EXPLANATION

- **Wells used for control**
- **Number indicates altitude of top of Yegua Formation**
- **"E" indicates estimated altitude**
- **800**

- **Structure contour**
  - Shows approximate altitude of top of Yegua Formation
- **Contour interval 200 feet**
- **Datum is mean sea level**

- **Areal extent of fresh water in the Yegua Formation**

- **Approximate downdip limit of slightly saline water**

- **Outcrop of Yegua Formation**

- **Fault**
  - U, upthrown side; D, downthrown side

---

**Figure 6**
Approximate Altitude of the Top of the Yegua Formation

Base from U.S. Geologic Survey topographic quadrangles
