The Texas Water Development Board (TWDB) endorses telecommuting and hybrid workplace plans, in addition to other flexible work alternatives. We offer a competitive compensation and benefits package including medical, dental, vision, 401(k), flexible spending, and flexible work hours so you can have a work/life balance! For more information about these benefits and more visit: http://www.twdb.texas.gov/jobs/benefits.asp

**Veteran’s Preference**

Veterans, Reservists or Guardsmen with an MOS or additional duties that fall in the fields of 612X LDO - Operations, Surface, or other related fields pertaining to the minimum experience requirements may meet the minimum qualifications for this position and are highly encouraged to apply.

Additional Military Crosswalk information can be accessed at http://www.hr.sao.texas.gov/Compensation/MilitaryCrosswalk/MOSC_ProgramManagement.pdf.

**Job Description Summary**

Performs highly advanced (senior-level) outreach work. Responsible for the coordination and facilitation of marketing and outreach of Texas Water Development Board programs to various types of entities, including but not limited to local communities, cities, counties, districts, authorities and water supply corporations. Serves as a liaison between external stakeholders and the TWDB. Communicates directly with internal and external stakeholders, including other state or federal agency personnel, the general public, and elected and appointed officials. Represents the Board and its programs to a myriad of stakeholders, including citizen groups, professional associations, consulting firms, and other governmental entities. As Team Lead, responsible for developing outreach strategies, training outreach staff, and coordination of outreach staff activities. Serves as point of contact/intake for Water Supply and Infrastructure outreach opportunities. Participates in, coordinates, and facilitates the TWDB financial assistance workshops, assisting with site identification and logistics. Conducts public and professional presentations. Oversees and/or participates in special projects or programs as assigned by the Director of Program Administration and Reporting (PAR). Works under minimal supervision, with considerable latitude for the use of initiative and independent judgment. Reports to the Director of the PAR Division.

**Essential Job Functions**

- Establishes relationships with existing clients, local partners, other governmental agencies, and professional groups regarding water, wastewater, flood, and related infrastructure projects promoting the TWDB and its financial assistance programs. Coordinates with and markets to the various entities regarding the programs and projects serving as the TWDB liaison in the field.
- Develops and implements a financial assistance outreach / marketing plan for WSI-administered programs.

Female and minority applicants are encouraged to apply.

The Texas Water Development Board does not discriminate on basis of race, color, national origin, sex, religion, age, or disability in employment or provision of services, programs, or activities. Please visit TWDB Career Page: http://www.twdb.texas.gov/jobs/ for more information.

Males born on or after January 1, 1960, will be required to present proof of Selective Service registration on the first day of employment or proof of exemption from Selective Service registration requirement. All offers of employment are contingent upon the candidate having legal authorization to work in the United States. Failure to present such authorization within the time specified by the U.S. Department of Labor will result in the offer being rescinded. Candidates must be eligible to work in the United States without requiring sponsorship. Only applicants interviewed will be notified of their selection or non-selection. Resumes will not be accepted in place of a completed State of Texas application unless indicated.

TWDB participates in E-Verify. Information from each new employee’s Form I-9 will be provided to the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DHS) to confirm work authorization.

HR-002 (Non-Supervisory)
Revised 06/26/2020
• Coordinates and facilitates the TWDB financial assistance workshops, assisting with site identification and logistics.
• Assists in the development of outreach initiatives promoting the TWDB and its financial assistance programs, and coordinates and implements strategies to achieve a successful outcome.
• Assists in the oversight of contractors performing work under the Asset Management Program for Small Systems, including holding meetings with contractors and program recipients to receive feedback and providing periodic updates to the Director of PAR.
• Develops and implements an outreach strategy for the Drinking Water State Revolving Fund program’s Securing Safe Water initiative, including maintaining updated lists of potential applicants, making onsite visits, providing technical assistance to potential applicants, and assisting in the application process.
• Coordinates and collaborates with TWDB staff in program or project planning, development, implementation, analysis, and documentation.
• Facilitates the dissemination of information to Regional Water Project Development Teams providing leads for potential projects. Assists the Team Managers in continuing to facilitate development of such projects. Maintains list of potential funding candidates received from the Texas Commission on Environmental Quality and works with Team Managers to provide technical assistance to potential funding candidates.
• Adheres to agency operating procedures, policies and state statutes. All travel associated with assigned duties will be in the most effective manner; and policies regarding use of vehicles and other agency property are observed.
• Assists in reviewing the Outreach Team’s functions and operations, assisting in identifying areas needing change and developing plans for improvement.
• Conducts presentations.
• Represents the agency at various local events including program information meetings.
• Collaborates with members of TWDB’s interdisciplinary teams, engineering consultants, and representatives of federal, state and local governments during the course of each project.
• Guides and assists entities in applying for financial assistance, including the use of the TWDB Online Loan Application, or meeting obligations related to receiving financial assistance.
• Oversees the organization and maintenance of documentation and the recording of information on contacts, relevant activities and actions.
• Assists in monitoring projects and communicating issues or status to applicable TWDB staff.
• Assists project teams in identifying areas of potential improvement or streamlining.
• Prepares written reports, memoranda, and letters related to work activities.
• Maintains and utilizes various databases.
• Promotes an environment that encourages teamwork, accountability, professional development, and improvement in performance.
• Participates in supervisor-approved Career Development Plan activities, including the establishment of employee goals and identification of job-related training opportunities as discussed with supervisor.
• May assist in the review or development of procedures, guidance documents, and forms.
• Maintains confidential and sensitive information.
• Ensures individual and team files (electronic and hard versions) are appropriately maintained and timely disposed of in accordance with the agency’s records retention procedures and schedule.
• Maintains required certifications and licenses and meets the continuing education needs and requirements of the position to include, attending mandatory training courses.
• May be required to operate a state or personal vehicle for business purposes.
• May train, lead, assign and/or prioritize the work of others.
• Performs other duties as assigned.

**Minimum Qualifications**

- Graduation from an accredited four-year college or university with major coursework in Business Administration, Construction Management, Marketing, Communications, or a related field.
- Nine to ten years of experience working in the field of infrastructure project financing and oversight.
- Relevant experience and education may be substituted on a year-for-year basis.
