Explaination of Water Well Numbering System

LOCATION OF GRID CELL
19 = 1-degree quadrangle
20 = 7 1/2-minute quadrangle
46 = 3 1/2-minute quadrangle

WELL-NUMBERING SYSTEM
Any location point on a 1-degree quadrangle may be located by using the 1-degree quadrangle, the 7 1/2-minute quadrangle, and the 3 1/2-minute quadrangle. The first digit of the well number identifies the 1-degree quadrangle. The second and third digits identify the 7 1/2-minute quadrangle and the last two digits identify the 3 1/2-minute quadrangle.
