

RFPG Political Subdivision Interest List

(as of 10/20/2020)

In May 2020, the Texas Water Development Board's Executive Administrator opened a solicitation for political subdivisions interested in supporting regional flood planning groups (RFPGs) by:

- Serving as the designated planning group sponsor, and/or
- Providing free public meeting space for the RFPG, and attending public, to use regularly

To assist the RFPGs in initiating their planning efforts, the TWDB has prepared this list containing the names of entities that responded to the solicitation and indicated interest in supporting RFPGs. Each five-year planning cycle, a RFPG must designate a political subdivision to act as the planning group sponsor to apply for and receive financial assistance from the TWDB to develop or revise a regional flood plan pursuant to 31 Texas Administrative Code (TAC) Chapters 361 and 362. The planning group sponsor may be changed at any time. The planning groups are not limited to choosing a planning group sponsor or meeting location from this list provided by TWDB.

RFPG	Name of political subdivision:	Sponsor?	Meeting Space?
01 Canadian-Upper Red	City of Amarillo	Yes	Yes
01 Canadian-Upper Red	Panhandle Regional Planning Commission (PRPC)	Yes	Yes
01 Canadian-Upper Red	Red River Authority of Texas	Yes	Yes
