Job Description Summary

Performs complex (journey-level) financial analysis and regulatory work. Work involves compiling, reviewing, analyzing and evaluating financial data. Prepares reports and responding to inquiries. Interacts and guides applicants and their consultants during the funding process. Participates in outreach efforts to promote Texas Water Development Board (TWDB) funding programs. Recommends appropriate action to ensure all projects meet the Board's credit standards and relevant state and federal program guidelines. May train others. Works under general supervision, with moderate latitude for the use of initiative and independent judgment. Reports to the Manager of the Regional Water Project Development (RWPD) Department.

Essential Job Functions

- Reviews and analyzes financial applications to ensure compliance with established procedures, requirements, laws and regulations.
- Conducts security analysis and determines financial capacity of loan applicants.
- Ensures completeness of data and presence of supporting documentation.
- Coordinates and guides applicants and their consultants to obtain necessary information to analyze and prepare written recommendations for Board action.
- Participates in outreach efforts to promote TWDB financing programs.
- Contributes and participates as a member of an inter-disciplinary team.
- Coordinates efforts associated with closings and serves as internal and external point of contact for closings.
- Reviews bond orders and setting of interest rates for loan closings.

Female and minority applicants are encouraged to apply.
