

**NO PROGRESS REPORT WAS SBMITTED FOR THIS PROJECT IN AUGUST,
2009.**

SEE ATTACHED FOR EXPLANATION.

September 4, 2009

Saqib,

I did not do an invoice on the storm water project this month- we had very little time on it this reporting period. We have put a lot of time into it the last couple of weeks- it's just the way our billing cycle worked this month, and with Brian's and my vacation, we didn't end up having much time charged, so I went ahead and held the charges. Anyway, do you still need a progress report if we are not invoicing you? I can prepare one, but don't want to confuse things if we aren't invoicing. Just let me know.

Have a good Labor Day weekend- Alan and I will be touching base with you next week about an agenda for Workshop #1.
