Carolyn,

Sorry to bother you during a meeting and I appreciate your assistance concerning the following issue.

Hereford Mayor Bob Josserand notified the district that the City of Hereford was omitted from the list of major cities in the Summary of LLano Estacado (O) Region in the draft SWP. It does need to be included in the final SWP.

I also noticed that the cities of Littlefield, Seminole, Slaton, and Tulia were also omitted from the same list. They, too, are listed in the regional plan as major.

We will verify policy issues and keep you in the loop should any change be necessary.

Again, thanks for your help.
