RE: Comments on 2007 Texas State Water Plan

Dear Mr. Roberts:

I am a native Texan and have been concerned for our water supply for many years. With the population expected to more than double by 2060, I am especially in favor of designating the new water reservoir sites recommended in the plan. I thank the Region C Board for all their hard work and I recommend adoption of the proposed 2007 Texas State Water Plan.

Sincerely,
