**Job Description Summary**
Performs highly advanced (senior-level) planning and research work. Assists in leading the development of the first sets of regional flood plans for the State of Texas. Work involves providing direction, coordination, and support to the Flood Planning Regions and flood planning team staff; coordinating and tracking work products developed by the Regional Flood Planning Department, ensuring quality control of team work outputs and successful completion by set deadlines, coordinating the development of regional flood plans with flood planning groups, coordinating and managing flood planning grant contracts for development of regional flood plans, serving as liaison (non-voting member) of flood planning groups, providing technical and administrative assistance to flood planning groups, supporting regional water project development teams and evaluating projects in loan application process, and assisting in developing the state flood plan. May train others. Works under minimal supervision, with, extensive latitude for the use of initiative and independent judgment. Reports to the Manager of the Regional Flood Planning Department.

**Essential Job Functions**

Female and minority applicants are encouraged to apply.

The Texas Water Development Board does not discriminate on basis of race, color, national origin, sex, religion, sexual orientation, age, or disability in employment or provision of services, programs, or activities. Please visit TWDB Career Page: http://www.twdb.texas.gov/jobs/ for more information.

Males born on or after January 1, 1960, will be required to present proof of Selective Service registration on the first day of employment or proof of exemption from Selective Service registration requirement. All offers of employment are contingent upon the candidate having legal authorization to work in the United States. Failure to present such authorization within the time specified by the U.S. Department of Labor will result in the offer being rescinded. Candidates must be eligible to work in the United States without requiring sponsorship. Only applicants interviewed will be notified of their selection or non-selection. Resumes will not be accepted in place of a completed State of Texas application unless indicated.

TWDB participates in E-Verify. Information from each new employee’s Form I-9 will be provided to the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DHS) to confirm work authorization.
