

## Water Supply and Infrastructure Grant Opportunity Webinar

Join us for an informative session on the **Water Supply and Infrastructure Grants (WSIG)**, designed to support projects that enhance water availability and infrastructure development.

**Date:** January 20, 2026

**Time:** 9:30 AM – 11:30 AM

**Location:** Online

**Registration Link:** [Microsoft Teams Webinar](#)

### Topics Covered:

- Overview of the grant opportunity
- Eligibility requirements
- Rollout timeline
- Q&A session

### Who Should Attend:

Local governments, water utilities, engineers, planners, and organizations interested in water infrastructure funding opportunities.

**Don't miss this chance to learn how your community can benefit from WSIG funding and provide the TWDB with meaningful feedback!**
