The following are editorial comments on the draft 2007 State Water Plan. These are being submitted to the TWDB for their consideration in the final 2007 State Water Plan.

## **VOLUME I**

Page 9, second column, “ratepayers” should be changed to rate base. A rate payer is generally an individual or business.

## **VOLUME II**

### **Typographical errors**

1. Page 18, Planning Group Members, change “Denisse” Jett to Denise Jett
2. Page 30. The phrase “text box head” should be removed from the title of the table.
3. Page 47, Table F.3 – Change Mcculloch to McCulloch. Tom Green is two words.
4. Page 138, next to last paragraph: Use “inches per year” instead on “inches”
5. Page 142, change “opperated” to “operated”.
6. Page 196, capitalize Trinity in last sentence.
7. Page 265 in Table 10.3. Check cost number format for Regions G and O for other surface water strategies.
8. Page 268, Check spelling of Goldthwaite in text (seventh line).
9. Page 278, delete the word “Hyphenate” in last paragraph.

### **Editorial Comments**

10. Page 25, under “Plan Highlights”, Lake Fastrill should be shown simply as “Fastrill” for consistency purposes.
11. Page 26, under “Conservation Recommendations”, the word “water” should be inserted to read as “residential water audits” in the last sentence.
12. Page 41. Table E.3 includes only 3 of the 7 counties in the Region. We suggest adding a foot note indicating that the other 4 counties have no needs.
13. Page 274, Table 10.7. Consider adding the sponsoring Region to the table.
14. Page 275, Figure 10.12 may benefit from a zoom-in detail of transfers within North East Texas to provide additional clarity. The labeled locations for conveyance segments 7A, 9, and 12 should be verified and corrected.
15. Appendix 6, Add header line to subsequent pages of table.
