Subject: State Water Plan

I spent many years in Texarkana as a member and officer of FUSE (Friends United for a Safe Environment). Now I am in Boulder City City., NV, and the Southern Nevada Water Authority is trying to steal water from the NW part of the State. It seems that a similar situation is still at work in the Dallas area. Please remove this idea from the plan. NE Texas economy would be imperiled. When I left Texas six years ago I thought that Marvin Nichols was dead in the water, so to speak. Apparently, I was mistaken.

Thank you for your consideration. - - Chester S. Williams, Ph.D., 582 Lake Huron Ln, Boulder City, NV, 89005;
