

Water Loss Use and Conservation Workshops

SPRING 2022

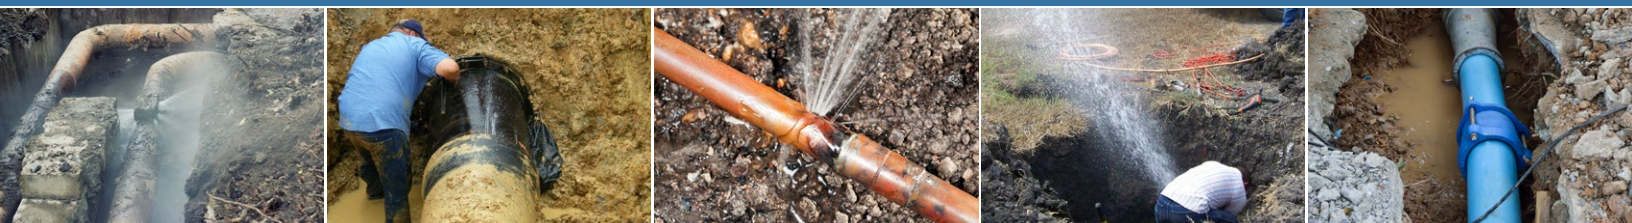

Thursday, February 10

Wednesday, March 9

Tuesday, April 12

Total Water Loss Control Program 8:30 a.m. - 12:30 p.m.

This program provides water utility staff the tools to complete their water use survey, conduct a comprehensive water loss audit, and enact water loss and water conservation strategies. Workshops have been approved for four hours of water operator continuing education units through the Texas Commission on Environmental Quality.
