturity amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the outstanding Series 2021C Bonds consent to such amendment or (b) a Person that is unaffiliated with the Board and the State (such as nationally-recognized bond counsel) determines that such amendment will not materially impair the interests of the holders and beneficial owners of the Series 2021C Bonds. If the Board so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 9.02(a) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Board may also amend or repeal the provisions of this continuing disclosure requirement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Series 2021C Bonds in the primary offering of the Series 2021C Bonds.

ARTICLE X

DEFEASANCE

Section 10.01 Series 2021C Bonds Deemed Paid. Any Series 2021C Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a “Defeased Bond”), except to the extent hereinafter provided in this Article, when payment of the principal of such Series 2021C Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other similar instrument (the “Future Escrow Agreement”) for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Board with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Series 2021C Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Series 2021C Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the Economically Distressed Areas Program Account, and such principal and interest shall be payable solely from such money or Defeasance Securities. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in clauses (i) or (ii) of Section 10.01. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Board or deposited as directed in writing by the Board.

Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Board shall make proper arrangements to provide and pay for such services as required by this Resolution.

Section 10.04 Selection of Series 2021C Bonds for Defeasance. In the event that the Board elects to defease less than all of the principal amount of Series 2021C Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Series 2021C Bonds by such random method as it deems fair and appropriate and consistent with the terms of this Resolution.

ANY PAYMENTS required to be made hereunder on any day which is not a Business Day (as defined below) shall be made instead on the next succeeding Business Day and no interest shall accrue on such payments in the interim. “Business Day” means a day other than a Saturday, Sunday, a legal holiday or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close. Notwithstanding the foregoing, during any period in which ownership of the Series 2021C Bonds is determined only by a book entry at a securities depository for the Series 2021C Bonds, any payment to the securities depository, or its nominee or registered assigns, shall be made in accordance with existing arrangements between the Board and the securities depository.

THIS BOND is one of a series of Bonds of like tenor and effect except as to number, maturity, interest rate and right of prior redemption, dated as of the dated date of this Bond specified above, aggregating ___________________ ($________________) (the “Series 2021C Bonds”)¹, issued pursuant to authority granted to the Board by Section 49-d-8 of Article III of the Texas Constitution (“Section 49-d-8”), Section 49-d-9 of Article III of the Texas Constitution (“Section 49-d-9”), Section 49-d-10 of Article III of the Texas Constitution (“Section 49-d-10”), and Subchapter L, Chapter 17, Texas Water Code (“Subchapter L”), and a resolution authorizing the issuance of the series of Bonds of which this is one, adopted by the Board and duly of record in the minutes of the Board (hereinafter called the “Bond Resolution”), for the purpose of conserving and developing the water resources of the State, to-wit, by providing funds for the refunding of the Refunded Bonds to achieve debt service savings and paying expenses arising in connection with the issuance of the Series 2021C Bonds. In the Bond Resolution, the Board delegated to certain designated officials the authority to establish and approve the final terms of sale of the Series 2021C Bonds through the execution of one or more Approval Certificates (the Bond Resolution and applicable Approval Certificate are collectively referred to herein as the “Resolution”). Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Resolution.

THE SERIES 2021C BONDS having stated maturities on and after ______ __, 20__ shall be subject to redemption prior to maturity, at the option of the Board, in whole or in part, in Authorized Denominations, on ______ __, 20__, or on any date thereafter, at the redemption price of par plus accrued interest to the date of redemption.

THE SERIES 2021C BONDS maturing on August 1, in the years ____________ (the “Term Bonds”) are subject to mandatory sinking fund redemption annually, on August 1 of the years and in the principal amounts set forth below, plus accrued interest from the most recent interest payment date on which interest has been paid or fully provided for, to the redemption date:

† Final Maturity

¹ Designation of subseries, if any, to be provided in an Approval Certificate.
THE PRINCIPAL AMOUNT of Term Bonds required to be redeemed shall be reduced, at the option of the Board, by the principal amount of Term Bonds which, at least 50 days prior to the mandatory sinking fund redemption date (1) shall have been defeased or acquired by the Board and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the Board with money in the Bond Fund, or (3) shall have been redeemed pursuant to the optional redemption provisions set forth above and not theretofore credited against a mandatory sinking fund redemption requirement. On or before August 1 of every year in which there are mandatory redemption requirements as defined above for the Term Bonds, the Paying Agent/Registrar shall determine the principal amount of Term Bonds that must be mandatorily redeemed on August 1 of such year, after taking into account deliveries for cancellation and prior redemption of Term Bonds as provided above.

IF FEWER THAN ALL OF THE SERIES 2021C BONDS are called for redemption, the maturities to be redeemed will be selected by the Board, and the Series 2021C Bonds to be redeemed within any one maturity will be selected by the Paying Agent/Registrar by lot (or in such other manner as the Paying Agent/Registrar may determine) in integral multiples of $5,000; provided, however, that during any period in which ownership of such Series 2021C Bonds to be redeemed is determined only by a book-entry at DTC, or a successor securities depository, if fewer than all of such Series 2021C Bonds of the same maturity and bearing the same interest rate are to be redeemed, the particular Series 2021C Bonds of such maturity and bearing such interest rate will be selected in accordance with the arrangements between the Board and DTC or successor securities depository.

IF THE SERIES 2021C BONDS are no longer registered to DTC or its nominee, any redemption of less than all of a maturity of such Series 2021C Bonds shall be effected by the Paying Agent/Registrar among owners on a pro-rata basis subject to minimum Authorized Denominations. The Series 2021C Bonds or portions thereof to be redeemed shall be determined by the Paying Agent/Registrar, using such method as it shall deem fair and appropriate.

AT LEAST thirty (30) days prior to the date fixed for any redemption, (a) a written notice of such redemption shall be given to the registered owner of each Bond or a portion thereof being called for redemption by depositing such notice in the United States mail, first-class postage prepaid, addressed to each such registered owner at his address shown on the registration books of the Paying Agent/Registrar, and (b) notice of such redemption either shall be published one (1) time in or posted electronically on the website of a financial journal or publication of general circulation in the United States of America or the State of Texas carrying as a regular feature notices of municipal bonds called for redemption; provided, however, that the failure to send, mail, or receive such notice described in clause (a) above, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Bond, and the Resolution provides that the provision of notice as described in clause (a) above shall be the only notice actually required in connection with or as a prerequisite to the redemption of any Bonds. By the date fixed for any such redemption due provision shall be made by the Board with the Paying Agent/Registrar for the payment of the required redemption price for this Bond or the portion hereof which is to be so redeemed, plus accrued interest thereon to the date fixed for redemption. Should notice to call Bonds for redemption at the option of the Board be given in the manner provided above, but the Board shall not be able to provide the Paying Agent/Registrar with amounts sufficient to effect on the date fixed for redemption the payment of the entire redemption price of the Series 2021C Bonds so called for redemption, no Bonds shall be redeemed on the date fixed for redemption, and the notice of redemption for such Bonds shall be null and void. Such occurrence shall not result in default of
the Board’s payment obligations on the Series 2021C Bonds as provided herein or in the Resolution. By each redemption date, the Board shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date.

THE BOARD RESERVES the right to give notice of its election to optionally redeem Series 2021C Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or Defeasance Securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the Board retains the right to rescind such notice at any time prior to the scheduled redemption date if the Board delivers a certificate or other direction to the Paying Agent/Registrar instruction the Paying Agent/Registrar to rescind the redemption notice, and such notice of redemption shall be of no effect if such moneys and/or Defeasance Securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall not constitute an event of default and shall remain outstanding.

IF SUCH NOTICE of redemption is given, and if due provision for such payment is made, all as provided in the paragraph above, this Bond, or the portion thereof which is to be so redeemed, thereby automatically shall be redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being Outstanding except for the right of the registered owner to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent/Registrar out of the funds provided for such payment. The Paying Agent/Registrar shall record in the Registration Books all such redemptions of principal of this Bond or any portion hereof. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any Authorized Denomination, at the written request of the registered owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Resolution.

THIS BOND OR ANY PORTION OR PORTIONS HEREOF IN ANY AUTHORIZED DENOMINATION may be assigned and shall be transferred only in the registration books of the Board kept by the Paying Agent/Registrar acting in the capacity of registrar for the Series 2021C Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar at the Designated Payment/Transfer Office, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any Authorized Denomination to the assignee or assignees. A new Bond or Bonds payable to such assignee, or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, shall be delivered by the Paying Agent/Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds.

AS PROVIDED in the Resolution, this Bond, or any unredeemed portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date and interest rate, in any Authorized Denomination, as requested in writing by the appropriate registered owner or assignee, upon surrender of this Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office for cancellation.
NEITHER THE BOARD, the State of Texas, nor the Paying Agent/Registrar shall be required (a) to issue, transfer, exchange or make any conversion of any Bond subject to redemption during a period beginning at the opening of business thirty (30) days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (b) to transfer or exchange any Bond after it is selected for redemption, in whole or in part, prior to the redemption date; provided, however, that at the option of the registered owner of at least $1,000,000 in principal amount of the Series 2021C Bonds, the Paying Agent/Registrar shall be required to transfer or exchange any Bonds which have been selected in whole or in part for redemption upon the surrender thereof. The registered owner requesting conversion and exchange of any Bond or portion thereof shall pay the Paying Agent/Registrar’s customary fees and charges, together with any taxes or governmental charges required to be paid with respect thereto, as a condition precedent to the exercise of such privilege of conversion and exchange, except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or portion thereof, and in the case of the conversion and exchange of a portion of a Bond which has been redeemed prior to maturity, as provided herein, the fees and charges of the Paying Agent/Registrar will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Series 2021C Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Series 2021C Bonds is changed by the Board, resigns or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, and promptly will cause written notice thereof to be mailed to the registered owners of the Series 2021C Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE ISSUE of Bonds of which this is one shall be and is hereby made a general obligation of the State of Texas, pursuant to Section 49-d-8 and Subchapter L, and for the faithful performance of all covenants, recitals and stipulations herein contained, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on this Bond when due, the resources of the Board and the full faith and credit of the State of Texas are hereby pledged.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond shall be made primarily from the “Texas Water Development Fund II Water Economically Distressed Areas Program Account” (the “Economically Distressed Areas Program Account”) within the Texas Water Development Fund II (“Development Fund II”) created by Section 49-d-8. The Economically Distressed Areas Program Account shall be comprised of (1) the Board’s rights to receive repayment of financial assistance provided from such account, together with any evidence of such rights; (2) money received from the sale or other disposition of the Board’s rights to receive repayment of such financial assistance; (3) money received as repayment of such financial assistance; (4) money and assets attributable to bonds issued and sold by the
Board for such account, including money and assets transferred from the Texas Water Development Fund pursuant to Section 49-d-8; (5) money deposited to such account from the sale, transfer, or lease, in whole or in part, of facilities held for such account; (6) payments received by the Board under a bond enhancement agreement as authorized by law with respect to bonds issued for such account; (7) interest and other income received from investment of money in such account; and (8) any other funds, regardless of their source, that the Board directs be deposited to the Economically Distressed Areas Program Account. Proceeds from the sale of the bonds on deposit in the Economically Distressed Areas Program Account shall not be available to pay the principal of and premium, if any, and interest on this Bond and the series of which it is a part unless specifically authorized by the Board. The Bonds and all other bonds or other obligations issued or incurred by the Board pursuant to Section 49-d-8, Section 49-d-9, Section 49-d-10, or Section 49-d-14 to provide funds for the Economically Distressed Areas Program Account of Development Fund II or to refund any such bonds or obligations are referred to herein as “EDAP Bonds”. Section 49-d-8 provides that to the extent there is not money in any account available for payment of principal of and interest on the EDAP Bonds issued for such account, there is appropriated out of the first money coming into the State Treasury (as defined in the Resolution) in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such EDAP Bonds that mature or become due during that fiscal year.

IT IS HEREBY certified and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, and that the series of Bonds of which this is a part does not exceed any constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part as such principal and interest become due by a continuing appropriation heretofore made by Section 49-d-8 and by a pledge of the credit of the State of Texas.
IN TESTIMONY WHEREOF, this Bond is executed with the lithographed or printed facsimile or manual signatures of the Chair of the Texas Water Development Board and the Executive Administrator, and the seal of said Board is lithographed, printed or manually impressed hereon.

Water Financial Assistance Refunding Bonds, Series 2021C (Economically Distressed Areas Program)

INTRODUCTION

The general obligation bonds of the State of Texas (the "State") offered by the Texas Water Development Board (the "Board" or "TWDB") hereby, acting on behalf of the State, are (i) the State of Texas Water Financial Assistance Bonds, Series 2021A (the "2021A Bonds"), (ii) the State of Texas Water Financial Assistance Refunding Bonds, Series 2021B (the "2021B Bonds"), and (iii) the State of Texas Water Financial Assistance Refunding Bonds, Series 2021C (Economically Distressed Areas Program) (the "Series 2021C Bonds", collectively referred to herein as the "Bonds" and the "2021 Bonds"). The Bonds, together with other general obligation bonds heretofore issued or to be issued in the future pursuant to Article III, Sections 49-d-8 ("Section 49-d-8"), 49-d-9 ("Section 49-d-9"), 49-d-10 ("Section 49-d-10") and 49-d-11 ("Section 49-d-11") of the Texas Constitution (the "Constitution") to augment the funding of the Texas Water Development Fund II, a fund within the State Treasury ("Development Fund II"), are referred to herein collectively sometimes as the "Water Assistance Bonds." The Series 2021A Bonds and the Series 2021B Bonds, together with other Water Assistance Bonds heretofore issued or to be issued in the future for the Financial Assistance Account of Development Fund II (the "Financial Assistance Account"), are referred to sometimes herein as the "Financial Assistance Bonds." The Series 2021C Bonds, together with other Water Assistance Bonds heretofore issued or to be issued in the future for the Economically Distressed Areas Program Account of Development Fund II (the "EDAP Account") are referred to sometimes herein as the "EDAP Bonds." No State Participation Bonds are being offered pursuant to this Official Statement.

The Bonds are being issued pursuant to three separate resolutions adopted by the Board on July 22, 2021 (the "2021A Resolution", the "2021B Resolution", and the "2021C Resolution", respectively, and collectively, the "Bond Resolutions"), the Constitution and general laws of the State, including particularly Section 49-d-8, 49-d-9, 49-d-10 and 49-d-11, Subchapter L of Chapter 17 of the Texas Water Code, as amended (the "Act"), Chapter 1207, Texas Government Code, as amended ("Chapter 1207") and Chapter 1371, Texas Government Code, as amended ("Chapter 1371"). The Bond Resolutions delegate to an authorized representative of the Board authority to complete the sale of the Bonds pursuant to the terms of one or more approval certificates (collectively, the "Approval Certificate" and together with the Bond Resolutions, the "Resolution", and one or more bond purchase agreement entered into with respect to the Bonds (collectively, the "Purchase Agreement") between the Board and the underwriters listed on the cover page hereto (the "Underwriters"). Capitalized terms not otherwise defined herein have the meanings given to said terms in the Resolutions.

THE BONDS CONSTITUTE GENERAL OBLIGATIONS OF THE STATE AND THE FULL FAITH AND CREDIT OF THE STATE IS PLEDGED FOR THE FAITHFUL PERFORMANCE IN PROPER TIME AND MANNER OF EACH OFFICIAL OR OTHER ACT REQUIRED OR NECESSARY TO PROVIDE FOR PROMPT PAYMENT OF THE BONDS. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

A respiratory disease named "coronavirus disease 2019" ("COVID-19") has spread to many parts of the world and the United States, including Texas. For more information on the impact of COVID-19 on the State, see "12. Infectious Disease Outbreak COVID-19" of the State’s May 2021 Bond Appendix, (the "State’s COVID-19 Disclosure") and such disclosure is hereby incorporated by reference, in addition to any future filings by the Comptroller through EMMA (as defined herein) relating to COVID prior to the termination of the offering relating to the 2021 Bonds. The State’s May 2021 Bond Appendix provides, among other things, details about the impact of COVID-19 on the State, including revenue collections compared with 2020 and measures taken by the State and federal government to limit the impact of COVID-19. The State’s COVID-19 Disclosure and any subsequently filed documents regarding COVID-19, if any, may be obtained by accessing EMMA at https://emma.msrb.org/, using the MSRB Quick Search function and entering the term "State of Texas Comptroller."

While the impact of COVID-19 on the State of Texas is being actively managed by state, local and private healthcare institutions, other parts of the country and globally continue to be materially impacted by COVID-19. The impact of COVID-19 continues to negatively affect certain travel, commerce, and financial markets, despite recent improvement. Due to the unprecedented nature of the spread of COVID-19, including variants of COVID-19, the duration and extent of the impact of COVID-19 on the Board and the Political Subdivisions that access Board programs cannot be quantified at this time. [Should there be specific information relating to 2021 Bonds and security thereof]

In 2020, each State agency, including the Board, was advised by the Governor to engage in prudent fiscal management and pursue costs savings. The Board and other State agencies have engaged in prudent fiscal management and pursued cost savings. Despite these efforts, according to the Comptroller, the financial impact of COVID-19 on the State will linger into the upcoming biennium. To date, however, the Board’s operations and financial condition have not been materially impacted by COVID-19. No assurance can be given as to whether the Board’s operations and financial condition will remain unaffected in the future.

The Board continues to monitor the spread of COVID-19 and is working with local governments and State agencies, including the Political Subdivisions, to address the economic impact of COVID-19.

PLAN OF FINANCE

Background

Section 49-d-8 created the Development Fund II as a separate account within the State Treasury. Section 49-d-9 authorized the Board to issue general obligation bonds in an amount not to exceed $2 billion to augment Development Fund II. On November 6, 2007, voters approved Proposition 16, which added Section 49-d-10, and authorizes the Board to issue additional general obligation bonds for the EDAP Account of Development Fund II in an amount not to exceed $250 million. On November 8, 2011, voters approved Proposition 2, which added Section 49-d-11, and authorizes the Board to issue additional general obligation bonds for one or more accounts of Development Fund II in amounts such that the aggregate principal amount of bonds issued under Section 49-d-11 that are outstanding at any time does not exceed $6 billion.

The Bonds are being issued as Financial Assistance Bonds pursuant to the constitutional authority provided by Sections 49-d-8, 49-d-9, 49-d-10 and 49-d-11.

For a general discussion of Development Fund II and the Bonds authorized to be issued to augment such fund, see "WATER ASSISTANCE BOND PROGRAM – Development Fund II", "WATER ASSISTANCE BOND PROGRAM – EDAP Bonds", and "TABLE 1: WATER ASSISTANCE BONDS" below.

Use of Bond Proceeds

The Bonds are being issued for the purpose of conserving and developing the water resources of the State by (i) providing funds for the Financial Assistance Account for Water Assistance Projects (defined herein); (ii) providing funds for the refunding of the Refunded Bonds (defined herein) for debt service savings; and (iii) providing funds for the payment of expenses arising in connection with the issuance of the Bonds. The Resolution authorized the issuance of the Bonds in a maximum aggregate principal amount of $[______________]. The authority to issue the Bonds under the terms of the Resolutions expires on July 22, 2022.

Refunded Bonds

The bonds described in Schedule I to this Official Statement (the "Refunded Bonds"), and interest due thereon, are anticipated to be paid on the date or dates described in Schedule I to this Official Statement (collectively, the "Redemption Date") from funds to be deposited with The Bank of New York Mellon Trust Company, N.A., Dallas, Texas, the paying agent for the Refunded Bonds (the "Bank"). Pursuant to an escrow deposit letter (the "Escrow Agreement"), a portion of the proceeds of the sale of the Bonds, together with other lawfully available funds, if any, of the Bond fund will be deposited with the Bank in an amount necessary, without further investment, to accomplish the discharge and final payment of the Refunded Bonds on the Redemption Date. Such funds will be held by the Bank for the payment of the principal of and interest on the Refunded Bonds and will be unavailable for the payment of the Bonds. See "SCHEDULE I – SCHEDULE OF REFUNDED BONDS."

By execution of the Escrow Agreement and the deposit of cash with the Bank, the Board will have entered into firm banking and financing arrangements for the discharge and final payment of the Refunded Bonds in accordance with applicable law. As a result of such firm banking and financial arrangements and in reliance on a certificate of sufficiency from the Bank (the "Sufficiency Certificate") verifying the sufficiency of the deposit made, the Refunded Bonds will be deemed to be fully paid and no longer outstanding except for the purpose of being paid from the funds held by the Bank.

Anticipated Issuance of General Obligation Additional Bonds

Various State entities, including the Board, have issued and are authorized to issue general obligation bonds or other obligations of the State. In addition, by constitutional amendment, the voters of the State may authorize the issuance of additional general obligation bonds or other indebtedness for which the full faith, credit and taxing powers of the State are pledged. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" and "APPENDIX A – THE STATE OF TEXAS."

THE BONDS

General Provisions

The Bonds will be issued only as fully registered bonds, in any integral multiple of $5,000 within a maturity. Interest on the Bonds will accrue from the Date of Delivery at the respective per annum rates for each maturity of Bonds of each series as shown on pages ii, iii, and iv, respectively, hereof and will be calculated on the basis of a 360-day year composed of twelve 30-day months. Interest on the Bonds will be payable on February 1, 2022, and on each August 1 and February 1 thereafter until maturity or prior redemption. The Bonds mature on August 1 in the years and in the principal amounts set forth on pages ii, iii, and iv hereof.

The Board initially will issue the Bonds registered only in the name of Cede & Co., the nominee of The Depository Trust Company, New York, New York ("DTC"), pursuant to the book-entry-only system described in APPENDIX E to this Official Statement. Beneficial ownership of the Bonds may be acquired in denominations of $5,000 principal amount or integral multiples thereof within a maturity. No physical delivery of the Bonds will be made to the Beneficial Owners (as defined in APPENDIX E) thereof. Principal of and interest on the Bonds will be payable to Cede & Co., which will make distributions of the payments to the participating members of DTC for subsequent remittance to the Beneficial Owners (as defined in APPENDIX E).

Payment of principal of the Bonds will be made to the registered owner upon maturity or redemption prior to maturity only upon presentation and surrender of such Bonds at the Designated Payment/Transfer Office of the Paying Agent/Registrar (defined herein); provided, however, that so long as Cede & Co. (or other DTC nominee) is the registered owner of the Bonds, all payments will be made as described in APPENDIX E to this Official Statement. When the Bonds are not in the book-entry-only system, interest on the Bonds will be paid to registered owners shown on the registration books kept by the Paying Agent/Registrar at the close of business on the fifteenth calendar day of the month next preceding such interest payment date (the "Record Date").

In the event that any date for payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday or day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment will be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to close. Payment on such later date will not increase the amount of interest due and will have the same force and effect as if made on the original date payment was due. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined only by a book-entry at a securities depository for the Bonds, any payment to the securities depository, or its nominee or registered assigns, shall be made in accordance with existing arrangements between the Board and the securities depository.

Extraordinary Mandatory Redemption. The Series 2021A Bonds are subject to extraordinary mandatory redemption prior to maturity as described below under "THE BONDS – Extraordinary Mandatory Redemption."

Optional Redemption. The Series 2021A Bonds having stated maturities on and after August 1, 20__, are subject to redemption at the option of the Board, in whole or from time to time in part, on August 1, 20__ or any date thereafter, at the par value thereof plus accrued interest to the date of redemption.

Mandatory Sinking Fund Redemption. The Series 2021A Bonds may be subject to mandatory sinking fund redemption in the event the Underwriters elect to aggregate two or maturities as a term bond.

Extraordinary Mandatory Redemption

General. Section 149(f) of the Internal Revenue Code of 1986 (the "Code") imposes certain requirements on bonds issued by state and local governments for pooled financing programs, such as the Series 2021A Bonds, in order for the interest to be and remain exempt from federal income taxation. One such requirement mandates the redemption of bonds in circumstances in which the bond proceeds are not used to make loans within certain prescribed periods. In particular, section 149(f) of the Code requires the following: the issuer (i) must reasonably expect that, within the one-year period beginning on the date of issue, at least 30 percent of the net proceeds of the issue will be used directly or indirectly to make loans (the "One-Year Computation Period"); and (ii) must redeem outstanding bonds within 90 days after the end of such one-year period to the extent of, and in an amount equal to the unused proceeds, i.e., the difference between the amount actually used and an amount equal to 30 percent of the net proceeds of the issue; and the issuer (i) must reasonably expect that within the three-year period beginning on the date of issue, at least 95 percent of the net proceeds of the issue will be used directly or indirectly to make loans (the "Three-Year Computation Period"); and (ii) must redeem outstanding bonds within 90 days after the end of such three-year period to the extent of, and in an amount equal to the unused proceeds, i.e., the difference between the amount actually used and an amount equal to 95 percent of the net proceeds of the issue.

At the date of issuance of the Series 2021A Bonds, a portion of the proceeds of the Series 2021A Bonds will be held by the Board and applied from time to time after the issuance of the Series 2021A Bonds to fund loans for Water Assistance
Projects. See "SOURCES AND USES OF FUNDS." The Board reasonably expects to expend more than 30 percent and 95 percent of such proceeds, during the one-year and three-year periods, respectively. To comply with the foregoing requirement in the event these expectations are not achieved by the Board, the Series 2021A Bonds are subject to extraordinary mandatory redemption at the end of the one-year and three-year periods as required by section 149(f) of the Code. To the extent proceeds of the Series 2021A Bonds are held by the Board to fund loans and are not expended within such one-year or three-year periods, any such unexpended proceeds will be used to redeem the Series 2021A Bonds as further described below. In accordance with section 149(f)(7) of the Code, only the portion of the proceeds of the Series 2021A Bonds that is reasonably expected, as of the issue date of the Series 2021A Bonds, to be used to originate loans to political subdivisions is subject to the redemption requirements set forth in section 149(f) of the Code.

Previously Issued Pooled Financing Bonds. The State of Texas Water Financial Assistance Bonds described below (collectively, the "Pooled Financing Bonds") were issued subject to the requirements described in the previous paragraph.

* Includes amount for refunding purposes

As described in the foregoing table, all of the proceeds of the Pooled Financing Bonds have been used to make loans prior to the expiration of the one-year and three-year periods prescribed by section 149(f) of the Code. The information provided regarding the previously issued Pooled Financing Bonds is provided as a reference and should not be used to project future performance by the Board with regard to the Series 2021A Bonds. Results may differ in connection with the use of proceeds of the Series 2021A Bonds.

Extraordinary Mandatory Redemption Provisions of Series 2021A Bonds. The Series 2021A Bonds maturing on and after August 1, 20__, are subject to extraordinary mandatory redemption prior to their scheduled maturities on ________, 20__ (the "One-Year Extraordinary Mandatory Redemption"), in an amount equal to the Computation Amount (defined herein) applicable to the One-Year Computation Period for the Series 2021A Bonds, plus accrued interest to the date of such extraordinary redemption at the redemption prices set forth below (approximately ___% of the amortized issue price for each maturity of the Series 2021A Bonds), expressed as percentages of the principal amount of each maturity of the Series 2021A Bonds so redeemed. The Series 2021A Bonds maturing on and after August 1, 20__, are subject to extraordinary mandatory redemption prior to their scheduled maturities on ________, 20__ (the "Three-Year Extraordinary Mandatory Redemption"), in an amount equal to the Computation Amount applicable to the Three-Year Computation Period for the Series 2021A Bonds, plus accrued interest to the date of such extraordinary redemption at the redemption prices set forth below (approximately ___% of the amortized issue price for each maturity of the Series 2021A Bonds), expressed as percentages of the principal amount of each maturity of the Series 2021A Bonds so redeemed.
The Series 2021A Resolution defines "Computation Amount" as surplus proceeds (rounded to the next higher $5,000 denomination) equal to the remainder of (A) thirty percent (30%) of the net proceeds less proceeds of the Series 2021A Bonds directly or indirectly used to make loans to political subdivisions as of the last day of the One-Year Computation Period (but not less than zero) or (B) ninety-five percent (95%) of the net proceeds less the proceeds of the Series 2021A Bonds directly or indirectly used to make loans to political subdivisions as of the last day of the Three-Year Computation Period (but not less than zero). Following the earlier of (i) the 90th day after the Three-Year Computation Period for the Series 2021A Bonds and (ii) the date on which 95 percent of the proceeds of the Series 2021A Bonds have been used to make loans, if such date occurs prior to the end of the Three-Year Computation Period for the Series 2021A Bonds, the Series 2021A Bonds shall not be subject to extraordinary mandatory redemption.

The foregoing notwithstanding, the Series 2021A Bonds are not subject to such extraordinary Series 2021A Bonds mandatory redemption if the Board obtains an opinion of nationally-recognized bond counsel to the effect that, if the Board does not cause the extraordinary mandatory redemption to occur, it will not adversely affect the excludability of interest on the Series 2021A Bonds from gross income for federal income tax purposes.

For purposes of the One-Year Extraordinary Mandatory Redemption and the Three-Year Extraordinary Mandatory Redemption, as the case may be, the Series 2021A Bonds that are subject to such redemption will be selected on a "Pro Rata Basis" (defined below); provided, that if any amount required to be redeemed remains after such selection, such remaining amount will be applied to the redemption of $5,000 principal amount of each maturity of the Series 2021A Bonds in inverse order of maturity. The term "Pro Rata Basis" means that the principal amount of a particular maturity will be determined by multiplying the Computation Amount by the ratio which the principal amount of Series 2021A Bonds of such maturity then outstanding bears to the aggregate principal amount of Series 2021A Bonds then outstanding and subject to redemption.

**Optional Redemption.** The Series 2021B Bonds having stated maturities on and after August 1, 20__, are subject to redemption at the option of the Board, in whole or from time to time in part, on August 1, 20__ or any date thereafter, at the par value thereof plus accrued interest to the date of redemption.

**Mandatory Sinking Fund Redemption.** The Series 2021B Bonds may be subject to mandatory sinking fund redemption in the event the Underwriters elect to aggregate two or maturities as a term bond.

**Optional Redemption.** The Series 2021C Bonds having stated maturities on and after August 1, 20__, are subject to redemption at the option of the Board, in whole or from time to time in part, on August 1, 20__ or any date thereafter, at the par value thereof plus accrued interest to the date of redemption.

**Mandatory Sinking Fund Redemption.** The Series 2021C Bonds may be subject to mandatory sinking fund redemption in the event the Underwriters elect to aggregate two or maturities as a term bond.

### Selection of Bonds to be Redeemed

If fewer than all of the Bonds that are subject to redemption are called for redemption, the maturities (or mandatory sinking fund redemption amounts within a maturity) to be redeemed will be selected by the Board, and such Bonds to be redeemed within any one maturity will be selected by the Paying Agent/Registrar by lot (or in such other random selection manner as the Paying Agent/Registrar may determine) in integral multiples of $5,000; provided, however, that during any period in which ownership of such Bonds to be redeemed is determined only by a book-entry-only system at DTC, or a successor securities depository, if fewer than all of such Bonds of the same maturity and bearing the same interest rate are to be redeemed, the particular Bonds of such maturity and bearing such interest rate will be selected in accordance with the arrangement between the Board and DTC or successor securities depository; provided, further, however, that such selection methodology shall not apply to the Series 2021A Bonds that are redeemed pursuant to application of extraordinary mandatory redemption provisions, in which case selection of redeemed Series 2021A Bonds shall occur in the manner described above under "Extraordinary Mandatory Redemption".

Notice of Redemption

At least 30 days prior to the date fixed for any redemption, a written notice of such redemption will be given to the registered owner of each Bond, or portion thereof, that is being called for redemption by depositing such notice in the United States mail, first-class-postage prepaid, addressed to each such registered owner at such owner’s address shown on the registration books of the Paying Agent/Registrar. The failure to send, mail, or receive such notice described above, or any defect therein or in the sending or mailing thereof, will not affect the validity or effectiveness of the proceedings for the redemption of any Bond. By the date fixed for any such redemption, due provision will be made by the Board with the Paying Agent/Registrar for the payment of the required redemption price for Bonds or the portion thereof which are to be so redeemed, plus accrued interest thereon to the date fixed for redemption.

The Board reserves the right to give notice of its election to optionally redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of monies and/or Defeasance Securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the Board retains the right to rescind such notice at any time prior to the scheduled redemption date if the Board delivers a certificate or other direction to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice of redemption shall be of no effect if such monies and/or Defeasance Securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall not constitute an event of default and shall remain outstanding.

SHOULD NOTICE TO CALL A PARTICULAR SERIES OF BONDS FOR REDEMPTION AT THE OPTION OF THE BOARD BE GIVEN IN THE MANNER PROVIDED ABOVE, BUT THE BOARD SHALL NOT BE ABLE TO PROVIDE THE PAYING AGENT/REGISTRAR WITH AMOUNTS SUFFICIENT TO AFFECT ON THE DATE FIXED FOR REDEMPTION THE PAYMENT OF THE ENTIRE REDEMPTION PRICE OF THE PARTICULAR SERIES OF BONDS SO CALLED FOR REDEMPTION, NO SUCH BONDS SHALL BE REDEEMED ON THE DATE FIXED FOR REDEMPTION, AND THE NOTICE OF REDEMPTION FOR SUCH BONDS SHALL BE NULL AND VOID.

Paying Agent/Registrar

The initial Paying Agent/Registrar for the Bonds is The Bank of New York Mellon Trust Company, N.A. In the Resolution, the Board retains the right to replace the Paying Agent/Registrar. The Board covenants in the Resolutions to maintain and provide a Paying Agent/Registrar for the Bonds at all times while the Bonds are outstanding and any successor Paying Agent/Registrar is required to be a competent and legally qualified bank or trust company which shall be a corporation organized and doing business under the laws of the United States of America or any state, authorized under such laws to exercise trust powers and subject to supervision by federal or state authority. Upon any change in the Paying Agent/Registrar for the Bonds, the Board agrees to promptly cause a written notice thereof to be sent by the new Paying Agent/Registrar for the Bonds to each registered owner of the affected Bonds by United States mail, first-class-postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

General Obligation Pledge

Section 49-d-8 provides that if there is not enough money in the Financial Assistance Account, EDAP Account or State Participation Account, (together, the “Water Assistance Accounts”) available to pay the principal of, premium, if any, and interest on the Water Assistance Bonds payable from such account, including money to make payments by the Board under any Bond Enhancement Agreement (as defined below) with respect to principal of or interest on such Water Assistance Bonds, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by the Constitution, an amount that is sufficient to pay such obligations maturing or becoming due during that fiscal year. If there is not sufficient money in the applicable Water Assistance Account to pay such Water Assistance Bonds payable from such Water Assistance Account, the Texas Water Code directs the Board to notify the Comptroller of such insufficiency and requires the Comptroller to transfer to the applicable Water Assistance Account the first money coming into the State Treasury not otherwise appropriated by the Constitution in amounts sufficient to pay such obligations. The Resolution establishes procedures by which the Board will seek transfers from the Comptroller. See "WATER ASSISTANCE BOND PROGRAM".
Perfection of Security

Chapter 1208, Texas Government Code, as amended, applies to the issuance of the Bonds and the pledge of the security granted by the Board under the Resolution, and such pledge is therefore valid, effective and perfected. If State law is amended at any time while any Bonds are outstanding and unpaid such that the pledge of the security granted by the Board under the Bond Resolution is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, as amended, then in order to preserve for the owners of Bonds the perfection of the security interest in said pledge, the Board has agreed to take such measures as it determines are reasonable and necessary under State law to comply with the provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Other Sources of Payment

Section 49-d-8 and the Texas Water Code provide that the State Participation Account, the EDAP Account, and the Financial Assistance Account are separate and distinct from one another and that each such account is a source of payment for Water Assistance Bonds issued with respect to that account. The Board has also established (i) the State Participation Bond Payment Account (with respect to the State Participation Bonds) (the "State Participation Bond Payment Account"), (ii) the EDAP Bond Payment Account (with respect to the EDAP Bonds) (the "EDAP Bond Payment Account"), and (iii) the Financial Assistance Account (with respect to the Financial Assistance Bonds) (the "Financial Assistance Bond Payment Account").

Accordingly, (i) the EDAP Account and the EDAP Financial Assistance Bond Payment Account constitute a source of payment only for the EDAP Bonds, including the Series 2021C Bonds, the State Participation Account and the State Participation Bond Payment Account constitute a source of payment only for the State Participation Bonds, and (iii) the Financial Assistance Account and the Financial Assistance Bond Payment Account constitute sources of payment only for the Financial Assistance Bonds, including the Series 2021A Bonds and the Series 2021B Bonds, as described in this Official Statement. No State Participation Bonds are being offered pursuant to this Official Statement.

Enforcement of Payment

The right of mandamus in any court of competent jurisdiction is specifically provided in the Texas Water Code to enforce payment of the Bonds, and obligations incurred under Bond Enhancement Agreements with respect to the Bonds, and the performance of official duties prescribed by Section 49-d-8 to make the transfers of funds as required.

Defeasance

The Resolution provides that any Bond issued thereunder will be deemed paid and no longer Outstanding (a "Defeased Bond") when payment of the principal of and premium, if any, on such Bond, plus interest thereon to the due date thereof (by maturity or otherwise), shall have been provided by the Board irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other similar instrument for such payment (a) lawful money of the United States of America sufficient to make such payment or (b) Defeasance Securities (as defined below) that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Board with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. As used above and specified in the Approval Certificate, "Defeasance Securities" means (i) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America and (ii) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality. The Defeasance Securities are to be rated by a nationally recognized investment rating firm not less than "AAA" or its equivalent, on the date the Board authorizes or approves proceedings authorizing the issuance of refunding bonds, or if such defeasance is not in connection with the issuance of refunding bonds, on the date the Board provides for the funding of an escrow to effect the defeasance of the Bonds. In addition, to the extent allowed by state law, the term Defeasance Securities shall include noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality, and that are rated as to investment quality by a nationally recognized investment rating firm with a rating that is not less than the rating assigned by such firm to United States government securities.

Upon such deposit as described above, such Bonds shall no longer be regarded to be Outstanding or unpaid. The Board has reserved the option, however, to be exercised at the time of the defeasance of the Bonds, to call for redemption, at an earlier date, those Bonds which have been defeased to their maturity date, if the Board, in the proceedings providing for the firm banking and financial arrangements, (i) expressly reserves the right to call the Defeased Bonds for redemption; (ii) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the firm banking and financial arrangements; and (iii) directs that notice of the reservation be included in any redemption notices that it authorizes.

Amendment of Resolutions With Consent of Registered Owners

The registered owners aggregating in principal amount 51% of the aggregate principal amount of the Bonds (not including any Bonds held by or for the account of the Board) at the time Outstanding shall have the right from time to time to approve any amendment of the Resolution authorizing the issuance of the Bonds which may be deemed necessary or desirable by
the Board; provided, however, that nothing therein shall permit or be construed to permit the amendment of the terms and conditions contained in the Resolution or in the Bonds so as to:

(i) make any change in the maturity of any of the Bonds;
(ii) reduce the rate of interest borne by any of the Bonds;
(iii) reduce the amount of the principal payable on any of the Bonds;
(iv) modify the terms of payment of principal of or interest on any of the Bonds, or impose any conditions with respect to such payment;
(v) change the minimum percentage of the principal amount of the Bonds necessary for consent to such amendment; or
(vi) affect the rights of the registered owners of less than all of the Bonds then outstanding;

unless such amendment or amendments be approved by the registered owners of all of the Bonds at the time Outstanding.

**Amendment of Resolutions Without Consent of Registered Owners**

The Board may, without prior notice to or the consent of the registered owners of the Bonds, pursuant to an amendatory resolution from time to time:

(i) impose conditions or restrictions additional to, but not in diminution of, those contained in the Resolution respecting the issuance of the Bonds;
(ii) undertake covenants additional to but not inconsistent with those contained in the Resolution;
(iii) correct any ambiguity or correct or supplement any inconsistent or defective provision contained in the Resolution or any amendatory resolution;
(iv) adopt amendments to the Resolution that provide for the payment of principal of and interest on the Bonds or the payment of administrative expenses of the Board from Bond proceeds; or
(v) adopt amendments to the Resolution that, in the opinion of nationally-recognized bond counsel acceptable to the Board, do not adversely affect the registered owners.

In addition to the foregoing, the Board expressly reserves the right, without prior notice to or consent from the registered owners of the Bonds, to amend certain provisions of the Resolution to reflect subsequent amendments to the Constitution and the Act, including, without limitation, amendments altering:

(i) the administration of Development Fund II; or
(ii) the accounts within Development Fund II; or
(iii) the deposit or application of money received by the Board as repayments of loans to political subdivisions and interest on those loans, or proceeds from the sale, transfer or lease of facilities held for any account within Development Fund II; or
(iv) the use of the proceeds of the Bonds; or
(v) the rights, duties and obligations of the Comptroller as specified in the Resolutions; or
(vi) the procedure for payment of the Bonds; or
(vii) the payment of expenses of administering Development Fund II and other authorized expenses of the Board; or
(viii) the administration of the Water Infrastructure Fund;

provided, however, that such amendments to the Resolution can be made only if:

(a) the Board receives an opinion of nationally-recognized bond counsel acceptable to the Board to the effect that such amendments comply with the Act, that the Bonds continue to be general obligations of the State and the Constitution provides for appropriation out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by the Constitution, of an amount sufficient to pay the principal of or interest on the Bonds that mature or become payable during that Fiscal Year, to the extent the same are not otherwise paid from funds pledged to their payment;
(b) bond counsel acceptable to the Board renders an opinion substantially to the effect that any such amendment will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes; and
(c) each nationally-recognized securities rating agency providing a rating on the Bonds at the time the Bonds were initially delivered to the Underwriters and that has a then existing rating thereon confirms in writing that subsequent to any such amendment, the Bonds will continue to be rated as general obligation bonds of the State.

If the Board so amends any Resolution without the consent of registered owners as provided in this subsection, it shall cause notice of such amendment to be published one time in a financial newspaper or journal of general circulation in the City of New York, New York, or the City of Austin, Texas. Such notice shall contain a summary of the amendatory language, recite that the conditions set forth in items (a) through (c) above have been satisfied, and recite the effective date of such amendment. Such notice shall be published within thirty days of the effective date of such amendment. Such notice shall state that a copy thereof is on file at the principal office of the Board for inspection. Such publication is not required, however, if written notice is given to each registered owner of the affected Bonds.
WATER ASSISTANCE BOND PROGRAM

Development Fund I

The Legislature and the voters of the State have approved constitutional amendments increasing the Board's bond issuance authority and authorized funding purposes, such that the Board had been authorized to issue up to $2,480,000,000 in general obligation bonds for various water development purposes ("Water Development Bonds") to augment the Texas Water Development Fund ("Development Fund I"). Pursuant to such authorization, the Board has issued $1,467,190,000 of Water Development Bonds for Development Fund I. In an effort to aggregate the authority of various constitutional amendments, voters approved Section 49-d-8 in 1997 which provided that bonds otherwise authorized by Sections 49-c, 49-d, 49-d-1, 49-d-2, 49-d-5, 49-d-6 and 49-d-7 of Article III of the Constitution (the "Development Fund I Constitutional Provisions") could be issued as Water Assistance Bonds to augment Development Fund II. Thereafter, all of the liabilities and assets formerly held in Development Fund I were transferred to Development Fund II.

Development Fund II

Development Fund II was established pursuant to Section 49-d-8 in 1997. Development Fund II is a fund in the State Treasury separate and legally distinct from Development Fund I. Section 49-d-8 provides that bonds otherwise authorized by the Development Fund I Constitutional Provisions can be issued to augment Development Fund II. Since Section 49-d-8 consolidated the separate bond issuance authorities contained in the Development Fund I Constitutional Provisions, and provides a more efficient cash flow for Development Fund II than exists for Development Fund I, the Board ceased issuing bonds to augment Development Fund I. In addition, the voters of the State approved Section 49-d-9 in 2001, which authorizes the Board to issue additional general obligation bonds for one or more accounts of Development Fund II in an amount not to exceed $2 billion. Additional bonds have been issued under such authorizations and the additional bond authorization under Section 49-d-9 has been exhausted.

Section 49-d-8 limits the authorized amount of EDAP Bonds that may be issued by the Board under that section to $250 million in the aggregate, and the Board has previously issued EDAP Bonds in such amount pursuant to that section (including Water Development Bonds previously issued pursuant to subsection (b) of Section 49-d-7 of the Constitution.) In November 2007, the Constitution was amended to add Section 49-d-10, which authorized the Board to issue up to $250 million in additional general obligation bonds as EDAP Bonds to augment the EDAP Account.

Section 49-d-11 was approved by the voters of the State on November 8, 2011, authorizes the Board to issue additional general obligation bonds for one or more accounts of Development Fund II in amounts such that the aggregate principal amount of bonds issued under Section 49-d-11 that are outstanding at any time does not exceed $6 billion. Section 49-d-14 was approved by the voters of the State on November 5, 2019, and authorizes the Board to issue additional general obligation bonds for the EDAP Account of Development Fund II in amounts such that the aggregate principal amount of bonds issued under Section 49-d-14 that are outstanding at any time does not exceed $200 million. The effect of the provisions of Section 49-d-11 and Section 49-d-14 is that, unlike bonds issued under authority of the Development Fund I Constitutional Provisions, Section 49-d-9 and Section 49-d-10, (which provide that the authority to issue bonds is extinguished once bonds are issued), once bonds issued under authority of Section 49-d-11 or Section 49-d-14 are no longer outstanding by their terms, the authority under Section 49-d-11 or Section 49-d-14 to issue bonds in a like principal amount is made available to the Board.

Major Accounts within Development Fund II

Within Development Fund II, the Board has established the "Financial Assistance Bond Payment Account," the "State Participation Bond Payment Account," the "EDAP Bond Payment Account," and other accounts necessary for the proper administration of Development Fund II, as determined by the Board. In addition, the Board has the authority to create additional accounts as may be needed to administer its programs. Money on deposit in the Financial Assistance Account may be used for Water Assistance Projects; money on deposit in the State Participation Account may be used for State Participation Projects and money on deposit in the EDAP Account may be used for EDAP Projects. Money in each such account can be used to pay the expenses of the Board in connection with the issuance of bonds for such account and the administration of such account and for the payment of debt service on bonds issued for such account, including payments, if any, required under a Bond Enhancement Agreement with respect to principal of and interest on such bonds.

Section 49-d-8 and the Texas Water Code provide that the Financial Assistance Account, the State Participation Account, the Water Infrastructure Fund, and the EDAP Account are separate and distinct from one another and that each such account is a source of payment for Water Assistance Bonds issued with respect to that account. The Board has also established (i) the Financial Assistance Bond Payment Account, (ii) the State Participation Bond Payment Account and (iii) the EDAP Bond Payment Account. Accordingly, (i) the Financial Assistance Account and the Financial Assistance Bond Payment Account constitute sources of payment only for the Financial Assistance Bonds, (ii) the State Participation Account and the State Participation Bond Payment Account constitute sources of payment only for State Participation Bonds and (iii) the EDAP Account and the EDAP Bond Payment Account constitute sources of payment only for the EDAP Bonds.

For purposes of the discussion of Development Fund II herein, the following capitalized terms have the following meanings pursuant to the Resolutions:
"Water Assistance Project" means any project for which the Board is authorized to provide financial assistance, in accordance with the purposes described by Article III, Sections 49-c, 49-d, 49-d-1, 49-d-2, 49-d-5, 49-d-6, 49-d-7, or 49-d-8, Texas Constitution, other than (i) a State Participation Project or (ii) an EDAP Project. The term "Water Assistance Project" includes, without limitation, transfers to or deposits to the credit of any state revolving fund administered by the Board under the provisions of the Texas Water Code, specifically Chapter 15, Texas Water Code, and transfers to or deposits to the credit of the Rural Water Assistance Fund or the Water Infrastructure Fund.

"State Participation Project" means any project found by the Board to be in accordance with the purposes described in Section 16.131, Texas Water Code.

"EDAP Project" means any project found and determined by the Board to be in accordance with the purposes described in Subchapter K, Chapter 17, Texas Water Code.

Financial Assistance Bonds

As a practice, the Board’s policy historically has been that debt service on Financial Assistance Bonds be self-supporting, and the Board has expected that program revenues flowing into the Financial Assistance Account will be sufficient to meet debt service requirements on outstanding Financial Assistance Bonds. The Board currently anticipates that the Board’s policy will continue for the Series 2021A Bonds and the Series 2021B Bonds. No assurance, however, can be given that subsequent events, including, without limitation, changes in relevant constitutional or statutory provisions, will not cause the Board to change such policy.

The foregoing notwithstanding, the Board has issued Financial Assistance Bonds to augment the Water Infrastructure Fund. The Board currently anticipates that the Legislature will continue to appropriate general revenues of the State to support the payment of debt service on Water Infrastructure Bonds and Economically Distressed Areas Program Bonds until such time that program assets and revenues are sufficient to meet debt service requirements. See "WATER ASSISTANCE BOND PROGRAM – EDAP Bonds" and – "Water Infrastructure Fund."

Financial Assistance Account. Consistent with the Texas Water Code and Section 49-d-8, the Financial Assistance Account receives the following money, which will be used as further described below:

(i) Money and assets attributable to bonds (as defined in the 2021A Resolution and the 2021B Resolution) designated by the Board as issued for Water Assistance Projects;

(ii) payments received under a Bond Enhancement Agreement with respect to Financial Assistance Bonds;

(iii) investment income earned on money on deposit in the Financial Assistance Account; and

(iv) any other funds, regardless of their source, that the Board directs to be deposited to the credit of the Financial Assistance Account.

See APPENDIX B attached hereto for unaudited financial data relating to the Financial Assistance Account for various fiscal years, including the fiscal year ended August 31, 2020. See "OTHER INFORMATION—Unaudited Financial Information".

Financial Assistance Bond Payment Account. The Board has established the Financial Assistance Bond Payment Account as a special account into which amounts will be deposited, as more fully described below, from the Financial Assistance Account, or otherwise from the State Treasury, and used to pay the principal of, premium, if any, and interest payable on the Financial Assistance Bonds, including, to the extent determined by the Board, amounts sufficient to make payments, if any, required under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds. In the case of Water Infrastructure Bonds, appropriations from the State’s General Revenue Fund and moneys received from repayments of loans made from the Water Infrastructure Fund shall be used to pay debt service on Water Infrastructure Bonds, such moneys will be deposited to the credit of an account within the Water Infrastructure Fund (the "Water Infrastructure Fund Bond Payment Account") to pay debt service on Water Infrastructure Fund Bonds. See "WATER ASSISTANCE BOND PROGRAM – Water Infrastructure Fund."

Financial Assistance Bonds Flow of Funds. On or before the date interest or interest and principal on the Financial Assistance Bonds is scheduled to become due and payable, the Board must cause to be transferred, from moneys available for such purpose in the Financial Assistance Account or, in the case of repayments of principal and interest from loans made to the Rural Political Subdivisions from proceeds of the refunded rural water assistance fund bonds available in the Rural Water Assistance Fund, to the Financial Assistance Bond Payment Account an amount which will be sufficient to pay the principal of and premium, if any, and interest on the Financial Assistance Bonds, including, to the extent determined by the Board, an amount which will be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds, when such interest or interest and principal, and premium, if any, or
such payments, if any, become due and payable, with allowance being made for money currently on deposit in the Financial Assistance Bond Payment Account and available to make such payments.

If the Executive Administrator or the designee thereof determines within 15 days of an interest or principal payment date that the money available in the Financial Assistance Account or, in the case of the refunded rural water assistance fund bonds, the Rural Water Assistance Fund, for transfer to the Financial Assistance Bond Payment Account, as described above, is not sufficient to pay the principal of, premium, if any, and interest on the Financial Assistance Bonds, which then are outstanding and are scheduled to be due and payable on such interest or principal payment date, including, to the extent determined by the Board, an amount which will be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such Financial Assistance Bonds, the Executive Administrator or the designee thereof is required to request the Comptroller to deposit no later than 3 days prior to such interest or principal payment date, or as soon thereafter as sufficient money has been received in the State Treasury, in the Financial Assistance Bond Payment Account out of the first money coming into the State Treasury, sufficient money so that the total amount in the Financial Assistance Bond Payment Account will be sufficient to pay the principal, premium, if any, and interest to mature and come due on the Financial Assistance Bonds on such interest or principal payment date, or to make any payments by the Board, to the extent determined by the Board, under any Bond Enhancement Agreement with respect to principal or interest on such Financial Assistance Bonds, and to pay all collection and exchange charges in connection therewith.

After making the transfers for the benefit of the Financial Assistance Bond Payment Account, other available money remaining in the Financial Assistance Account may, at the direction of the Board, be used for Water Assistance Projects and all of the purposes for which the Board may expend money in the Financial Assistance Account under Section 49-d-8. See "WATER ASSISTANCE BOND PROGRAM – Development Fund II."

Notwithstanding the foregoing, money in the Financial Assistance Account representing proceeds from Financial Assistance Bonds, prepayments of financial assistance provided from the Financial Assistance Account or proceeds from the sale or other disposition of the Board’s rights to receive repayments of such financial assistance are not available for transfer to the Financial Assistance Bond Payment Account unless by resolution the Board specifically authorizes the transfer of any such proceeds or prepayments so identified in said resolution to the Financial Assistance Bond Payment Account.

State Participation Bonds

No State Participation Bonds are being offered pursuant to this Official Statement. Bonds heretofore issued to provide financial assistance pursuant to the Board’s State Participation Program have resulted in draws on the State’s general revenue funds. Amounts specifically appropriated by the Legislature in support of debt service on State Participation Bonds are not limitations on general revenue draws, if additional funds are needed during the biennium, since the Constitution itself provides for an appropriation of money needed for the payment of such debt service.

State Participation Account. Consistent with the Texas Water Code and Section 49-d-8, the State Participation Account receives the following money, which will be used as further described below:

(i) Money and assets attributable to bonds designated by the Board as issued for State Participation Projects;

(ii) money from the sale, transfer, or lease of a State Participation Project that was acquired, constructed, reconstructed, developed, or enlarged with money from the State Participation Account;

(iii) payments received under a Bond Enhancement Agreement with respect to bonds designated by the Board as issued for State Participation Projects;

(iv) investment income earned on money on deposit in the State Participation Account; and

(v) any other funds, regardless of their source, that the Board directs be deposited to the credit of the State Participation Account.

State Participation Bond Payment Account. The Board has established the State Participation Bond Payment Account as a special account into which amounts will be deposited as more fully described below, from the State Participation Account, or otherwise from the State Treasury, and used to pay the principal of, premium, if any, and interest payable on the State Participation Bonds, including, to the extent determined by the Board, amounts sufficient to make payments, if any, required under one or more Bond Enhancement Agreements with respect to principal or interest on such State Participation Bonds.

State Participation Bonds Flow of Funds. On or before the date interest or interest and principal on the State Participation Bonds is scheduled to become due and payable, the Board must cause to be transferred, from moneys available for such purpose in the State Participation Account, to the State Participation Bond Payment Account an amount which will be sufficient to pay the principal of and premium, if any, and interest on the State Participation Bonds, including, to the extent determined by the Board, an amount which will be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such State Participation Bonds, when such interest or interest
and principal, and premium, if any, or such payments, if any, become due and payable, with allowance being made for money currently on deposit in the State Participation Bond Payment Account and available to make such payments.

If the Executive Administrator or the designee thereof determines within 15 days of an interest or principal payment date that the money available in the State Participation Bond Payment Account, as described above, is not sufficient to pay the principal of, premium, if any, and interest on the State Participation Bonds which then are outstanding and are scheduled to become due and payable on such interest or principal payment date, including, to the extent determined by the Board, an amount which will be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such State Participation Bonds, the Executive Administrator or the designee thereof is required to request the Comptroller to deposit no later than three days prior to such interest or principal payment date, or as soon thereafter as sufficient money has been received in the State Treasury, in the State Participation Bond Payment Account out of the first money coming into the State Treasury, sufficient money so that the total amount in the State Participation Bond Payment Account will be sufficient to pay the principal, premium, if any, and interest to mature and come due on the State Participation Bonds on such interest or principal payment date, or to make any payments by the Board, to the extent determined by the Board, under any Bond Enhancement Agreement with respect to principal or interest on such State Participation Bonds, and to pay all collection and exchange charges in connection therewith.

After making the transfers for the benefit of the State Participation Bond Payment Account, other available money remaining in the State Participation Account may, at the direction of the Board, be used for State Participation Projects and all of the purposes for which the Board may expend money in the State Participation Account under Section 49-d-8. See "WATER ASSISTANCE BOND PROGRAM – Development Fund II".

Notwithstanding the foregoing, money in the State Participation Account representing proceeds from State Participation Bonds, prepayments of financial assistance provided from the State Participation Account or proceeds from the sale or other disposition of the Board’s rights to receive repayments of such financial assistance are not available for transfer to the State Participation Bond Payment Account unless by resolution the Board specifically authorizes the transfer of any such proceeds or prepayments so identified in said resolution to the State Participation Bond Payment Account.

**EDAP Bonds**

Bonds heretofore issued to provide financial assistance pursuant to the Board’s Economically Distressed Areas Program have resulted in draws on the State’s general revenue funds. The Board currently anticipates that the issuance of EDAP Bonds (including the Series 2021C Bonds) will result in future draws on the State’s general revenue funds. Amounts specifically appropriated by the Legislature in support of debt service on EDAP Bonds are not limitations on general revenue draws, if additional funds are needed during the biennium, since the Constitution itself provides for an appropriation of money needed for the payment of such debt service. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – General Obligation Pledge".

**EDAP Account.** Consistent with the Texas Water Code and Section 49-d-8, the EDAP Account receives the following money, which will be used as further described below:

(i) Money and assets attributable to bonds (as defined in the 2021C Resolution) designated by the Board as issued for EDAP Projects;

(ii) money from the sale, transfer, or lease of an EDAP Project that was acquired, constructed, reconstructed, developed, or enlarged with money from the EDAP Account;

(iii) payments received under a Bond Enhancement Agreement with respect to bonds designated by the Board as issued for EDAP Projects;

(iv) investment income earned on money on deposit in the EDAP Account; and

(v) any other funds, regardless of their source, that the Board directs be deposited to the credit of the EDAP Account.

See APPENDIX B attached hereto for unaudited financial data relating to the EDAP Account for various fiscal years, including the fiscal year ended August 31, 2020. See "OTHER INFORMATION – Unaudited Financial Information".

**EDAP Bond Payment Account.** The Board has established the EDAP Bond Payment Account as a special account into which amounts will be deposited as more fully described below, from the EDAP Account, or otherwise from the State Treasury, and used to pay the principal of, premium, if any, and interest payable on the EDAP Bonds, including, to the extent determined by the Board, amounts sufficient to make payments, if any, required under one or more Bond Enhancement Agreements with respect to principal or interest on such EDAP Bonds.
**EDAP Bonds Flow of Funds.** On or before the date interest or interest and principal on the EDAP Bonds is scheduled to become due and payable, the Board must cause to be transferred, from moneys available for such purpose in the EDAP Account, to the EDAP Bond Payment Account an amount which will be sufficient to pay the principal of and premium, if any, and interest on the EDAP Bonds, including, to the extent determined by the Board, an amount which will be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such EDAP Bonds, when such interest or interest and principal, and premium, if any, or such payments, if any, become due and payable, with allowance being made for money currently on deposit in the EDAP Bond Payment Account and available to make such payments.

If the Executive Administrator or the designee thereof determines within 15 days of an interest or principal payment date that the money available in the EDAP Bond Payment Account, as described above, is not sufficient to pay the principal of, premium, if any, and interest on the EDAP Bonds which then are outstanding and are scheduled to be due and payable on such interest or principal payment date, including, to the extent determined by the Board, an amount which will be sufficient to make payments by the Board under one or more Bond Enhancement Agreements with respect to principal or interest on such EDAP Bonds, the Executive Administrator or the designee thereof is required to request the Comptroller to deposit no later than three days prior to such interest or principal payment date, or as soon thereafter as sufficient money has been received in the State Treasury, in the EDAP Bond Payment Account out of the first money coming into the State Treasury, sufficient money so that the total amount in the EDAP Bond Payment Account will be sufficient to pay the principal, premium, if any, and interest to mature and come due on the EDAP Bonds on such interest or principal payment date, or to make any payments by the Board, to the extent determined by the Board, under any Bond Enhancement Agreement with respect to principal or interest on such EDAP Bonds, and to pay all collection and exchange charges in connection therewith.

After making the transfers for the benefit of the EDAP Bond Payment Account, other available money remaining in the EDAP Account may, at the direction of the Board, be used for EDAP Projects and all of the purposes for which the Board may expend money in the EDAP Account under Section 49-d-8. See "WATER ASSISTANCE BOND PROGRAM – Development Fund II".

Notwithstanding the foregoing, money in the EDAP Account representing proceeds from EDAP Bonds, prepayments of financial assistance provided from the EDAP Account or proceeds from the sale or other disposition of the Board’s rights to receive repayments of such financial assistance are not available for transfer to the EDAP Bond Payment Account unless by resolution the Board specifically authorizes the transfer of any such proceeds or prepayments so identified in said resolution to the EDAP Bond Payment Account.

**Water Infrastructure Fund**

No Water Infrastructure Bonds are being offered pursuant to this Official Statement. Section 49-d-9 requires that $50,000,000 of the bonds authorized to be issued under Section 49-d-9 be used for the Water Infrastructure Fund, a special fund in the State Treasury established under Subchapter Q of Chapter 15 of the Texas Water Code to provide financial assistance to eligible Texas political subdivisions (the "Water Infrastructure Fund"). The Board met this requirement in 2008. Since 2007, the Legislature has authorized appropriations of money from the State's General Revenue Fund to support the payment of debt service on general obligation bonds issued for the Water Infrastructure Fund ("Water Infrastructure Bonds"). Appropriations of money from the State's General Revenue Fund are expected to be used to defray a portion of the debt service payable on the Water Infrastructure Bonds heretofore and hereafter issued by the Board.

The Board may direct the Comptroller to transfer amounts from the Financial Assistance Account to the Water Infrastructure Fund to provide financial assistance under the Texas Water Code for the purposes provided in Subchapter Q, as listed in Section 15.974, Texas Water Code, as amended. Subchapter Q further provides that the Water Infrastructure Fund may be used (1) as a source of revenue for the repayment of debt service on Financial Assistance Bonds, the proceeds of which have been deposited into the Water Infrastructure Fund, and (2) pursuant to HB 1904 of the 87th Regular Session of the State Legislature, effective September 1, 2021, to make transfers from the Water Infrastructure Fund to the Financial Assistance Account for the purposes described in Section 49-d-8, other than for the purposes described in Sections 17.957 and 17.958, Texas Water Code, as amended.

OTHER FINANCIAL ASSISTANCE PROGRAMS OF THE BOARD

In addition to the financial assistance programs described under the "WATER ASSISTANCE BOND PROGRAM" section of this Official Statement, the Board administers other assistance programs which are funded with special revenues, general revenues or the proceeds of general obligation bonds of the State. The following is a brief summary of such programs. None of the following programs are being funded with proceeds from the Bonds.

Texas Agricultural Water Conservation Bond Program

Article III, Section 50-d of the Constitution (adopted in 1985) authorizes the Board to issue $200,000,000 in general obligation Texas Agricultural Water Conservation Bonds. Subchapter J was added to Chapter 17 of the Texas Water Code, implementing the Agricultural Water Conservation Bond Program and creating the Agricultural Water Conservation Fund (the "Agriculture Fund").

Money in the Agriculture Fund may be used to provide grants to State agencies to fund conservation programs or conservation projects, provide grants or loans to certain political subdivisions for conservation programs or conservation projects, provide linked deposits to certain financial institutions for loans to certain entities and individuals for conservation projects, pay for the Board's conservation programs, pay costs of issuance for and debt service due on Texas Agricultural Water Conservation Bonds, and to pay the Board's related administrative expenses. Conservation programs, certain costs of which may be financed from the Agriculture Fund, include: (1) agricultural water conservation technical assistance programs; (2) research, demonstration, technology transfer, or educational programs relating to agricultural water use and conservation; (3) precipitation enhancement programs; and (4) any other agricultural water conservation program defined by Board rule. Conservation projects, certain costs of which may be financed from the Agriculture Fund, include projects that: (1) improve water use efficiency; (2) prepare irrigated land for conversion to dry land conditions; (3) prepare dry land for more efficient use of precipitation; (4) purchase and fund the acquisition and installation of devices on public or private property to indicate the amount of water withdrawn for irrigation; (5) prepare and maintain land to be used for brush control activities; and (6) implement any other agricultural water conservation project defined by Board rule.

Flood Infrastructure Fund

Article III, Section 49-d-14 of the Texas Constitution (adopted in 2019) created the Flood Infrastructure Fund ("FIF") as a special fund in the State treasury outside the general revenue fund. Subchapter I was added to Chapter 15 of the Texas Water Code to implement the FIF program and establish the FIF. The FIF is administered by the Board and has been funded with a transfer of $793 million from the State’s economic stabilization fund. The Board may utilize the proceeds of general obligation bonds or revenue bonds issued for an authorized purpose of the FIF.

The FIF program provides grants and zero interest loans for flood control, flood mitigation, and drainage projects. Eligible projects include structural, nonstructural, and nature-based solutions which fall into one of four categories: (1) flood protection planning for watersheds; (2) planning, acquisition, design, construction, and rehabilitation; (3) federal award matching funds; and (4) measures immediately effective in protecting life and property. Project funding is available to eligible political subdivision applicants, including a city, county, district or authority created under Article III, Section 52, or Article XVI, Section 59, of the Texas Constitution. In addition, funding for flood protection planning for watersheds is also available to any other political subdivision of the state, any interstate compact commission to which the state is a party, and any nonprofit water supply corporation created and operating under Chapter 67.

Revenue Bonds

The Board is authorized to issue an unlimited amount of revenue bonds to fund certain eligible projects. The Board has the authority to sell revenue bonds for the following purposes: (1) to finance the construction of water and wastewater projects of political subdivisions and nonprofit water supply corporations; (2) to provide interim financing to political subdivisions which are also receiving long term financing from the Board; (3) to provide the State matching funds for federal funds provided to the State
Water Pollution Control Revolving Fund, and the State Safe Drinking Water Revolving Fund; (4) to provide funds for the State Water Implementation Fund of Texas; and (5) to provide matching funds for any additional State revolving funds hereafter established by the Board to provide financial assistance to political subdivisions for public works in accordance with a federal capitalization grant program. The Board's revenue bonds do not constitute a debt of the State, and neither the full faith and credit nor the taxing authority of the State is in any manner pledged, given or loaned to the payment of the Board's revenue bonds. Further, the Board's revenue bonds are not secured by or payable from money in either Development Fund I or Development Fund II.

**State Water Pollution Control Revolving Fund**

The Federal Water Pollution Control Act of 1972, as amended by the Water Quality Act of 1987, as amended (the "Federal Act"), established the Federal Loan Program (described below) as a joint federal and state program. Under the Federal Loan Program, the USEPA is authorized to make grants ("SRF Capitalization Grants") to states to aid in providing financial assistance to municipalities; intermunicipal, interstate or state agencies; or other public entities eligible for assistance under the Federal Act (the "Eligible Borrowers") for eligible projects including the construction of publicly owned treatment works, managing stormwater, measures to reduce the demand for publicly owned treatment works capacity through water conservation, efficiency, or reuse, and nonpoint source pollution control projects and other authorized purposes pursuant to the Federal Act. As a condition to receipt of an SRF Capitalization Grant, a state is required to establish a perpetual state revolving fund into which the SRF Capitalization Grant must be deposited, and to provide state matching funds at least equal to 20% of the SRF Capitalization Grant. Funds in a state revolving fund are permitted to be applied to provide financial assistance to Eligible Borrowers in a number of ways, including making direct loans, purchasing or refinancing debt obligations and providing loan guarantees.

Pursuant to Chapter 15, Subchapter J of the Texas Water Code ("Subchapter J"), which became effective June 17, 1987, the State created the CWSRF for the purpose of providing financial assistance to Eligible Borrowers for authorized activities and uses. The Board currently provides financial assistance by purchasing political subdivision obligations from Eligible Borrowers, or by providing loans or principal forgiveness.

The Board purchases political subdivision obligations or provides loans under the State Revolving Fund program with terms up to thirty (30) years from project completion, but in no event longer than the expected design life of the project financed or refinanced.

**State Safe Drinking Water Revolving Fund**

The Federal Safe Drinking Water Act ("SDWA") established national primary drinking water regulations to protect the safety of the public’s drinking water. Under the SDWA, the USEPA is authorized to make grants ("DWSRF Capitalization Grants") to states to assist communities in meeting established drinking water standards. As a condition to receipt of a DWSRF Capitalization Grant, a state is required to establish a drinking water state revolving fund into which the DWSRF Capitalization Grant must be deposited, provide state matching funds at least equal to 20% of the DWSRF Capitalization Grant for deposit in the safe drinking water revolving fund and comply with certain other requirements of the SDWA. Historically, proceeds of Water Development Bonds and Financial Assistance Bonds have been used to provide such matching funds. Funds in a state revolving fund are permitted to be applied to provide financial assistance to Eligible Borrowers in a number of ways, including making direct loans, purchasing or refinancing debt obligations and providing loan guarantees.

Pursuant to Chapter 16 of the Texas Water Code, the Legislature directed the Board to prepare, develop, formulate, and adopt a comprehensive state water plan (the "State Water Plan") prior to January 2002. Thereafter, the Board has been responsible for preparing, developing, formulating and adopting a State Water Plan before the end of each successive five-year period. For purposes of developing the State Water Plan, the State is divided into 16 regional water planning areas. Each regional water planning group for each regional water planning area must prepare a regional water plan and submit the plan to the Board for approval. Upon adoption of the State Water Plan, the Board is required to deliver the State Water Plan to the Governor, the Lieutenant Governor and the Speaker of the Texas House of Representatives, and present the adopted State Water Plan for
review to the appropriate legislative committees in the Legislature. The 2022 State Water Plan was adopted by the Board on July 7, 2021. The 2022 State Water Plan is available on the website of the Board, at http://www.twdb.texas.gov/waterplanning/swp/2022/index.asp.

In 2013, the 83rd Regular Session of the Legislature enacted enabling legislation to implement provisions relating to the proposed constitutional amendments that created SWIFT and SWIRFT to enhance the ability of the State to provide financial assistance for projects to implement the State Water Plan. With the adoption of the two amendments to the Texas Constitution as described below, the plan envisioned by the Legislature was implemented. Revenue bonds issued to support the “State Water Implementation Fund for Texas Program” are issued through the SWIRFT.

At an election held on November 5, 2013, the voters of Texas approved constitutional amendments which added two new sections to Article III of the Constitution. Generally, Section 49-d-12 provided for the appropriation of $2 billion from the State’s economic stabilization fund to create and fund SWIFT as a special fund in the state treasury outside the general revenue fund of the State. Section 49-d-13 created SWIRFT as a special fund in the state treasury outside the general revenue fund of the State.

Section 49-d-12 provides that money in SWIFT shall be administered, without further appropriation, by the Board for the purpose of implementing the State Water Plan. In addition, Section 49-d-12 authorizes the Legislature to authorize the Board to enter into Bond Enhancement Agreements to provide a source of revenue or security for general obligation bonds or revenue bonds issued by the Board, the proceeds of which are used to finance State Water Plan projects, provided, that the Bond Enhancement Agreements do not exceed the capacity of SWIFT to fully support such agreements. Moneys to be made available under the terms of a Bond Enhancement Agreement are contributed solely from SWIFT. Subchapter G of Chapter 15 of the Texas Water Code provides that the Board has legal title to the money and investments of SWIFT to be used without further appropriation for the sole purpose of implementing the State Water Plan. Responsibility for the management and investment of SWIFT is conferred on the Texas Treasury Safekeeping Trust Company, a special-purpose trust company incorporated by the Comptroller under authority granted by Subchapter G of Chapter 404, Texas Government Code, as amended, which holds and invests SWIFT for and in the name of the Board.

The goal of the State Water Implementation Fund for Texas Program is to achieve funding of approximately $27 billion of water projects over 50 years from 2015 and that the original $2 billion capitalization of SWIFT is available in perpetuity. As of June 30, 2021, the SWIFT program has delivered funding of $7.3 billion for water projects. Subchapter G of Chapter 15 of the Texas Water Code provides that in each five year period between adoptions of a new State Water Plan, the Board shall undertake to apply not less than 10 percent of SWIFT funds to support projects that are for rural political subdivisions or agricultural water conservation, and 20 percent of SWIFT funds to support projects, including agricultural irrigation projects, that are designed for water conservation or reuse.

In accordance with State law, $2 billion from the State’s economic stabilization fund was appropriated and transferred to SWIFT. As of June 30, 2021, $771,826,646 has been transferred from SWIFT to provide a source of revenue or security for SWIRFT revenue bonds issued by the Board, as further described below. SWIFT is administered by the Texas Treasury Safekeeping Trust Company (“TTSTC”). According to information available from TTSTC, as of December 31, 2019 SWIFT has a balance of approximately $1.7 billion. Information relating to the administration of SWIFT by the TTSTC can be found at its website, TTSTCLLLC.org.

Section 49-d-13 authorizes the Legislature to authorize the Board to issue bonds and enter into related credit agreements that are payable from revenues available to SWIRFT. Obligations issued or incurred pursuant to Section 49-d-13 are special obligations payable solely from amounts in SWIRFT. Moneys in SWIRFT consist of moneys transferred or deposited to the credit of SWIRFT; money from the sale, transfer, or lease of a project acquired, constructed, reconstructed, developed, or enlarged with money from SWIRFT; and money disbursed to SWIRFT from SWIFT.

The Board may use money in SWIRFT (i) as a source of revenue or security for the payment of the principal of and interest on revenue bonds issued by the Board under Subchapter H of Chapter 15 of the Texas Water Code, other bonds issue by the Board if the proceeds of SWIRFT revenue bonds will be deposited in the SWIRFT, (ii) to acquire political subdvision obligations or other assets from another fund or account administered by the Board, or (iii) to pay necessary and reasonable costs incurred by the Board in administering SWIRFT. Money deposited to the credit of SWIRFT must be invested as determined by the Board. Subchapter H of Chapter 15 of the Texas Water Code also authorizes that Board to issue revenue bonds for the purpose of providing money for SWIRFT. Revenue bonds issued under Subchapter H of Chapter 15 of the Texas Water Code are special obligations of the Board payable only from and secured by designated income and receipts of SWIRFT, and do not constitute indebtedness of the State.

As of June 30, 2021, the Board has issued eleven series of SWIRFT revenue bonds, aggregating $6,182,125,000 in principal amount outstanding. The following entities are Significant Borrowers under the SWIRFT revenue bond indentures: Tarrant Regional Water District; Lone Star Regional Water Authority; Palo Pinto County Municipal Water District No. 1; North
Harris County Regional Water Authority; Sabine River Authority of Texas; North Fort Bend Water Authority; and the North Texas Municipal Water District (the "District"). The District finances improvements pursuant to wholesale regional water supply contracts with various municipal counterparties ("Member Cities"). Four of the District’s Member Cities, the Cities of Garland, Mesquite, Plano, and Richardson, filed a petition in 2016 with the Public Utility Commission of Texas (the "PUC") to appeal wholesale water rates charged by the District to the Member Cities. On February 27, 2020, the PUC determined that certain wholesale water rates charged by the District adversely affect the public interest within the meaning of the PUC’s rules. However, on April 17, 2020, the PUC met in open meeting and reversed its decision for a cost of service hearing. On October 29, 2020, the parties entered into a settlement agreement (the "Settlement Agreement"). In the Settlement Agreement, all of the parties agreed to amend the rate-setting provisions, among other items. In addition, the Settlement Agreement provided that, by March 1, 2021, and on each third anniversary of such date thereafter, for the District to engage an independent, third-party consultant to perform a financial management analysis of the audited financial information and all additional relevant information for its water system. As part of the Settlement Agreement, the District contributed $6.6 million to an escrow agent to facilitate resolution of disputes related to the PUC proceedings. The PUC issued Orders dismissing with prejudice Docket Nos. 46662, 50382, 47863 and 49043, respectively, thereby dismissing and closing all pending proceedings involving the District and the Member Cities. All pleadings in the PUC actions are currently available at the PUC’s website, www.puc.texas.gov.

**Rural Water Assistance Fund**

Chapter 15, Subchapter R, of the Texas Water Code authorizes and governs the Rural Water Assistance Fund ("RWAF"), which is a special fund in the State Treasury. The RWAF may be used, among other purposes, to (i) provide low interest loans to Rural Political Subdivisions (as defined below) for water or water related projects and for water quality enhancement projects, including the construction of infrastructure facilities for wholesale or retail water and sewer service, desalination projects, the purchase or lease of well water fields; the construction of infrastructure facilities for wholesale purchase or lease of rights to produce groundwater; onsite or wetland wastewater treatment facilities; and interim financing of construction projects, (ii) finance water projects in the State Water Plan or regional water plan or (iii) enable a Rural Political Subdivision to obtain water or wastewater service supplied by larger political subdivisions or to finance the consolidation or regionalization of neighboring political subdivisions, or both. The RWAF may also be used to (a) contract for outreach, financial, planning, and technical assistance to assist Rural Political Subdivisions in obtaining financial assistance from any source for any purpose that could be funded by the RWAF and (b) buy down interest rates on loans or provide grants to Rural Political Subdivisions. A "Rural Political Subdivision" is a nonprofit water supply or sewer service corporation, district, or municipality with a service area of 10,000 or less in population; or that otherwise qualifies for financing from a federal agency; or a county in which no urban area exceeds 50,000 in population.

The Board may direct the Comptroller to transfer amounts from the Financial Assistance Account to the RWAF to provide financial assistance under the Texas Water Code for the purposes provided in Subchapter R, specifically for the uses described above, as listed in Section 15.994, Texas Water Code, as amended. Subchapter R further provides that the RWAF may be used as a source of revenue for the repayment of debt service on Financial Assistance Bonds, the proceeds of which have been deposited into the RWAF.

**Texas Water Resources Finance Authority**

The Texas Water Resources Finance Authority (the "Authority"), created in 1987 by the Legislature as a governmental entity and a body politic and corporate, is governed by a board of directors composed of the three TWDB members. Because the Authority is a separate legal entity from the Board, it may issue revenue bonds, the proceeds of which may be used for the purpose of purchasing political subdivision bonds from the Board's existing loan portfolio or directly from political subdivisions. The Authority's revenue bonds do not constitute a debt of the State, and neither the full faith or credit nor the taxing authority of the State is in any manner pledged, given or loaned to the payment of the Authority's revenue bonds.
The Board is an agency of the State and was created by constitutional amendment in 1957. Its mission is to provide leadership, information, education, and support for planning, financial assistance, and outreach for the conservation and responsible development of water for Texas. The Board is responsible for long-range water planning in the State. The Board is primarily responsible for the State's financial programs associated with the water industry, including the establishment of policy for the financial programs.

The Board initially was given authorization to issue as general obligations of the State, $200,000,000 in Water Development Bonds for the "construction of dams, reservoirs and other water storage projects." Subsequent amendments to the Constitution and enabling legislation expanded the types of water-related facilities eligible for Board financial assistance to include all components of water supply, wastewater (sewage) conveyance and treatment, flood control, municipal solid waste management and agricultural water conservation projects. The Board may also execute contracts with any agency of the United States for the acquisition and development of storage facilities in the State and reservoirs constructed by the federal government, which contracts constitute general obligations of the State.

The primary focus of the Board prior to 1985 was to provide loans to assist communities that found it a hardship to obtain funding from other sources. Constitutional amendments and legislative changes implemented in 1985 broadened the eligibility criteria to include all eligible applicants and regional water, wastewater, municipal solid waste management, flood control projects, and water projects that involved the conversion from a ground water supply source to a surface supply. In 1987, with the creation of the CWSRF, all political subdivisions (no hardship or regional criteria required) became eligible to apply for financial assistance for wastewater treatment projects. In 1989, a constitutional amendment and legislation authorized the Board to provide loan and grant assistance to construct potable water supply and sanitary sewer systems in impoverished areas through the Economically Distressed Areas Program. In 1998, the State established the DWSRF to receive proceeds of certain federal grants, provide matching funds and make loans to political subdivisions and water supply corporations that facilitate compliance with the federal government’s primary national drinking water regulations. In 2013, the voters of the State also approved a constitutional amendment which created the SWIFT and the SWIRFT, such funds administered by the Board for the purpose of implementing the State Water Plan. See "OTHER FINANCIAL ASSISTANCE PROGRAMS OF THE BOARD – State Water Implementation Fund for Texas."

Pursuant to Subchapter C of Chapter 16 of the Texas Water Code, the Legislature first directed the Board to prepare, develop, formulate, and adopt a comprehensive state water plan (the "State Water Plan") prior to January 2002. Thereafter, the Board has been responsible for preparing, developing, formulating and adopting a State Water Plan before the end of each successive five-year period after that date. The State Water Plan provides for and identifies projects in furtherance of the orderly development, management, and conservation of water resources and preparation for and response to drought conditions, in order that sufficient water will be available at a reasonable cost to ensure public health, safety and welfare, further economic development and protect the agricultural and natural resources of the entire State.

For purposes of developing the State Water Plan, the State is divided into 16 regional water planning areas. Each regional water planning group for each regional water planning area must prepare a regional water plan and submit the plan to the Board for approval by the Board, and for inclusion in the State Water Plan. The regional water planning groups shall submit their adopted regional water plans to the Board no later than January 5 of the year that is one year prior to the date the Board is to adopt the State Water Plan for the ensuing five-year period.

On adoption of the State Water Plan, the Board is required to deliver the State Water Plan to the Governor, the Lieutenant Governor and the Speaker of the Texas House of Representatives, and present the adopted State Water Plan for review to the appropriate legislative committees in the Legislature.

The Board unanimously approved the 2022 State Water Plan and it is available on the website of the Board at: http://www.twdb.texas.gov/waterplanning/swp/2022/index.asp.

Limitation of Liability of Officials of the Board

No present or future member of the Board or agent or employee of the Board, in his or her individual capacity, and neither the members of the Board nor any official executing the Bonds will be liable personally for payment on the Bonds or be subject to any personal liability or accountability by reason of the issuance of Bonds.
Bond Review Board Approval

With certain exceptions, bonds issued by State agencies and institutions, including bonds issued by the Board, must be approved by the Texas Bond Review Board (the "Bond Review Board") prior to their issuance. The Bond Review Board is composed of the Governor, the Lieutenant Governor, the Speaker of the House of Representatives, and the Comptroller (as defined herein). The Governor is the Chairman of the Bond Review Board. Each member of the Bond Review Board may, and frequently does, act through a designee.

On [______________], 2021, the Bond Review Board approved the Bonds.

Cybersecurity

The State’s Office of the Chief Information Security Officer, in conjunction with the Statewide Information Security Advisory Committee, created a strategic plan for the State that focuses on cybersecurity initiatives. The plan, adopted January 2018, addresses the goals of engagement, tooling, staffing, response and outreach. In addition to compliance with such plan, the Board has adopted information technology policies and procedures, including risk management policies and procedures that are reviewed and updated annually. The Board employs other routine and standard processes that ensure the security of information resources as well, such as an annual controlled penetration test, a biennial Information Security Risk Assessment conducted by a third-party and a Board Security Plan that is updated every two years. In addition, the Board requires annual security awareness training of all employees and contractors and conducts quarterly phishing exercises to reinforce awareness concepts. There have been no material cybersecurity incidents that have impacted the operation or financial condition of the Board.

2021 Legislative Session

In odd-numbered years, the State Legislature meets in a regular session lasting 140 days. On January 12, 2021, the State Legislature convened in its 87th Regular Session which ended May 31, 2021. Pursuant to HB 1904 of the 87th Regular Session of the State Legislature, effective September 1, 2021, to make transfers from the Water Infrastructure Fund to the Financial Assistance Account for the purposes described in Section 49-d-8, other than for the purposes described in Sections 17.957 and 17.958, Texas Water Code, as amended.

Sunset Review of the Board

The Board is subject to review, but not abolishment, under the Texas Sunset Act, Chapter 325, Texas Government Code (the "Sunset Act"), by the Sunset Advisory Commission (the "Commission"). The Board was most recently reviewed in 2011 and is subject to review every 12th year thereafter. The Legislature, however, is not prohibited from considering legislation addressing the programs performed by the Board prior to such date. Pursuant to the Sunset Act, the Commission is required to make recommendations to the Legislature regarding the reorganization, consolidation or transfer of programs administered by the Board. The Sunset Act further prohibits the Legislature from enacting legislation which would in any way affect the Board's continuing obligations, including those to the Holder of the Bonds pursuant to the Resolution.
GENERAL INFORMATION REGARDING THE STATE

Available Information

The Texas Comptroller of Public Accounts (the "Comptroller") prepares (a) a quarterly appendix (the "Bond Appendix"), which sets forth certain information regarding the State (including its government, finances, economic profile, and other matters) for use by State entities when issuing debt, (b) an annual Comprehensive Annual Financial Report ("CAFR"), which includes financial statements audited by the State Auditor, and (c) from time to time notices of certain events as described under "CONTINUING DISCLOSURE OF INFORMATION - Continuing Disclosure Undertaking of the Comptroller—Event Notices." All such documents are provided to the Municipal Securities Rulemaking Board (the "MSRB") and publicly accessible as described in “APPENDIX A – The State of Texas.” The most current such documents are described in "APPENDIX A – The State of Texas" and incorporated herein by reference. No representation is made that such documents contain all facts material to an evaluation of the ability of the State to make timely payment of debt service on the Bonds, or the value of the Bonds, or that any specific information should be accorded any particular significance.

Constitutional Limitation on Debt

Article III, Section 49-j of the Texas Constitution prohibits the State Legislature from authorizing additional State debt payable from the general revenue fund, including authorized but unissued bonds and lease purchase contracts in excess of $250,000 but excluding debt reasonably expected to be paid from other sources, if the resulting maximum annual debt service in any State fiscal year on such State debt payable from the general revenue fund exceeds 5% of the average amount of general revenue fund revenues for the three immediately preceding fiscal years, excluding revenues constitutionally dedicated for purposes other than payment of state debt.

LEGAL MATTERS

Legal Opinions

The Board will furnish to the Underwriters a complete transcript of proceedings incident to the authorization and issuance of the Bonds, including the legal opinions of the Attorney General of the State to the effect that the Bonds are valid and legally binding obligations of the Board and, based upon examination of such respective transcripts of proceedings, the legal opinions to like effect of Orrick, Herrington, & Sutcliffe LLP, Bond Counsel and, subject to the qualifications set forth herein under "TAX MATTERS", the interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes under existing statutes, published rulings, and court decisions. In its capacity as Bond Counsel, Bond Counsel has reviewed the information under the captions "PLAN OF FINANCE" (except the subcaption "Anticipated Issuance of Additional Bonds", as to which no opinion will be expressed), "THE BONDS", "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS", "LEGAL MATTERS" (except the last two sentences of the first paragraph appearing under this subcaption "Legal Opinions" and the entirety of the information under the subcaption "No-Litigation Certificate" to which no opinion will be expressed), "TAX MATTERS", "CONTINUING DISCLOSURE OF INFORMATION" (excluding any information describing or otherwise pertaining to the continuing disclosure undertaking of the Comptroller and any statements with respect to State's or the Board's compliance with prior continuing disclosure undertakings, as to which no opinion will be expressed), and APPENDIX C to this Official Statement, and such firm is of the opinion that the information relating to the Bonds and the Resolution and such firm's legal conclusions contained under such captions and in APPENDIX C is a fair and accurate summary of the information purported to be shown therein. In connection with the transactions described herein, Bond Counsel represents only the Board. The legal opinions of Bond Counsel in the forms set forth in APPENDIX C to this Official Statement will accompany the Bonds deposited with DTC. Certain legal matters will be passed upon for the Underwriters by their counsel, McCall, Parkhurst & Horton L.L.P., San Antonio, Texas, whose legal fee is contingent on the issuance and sale of the Bonds. Certain legal matters will be passed on for the Board by Bracewell LLP, Houston, Texas, Disclosure Counsel. Orrick, Herrington & Sutcliffe LLP and Bracewell LLP represent one or more of the Underwriters from time to time on matters not related to the Bonds.

The legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of the expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction, nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

No-Litigation Certificate

No litigation or other governmental proceedings are pending or, to the knowledge of the Board, threatened which seek to prohibit, restrain or enjoin the issuance, execution and delivery of the Bonds or question the validity or enforceability of the Bonds or any of the proceedings taken in connection with the issuance thereof.
The State is party to various legal proceedings relating to its operations and governmental functions but such proceedings are unrelated to the Bonds or the security for the Bonds. For a discussion of litigation filed against the State please see the Bond Appendix litigation section in APPENDIX A hereto.

At the time of payment for and delivery of the Bonds, the Chairman of the Board or the Chairwoman of the Board, or his or her designee, and the Executive Administrator will execute and deliver a certification to the effect that no litigation of any nature has been filed or is then pending which would restrain the issuance and delivery of the Bonds or affect the provision made for their payment or security or in any manner question the validity of the Bonds.

**Eligibility for Investment in Texas**

Section 1201.041 of the Public Security Procedures Act (Chapter 1201, Texas Government Code, as amended) provides that the Bonds are negotiable instruments, investment securities governed by Chapter 8, Texas Business & Commerce Code, as amended, and are legal and authorized investments for insurance companies, fiduciaries, and trustees, and for the sinking funds of municipalities or other political subdivisions or public agencies of the State. In addition, various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with at least $1 million of capital, and savings and loan associations. The Bonds are eligible to secure deposits of any public funds of the State, its agencies and political subdivisions, and are legal security for those deposits to the extent of their market value. For political subdivisions in Texas which have adopted investment policies and guidelines in accordance with the Public Funds Investment Act (Chapter 2256, Texas Government Code, as amended), the Bonds may have to be assigned a rating of at least "A" or its equivalent as to the investment quality by a national rating agency before the Bonds are eligible investments for sinking funds or other public funds of such political subdivisions.

No representation is made that the Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes. The Board has made no investigation of other laws, rules, regulations or investment criteria which might apply to any such persons or entities or which might otherwise limit the suitability of the Bonds for any of the foregoing purposes or limit the authority of such persons or entities to purchase or invest in the Bonds for such purposes. The Board has not made any review of laws in other states to determine whether the Bonds are legal investments for various institutions in those states.

It is the obligation of the Underwriters to register or qualify the sale of the Bonds under the securities laws of any jurisdiction which so requires. The Board has agreed to cooperate, at the Underwriters’ written request and sole expense, in registering or qualifying the Bonds or in obtaining an exemption from registration or qualification in any state where such action is necessary; provided, however, that the Board shall not be required to qualify as a foreign corporation or to execute a general or special consent to service of process in any jurisdiction.

**Registration and Qualification of Bonds for Sale**

No registration statement relating to the Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein, nor have the Bonds been registered or qualified under the securities laws of any other jurisdiction. The Board assumes no responsibility for registration or qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be offered, sold, or otherwise transferred. It is the obligation of the purchaser to register or qualify sale of the Bonds under the securities laws of any jurisdiction which so requires. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions.
TAX MATTERS

Tax Exemption

The delivery of the Bonds is subject to the opinions of Bond Counsel to the effect that interest on the Bonds for federal income tax purposes (1) will be excludable from gross income, as defined in section 61 of the Code, pursuant to section 103 of the Code and existing regulations, published rulings, and court decisions, and (2) will not be included in computing the alternative minimum taxable income of the owners thereof. Forms of Bond Counsel's opinions are reproduced as Appendix C. The statutes, regulations, rulings, and court decisions on which such opinions are based are subject to change.

In rendering the foregoing opinions, Bond Counsel will rely on the Sufficiency Certificates as it relates to the Series 2021B and 2021C representations and certifications of the Board made in a certificate dated the date of delivery of the Bonds pertaining to the use, expenditure, and investment of the proceeds of the Bonds and will assume continuing compliance by the Board with the provisions of the Resolution subsequent to the issuance of the Bonds. The Resolution contains covenants by the Board with respect to, among other matters, the use of the proceeds of the Bonds and the facilities financed therewith by persons other than state or local governmental units, the manner in which the proceeds of the Bonds are to be invested, the periodic calculation and payment to the United States Treasury of arbitrage "profits" from the investment of proceeds, and the reporting of certain information to the United States Treasury. Failure to comply with any of these covenants may cause interest on the Bonds to be includable in the gross income of the owners thereof from date of the issuance of the Bonds.

Bond Counsel's opinions are not a guarantee of a result, but represent its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the representations and covenants of the Board described above. No ruling has been sought from the Internal Revenue Service (the "IRS") with respect to the matters addressed in the opinions of Bond Counsel, and Bond Counsel's opinions are not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on tax-exempt obligations. If an audit of the Bonds is commenced, under current procedures the IRS is likely to treat the Board as the "taxpayer," and the owners of the Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Bonds, the Board may have different or conflicting interests from the owners of the Bonds. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Bond Counsel expresses no other opinion with respect to any other federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a financial asset securitization investment trust ("FASIT"), and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

Existing law may change to reduce or eliminate the benefit to bondholders of the exclusion of interest on the Bonds from gross income for federal income tax purposes. Any proposed legislation or administrative action, whether or not taken, could also affect the value and marketability of the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors with respect to any proposed or future changes in tax law.

Tax Accounting Treatment of Discount and Premium on Certain Bonds

The initial public offering price of certain Bonds (the "Discount Bonds") may be less than the amount payable on such Bonds at maturity. An amount equal to the difference between the initial public offering price of a Discount Bond (assuming that a substantial amount of the Discount Bonds of that maturity are sold to the public at such price) and the amount payable at maturity constitutes original issue discount to the initial purchaser of such Discount Bond. A portion of such original issue discount allocable to the holding period of such Discount Bond by the initial purchaser will, upon the disposition of such Discount Bond (including by reason of its payment at maturity), be treated as interest excludable from gross income, rather than as taxable gain, for federal income tax purposes, on the same terms and conditions as those for other interest on the Bonds described above under "Tax Exemption." Such interest is considered to be accrued actuarially in accordance with the constant interest method over the life of a Discount Bond, taking into account the semiannual compounding of accrued interest, at the yield to maturity on such Discount Bond and generally will be allocated to an initial purchaser in a different amount from the amount of the payment denominated as interest actually received by the initial purchaser during the tax year.

However, such interest may be required to be taken into account in determining the amount of the branch profits tax applicable to certain foreign corporations doing business in the United States, even though there will not be a corresponding cash payment. In addition, the accrual of such interest may result in certain other collateral federal income tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise
qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Moreover, in the event of the redemption, sale or other taxable disposition of a Discount Bond by the initial owner prior to maturity, the amount realized by such owner in excess of the basis of such Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Discount Bond was held) is includable in gross income.

Owners of Discount Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Discount Bonds. It is possible that, under applicable provisions governing determination of state and local income taxes, accrued interest on Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

The initial public offering price of certain Bonds (the "Premium Bonds") may be greater than the amount payable on such Bonds at maturity. An amount equal to the difference between the initial public offering price of a Premium Bond (assuming that a substantial amount of the Premium Bonds of that maturity are sold to the public at such price) and the amount payable at maturity constitutes premium to the initial purchaser of such Premium Bonds. The basis for federal income tax purposes of a Premium Bond in the hands of such initial purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Bond. The amount of premium which is amortizable each year by an initial purchaser is determined by using such purchaser's yield to maturity.

Purchasers of the Premium Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

CONTINUING DISCLOSURE OF INFORMATION

Each of the Board and the Comptroller has entered into a separate undertaking for the benefit of bondholders to provide certain updated information and notices to the Municipal Securities Rulemaking Board (the "MSRB") through its Electronic Municipal Market Access ("EMMA") system, as described below.

Continuing Disclosure Undertaking of the Board

General. In the Resolution, the Board has made the following agreement for the benefit of the holders and Beneficial Owners of the related Bonds. The Board is required to observe the agreement for so long as it remains obligated to advance funds to pay the Bonds. Under the agreement, the Board will be obligated to provide certain updated financial information and operating data annually, and timely notice of certain specified events, to the MSRB through EMMA.

Annual Reports. The Board will provide certain updated financial information and operating data to the MSRB annually. The information to be updated includes financial information and operating data of the general type included in TABLES 1 and 2 and APPENDIX B of this Official Statement. The Board will update and provide this information within 195 days after the end of each fiscal year ending in or after 2022.

The financial information and operating data to be provided may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB's website or filed with the SEC, as permitted by SEC Rule 15c2-12 (the "Rule"). The updated information will include audited financial statements, if the Board or the State, as appropriate, commissions an audit and it is completed by the required time. If audited financial statements are not available by the required time, the Board will provide unaudited financial statements within the required time and audited financial statements when and if the audit report becomes available. Any such financial statements will be prepared in accordance with generally accepted accounting principles for governmental entities or such other accounting principles as the Board may be required to employ from time to time pursuant to State law or regulation.

The Board's current fiscal year end is August 31. Accordingly, it must provide updated information within 195 days thereof unless the Board changes its fiscal year. If the Board changes its fiscal year, it will notify the MSRB of the change prior to the next date by which the Board otherwise would be required to provide financial information and operating data as described above.

Event Notices. The Board will notify the MSRB in a timely manner, not in excess of ten (10) Business Days (as defined in the Resolution) after the occurrence of any of the events listed below. The Board will provide notice of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinion, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of
Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds; (7) modifications to rights of holders of the Bonds, if material; (8) Bond calls, if material, and tender offers; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership, or similar event of the Board; (13) the consummation of a merger, consolidation, or acquisition involving the Board or the sale of all or substantially all of the assets of the Board, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action, or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; (14) the appointment of a successor or additional Paying Agent/Registrar or the change of name of a Paying Agent/Registrar, if material; (15) incurrence of a Financial Obligation of the Board, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Board, any of which affect security holders, if material; and (16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Board, any of which reflect financial difficulties. In addition, the Board will provide timely notice of any failure by the Board to provide information, data, or financial statements in accordance with its agreement described above under "Continuing Disclosure Undertaking of the Board – Annual Reports."

For the purposes of the event numbered 12 above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Board in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Board, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Board. As used in events numbered (15) and (16) above, the term "Financial Obligation" means: (i) a debt obligation; (ii) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii), however, the term Financial Obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

Continuing Disclosure Undertaking of the Comptroller

General. The Comptroller has entered into an Amended and Restated Continuing Disclosure Agreement with the Bond Review Board dated March 12, 2019. The Board and the legal and beneficial owners of the Bonds are third-party beneficiaries of the Comptroller’s agreement. The Comptroller is required to observe this agreement in respect of any issue of Securities, as defined in the agreement (which include the Bonds), for so long as the State remains an "obligated person," as defined in the Rule. Under the agreement, the Comptroller will be obligated to provide certain updated financial information and operating data annually, and timely notice of specified events, to the MSRB as described below.

Annual Reports. The Comptroller will provide certain updated financial information and operating data to the MSRB annually. Under its disclosure agreement, the Comptroller is not obligated to provide such financial and operating data more frequently than on an annual basis. The information to be updated includes all quantitative financial information and operating data with respect to the State of the general type included in the Bond Appendix. The Comptroller will update and provide this information within 195 days after the end of each fiscal year of the State.

The financial information and operating data to be provided may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB’s EMMA website or filed with the SEC, as permitted by the Rule. The updated information provided by the Comptroller will be provided on a cash basis and will not be audited, but the Comptroller will provide audited financial statements of the State prepared in accordance with generally accepted accounting principles for governmental entities when the State Auditor completes its statutorily required audit of such financial statements. The accounting principles pursuant to which such financial statements must be prepared may be changed from time to time to comply with State law.

The State’s current fiscal year end is August 31. Accordingly, the Comptroller must provide updated information for each fiscal year within 195 days after that date unless the State changes its fiscal year. If the State changes its fiscal year, the Comptroller will notify the MSRB of the change prior to the next date by which the Comptroller otherwise would be required to provide financial information and operating data as described above.

Quarterly Reports. Although it is not contractually committed to do so, the Comptroller currently prepares and files with the MSRB a quarterly Bond Appendix which provides a general description of the State and sets forth certain information regarding the State, including its government, finances, economic profile, and other matters, for use by State entities when issuing debt. Certain tables within the Bond Appendix are updated on a quarterly basis while other tables within the Bond Appendix are updated on a semianual or annual basis. The Bond Appendix is not audited and provides financial data on a cash basis. The Comptroller generally files an updated Bond Appendix with the MSRB within two weeks after each January 31, April 30, July 31, and October 31, and it may file voluntary notices of significant events with the MSRB between Bond Appendices, although there is no assurance that it will continue such voluntary filings at such times or at all in the future.
**Event Notices.** The Comptroller will also provide notice to the MSRB of any of the following events with respect to the Board on a timely basis no later than 10 business days after the event: (a) the incurrence of a financial obligation (as defined in the Rule, including certain debt, debt-like, and debt-related obligations) of the State, if material, or an agreement to covenants, events of default, remedies, priority rights, or other similar terms of any such financial obligation, any of which affect security holders, if material; or (b) a default, event of acceleration, termination event, modification of terms, or other similar event under the terms of any such financial obligation of the State, any of which reflect financial difficulties.

The Comptroller will also provide timely notice to the MSRB of any failure to provide updated financial information, operating data, or financial statements in accordance with its agreement.

**Availability of Information**

The Board and the Comptroller have agreed to provide the foregoing financial and operating information and notices only as described above. The Board and the Comptroller will be required to file their respective continuing disclosure information using the MSRB’s EMMA system. Investors will be able to access continuing disclosure information filed with the MSRB free of charge at www.emma.msrb.org.

The quarterly Bond Appendix, if and when filed, the State’s CAFR, and annual financial and operating information, and event notices, if any, may be obtained by using the EMMA Quick Search function and entering the term “State of Texas Comptroller.” The most recently prepared Bond Appendix, CAFR, and notices may also be accessed on the Comptroller’s website at: https://comptroller.texas.gov/programs/systems/treasury-ops/index.php.

**Limitations and Amendments**

The Board and the Comptroller have agreed to update information and to provide notices of events only as described above. Neither is responsible for performance of the other’s agreement, and neither has agreed to provide other information that may be relevant or material to a complete presentation of the Board’s or the State’s financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. Neither makes any representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. Each disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of its continuing disclosure agreement or from any statement made pursuant to its agreement, although holders of the Bonds may seek a writ of mandamus to compel the Board and the Comptroller to comply with their respective agreements.

The Board and the Comptroller may amend their respective continuing disclosure agreements from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Board or the State, if (i) the agreement, as amended, would have permitted an underwriter to purchase or sell Bonds in the offering described herein in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (a) the holders of a majority in aggregate principal amount of the outstanding Bonds consent to the amendment or (b) a person unaffiliated with the State, the Comptroller, the Bond Review Board and the Board (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the beneficial owners of such Bonds. The Board may also amend or repeal the provisions of its continuing disclosure agreement if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If the Board or the Comptroller so amends its disclosure agreement, it has agreed to include with the next financial information and operating data provided in accordance with its agreement described above under "Annual Reports" an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information and operating data so provided.
OTHER INFORMATION

Ratings

Fitch Ratings Inc., Moody's Investors Service, Inc. and S&P Global Ratings, a division of S&P Global Inc., have assigned ratings of "[___]", "[___]" and "[ ___]" respectively, to the Bonds. An explanation of the significance of such ratings may be obtained from the company furnishing the rating. The ratings reflect only the respective views of such rating companies and the Board and the Underwriters make no representation as to the appropriateness of the ratings. There is no assurance that such ratings will continue for any given period of time or that they will not be revised downward or withdrawn entirely by any or all of such rating companies if, in the judgment of any or all companies, circumstances so warrant. Any such downward revision or withdrawal of such ratings, or any of them, may have an adverse effect on the market price of the Bonds. A securities rating is not a recommendation to buy, sell, or hold securities.

Underwriting

The Underwriters have agreed, subject to certain conditions, to purchase: the Series 2021A Bonds at a purchase price of $__________ (consisting of a principal amount of $____________, plus an original issue premium of $____________, and less an underwriting discount of $____________); the Series 2021B Bonds at a purchase price of $__________ (consisting of a principal amount of $____________, plus an original issue premium of $____________, and less an underwriting discount of $____________); and the Series 2021C Bonds at a purchase price of $__________ (consisting of a principal amount of $____________, plus an original issue premium of $____________, and less an underwriting discount of $____________).

The Underwriters will be obligated to purchase all of the Bonds if any Bonds are purchased. The Bonds to be offered to the public may be offered and sold to certain dealers (including the Underwriters and other dealers depositing Bonds into investment trusts) at prices lower than the public offering prices of the Bonds and such public offering prices may be changed, from time to time, by the Underwriters.

The Underwriters have furnished for inclusion in this Official Statement the following paragraphs of this subcaption. The Board makes no representation as to the accuracy or completeness of the information contained in the following paragraphs.

The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage services. Certain of the Underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking services for the State, for which they received or will receive customary fees and expenses.

In the ordinary course of their various business activities, the Underwriters and their respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities, which may include credit default swaps) and financial instruments (including bank loans) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investment and securities activities may involve securities and instruments of the Board or the State.

The Underwriters and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold long and short positions in such assets, securities and instruments.

The Board intends to use a portion of the proceeds from the Series 2021B and the Series 2021C Bonds to redeem the Refunded Bonds. To the extent an Underwriter or an affiliate thereof is an owner of Refunded Bonds, such Underwriter or its affiliate, as applicable, would receive, as an owner of a Refunded Bond, a portion of the proceeds from the issuance of the Series 2021B Bonds and Series 2021C Bonds contemplated herein in connection with such Refunded Bonds being redeemed by the Board.

Unaudited Financial Information

The Board provides financial information and operating data regarding the Development Fund II, and the Economically Distressed Areas Program in APPENDIX B to this Official Statement. The information presented in APPENDIX B is unaudited, and is prepared in accordance with State requirements for State agencies.

THE STATE OF TEXAS

As described in the body of the Official Statement under "CONTINUING DISCLOSURE OF INFORMATION - Continuing Disclosure Undertaking of the Comptroller," the Texas Comptroller of Public Accounts ("Comptroller") is required to file updated annual financial and operating data, audited financial statements of the State when received, and timely notice of certain events with the Municipal Securities Rulemaking Board ("MSRB"), and the Comptroller voluntarily files quarterly Bond Appendices and occasional notices of significant events.

The Official Statement hereby incorporates by reference the previously filed documents listed below, except for any information superseded by information that is included directly in the body of the Official Statement or incorporated by reference in a subsequent document, as well as any future filings that the Comptroller makes with the MSRB through EMMA prior to the termination of the offering of the Bonds under the Official Statement:

- State of Texas Comprehensive Annual Financial Report ("CAFR") for the fiscal year ended August 31, 2020
- Appendix A: The State of Texas (__________] 2021)
- Each notice, if any, filed with the MSRB by the Comptroller since the end of the fiscal year of the State addressed in the foregoing CAFR.

These documents and any subsequently filed documents, if any, may be obtained by accessing EMMA at https://emma.msrb.org/, using the MSRB Quick Search function and entering the term "State of Texas Comptroller." The documents may also be accessed on the Comptroller’s website at: https://comptroller.texas.gov/programs/systems/treasury-ops/index.php. For further information see "CONTINUING DISCLOSURE OF INFORMATION - Continuing Disclosure Undertaking of the Comptroller" in the body of the Official Statement.

Information in the Bond Appendix, CAFR, and any notice incorporated herein by reference is provided as of the date specified in the documents. No representation is made that such documents contain all facts material to an evaluation of the ability of the State to pay principal of and interest on the Bonds when due, or the value of the Bonds, or that any specific information should be accorded any particular significance.

APPENDIX E

BOOK-ENTRY-ONLY SYSTEM

The information set out in this Appendix E is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC (as defined below), Euroclear Bank S.A./N.V. as operator of the Euroclear System ("Euroclear") or Clearstream Banking S.A. ("Clearstream Banking") (DTC, Euroclear and Clearstream Banking together, the "Clearing Systems" currently in effect). The information in this Appendix E concerning the Clearing Systems has been obtained from sources that the Board believes to be reliable, but none of the Board, the Financial Advisor, the Underwriters take any responsibility for the accuracy, completeness or adequacy of the information in this Appendix E. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. The Board will not have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Series 2021 Bonds held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

DTC Book-Entry Only System

Below is a description of how ownership of the Series 2021 Bonds is to be transferred and how the principal and interest on the Series 2021 Bonds are to be paid to and credited by The Depository Trust Company, New York, New York ("DTC") while the Series 2021 Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as the Official Statement. The Board, the Financial Advisor, and the Underwriters believe the source of such information to be reliable but take no responsibility for the accuracy or completeness thereof.

The Board and the Underwriters cannot and do not give any assurance that (1) DTC will distribute payments of debt service on the Series 2021 Bonds, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Series 2021 Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or (3) DTC will serve and act in the manner described in the body of the Official Statement. The current rules applicable to DTC are on file with the Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC. Termination of the DTC Book-Entry-Only System by the Board may require consent of the Participants under DTC Operational Arrangements.

DTC will act as securities depository for the Series 2021 Bonds. The Series 2021 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond will be issued for each maturity and series of the Series 2021 Bonds, as set forth on the inside of the cover page hereof, in the aggregate principal amount of such maturity and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose Trust Company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers,
banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants" and, together with the Direct Participants, the "Participants"). The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2021 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2021 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2021 Bond ("Beneficial Owner") is in turn to be recorded on the Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2021 Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2021 Bonds, except in the event that use of the book-entry system for the Series 2021 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2021 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2021 Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2021 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2021 Bonds are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Beneficial Owners of the Series 2021 Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Series 2021 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of the Series 2021 Bonds may wish to ascertain that the nominee holding the Series 2021 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners, in the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2021 Bonds within a maturity are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Series 2021 Bonds unless authorized by a Direct Participant in accordance with DTC’s Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Board as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Series 2021 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).
All payments on the Series 2021 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts, upon DTC’s receipt of funds and corresponding detail information from the Board or the Paying Agent/Registrar on payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent/Registrar, or the Board, subject to any statutory or regulatory requirements as may be in effect from time to time. All payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) are the responsibility of the Board or the Paying Agent/Registrar, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2021 Bonds at any time by giving reasonable notice to the Board or the Paying Agent/Registrar. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2021 Bond certificates are required to be printed and delivered.

The Board may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the Board believes to be reliable, but the Board takes no responsibility for the accuracy thereof and the information is not to be construed as a representation by the Board, the Financial Advisor or the Underwriters.

Use of certain terms in other sections of the Official Statement. In reading the Official Statement it should be understood while the Series 2021 Bonds are in the book-entry-only system, references in other sections of the Official Statement to registered owners should be read to include the person for which the Participant acquires an interest in the Series 2021 Bonds, but (i) all rights of ownership must be exercised through DTC and the Book-Entry-Only System, and (ii) except as described above, notices that are to be given to registered owners under the Resolutions will be given only to DTC.

**Euroclear and Clearstream Banking**

The information in this section concerning Euroclear and Clearstream Banking has been provided by such Clearing Systems for use in disclosure documents such as the Official Statement:

Euroclear and Clearstream Banking each hold securities for their customers and facilitate the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear and Clearstream Banking provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream Banking also deal with domestic securities markets in several countries through established depositary and custodial relationships. Euroclear and Clearstream Banking have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear and Clearstream Banking customers are worldwide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear and Clearstream Banking is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system, either directly or indirectly.
Clearing and Settlement Procedures

The Series 2021 Bonds sold in offshore transactions will be initially issued to investors through the book-entry facilities of DTC, or Clearstream Banking and Euroclear in Europe if the investors are participants in those systems, or indirectly through organizations that are participants in the systems. For any of such Series 2021 Bonds, the record holder will be DTC’s nominee. Clearstream Banking and Euroclear will hold omnibus positions on behalf of their participants through customers’ securities accounts in Clearstream Banking’s and Euroclear’s names on the books of their respective depositories.

The depositories, in turn, will hold positions in customers’ securities accounts in the depositories’ names on the books of DTC. Because of time zone differences, the securities account of a Clearstream Banking or Euroclear participant as a result of a transaction with a participant, other than a depository holding on behalf of Clearstream Banking or Euroclear, will be credited during the securities settlement processing day, which must be a business day for Clearstream Banking or Euroclear, as the case may be, immediately following the DTC settlement date. These credits or any transactions in the securities settled during the processing will be reported to the relevant Euroclear participant or Clearstream Banking participant on that business day. Cash received in Clearstream Banking or Euroclear as a result of sales of securities by or through a Clearstream Banking participant or Euroclear participant to a Participant, other than the depository for Clearstream Banking or Euroclear, will be received with value on the DTC settlement date but will be available in the relevant Clearstream Banking or Euroclear cash account only as of the business day following settlement in DTC.

Transfers between Participants will occur in accordance with DTC rules. Transfers between Clearstream Banking participants or Euroclear participants will occur in accordance with their respective rules and operating procedures. Cross-market transfers between persons holding directly or indirectly through DTC, on the one hand, and directly or indirectly through Clearstream Banking participants or Euroclear participants, on the other, will be effected in DTC in accordance with DTC rules on behalf of the relevant European international clearing system by the relevant depositories; however, cross-market transactions will require delivery of instructions to the relevant European international clearing system by the counterparty in the system in accordance with its rules and procedures and within its established deadlines in European time. The relevant European international clearing system will, if the transaction meets its settlement requirements, deliver instructions to its depository to take action to effect final settlement on its behalf by delivering or receiving securities in DTC, and making or receiving payment in accordance with normal procedures for same day funds settlement applicable to DTC. Clearstream Banking participants or Euroclear participants may not deliver instructions directly to the depositories.

The Board will not impose any fees in respect of holding the Series 2021 Bonds; however, holders of book-entry interests in the Series 2021 Bonds may incur fees normally payable in respect of the maintenance and operation of accounts in the Clearing Systems.

Initial Settlement

Interests in the Series 2021 Bonds held in the Euroclear and Clearstream Clearing Systems will be held in uncertified book-entry form. Purchasers electing to hold book-entry interests in the Series 2021 Bonds through Euroclear and Clearstream Banking accounts will follow the settlement procedures applicable to conventional Eurobonds. Book-entry interests in the Series 2021 Bonds will be credited to Euroclear and Clearstream Banking participants’ securities clearance accounts on the business day following the date of delivery of the Series 2021 Bonds against payment (value as on the date of delivery of the Series 2021 Bonds). Participants acting on behalf of purchasers electing to hold book-entry interests in the Series 2021 Bonds through DTC will follow the delivery practices applicable to securities eligible for DTC’s Same Day Funds Settlement system. Participants’ securities accounts will be credited with book-entry interests in the Series 2021 Bonds following confirmation of receipt of payment to the Board on the date of delivery of the Series 2021 Bonds.
Secondary Market Trading

Secondary market trades in the Series 2021 Bonds will be settled by transfer of title to book-entry interests in the Clearing Systems. Title to such book-entry interests will pass by registration of the transfer within the records of Euroclear, Clearstream Banking or DTC, as the case may be, in accordance with their respective procedures. Book-entry interests in the Series 2021 Bonds may be transferred within Euroclear and within Clearstream Banking and between Euroclear and Clearstream Banking in accordance with procedures established for these purposes by Euroclear and Clearstream Banking. Book-entry interests in the Series 2021 Bonds may be transferred within DTC in accordance with procedures established for this purpose by DTC. Transfer of book-entry interests in the Series 2021 Bonds between Euroclear or Clearstream Banking and DTC may be effected in accordance with procedures established for this purpose by Euroclear, Clearstream Banking and DTC.

Special Timing Considerations

Investors will only be able to make and receive deliveries, payments and other communications involving the Series 2021 Bonds through Euroclear or Clearstream Banking on days when those systems are open for business. In addition, because of time-zone differences, there may be complications with completing transactions involving Clearstream Banking and/or Euroclear on the same business day as in the United States. U.S. investors who wish to transfer their interests in the Series 2021 Bonds, or to receive or make a payment or delivery of Series 2021 Bonds, on a particular day, may find that the transactions will not be performed until the next business day in Luxembourg if Clearstream Banking is used, or Brussels if Euroclear is used.

General

None of DTC, Euroclear, or Clearstream Banking is under any obligation to perform or continue to perform the procedures referred to above, and such procedures may be discontinued at any time.

None of the Board, the Financial Advisor, the Paying Agent/Registrar or the Underwriters will have any responsibility for the performance by DTC, Euroclear, or Clearstream Banking or their respective direct or indirect participants or account holders of their respective obligations, including the timely transfer of funds to pay interest on and principal of the Series 2021 Bonds when due, under the rules and procedures governing their operations or the arrangements referred to above.
