Interbasin Transfers Excluding the Rio Grande Basin

1. It should be noted that many water rights include authorization for interbasin transfer where the amount to be transferred is not specified. If the amount was not specified in the water right, it was assumed that the entire amount would be transferred.
2. Some water rights did not receive a new priority date for the interbasin transfer because the water right was a new appropriation of water and was junior anyway.
3. These water rights were subsequently amended after SB1 for additional exempt authorizations.
4. (E) represents water rights that applied for and were granted exempt interbasin transfers
5. The portion of the water right granted to Corpus Christi was made one day junior to LCRA's rights pursuant to an agreement between the parties.
