## AGENDA ITEM MEMO

**BOARD MEETING DATE:** January 22, 2026

**TO:** Board Members

**THROUGH:** Bryan McMath, Executive Administrator  
Ashley Harden, General Counsel  
Walter Dean, Assistant General Counsel  
Jessica Peña, Deputy Executive Administrator, Water Supply & Infrastructure

**FROM:** T. Clay Schultz, PhD, Director, Regional Water Project Development  
Nancy Richards, Manager, Regional Water Project Development

**SUBJECT:** Harris County Flood Control District General Revenue Grant – Halls Aldine Westfield South Stormwater Detention Basin and Mainstream Channel Conveyance Improvement Project – Project No. 21902

### **ACTION REQUESTED**

Consider authorizing the Executive Administrator to execute an agreement with the Harris County Flood Control District for a \$2,500,000 grant pursuant to Senate Bill No. 1, 89th Legislative Regular Session, Article IX, Section 17.18 (14).

### **BACKGROUND**

The Halls Aldine Westfield South Stormwater Detention Basin Project is located in the Halls Bayou Watershed. The basin is anticipated to enhance proposed channel conveyance improvements along Halls Bayou downstream of the Hardy Toll Road, which is one of the most flood-prone areas within the watershed. The basin will store excess floodwater during times of heavy rain and release it back to the bayou when threat of flooding has passed.

The Harris County Flood Control District (District) intends to use the appropriated funds to complete a feasibility study, preliminary engineering, and design of the basin. Once complete, the basin is anticipated to provide up to 950 acre-feet in floodwater storage, depending on rights-of-way availability.

### **KEY ISSUES**

The Legislature specifically directed the Texas Water Development Board (TWDB) to provide funds for the above stated purpose. Consequently, the TWDB may provide funds from the general revenue account without reference to the requirements of other TWDB programs. The conditions necessary to affect the financing are only those necessary

[Our Mission](#)

Leading the state's efforts

to protect the interests of the TWDB and document the transaction to the satisfaction of the Executive Administrator.

**RECOMMENDATION**

The Executive Administrator recommends authorizing the execution of an agreement with the District for a \$2,500,000 grant pursuant to Senate Bill No. 1, 89th Legislative Regular Session, Article IX, Section 17.18.

Attachment:

1. Proposed Resolution (26- )

A RESOLUTION OF THE TEXAS WATER DEVELOPMENT BOARD  
APPROVING AN APPLICATION FOR FINANCIAL ASSISTANCE  
TO THE HARRIS COUNTY FLOOD CONTROL DISTRICT  
FROM THE GENERAL REVENUE FUND  
THROUGH A GRANT IN THE AMOUNT OF \$2,500,000

(26- )

Recitals:

The 89th Texas Legislature, through House Bill 500, 89th Leg. R.S., Article 6, Section 6.02 and Senate Bill 1, 89th Leg. R.S., Article IX, Section 17.18 appropriated to the Texas Water Development Board (TWDB) an amount not to exceed \$2,500,000 out of the General Revenue Fund for the purpose of constructing a stormwater project for Harris County Flood Control District.

The Harris County Flood Control District (District) seeks financial assistance in the amount of \$2,500,000 in grant funds to finance certain stormwater improvements identified as Project No. 21902, the Halls Aldine Westfield South Stormwater Detention Basis and Mainstream Channel project.

In accordance with its duties and responsibilities under Texas Water Code § 6.012, the TWDB has considered all matters required by law and in particular the instructions of the 89th Legislature.

The TWDB hereby finds that the project is eligible to receive funds in accordance with House Bill 500 and Senate Bill 1.

NOW, THEREFORE, based on these findings, the TWDB resolves as follows:

A commitment is made by the TWDB to the Harris County Flood Control District for a grant in the amount of \$2,500,000 from the General Revenue Fund. This commitment will expire on August 31, 2027.

Such commitment is conditioned as follows:

Standard Conditions:

1. This commitment is contingent on the District executing a Grant Agreement in a form and substance acceptable to the Executive Administrator.
2. The Grant Agreement must contain a provision that the District agrees to comply with all of the conditions set forth in the TWDB Resolution.
3. The Grant Agreement must contain a provision that the TWDB may exercise all remedies available to it in law or equity, and any provision of the Grant Agreement

that restricts or limits the TWDB's full exercise of these remedies shall be of no force and effect.

4. Financial assistance funds are public funds and, as such, the Grant Agreement must include a provision requiring that these proceeds shall be held at a designated state depository institution or other properly chartered and authorized institution in accordance with the Public Funds Investment Act, Government Code, Chapter 2256, and the Public Funds Collateral Act, Government Code, Chapter 2257.
5. Financial assistance funds shall not be used by the District when sampling, testing, removing, or disposing of contaminated soils and/or media at the project site. The Grant Agreement shall include an environmental indemnification provision wherein the District agrees to indemnify, hold harmless and protect the TWDB from any and all claims, causes of action or damages to the person or property of third parties arising from the sampling, analysis, transport, storage, treatment and disposition of any contaminated sewage sludge, contaminated sediments and/or contaminated media that may be generated by the District, its contractors, consultants, agents, officials and employees as a result of activities relating to the project to the extent permitted by law.
6. Prior to closing, when any portion of the financial assistance is to be held in escrow or in trust, the District shall execute an escrow or trust agreement, approved as to form and substance by the Executive Administrator, and shall submit that executed agreement to the TWDB.
7. Before closing, the District shall submit to the escrow agent a closing memo signed by the Executive Administrator.
8. The District must immediately notify TWDB, in writing, of any suit against it by the Attorney General of Texas under Texas Penal Code § 1.10(f) (related to federal laws regulating firearms, firearm accessories, and firearm ammunition).
9. The District shall submit progress reports with sufficient documentation on costs on a quarterly or monthly basis to allow for the timely distribution of the grant funds.

APPROVED and ordered of record this 22nd day of January 2026.
